PROXY STATEMENT FOR ANNUAL MEETING
OF SHAREHOLDERS TO BE HELD ON MAY 22, 2014

GENERAL PROXY STATEMENT INFORMATION

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or the “Board”) of 1st Constitution Bancorp (the “Company”), for use at the 2014 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on May 22, 2014, at 3:00 p.m. Eastern Time, at the Forsgate Country Club, 375 Forsgate Drive, Monroe Township, New Jersey.

The first date on which this proxy statement and the enclosed form of proxy are being sent to the shareholders of the Company is on or about April 15, 2014.

The Company’s principal executive office is P.O. Box 634, 2650 Route 130 North, Cranbury, New Jersey 08512. 1st Constitution Bank is a wholly-owned subsidiary of the Company and is sometimes referred to as the “Bank.”

Outstanding Securities and Voting Rights and Procedures

The Board of Directors fixed the close of business of the Company (5:00 p.m. Eastern Time) on April 1, 2014 as the record date and time for determining shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record as of that date and hour will be entitled to notice of, and to vote at, the Annual Meeting.

On the record date, there were 7,084,725 shares of common stock of the Company outstanding and eligible to be voted at the Annual Meeting. Each share is entitled to one vote on each matter properly brought before the Annual Meeting. Other than Company common stock, there are no other outstanding securities of the Company entitled to vote at the Annual Meeting.

If the enclosed proxy card is properly signed by a shareholder and is not revoked, the shares represented thereby will be voted at the Annual Meeting in the manner specified on the proxy. However, if a proxy solicited by the Board of Directors does not specify how it is to be voted, it will be voted as the Board recommends, that is, (a) “FOR” the election of the two nominees for director named in this proxy statement; (b) “FOR” the approval (on an advisory basis) of the compensation of our named executive officers; (c) “FOR” the ratification of the selection of BDO USA LLP as the Company’s independent registered public accounting firm for the 2014 fiscal year; and (d) in connection with the conduct of other business, if properly raised, in accordance with the judgment of the person or persons named as proxies. If, for any reason, either nominee for director is unable or unavailable to serve or for good cause will not serve, an event that we do not anticipate, the shares represented by the accompanying proxy will be voted for a substitute nominee designated by the Board or the size of the Board may be reduced.

If any other matters are properly presented at the Annual Meeting for consideration, such as consideration of a motion to adjourn the Annual Meeting to another time or place, the persons named as proxies will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote, unless the shareholder otherwise specifies in the proxy. At the date of this proxy statement, we do not anticipate that any other matters will be raised at the Annual Meeting.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote generally is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power with respect to that item and has not received voting instructions from the beneficial owner.

Certain proposals, such as the ratification of the appointment of auditors, are considered “routine” matters and brokers generally may vote on behalf of beneficial owners who have not furnished voting instructions. For “non-routine” proposals, such as the election of directors and the advisory vote to approve the compensation of our named executive officers, brokers may not vote on the proposals unless they have received voting instructions from the beneficial owner.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required to elect a director. An abstention or a broker non-vote will have no effect on the outcome of the vote on the election of a director. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the compensation of our named executive officers and ratify the selection of BDO USA LLP as the Company’s independent registered public accounting firm for the 2014 fiscal year. The vote for the approval of the compensation of our named executive officers is on an advisory basis and is therefore non-binding. For these last two proposals, abstentions and broker non-votes will not be counted as votes and, accordingly, will have no effect on the outcome of the vote.

Election inspectors appointed for the Annual Meeting will tabulate the votes cast by proxy or in person at the meeting. The election inspectors will determine whether or not a quorum is present. Votes will NOT be considered cast if the shares are not voted for any reason, including an abstention indicated as such on a written proxy or ballot, if directions are given in a written proxy to withhold votes, or if the votes are withheld by a broker.

Revocability of Proxies

Any shareholder giving a proxy has the right to attend and vote at the Annual Meeting in person. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy executed in your favor from the holder of record to be able to vote at the Annual Meeting. If you submit a proxy and then wish to change your vote, you will need to revoke the proxy that you have submitted. You can revoke your proxy at any time before it is exercised by voting in person at the Annual Meeting or by delivery of a properly executed, later-dated proxy or a written revocation of your proxy. A later-dated proxy or written revocation must be received before the meeting by the Corporate Secretary of the Company, at P.O. Box 634, 2650 Route 130 North, Cranbury, New Jersey 08512, or it must be delivered to the Corporate Secretary at the Annual Meeting before proxies are voted.

Multiple Copies of Annual Report and Proxy Statement

When more than one holder of Company common stock shares the same address, we may deliver only one annual report and one proxy statement to that address unless we have received contrary instructions from one or more of those shareholders. Similarly, brokers and other intermediaries holding shares of Company common stock in “street name” for more than one beneficial owner with the same address may deliver only one annual report and one proxy statement to that address if they have received consent from the beneficial owners of the stock.

We will deliver promptly, upon written or oral request, a separate copy of the annual report and proxy statement to any shareholder, including a beneficial owner of stock held in “street name,” at a shared address to which a single copy of either of those documents was delivered. You may make such a request in writing to Stephen J. Gilhooly, Senior Vice President and Chief Financial Officer, 1st Constitution Bancorp, at P.O. Box 634, 2650 Route 130 North, Cranbury, New Jersey 08512, or by calling Mr. Gilhooly at (609) 655-4500. This proxy statement and the annual report are available at: <http://www.cfpproxy.com/4584>.

You may also contact Mr. Gilhooly at the address or telephone number above if you are a shareholder of record of the Company and you wish to receive a separate annual report or proxy statement, as applicable, in the future, or if you are currently receiving multiple copies of our annual report and proxy statement and want to request delivery of a single copy in the future. If your shares are held in “street name” and you want to increase or decrease the number of copies of our annual report and proxy statement delivered to your household in the future, you should contact the broker or other intermediary who holds the shares on your behalf.

Solicitation of Proxies

This proxy solicitation is being made by the Board. The cost of the solicitation will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone, facsimile, email, or other electronic means by officers, directors and employees of the Company. We will not specially compensate those persons for such solicitation activities. Although we do not expect to do so, we may retain a proxy-soliciting firm to assist us in soliciting proxies. If so, we would pay the proxy-soliciting firm a fee and reimburse it for certain out-of-pocket expenses. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of common stock held of record by such persons, and we will reimburse such persons for their reasonable expenses incurred in forwarding the materials.

