## Trustees – Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board does not have a Chairman. The Board has appointed Mr. Conn as the lead Independent Trustee. The lead Independent Trustee presides over executive sessions of the Trustees and also serves between meetings of the Board as a liaison with service providers, officers, counsel, and other Trustees on a wide variety of matters including agenda items for Board meetings. Designation as such does not impose on the lead Independent Trustee any obligations or standards greater than or different from other Trustees. The Board has established a Nominating Committee and an Audit Committee to assist the Board in the oversight of the management and affairs of the Fund. The Board also has an *ad hoc* Proxy Voting Committee that exercises beneficial ownership responsibilities on behalf of the Fund in selected situations. From time to time, the Board establishes additional committees or informal working groups, such as an *ad hoc* Pricing Committee related to securities offerings by the Fund, to address specific matters or assigns one of its members to work with trustees or directors of other funds in the Fund Complex on special committees or working groups that address fund complex-wide matters, such as the multi-fund *ad hoc* Compensation Committee relating to the compensation of the Chief Compliance Officer for all the funds in the Fund Complex and a separate multi-fund *ad hoc* Compensation Committee relating to the compensation of certain other officers of the closed-end funds in the Fund Complex.

All of the Fund's Trustees other than Mr. Gabelli and Mr. Tokar are Independent Trustees, and the Board believes it is able to provide effective oversight of the Fund's service providers. In addition to providing feedback and direction during Board meetings, the Trustees meet regularly in executive session and chair all committees of the Board.

The Fund's operations entail a variety of risks, including investment, administration, valuation, and a range of compliance matters. Although the Adviser, the sub-administrator, and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and working groups. As part of its general oversight, the Board reviews with the Adviser at Board meetings the levels and types of risks being undertaken by the Fund, and the Audit Committee discusses the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund. The Board reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board also receives periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes designed to provide visibility to the Board regarding the identification, assessment, and management of critical risks, and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes at its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight, and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition, and functioning, and may make changes at its discretion at any time.

## **The Audit Committee and Audit Committee Report**

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Charter") that was most recently reviewed and approved by the Board of Trustees on February 27, 2013. The Audit Charter is available on the Fund's website at [www.gabelli.com/corporate/closed/corp\\_gov.html](http://www.gabelli.com/corporate/closed/corp_gov.html).

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also contains provisions relating to the pre-approval by the Audit Committee of audit and non-audit services to be provided by Ernst & Young LLP ("Ernst & Young"), the Fund's independent registered public accounting firm for the fiscal year ended December 31, 2012, to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 25, 2013, the Audit Committee reviewed and discussed with management of the Fund and Ernst & Young, the audited financial statements of the Fund as of and for the period ended December 31, 2012, and the conduct of the audit of such financial statements.

In addition, the Audit Committee discussed with Ernst & Young the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by Ernst & Young as required by Statement of Auditing Standards No. 114, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) ("PCAOB") in Rule 3200T. The Audit Committee also received from Ernst & Young the written disclosures and statements required by the SEC's independence rules, delineating relationships between Ernst & Young and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of Ernst & Young as the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm.

Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and Ernst & Young, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the period ended December 31, 2012.

**Submitted by the Audit Committee of the Fund's Board of Trustees**

Salvatore J. Zizza, Chairman

Anthony J. Colavita

Clarence A. Davis

February 27, 2013

The Audit Committee met two times during the period ended December 31, 2012. The Audit Committee is composed of three of the Fund's Independent Trustees, namely Messrs. Colavita, Davis, and Zizza. Each member of the Audit Committee has been determined by the Board of Trustees to be financially literate. Mr. Zizza has been designated as the Fund's audit committee financial expert, as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K (the "Audit Committee Financial Expert").

**Nominating Committee**

The Board of Trustees has a Nominating Committee composed of two of the Fund's Independent Trustees, namely Messrs. Colavita (Chairman) and Zizza. Each Nominating Committee member is an Independent Trustee as determined under guidelines of the NYSE. The Nominating Committee met once during the period ended December 31, 2012. The Nominating Committee is responsible for identifying and recommending qualified candidates to the Board in the event that a position is vacated or created. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board, the qualifications of the candidate, and the interests of shareholders.

