The option vests in installments, beginning with 24,000 shares on the date of grant, and the balance in annual installments of 16,000 shares each on (1) each March 15 through March 15, 2008, subject for each annual installment to the issuer's satisfaction of certain performance criteria for the immediately preceding year. The issuer has determined that the performance criteria for vesting of the March 15, 2006 installment has been met, resulting in that installment being deemed acquired.