Smaller Reporting Company

The Company has elected to prepare this proxy statement and other annual and periodic reports as a “smaller reporting company” consistent with rules of the Securities and Exchange Commission.

ITEM 1 - ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three separate classes of directors, designated as Class I, Class II, and Class III. The directors in Class I are serving a three-year term which expires in 2015; the directors in Class II are serving a three-year term which expires in 2016; and the directors in Class III are serving a three-year term which expires in 2014, and in each case until their successors are duly elected and qualified. At each annual meeting, one class of directors will be elected for terms of three years to succeed those directors in the class whose terms then expire.

The Company's certificate of incorporation requires each class of directors to consist as nearly as possible of one-third of the authorized number of directors. In the event that a nominee stands for election as a director at an annual meeting as a result of an increase by the Board of Directors of the authorized number of directors and such nominee is to serve in a class of directors whose term is not expiring at such annual meeting, the nominee, if elected, may stand for an initial term expiring concurrent with the expiration of the term of the directors in the class to which such nominee is elected as a director.

The director nominees for election at the Annual Meeting are the two nominees for election as Class III directors, John P. Costas and Robert F. Mangano, who, if elected, will serve a three-year term expiring in 2017 and until their successors are duly elected and qualified.

The number of nominees was determined by the Board of Directors pursuant to the Company's by-laws. If, for any reason, either nominee for director is unable or unavailable to serve or for good cause will not serve, the shares represented by the accompanying proxy will be voted for a substitute nominee designated by the Board or the size of the Board may be reduced. The Board believes that the named nominees are available, and, if elected, will be able to serve.

DIRECTORS AND EXECUTIVE OFFICERS

The following tables set forth (i) the name, age and class of the nominees for election to director, the names, ages and classes of the directors whose terms extend beyond 2014 and the name and age of the executive officer of the Company who does not also serve as director of the Company, (ii) the other positions and offices presently held by such persons with the Company, if any, (iii) the period during which such persons have served on the Board of Directors, if applicable, (iv) the expiration of each director's term as director and (v) the principal occupations and employment of such persons during the past five years. Additional biographical information for each person follows the tables.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” EACH OF THE DIRECTOR NOMINEES.

ITEM 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are asking our shareholders to cast an advisory vote to approve the compensation of our named executive officers as disclosed in our proxy statement under “Executive Compensation” and “Termination of Employment and Change in Control” in the tabular and accompanying narrative disclosure regarding named executive officer compensation.

As required by Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), our shareholders are entitled to vote at the Annual Meeting to approve the compensation of the Company’s named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K at least once every three years. In our 2013 annual meeting of shareholders held on May 23, 2013, an advisory vote was held on the frequency of the advisory vote on executive compensation. In such advisory vote, the Company’s shareholders voted for the holding of an advisory vote on the compensation of the Company’s named executive officers once every year (1 year).

Our executive compensation arrangements are designed to enhance shareholder value on an annual and long-term basis. Through the use of base pay as well as annual and long-term incentives, we seek to compensate our named executive officers for their contributions to our profitability and success. Please read “Executive Compensation” beginning on page 25 and “Termination of Employment and Change in Control Arrangements” beginning on page 33 of this proxy statement for additional details about our executive compensation arrangements, including information about the fiscal year 2013 compensation of our named executive officers. We are asking our shareholders to indicate their support for our compensation arrangements as described in this proxy statement.

For the reasons discussed above, the Board recommends that shareholders vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in the Proxy Statement, dated April 15, 2014, pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

The affirmative vote of a majority of votes cast is required to approve the compensation of our named executive officers. Because your vote is advisory, however, it will not be binding upon or overrule any decisions of the Board, nor will it create any additional fiduciary duty on the part of the Board. This advisory vote also does not seek to have the Board or Compensation Committee take any specific action. However, the Board and the Compensation Committee value the view expressed by our shareholders in their vote on this proposal and will take into account the outcome of the vote when considering executive compensation matters in the future. In considering the outcome of this advisory vote, the Board will review and consider all shares voted in favor of the proposal and not in favor of the proposal. Broker non-votes will have no impact on the outcome of this advisory vote.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO ITEM 402 OF REGULATION S-K.

ITEM 3 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected BDO USA LLP (“BDO”) as the Company’s independent auditors for the 2014 fiscal year. BDO has served as the Company’s independent registered public accounting firm since June 28, 2013. For the balance of 2013 (i.e., January 1, 2013 to June 28, 2013), ParenteBeard LLC (“ParenteBeard”) served as the Company’s independent registered public accounting firm.

Change in Independent Registered Public Accounting Firm

As previously disclosed by the Company in a Current Report on Form 8-K filed on July 2, 2013 with the Securities and Exchange Commission (the “SEC”), on June 28, 2013 (the “Notification Date”), the Company, after review and recommendation of the Audit Committee of the Company’s Board of Directors (the “Audit Committee”), appointed BDO as the Company’s new independent registered public accounting firm for and with respect to the year ending December 31, 2013, and dismissed ParenteBeard from that role. The principal audit personnel at ParenteBeard who worked on the audit of the Company’s financial statements had resigned from ParenteBeard and joined BDO.

ParenteBeard began serving as the Company’s independent registered public accounting firm effective October 1, 2009. The reports of ParenteBeard on the Company’s financial statements as of and for the two years ended December 31, 2012 did not contain an adverse opinion or a disclaimer of an opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two years ended December 31, 2012, and from December 31, 2012 through the Notification Date, there were (i) no disagreements with ParenteBeard on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of ParenteBeard, would have caused it to make reference to the subject matter of the disagreements in its reports on the consolidated financial statements of the Company; and (ii) no “reportable events” (as such term is defined in Item 304(a)(1)(v) of Regulation S-K).

During the two years ended December 31, 2012, and from December 31, 2012 through the engagement of BDO as the Company’s independent registered public accounting firm, the Company did not consult with BDO regarding (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements, and no written or oral advice was provided by BDO that was an important factor considered by the Company in reaching a decision as to accounting, auditing or financial reporting issues, or (ii) any matter that was either the subject of a disagreement or event, as set forth in Item 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K.