The Nominating Committee believes that the minimum qualifications for serving as a Trustee of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Trustees oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund. The Fund has adopted specific Trustee qualification requirements that can be found in the Fund's governing documents and are applicable to all individuals who may be nominated, elected, appointed, qualified or seated to serve as Trustees. The qualification requirements include: (i) age limits (at least 21 years of age and such maximum age as the Trustees may in the future determine); (ii) prohibitions regarding any legal disability; (iii) limits on service on other boards; (iv) restrictions on relationships with investment advisers other than the Fund's adviser; and (v) character and fitness requirements. Additionally, each Independent Trustee must not be an "interested person" of the Fund as defined under Section 2(a)(19) of the 1940 Act and may not be or have certain relationships with a shareholder beneficially owning five percent or more of the Fund's outstanding Shares or specified levels of interest in registered investment companies. The Fund's By-Laws also provide that a majority of the Trustees then in office may determine by resolution that a failure to

satisfy a particular qualification requirement will not present undue conflicts or impede the ability of the candidate to discharge the duties of a Trustee or the free flow of information among Trustees or between the Fund's adviser and the Board. Reference is made to the Fund's governing documents for more details.

---

The Nominating Committee also considers the overall composition of the Board, bearing in mind the benefits that may be derived from having members who have a variety of experiences, qualifications, attributes or skills useful in overseeing a publicly traded, highly regulated entity such as the Fund. The Trustees have not determined a maximum age. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying trustee candidates. For a discussion of experiences, qualifications, attributes, or skills supporting the appropriateness of each Trustee's service on the Fund's Board, see the biographical information of the Trustees above in the section entitled "Information about Trustees and Officers."

The Fund's Nominating Committee adopted a charter on November 8, 2006. The charter is available on the Fund's website at [www.gabelli.com/corporate/closed/corp\\_gov.html](http://www.gabelli.com/corporate/closed/corp_gov.html).

### **Other Board Related Matters**

The Board of Trustees has established the following procedures in order to facilitate communications among the Board and the shareholders of the Fund and other interested parties.

#### Receipt of Communications

Shareholders and other interested parties may contact the Board or any member of the Board by mail or electronically. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board member(s) with whom you wish to communicate either by name or title. All such correspondence should be to The GDL Fund, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422. To communicate with the Board electronically, shareholders may go to the corporate website at [www.gabelli.com](http://www.gabelli.com) under the heading "Our Firm/Contact Us/Email Addresses/Board of Directors (Gabelli Closed-End Funds)."

#### Forwarding the Communications

All communications received will be opened by the office of the General Counsel of the Adviser for the sole purpose of determining whether the contents represent a message to one or more Trustees. The office of the General Counsel will forward promptly to the addressee(s) any contents that relate to the Fund and that are not in the nature of advertising, promotion of a product or service, or patently offensive or otherwise objectionable material. In the case of communications to the Board of Trustees or any committee or group of members of the Board, the General Counsel's office will make sufficient copies of the contents to send to each Trustee who is a member of the group or committee to which the envelope or e-mail is addressed.

The Fund does not expect Trustees or nominees for election as Trustee to attend the Annual Meeting of Shareholders. Mr. Gabelli attended the Fund's annual meeting of shareholders held on May 14, 2012. No other Trustee or nominee for election as Trustee attended that meeting.

The following table sets forth certain information regarding the compensation of the Trustees by the Fund officers, if any, who and were compensated by the Fund rather than the Adviser, for the year ended December 31, 2012.

**ADDITIONAL INFORMATION****Independent Registered Public Accounting Firm**

Ernst & Young, LLP, 5 Times Square, New York, NY 10036-6530, has been selected to serve as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2013. Ernst & Young acted as the Fund's independent registered public accounting firm for the period ended December 31, 2012. The Fund knows of no direct financial or material indirect financial interest of Ernst & Young in the Fund. A representative of Ernst & Young will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Set forth in the table below are audit fees and non-audit related fees billed to the Fund by Ernst & Young for professional services received during and for the period ended December 31, 2011 and 2012, respectively.

<b>Period Ended</b>	<b>Audit</b>	<b>Tax Fees*</b>	<b>All Other Fees</b>
<b><u>December 31</u></b>	<b><u>Related Fees</u></b>		
2011	\$20,600	\$3,200	
2012	\$21,300	\$3,300	

\* Tax Fees are those fees billed by Ernst & Young in connection with tax compliance services, including primarily the review of the Fund's income tax returns.

The Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the independent registered public accounting firm to the Fund's Adviser and service providers controlling, controlled by, or under common control with the Fund's Adviser ( affiliates ) that provide ongoing services to the Fund ( a Covered Services Provider ), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his decision(s) to the Audit Committee at its next regularly scheduled meeting after the Chairman's pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit and tax services described above for which Ernst & Young billed the Fund fees for the periods ended December 31, 2011 and December 31, 2012 were pre-approved by the Audit Committee.

