QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

Q: What is the purpose of the Annual Meeting?

A: To vote on the following proposals:

- To elect five (5) members of the Board of Directors to hold office until the Annual Meeting of Stockholders in 2011, and until their successors are duly elected and qualified;
- To transact such other business that may properly come before the Annual Meeting or at any adjournment or postponement thereof.

Q: What are the Board of Directors' recommendations?

A: The Board recommends a vote:

FOR the election of the five (5) nominees as directors;

FOR or AGAINST other matters that properly come before the Annual Meeting as the proxy holders deem advisable.

Q: Who is entitled to vote at the meeting?

A: Stockholders Entitled to Vote. Stockholders whose records show owned shares of China North East Petroleum Holdings of the close of business on November 5, 2010 (the "Record Date") may vote at the Annual Meeting. On the Record Date, we had a total of 29,604,860 shares of Common Stock issued and outstanding, which were held of record by 94 stockholders. The stock transfer books will not be closed between the Record Date and the date of the

meeting. Each share of China North East Petroleum Holdings Limited Common Stock is entitled to one vote.

Registered Stockholders. If your shares are registered directly in your name with China North East Petroleum Holdings Limited's transfer agent, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent to you by China North East Petroleum Holdings Limited. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name. These proxy materials are being forwarded to you by your broker or nominee, who is considered, with respect to those shares, the record holder. As the beneficial owner, you have the right to direct your broker or nominee how to vote, and you are also invited to attend the Annual Meeting. However, since you are not the record holder, you may not vote these shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. Your broker or nominee has enclosed a voting instruction card for you to use.

Q: Can I attend the meeting in person?

A: You are invited to attend the Annual Meeting if you are a registered stockholder or a street name stockholder as of November 5, 2010. In addition, you will be required to present photo identification, such as a driver's license or passport, to gain admission to the Annual Meeting.

Q: How can I vote my shares?

A: Registered Stockholders: Registered stockholders may vote in person at the Annual Meeting or by one of the following methods:

By Mail. Complete, sign and date the enclosed proxy card and return it in the prepaid envelope provided; or

By Fax. Complete, sign and date the enclosed proxy card and fax to Interwest Transfer Co., Inc. at (801) 277-3147.

Please note that voting facilities for registered stockholders will close at 5:00 p.m. Pacific Time on December 14, 2010.

Street Name Stockholders: If your shares are held by a broker, bank or other nominee, you must follow the instructions on the form you receive from your broker, bank or other nominee in order for your shares to be voted. Please follow their instructions carefully. Also, please note that if the holder of record of your shares is a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must request a legal proxy from the bank, broker or other nominee that holds your shares and present that proxy and proof of identification at the Annual Meeting to vote your shares.

Based on the instructions provided by the broker, bank or other holder of record of their shares, street name stockholders may generally vote by one of the following methods:

By Mail. You may vote by signing, dating and returning your voting instruction card in the enclosed pre-addressed envelope;

By Methods Listed on Voting Instruction Card. Please refer to your voting instruction card or other information forwarded by your bank, broker or other holder of record to determine whether you may vote by mail or fax, and follow the instructions on the voting instruction card or other information provided by the record holder; or

In Person with a Proxy from the Record Holder. A street name stockholder who wishes to vote at the Annual Meeting will need to obtain a legal proxy from his or her bank or brokerage firm. Please consult the voting instruction card sent to you by your bank or broker to determine how to obtain a legal proxy in order to vote in person at the Annual Meeting.

Q: If I sign a proxy, how will it be voted?

A: When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. However, if no specific instructions are given, the shares will be voted in accordance with the above recommendations of our Board of Directors. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions, as described below under “Can I change my vote?”

Q: What should I do if I get more than one proxy or voting instruction card?

A: Stockholders may receive more than one set of voting materials, including multiple copies of these proxy materials and multiple proxy cards or voting instruction cards. For example, stockholders who hold shares in more than one brokerage account may receive a separate voting instruction card for each brokerage account in which shares are held. Stockholders of record whose shares are registered in more than one name will receive more than one proxy card. You should sign and return all proxies and voting instruction cards you receive relating to our Annual Meeting to ensure that all of your shares are voted.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the Annual Meeting. To revoke your proxy instructions and change your vote if you are a stockholder of record, you must (i) attend the Annual Meeting and vote your shares in person, (ii) advise our Corporate Secretary, Chao Jiang, at our principal executive office in writing before the proxy holders vote your shares, or (iii) deliver later dated and signed proxy instructions before the proxy holders vote your shares.