The Company previously provided ParenteBeard with a copy of the foregoing disclosure and requested that ParenteBeard furnish the Company with a letter addressed to the SEC stating whether or not it agreed with the statements made above. A copy of ParenteBeard’s letter dated July 1, 2013 was filed as Exhibit 16.1 to the Company’s Current Report on Form 8-K filed on July 2, 2013 with the SEC.

Ratification of the Selection of BDO by Shareholders

In addition to selecting BDO as the Company’s independent registered public accounting firm for the Company’s 2014 fiscal year, the Audit Committee has directed that management submit the selection of independent registered public accounting firm for ratification by the Company’s shareholders at the Annual Meeting.

One or more representatives of BDO are expected to be present at the Annual Meeting. The representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Shareholder ratification of the selection of BDO as the Company's independent registered public accounting firm is not required by the Company's by-laws or otherwise. However, the Board is submitting the selection of BDO to shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Unless contrary instructions are given, the shares of common stock represented by the proxies being solicited will be voted "FOR" the ratification of the selection of BDO as the Company's independent registered public accounting firm for the Company's 2014 fiscal year.

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee established policies and procedures under which all audit and non-audit services performed by the Company's principal accountants must be approved in advance by the Audit Committee. As provided in the Sarbanes-Oxley Act, all audit and non-audit services must be pre-approved by the Audit Committee in accordance with these policies and procedures.

All services described above were approved in accordance with the Audit Committee's Pre-Approval policy described directly below.

Audit Committee Pre-Approval Procedures

The Audit Committee has adopted a formal policy concerning the pre-approval of audit and non-audit services to be provided by the Company's independent registered public accounting firm. The policy requires that all services to be performed by the Company's independent registered public accounting firm, including audit services, audit-related services and permitted non-audit services, be pre-approved by the Audit Committee. The policy permits the Audit Committee to delegate pre-approval authority to one or more members, provided that any pre-approval decisions are reported to the Audit Committee at its next meeting. Specific services being provided by the independent registered public accounting firm are regularly reviewed in accordance with the pre-approval policy. At subsequent Audit Committee meetings, the Audit Committee receives updates on services being provided by the independent registered public accounting firm, and management may present additional services for approval. Each new engagement of the Company's independent registered public accounting firm has been approved in advance by the Audit Committee.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF BDO USA LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY'S 2014 FISCAL YEAR.

CORPORATE GOVERNANCE

General

The Company is committed to establishing sound principles of corporate governance which promote honest, responsible and ethical business practices. The Company's corporate governance practices are actively reviewed and evaluated by the Board of Directors and, if requested by the Board of Directors, the Nominating and Corporate Governance Committee of the Board of Directors. This review includes comparing the Board's current governance policies and practices with those suggested by authorities active in corporate governance as well as the practices of other public companies. Based upon this evaluation, the Board has adopted those policies and practices that it believes are the most appropriate corporate governance policies and practices for the Company.

Board Leadership Structure and Role in Risk Oversight

The Board is composed of Charles S. Crow, III (Chairman), Robert F. Mangano, David C. Reed, William M. Rue, Frank E. Walsh, III and John P. Costas. Mr. Mangano is the President and Chief Executive Officer of the Company and of the Bank. We have employed the same basic leadership structure since prior to the time that we became an SEC reporting company in 2001. We separate the roles of Chairman of the Board and Chief Executive Officer in recognition of the differences between the two roles. The Chief Executive Officer is responsible for implementing the strategic goals of the Company and for the day to day leadership, operations and performance of the Company, while the Chairman of the Board provides strategic guidance to the Chief Executive Officer, presides over meetings of the full Board and, if the Chairman is independent, presides over executive sessions of the independent directors and chairs meetings of shareholders.

Our Audit Committee is primarily responsible for overseeing the Company's risk management processes, and undertakes in its charter to discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee meets periodically with management to discuss policies with respect to risk assessment and risk management and to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. Each of our other Board committees also considers the risk within its area of responsibilities. For example, our Compensation Committee considers the risks that may be implicated by our executive compensation programs.

While our Audit Committee oversees the Company's risk management processes with input from our Board, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

Committee Memberships

There are three standing committees of the Board of Directors: the Audit Committee (the "Audit Committee"); the Nominating and Corporate Governance Committee (the "Nominating and Corporate Governance Committee"); and the Compensation Committee (the "Compensation Committee"). The table below provides current membership for each of the Board committees.

Name	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Charles S. Crow, III	X	X	X
David C. Reed	X*	X	X
William M. Rue	X	X	X*
Frank E. Walsh, III	X	X	X
John P. Costas	X	X*	X

X = Committee member; * = Chairman

Director and Nominee Independence

The Board of Directors has determined that a majority of the directors and all current members of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee are “independent” within the meaning of the Nasdaq independence standards, that the members of the Audit Committee are also “independent” for purposes of Section 10A(m)(3) of the Exchange Act and that each member of the Compensation Committee is an “outside director” within the meaning of Regulation 1.162-27 under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) and is a “non-employee director” within the meaning of Rule 16b-3(b)(3) promulgated under the Exchange Act (“Exchange Act Rule 16b-3”).

The Board has affirmatively determined that each of Messrs. Crow, Reed, Rue, Walsh and Costas has no material relationship with the Company affecting his independence as a director and that each is “independent” within the meaning of the independence standards established by Nasdaq. In making each of these independence determinations, the Board considered and broadly assessed, from the standpoint of materiality and independence, all of the information provided by each director and nominee in response to detailed inquiries concerning his independence and any direct or indirect business, family, employment, transactional or other relationship or affiliation of such director with the Company and considered the deposit and other banking relationships with each director. In making the independence determinations, the Board also considered the following relationships: (i) with respect to Mr. Rue, the Board considered the fact that Charles E. Rue & Son, Inc., which is owned and controlled by Mr. Rue, acts as the Company’s insurance broker and that Mr. Rue owns 25% of a real estate partnership which has a loan from the Bank that is secured by a mortgage in favor of the Bank on property owned by the partnership; (ii) with respect to Mr. Crow, the Board considered the fact that certain entities owned or controlled by Mr. Crow are customers of, and conduct banking transactions with, the Bank in the ordinary course of business on customary terms. These transactions were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collectability or present other unfavorable features.