For the periods ended December 31, 2011 and 2012, Ernst & Young has informed the Fund that it billed \$28,025 and \$49,500, respectively, in the aggregate for certain non-audit services to the Adviser or Covered Service Providers.

The Audit Committee has considered whether the provision of non-audit services that were rendered to the Adviser or Covered Service Providers that were not pre-approved was compatible with maintaining Ernst & Young's independence.

**The Investment Adviser and Administrator**

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Trustees, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the NYSE and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it received for the period ended December 31, 2012, the Fund believes that during that year such persons complied with all such applicable filing requirements.

### **Broker Non-Votes and Abstentions**

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions (or withheld votes with respect to the election of Trustees) and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote Shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as Shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

Because the Fund requires a plurality of votes to elect each nominee for Trustee, abstentions and broker non-votes, if any, will not be counted as votes cast, but will have no effect on the result of the vote. Abstentions and any broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Brokers holding Shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on Proposal 1 before the Meeting. Under the rules of the NYSE, such brokers may, for certain routine matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a routine matter and accordingly beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of Proposal 1. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on Proposal 1 may be deemed an instruction to vote such Shares in favor of the proposal.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semiannual Report for the six months ended June 30, 2013.

### **Householding**

Please note that only one document (i.e., an annual or semiannual report or one set of proxy soliciting materials) may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of a document, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact the Fund at the address and phone number set forth above.

### **OTHER MATTERS TO COME BEFORE THE MEETING**

The Trustees of the Fund do not intend to present any other business at the Meeting nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.

## **SHAREHOLDER NOMINATIONS AND PROPOSALS**

All proposals by shareholders of the Fund that are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in 2014 (the 2014 Annual Meeting) must be received by the Fund for consideration for inclusion in the Fund's 2014 proxy statement and proxy relating to that meeting no later than December 4, 2013. Rule 14a-8 under the 1934 Act (Rule 14a-8) specifies a number of procedural and eligibility requirements to be satisfied by a shareholder submitting a proposal for inclusion in the Fund's proxy materials pursuant to this Rule. Any shareholder contemplating submissions of such a proposal is referred to Rule 14a-8.

The Fund's By-Laws require shareholders that wish to nominate Trustees or make proposals to be voted on at an Annual Meeting of the Fund's Shareholders (and which are not proposed to be included in the Fund's proxy materials pursuant to Rule 14a-8 under the 1934 Act) to provide timely notice of the nomination or proposal in writing. To be considered timely for the 2014 Annual Meeting, the shareholder notice (and information described below) must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary no earlier than December 14, 2013 and no later than January 13, 2014; provided, however, that if the 2014 Annual Meeting is to be held on a date that is earlier than April 18, 2014 or later than June 7, 2014, such notice must be so received not later than the close of business on the 10th day following the date on which notice of the date of the annual meeting was mailed or public disclosure of the date of such annual meeting was made, whichever occurred first. In no event shall the adjournment or postponement of an annual meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

In order for a shareholder of record to propose a nominee for Trustee, such shareholder must furnish written notice setting forth specified information about the nominee and associates of the nominee, the shareholder(s) of record (and if different, each beneficial owner on whose behalf the nomination is being made) and associates of the shareholder(s), as well as an executed certificate by the nominee relating to the nominee's disclosure of any agreement, arrangement or understanding with any person or entity other than the Fund in connection with service as a Trustee of the Fund, the nominee's consent to serve as a Trustee if elected and the nominee's satisfaction of the Trustee qualifications set forth in the Fund's governing documents. If requested by the Nominating Committee, the proposing shareholder will need to also submit a completed and signed trustee's questionnaire, including a supplement, relating to the nominee's satisfaction of the qualifications requirements set forth in the governing documents.

The foregoing description of the procedures for a shareholder of the Fund properly to make a nomination for election to the Board or to propose other business for the Fund is only a summary and is not complete. Copies of the Fund's governing documents, including the provisions that concern the requirements for shareholder nominations and proposals, are available on the EDGAR Database on the SEC's website at [www.sec.gov](http://www.sec.gov). The Fund will also furnish, without charge, a copy of its governing documents to a shareholder upon request, which may be requested by writing to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422. Any shareholder of the Fund considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's governing documents.