Q: What happens if I decide to attend the Annual Meeting but I have already voted or submitted a proxy covering my shares?

A: You may attend the meeting and vote in person even if you have already voted or submitted a proxy. Please be aware that attendance at the Annual Meeting will not, by itself, revoke a proxy. If a bank, broker or other nominee holds your shares and you wish to attend the Annual Meeting and vote in person, you must obtain a “legal proxy” from the record holder of the shares giving you the right to vote the shares.

Q: How are votes counted?

A: The Annual Meeting will be held if a majority of the outstanding shares of common stock entitled to vote is represented in person or by proxy at the meeting. If you have returned valid proxy instructions or attend the Annual Meeting in person, your common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the meeting.

Shares that are voted “WITHHELD” or “ABSTAIN” are treated as being present for purposes of determining the presence of a quorum and as entitled to vote on a particular subject matter at the Annual Meeting. If you hold shares of China North East Petroleum Holdings Limited common stock in street name through a bank, broker or other nominee holder, the nominee holder may only vote your shares in accordance with your instructions. If you do not give specific instructions to your nominee holder as to how you want your shares voted, your nominee will indicate that it does not have authority to vote on the proposal, which will result in what is called a “broker non-vote.” All shares of the Company’s common stock represented at the Annual Meeting, including broker non-votes and abstentions, will be counted for purposes of determining the presence of a quorum.

Q: Who will tabulate the votes?

A: The Company will designate Interwest Transfer Co., Inc. as the Inspector of Election who will tabulate the votes.

Q: Who is making this solicitation?

A: This proxy is being solicited on behalf of the Company’s Board of Directors.

Q: Who pays for the proxy solicitation process?

A: China North East Petroleum Holdings Limited will pay the cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We do not plan to retain a solicitor to assist with the solicitation. We may, on request, reimburse brokerage firms and other nominees for their expenses in forwarding proxy materials to beneficial owners. In addition to soliciting proxies by mail, we expect that our directors, officers and employees may solicit proxies in person or by facsimile. None of these individuals will receive any additional or special compensation for doing this, although we will reimburse these individuals for their reasonable out-of-pocket expenses.

3

Q: May I propose actions for consideration at next year's annual meeting of stockholders or nominate individuals to serve as directors?

A: You may present proposals for action at a future meeting only if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission ("SEC") and our bylaws. In order for a stockholder proposal to be included in our Proxy Statement and form of Proxy relating to the meeting for our 2010 Annual Meeting of Stockholders under rules set forth in the Securities Exchange Act of 1934, as amended (the "Securities Exchange Act"), the proposal must be received by us no later than 5:00 p.m. (U.S. Eastern Standard Time) not less than the 120th calendar day prior to the first anniversary of the mailing of the notice for the preceding year's annual meeting. Accordingly, stockholder proposals intended to be presented in our proxy materials for the 2010 Annual Meeting must be received by the Company's Corporate Secretary, on or before July 25, 2011, and must satisfy the requirements of the proxy rules promulgated by the Securities and Exchange Commission.

Q: How do I obtain a separate set of proxy materials or request a single set for my household?

A: If you share an address with another stockholder and have the same last name, you will receive only one set of proxy materials (including our annual report on Form 10-K and proxy statement). If you wish to receive a separate proxy statement at this time, please request the additional copy by contacting our transfer agent, Interwest Transfer Co., Inc. by telephone at (801) 272-9294, or by facsimile at (801) 277-3147.

A copy of the annual report and proxy statement is also available on the internet at <http://www.shareholdermaterial.com/nep>.

A: You may contact our transfer agent Interwest Transfer Co., Inc., by telephone at (801) 272-9294 or by facsimile at (801) 277-3147, if you have lost your stock certificate or need to change your mailing address.

In the performance of this oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2009 with management, and the Chair of the Audit Committee has

discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committee, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent auditors the independent auditors' independence; and based on the review and discussions referred above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent." Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2009, be filed with the Securities and Exchange Commission.