Audit Committee

The Audit Committee is comprised of Messrs. David C. Reed (Chairman), John P. Costas, Charles S. Crow, III, William M. Rue and Frank E. Walsh, III. The Audit Committee serves as a communication point among non-Audit Committee directors, internal auditors, the independent accountants and Company management as their respective duties relate to financial accounting, financial reporting and internal controls. The Audit Committee assists the Board of Directors in fulfilling its responsibilities with respect to accounting policies, internal controls, financial and operating controls, standards of corporate conduct and performance, financial reporting practices and sufficiency of auditing.

The principal functions of the Audit Committee include:

- assisting the Board in the oversight of the integrity of the Company's financial statements and its financial reporting processes and systems of internal controls;
- overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements; and
- appointing and retaining, compensating and overseeing the work of any independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.

The Board has determined that all Audit Committee members are able to read and understand financial statements and at least one member has accounting or related financial management expertise in accordance with the applicable Nasdaq rules. The Board has also determined that David C. Reed qualifies as an "audit committee financial expert" and he serves as the Company's "audit committee financial expert." No member of the Audit Committee received any compensation from the Company during fiscal year 2013 other than compensation for services as a director.

The Audit Committee charter is not available to security holders on the Company's website. The Audit Committee charter is included as Appendix A to this proxy statement.

Report of the Audit Committee

The Audit Committee of the Company is comprised of five independent directors appointed by the Board of Directors, each of whom is independent for purposes of audit committee membership under applicable Nasdaq and SEC rules. The Audit Committee operates under the Audit Committee charter, which was adopted in March 2004. The Audit Committee charter provides that the Audit Committee shall have the sole authority to appoint or replace the Company's independent registered public accounting firm.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. The Company's independent registered public accounting firm performs an annual independent audit of the financial statements and expresses an opinion on the conformity of those financial statements with generally accepted accounting principles in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes and report its findings to the full Board. The Audit Committee assists the Board in monitoring:

- the integrity of the financial statements of the Company;
- the independent registered public accounting firm's qualifications and independence;
- the performance of the Company's internal audit function and independent registered public accounting firm; and
- the compliance by the Company with legal and regulatory requirements.

The Audit Committee reviews the results of the Company's audit, of its interim quarterly reviews, the overall quality of the Company's accounting policies and other required communications, including those described in Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), "Communications with Audit Committees," as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. The Company's independent registered public accounting firm assists management, as necessary, in updating the Audit Committee concerning new accounting developments and their potential impact on the Company's financial reporting. The Audit Committee also meets five (5) times a year with the Company's independent registered public accounting firm without management present.

The Audit Committee reviews and discusses with management the Company's annual audited financial statements and quarterly financial statements, including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. The Audit Committee also meets with Company management, without the Company's independent registered public accounting firm present, to discuss management's evaluation of the performance of the independent registered public accounting firm.

With respect to fiscal year 2013, the Audit Committee:

- met with management and BDO and reviewed and discussed the Company's audited financial statements and discussed significant accounting issues;
 - periodically met with management to review and discuss quarterly financial results;
 - discussed with ParenteBeard the scope of its services;
 - discussed with BDO the scope of its services, including its audit plan;
 - reviewed the Company's internal control processes and procedures;
- discussed with BDO the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the PCAOB in Rule 3200T;
- received and reviewed the written disclosures and letter from BDO required by applicable requirements of the PCAOB regarding BDO's communications with the Audit Committee concerning independence, and discussed with BDO its independence from management and the Company; and
- reviewed and approved all audit and non-audit services provided by BDO and ParenteBeard during fiscal year 2013.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

JOHN P. COSTAS

Compensation Committee

The Compensation Committee is comprised of Messrs. John P. Costas (Chairman), Charles S. Crow, III, David C. Reed, William M. Rue, and Frank E. Walsh, III, each of whom has been determined by the Board to be “independent” within the meaning of the Nasdaq independence standards, and each of whom is an “outside director” within the meaning of Code Section 162(m) and is a “non-employee director” within the meaning of Exchange Act Rule 16b-3.

The Compensation Committee reviews and approves the compensation arrangements for the Company’s executives and outside directors. The Compensation Committee administers the Company’s equity incentive plans and makes awards pursuant to those plans.

No Compensation Committee member participates in any of the Company’s employee compensation programs. The Board has determined that none of the current Compensation Committee members has any material business relationships with the Company.

The Compensation Committee charter is not available to security holders on the Company’s website. The Compensation Committee charter, which was most recently amended in May 2013, is included as Appendix B to this proxy statement.

Role of the Compensation Committee

The Compensation Committee is appointed by the Board of Directors. Subject to the final review and approval by the Board, the Compensation Committee evaluates, determines and approves the compensation of the Company’s Chief Executive Officer, its principal accounting officer and outside directors. The Compensation Committee administers the Company’s equity plans. The Compensation Committee also has overall responsibility for monitoring, on an ongoing basis, the executive compensation policies, plans and programs of the Company. The Compensation Committee may delegate its authority relating to non-employee director compensation to a subcommittee consisting of one or more members when appropriate.

Compensation Committee Process and Role of Management

The Compensation Committee generally holds two regularly scheduled in-person meetings a year and additional meetings as appropriate either in person or by telephone. Generally, the Compensation Committee chair works with management in establishing the agenda for Compensation Committee meetings. Management also prepares and submits information during the course of the year for the consideration of the Compensation Committee, such as management’s proposed recommendations to the Compensation Committee for performance measures and proposed financial targets, management’s proposed recommendations to the Compensation Committee for salary increases, management’s performance evaluations of executive officers, and other data and information, if requested by the Compensation Committee.

Although many of the compensation decisions are made during the Compensation Committee’s annual review process, the compensation planning process spans throughout the year. Subject to the final review and approval by the Board, the Compensation Committee reviews and approves the Company’s goals and objectives relevant to the Chief Executive Officer’s compensation, evaluates the Chief Executive Officer’s performance in light of those goals and objectives at least once per year and determines the Chief Executive Officer’s compensation level based on this evaluation. The Chief Executive Officer is not present during voting or deliberations with respect to his compensation. On an annual basis, the Compensation Committee also reviews and approves base salary, annual incentive compensation and long-term equity-based compensation of the other executive officer of the Company.

Risk Assessment of Compensation Programs

The Compensation Committee discusses, evaluates and reviews with the Company's senior risk officer all of our employee compensation programs in light of the risks posed to us by such programs and how to limit such risks and to assess whether any aspect of these programs would encourage any employees to manipulate reported earnings to enhance their compensation and assess whether any aspect of these programs would encourage the Company's senior executive officers to take any unnecessary or excessive risks that could threaten the value of the Company. Included in the analysis are such factors as (i) the appropriate levels of "fixed" and "variable" or "at risk" compensation, (ii) the appropriate levels of long-term incentive compensation between service-based and performance-based compensation, and (iii) the risk and performance criteria, if any, attached to the awards under employee compensation plans. Based on this assessment, the Compensation Committee determined that the Company's executive compensation programs are not reasonably likely to encourage the Company's senior executive officers to take unnecessary or excessive risks that could have a material adverse effect on the Company.

Compensation Committee Advisors

The Compensation Committee charter grants the Compensation Committee full authority to engage compensation consultants and other advisors to assist it in the performance of its responsibilities. Prior to retaining, or seeking advice from, a compensation consultant or other advisor, the Compensation Committee must consider the independence of such compensation consultant or other advisor, taking into consideration the factors set forth in the Compensation Committee charter. A compensation consultant retained by the Compensation Committee reports directly to the Compensation Committee.

The Compensation Committee relies on management and outside advisers for staff work and technical guidance in conducting its affairs. It retains full authority to engage independent third party advisers. In 2013, the Compensation Committee did not engage any compensation consultants.

Director Compensation Process

A discussion of the Company's determination of director compensation is included in the "Director Compensation" section of this proxy statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is currently comprised of Messrs. William M. Rue (Chairman), Frank E. Walsh, III, John P. Costas, Charles S. Crow, III and David C. Reed. The Nominating and Corporate Governance Committee is responsible for recommending for consideration by the Board candidates to serve as directors of the Company as well as the re-election of current directors. The committee also reviews recommendations from shareholders regarding corporate governance and director candidates. The procedure for submitting recommendations of director candidates is set forth below under the caption "Selection of Director Candidates."

In accordance with the marketplace rules of the Nasdaq Global Market, the Nominating and Corporate Governance Committee is currently, and was during 2013, composed entirely of independent, non-management members of the Board of Directors.

The Nominating and Corporate Governance Committee charter is not available to security holders on the Company's website. The Nominating and Corporate Governance Committee charter is included as Appendix C to this proxy statement.

Selection of Director Candidates

The Nominating and Corporate Governance Committee has established a policy regarding the consideration of director candidates, including those recommended by shareholders. The Nominating and Corporate Governance Committee, together with the President and other Board members, will from time to time as appropriate identify the need for new Board members. Particular proposed director candidates who satisfy the criteria set forth below and otherwise qualify for membership on the Board will be identified by the Nominating and Corporate Governance Committee. In identifying candidates, the Nominating and Corporate Governance Committee will seek input and participation from the President, other Board members, and other appropriate sources, to ensure that all points of view can be considered and the best possible candidates can be identified. The Nominating and Corporate Governance Committee may also, as appropriate, engage a search firm to assist it in identifying potential candidates. Members of the Nominating and Corporate Governance Committee, the President and other Board members, as appropriate, may personally interview selected director candidates and provide input to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will determine which candidate(s) are to be recommended to the Board for approval.

Diversity is one of the factors that the Nominating and Corporate Governance Committee considers in identifying nominees for director. This means that the Nominating and Corporate Governance Committee seeks nominees who bring a variety of business backgrounds, experiences and perspectives to the Board. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a broad diversity of experience, professions, skills, geographic representations, knowledge and abilities that will allow the Board to fulfill its responsibilities. In selecting director nominees the Nominating and Corporate Governance Committee considers all aspects of a potential nominee's background, including educational background, gender, business and professional experience, and particular skills and other qualities. The goal of the Nominating and Corporate Governance Committee is to identify individuals who will enhance and add valuable perspective to the Board and who will help us capitalize on business opportunities in a challenging and highly competitive market. The Nominating and Corporate Governance Committee has not adopted a formal diversity policy with regard to the selection of director nominees.

Shareholders wishing to submit a director candidate for consideration by the Nominating and Corporate Governance Committee must submit the recommendation to the Nominating and Corporate Governance Committee, c/o President and Chief Executive Officer, 1st Constitution Bancorp, P.O. Box 634, 2650 Route 130 North, Cranbury, New Jersey 08512 in writing, not less than 90 days prior to the first anniversary date of the preceding year's annual meeting. The request must be accompanied by the same information concerning the director candidate and the recommending shareholder as described in Article I, Section 9 of the Company's by-laws for shareholder nominations for director. The Nominating and Corporate Governance Committee may also request any additional background or other information from any director candidate or the recommending shareholder as it may deem appropriate. Nothing above shall limit a shareholder's right to propose a nominee for director at an annual meeting in accordance with the procedures set forth in the Company's by-laws.

All directors play a critical role in guiding the Company's long-term business strategy and in overseeing the management of the Company. Board candidates are considered based on various criteria which may change over time and as the composition of the Board changes. The following factors, at a minimum, are considered by the Nominating and Corporate Governance Committee as part of its review of all director candidates and in recommending potential director candidates to the Board:

- appropriate mix of educational background, professional background and business experience to make a significant contribution to the overall composition of the Board;
 - global business and social perspective;
- if the Committee deems it applicable, whether the candidate would be considered a financial expert or financially literate as described in SEC or Nasdaq rules or an audit committee financial expert as defined by the Sarbanes-Oxley Act of 2002;
- if the Committee deems it applicable, whether the candidate would be considered independent under Nasdaq rules and the Board's additional independence guidelines set forth in the Company's Corporate Governance Guidelines;
- demonstrated character and reputation, both personal and professional, consistent with the image and reputation of the Company;
 - willingness to apply sound and independent business judgment;
 - ability to work productively with the other members of the Board; and
- availability for the substantial duties and responsibilities of a director of the Company.

Attendance at Board Meetings, Committee Meetings, and Annual Meetings

In fiscal year 2013, the Board of Directors of the Company and the Bank held 13 meetings, the Audit Committee held 7 meetings, the Compensation Committee held 3 meetings and the Nominating and Corporate Governance Committee did not hold any meetings. Each director attended at least 75% of the aggregate meetings of the Board of Directors and the committees of which such director was a member.

Our current director attendance policy provides that unless there are mitigating circumstances, such as medical, family or business emergencies, Board members are expected to participate in all Board meetings and all committee meetings of which the director is a member and to attend the Annual Meeting of Shareholders. All Board members attended last year's Annual Meeting of Shareholders.

Executive Sessions of Non-Management Directors

Our Corporate Governance Guidelines adopted in March of 2004 require non-management directors to meet in executive sessions at least two times per year. At each executive session, the non-management directors will select a director to preside at the meeting. Five executive sessions of non-management directors were held in 2013.

Shareholder Communications Process

The Board of Directors provides a process for security holders to send communications to the Board. Information regarding the Company's process for shareholders to communicate with the Board of Directors and the manner in which such communications are forwarded is available on the Company's website located at www.1stconstitution.com, under "About Us."

Code of Business Conduct and Ethics and Corporate Governance Guidelines

The Company has adopted a Code of Business Conduct and Ethics (the "Code of Conduct") which applies to the Company's Chief Executive Officer and principal financial and accounting officer and to all other Company directors, officers and employees. The Company filed its Code of Conduct as an exhibit to its 2003 Annual Report on Form 10-K filed with the SEC on March 25, 2004. The Company will disclose any substantive amendments to, or waivers from, provisions of the Code of Conduct made with respect to the chief executive officer or principal financial and accounting officer in a Current Report on Form 8-K filed with the SEC.

The Company has also adopted Corporate Governance Guidelines which are intended to provide guidelines for the governance of the Company by the Board and its committees.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Based on a review of the copies of reports furnished to the Company, the Company believes that during the year ended December 31, 2013, all officers, directors and 10% beneficial owners complied with applicable Section 16(a) filing requirements except for Charles S. Crow III, who inadvertently filed a late Form 4 reporting one transaction by his spouse's IRA.

A discussion of the assumptions used in calculating these values may be found in Note 1 of the Notes to Consolidated Financial Statements in our 2013 Annual Report on Form 10-K.

(2) At the end of fiscal year 2013, the aggregate number of option awards outstanding for our directors were as follows: Mr. Reed, 3,760 options.

(3) The amounts listed in this column reflect imputed income attributable to Bank Owned Life Insurance (“BOLI”) for our directors under the Directors’ Insurance Plan described in the narrative below.

Processes, Procedures and Rationale

The Compensation Committee periodically reviews the appropriateness and competitiveness of the compensation of non-employee directors. Subject to approval by the Board of Directors, the Compensation Committee is responsible for establishing policies that govern non-employee director compensation and for implementing, administering and

interpreting non-employee director compensation plans, programs and policies. The Compensation Committee may delegate its authority relating to non-employee director compensation to a subcommittee consisting of one or more members when appropriate.

As part of this process, the Compensation Committee regularly reviews the structure, composition and operation of the Board and its committees and annually asks for comments from all directors concerning the Board's performance. The Board also considers the significant amount of time spent by the directors in their duties for the Company. The Board, in consultation with the Compensation Committee, then determines the form and amount of non-employee directors' compensation.

Compensation Paid to Board Members

Non-employee directors receive a combination of cash and equity compensation. Mr. Mangano, currently the only management director on the Board, does not receive any separate compensation for his services as a director.

Cash Compensation

During 2013, non-employee directors of the Company and non-employee directors of the Bank were compensated for services rendered in such capacities at the rate of \$500 per Board meeting and \$500 per Board committee meeting attended. Directors serving on the Board of the Company who also serve on the Board of the Bank do not receive additional compensation for attending a Bank Board meeting that is held on a date upon which the director attends a Company Board meeting.

Non-employee directors of the Company are also eligible to participate in the Directors' Insurance Plan and Messrs. Charles S. Crow, III, William M. Rue, Frank E. Walsh, III, John P. Costas and David C. Reed currently participate in the plan. See "Directors' Insurance Plan" below. No cost of this benefit is allocable to any individual director.

Stock Grants

The Company maintains the 1st Constitution Bancorp 2006 Directors Stock Plan, an equity plan for its non-employee directors (which is discussed under the heading "Equity Plans" below) (the "2006 Directors Plan"). In 2013, each non-employee director received a grant of 200 shares of common stock under the 2006 Directors Plan. Mr. Crow received a grant of an additional 1,000 shares of common stock for his service as Chairman of the Board. Mr. Reed received a grant of an additional 800 shares of common stock for his service as Chairman of the Audit Committee. Unless the Board determines otherwise at the time of grant, all shares granted under the 2006 Directors Plan vest immediately upon grant.

Directors' Insurance Plan

The Company adopted the 1st Constitution Bancorp Directors' Insurance Plan (the "Directors' Insurance Plan"), which was effective as of October 1, 2002 and amended as of February 19, 2004 and June 16, 2005. The Directors' Insurance Plan covers all individuals who were members of the Board of Directors of the Company or of the Bank (who were not also employees of the Company or the Bank) on the effective date. Thereafter, members of the Board of Directors of the Company or of the Bank shall become participants in the Directors' Insurance Plan after completion of ten years of service as a member of the applicable Board of Directors (provided that they are not then employed by the Company or the Bank) or at such earlier time as determined by the Board of Directors of the Company.

Under the Directors' Insurance Plan, a covered individual is provided with life insurance coverage in the amount of one hundred thousand dollars. Coverage will remain in effect even if the individual's service as a member of the Board of Directors ceases.

The premiums for the Directors' Insurance Plan and the Company's Executive Life Insurance Program (which is discussed below under "Executive Life Insurance Program") were paid by the Company in October 2002, October 2005, October 2011 and supplemented in October 2012. There were no premium payments made in 2013. The Company has all ownership rights to the policies and all cash values thereunder.

The Directors' Insurance Plan may be amended, suspended or terminated at any time, except that (i) any amendment, suspension or termination of the Directors' Insurance Plan with respect to a particular director that is not applicable to all other participants does not require the approval of the particular director, and no such amendment, suspension or termination with respect to a particular director shall become effective with respect to the particular director without his or her approval unless "Cause" (as defined in the Directors' Insurance Plan) exists with respect to a particular director, and (ii) termination may not occur without the consent of an affected director following a "Change of Control" (as defined in the Directors' Insurance Plan). The Directors' Insurance Plan may be terminated or suspended (in whole or in part) nevertheless at any time if failure to terminate or suspend the Plan would subject the Company, its officers or its directors to sanctions by a regulatory agency.

EXECUTIVE COMPENSATION

This section of the proxy statement explains our compensation program for our principal executive officer and our other most highly-compensated executive officer, whom we refer to collectively in this proxy statement as our "named executive officers." Under these rules, the Company provides executive compensation disclosure for our named executive officers, including a Summary Compensation Table for the fiscal years ended December 31, 2013 and 2012, an Outstanding Equity Awards at Year End Table and certain narrative disclosures.

The Company calculates the aggregate incremental cost to the Company for the provision to Mr. Mangano of the Company provided car as the sum of the total cost of the automobile attributable to the fiscal year, including lease payments, plus maintenance costs, insurance and fuel paid by the Company. This amount has not been reduced to reflect the costs attributable to business use. Mr. Mangano is taxed on the imputed income attributable to personal use of the Company car and does not receive tax assistance from the Company with respect to these amounts.

Employment Agreement

On July 12, 2010, the Company, upon the authorization of the Compensation Committee, entered into a three-year employment agreement with Mr. Mangano (the "2010 Employment Agreement"), commencing as of July 1, 2010, which replaced Mr. Mangano's prior employment agreement with the Company, dated as of February 22, 2005.

The 2010 Employment Agreement is subject to automatic one year extensions but may not be extended beyond Mr. Mangano's seventieth (70th) birthday. Effective as of April 4, 2014, the 2010 Employment Agreement was amended (i) to provide that any such automatic one year extensions may not be extended beyond Mr. Mangano's seventy-second (72nd) birthday and (ii) to provide that (a) the Company will not be obligated to make any payments under the 2010 Employment Agreement in violation of any law, regulation or Nasdaq requirement applicable to the Company or the Bank and (b) any payments made under the 2010 Employment Agreement may be subject to claw back pursuant to any law, regulation or Nasdaq requirement applicable to the Company or the Bank or any policy adopted by the Board of Directors pursuant to any such laws, regulations or Nasdaq requirements.

Pursuant to the terms of the 2010 Employment Agreement, Mr. Mangano continues to serve as the President and Chief Executive Officer, and as a director, of each of the Company and the Bank, and:

- received an annual base salary for 2013 of \$550,000, plus a cash bonus not to exceed 50% of his base salary subject to annual upward adjustments for subsequent years. For 2013, the Board approved a cash bonus in excess of 50% of Mr. Mangano's base salary in recognition of his work on the merger of Rumson-Fair Haven Bank and Trust Company with and into the Bank, which closed on February 7, 2014;
- will participate in the Company's stock equity plans on at least an annual basis;
- is entitled to participate in the employee benefit plans maintained by the Company and the Bank, including the 401(k) program, the medical insurance and reimbursement program, the group term life insurance program, the group disability program, and the Company's 2005 Supplemental Executive Retirement Plan; and

- is entitled to reimbursement for reasonable out-of-pocket business expenses, the use of an automobile, a country club membership and reimbursement for reasonable moving costs associated with his relocation to the market area of the Bank.

Under the 2010 Employment Agreement, Mr. Mangano is also entitled to receive the severance and other termination benefits described under the heading “Termination of Employment and Change in Control Arrangements” in this proxy statement.

Mr. Mangano will be subject to a restrictive covenant upon termination. Pursuant to the restrictive covenant, Mr. Mangano may not, during the remaining term of the 2010 Employment Agreement or for one year following the termination or discontinuation of his employment, serve as an officer, director or employee of any community bank, savings association or mortgage company with principal offices in Middlesex, Mercer or Somerset County, New Jersey, and which offers products and/or services from offices in Middlesex, Mercer or Somerset County, New Jersey that compete with those offered by the Bank.

Executive Life Insurance Program

The Company entered into a life insurance arrangement with several executives, including our named executive officers, in 2002. Under the terms of the individual life insurance agreements, the covered employees obtain current life insurance protection while employed, and cash value accumulates under the underlying policies. In the event that a covered employee terminates employment with the Company, then coverage and all rights of the employee under the agreement and the policies cease, unless the employee had both attained age 60 and completed 10 years of service with the Company (including years of service prior to implementation of the agreements) at the time of termination of employment, in which case coverage will remain in effect until death. In the event of a change of control (as defined in the agreements) prior to termination of employment, coverage will remain in effect until death. Coverage will cease in the event of termination of employment for cause (as defined in the agreements). The Company pays all premiums with respect to the policies.

The Company owns the policies and all cash values thereunder. Upon the death of the covered employee, if the agreement is still in effect, the death proceeds will be used by the Company to pay to the insured’s beneficiary an amount equal to three times the covered employee’s base annual salary (not including bonus or other forms of compensation) in effect at the time of his or her death or retirement, minus amounts payable by reason of any other group term insurance coverage provided by the Company. The Company is entitled to all other amounts payable under the policies. During 2013, Messrs. Mangano and Reardon were parties to these agreements. At December 31, 2013, the death benefit for Mr. Mangano was \$1,600,000 and the death benefit for Mr. Reardon was \$535,000.

Perquisites and Other Personal Benefits

Our named executive officers receive certain personal benefits in connection with their employment with the Company. To facilitate the business-related travel of our Chief Executive Officer, the Company provided Mr. Mangano with a late-model automobile, which he continues to use for this purpose. In addition, the Company pays for the operation and maintenance of this automobile, which is valued at the cost to the Company. Mr. Reardon receives an automobile reimbursement allowance. Mr. Mangano also was reimbursed for a golf club membership and a social membership at a country club located near the Company’s main office, which facilities are used by Mr. Mangano for business meetings from time to time.

2013 Equity Incentive Plan

The 1st Constitution Bancorp 2013 Equity Incentive Plan (the “2013 Plan”) was adopted by the Board of Directors of the Company on March 21, 2013 and was approved by the shareholders on May 23, 2013. A total of 369,000 shares have been reserved and are available for delivery in connection with awards under the 2013 Plan; however, the total number of shares which may be issued and delivered in connection with awards that are granted as incentive stock options (“ISOs”) is limited to 200,000. Shares delivered under the 2013 Plan shall be authorized and unissued shares, or treasury shares, or partly out of each, as shall be determined by the Board of Directors of the Company. Shares subject to an award under the 2013 Plan that are canceled, expired, forfeited, settled in cash or otherwise terminated without a delivery of shares to the participant will again be available for awards, but with respect to shares reserved and available for ISOs, only to the extent consistent with applicable regulations relating to ISOs under the Internal Revenue Code of 1986, as amended.

The 2013 Plan is administered by the Compensation Committee, which determines the terms of each grant under the plan. Under the 2013 Plan, the Company may grant participants stock options, stock appreciation rights (“SARs”), restricted stock, restricted stock units (“RSUs”) or such other awards as the Compensation Committee may determine to employees of the Company or any subsidiary or affiliate, including any executive officer or employee director of the Company, a consultant or other person who provides substantial services to the Company or a subsidiary or affiliate, and any person who has been offered employment by the Company or a subsidiary or affiliate, provided that such prospective employee may not receive any payment or exercise any right relating to an award until such person has commenced employment with the Company or a subsidiary or affiliate. Non-employee directors shall not be eligible to participate in the Plan.

Participants are limited in any year to awards under the 2013 Plan relating to no more than 100,000 shares per type of award (that is, options, restricted stock, and other awards).

The exercise price per share purchasable under an option shall not be less than the fair market value of a share of Company common stock on the date of grant of the option. The Compensation Committee shall determine the term of each option, provided, that no option may have a term in excess of ten years from the date of grant. The Compensation Committee shall determine the time or times at which or the circumstances under which an option may be exercised in whole or in part, the methods by which such exercise price may be paid or deemed to be paid and the form of such payment, including, without limitation, cash, stock, other awards or awards granted under other plans of the Company or any subsidiary or affiliate, or other property, and the methods by or forms in which Company common stock will be delivered or deemed to be delivered in satisfaction of options.

The Compensation Committee may grant SARs in tandem with an option or on a freestanding basis. Upon exercise of a SAR, the participant will be entitled to payment of the positive difference in value between the exercise price and the fair market value of a share of Company common stock on the date of exercise. The exercise price will be at least equal to the fair market value of a share of Company common stock as of the date of grant. The Compensation Committee shall determine the term of each SAR, provided that no SAR may have a term in excess of ten years from the date of grant. The Compensation Committee shall determine the time or times at which or the circumstances under which a SAR may be exercised in whole or in part, the methods by which the SAR may be settled, including, without limitation, cash or stock, and all other terms and conditions of the SAR.

The Compensation Committee will determine the period over which restricted stock and RSUs will vest, and will impose such restrictions on transferability, risk of forfeiture and other restrictions as the Compensation Committee may in its discretion determine. Delivery of stock (or cash equivalent) in connection with the lapse of restrictions with respect to RSUs shall occur at such times as the Compensation Committee shall determine. Unless restricted by the Compensation Committee, a participant granted restricted stock shall have all of the rights of a shareholder, including the right to vote the restricted stock and the right to receive dividends thereon. In the case of RSUs, no shares of stock shall be issued at the time an award is made, and the Compensation Committee shall determine whether such award of RSUs will be credited with dividends paid on shares of the Company's common stock during the applicable restricted period.

The Compensation Committee is authorized to grant such other awards to participants as the Compensation Committee in its discretion may determine; provided, however, such other awards shall comply with applicable federal and state securities laws, the Internal Revenue Code of 1986, as amended, and Nasdaq Listing Rules applicable to the Company. The Compensation Committee shall determine the terms, conditions, restrictions and other provisions of such other awards.

The 2013 Plan contains customary anti-dilution provisions pursuant to which the Compensation Committee may, in such manner as it may deem equitable, make certain adjustments in the event of a stock dividend, stock split, recapitalization or other similar transaction, including adjustments to the aggregate number of shares that may be issued under the 2013 Plan and the number of shares available for grant as ISOs.

As of April 1, 2014, there were 34,005 options to purchase shares of Company common stock and 57,260 restricted shares of Company common stock outstanding under the 2013 Plan, and 277,735 shares remaining available for future issuance.

2006 Directors Stock Plan

The 1st Constitution Bancorp 2006 Directors Stock Plan (the "2006 Directors Plan") was adopted by the Board of Directors of the Company on March 23, 2006 and was approved by the shareholders on May 18, 2006. The 2006 Directors Plan is administered by the Compensation Committee, which determines the terms of each grant under the plan.

Under the 2006 Directors Plan, the Company may grant participants stock options or shares of restricted stock relating to an aggregate maximum of 71,701 shares (as adjusted) of the Company's common stock. Awards may be granted under the 2006 Directors Plan only to non-employee directors of the Company or directors of any of the Company's subsidiaries or affiliates.

The exercise price of options granted under the 2006 Directors Plan must equal at least the fair market value of the Company common stock at the time of grant. The number of shares of Company common stock covered by the 2006 Directors Plan, and the amount and grant price for each award, shall be proportionally adjusted for any increase or decrease in the number of issued shares of Company common stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

Except as otherwise determined by the Board, upon termination of service as a director during the applicable restriction period, restricted stock that is at that time subject to restrictions will be forfeited and reacquired by the Company, except that the Board may, in its sole determination, waive the restrictions or forfeiture conditions relating to restricted stock.

As of April 1, 2014, there were no options to purchase shares of Company common stock nor grants of restricted shares of Company common stock (as adjusted for all stock dividends) outstanding under the 2006 Directors Plan, and 46,326 shares remaining available for future issuance.

2005 Equity Incentive Plan

The 1st Constitution Bancorp 2005 Equity Incentive Plan (the “2005 Plan”) was adopted by the Board of Directors of the Company on February 17, 2005 and was approved by the shareholders on May 19, 2005. Following the adoption of the 2013 Plan by shareholders on May 23, 2013, (i) the Compensation Committee has discontinued granting awards under the 2005 Plan; (ii) no shares that currently remain available for future grant under the 2005 Plan will be added to the number of shares available for grant under the 2005 Plan; and (iii) none of the shares that may be returned to the 2005 Plan in accordance with its provisions will be added to the number of shares available for grant under the 2005 Plan.

The 2005 Plan is administered by the Compensation Committee, which determines the terms of each grant under the plan. Under the 2005 Plan, the Company was able to grant participants stock options, restricted stock, or other awards determined by the Compensation Committee relating to an aggregate maximum of 451,719 shares of the Company’s common stock, as adjusted through the date hereof, subject to future adjustment. Participants are limited in any year to awards under the Plan relating to no more than 23,373 shares per type of award (that is, options, restricted stock, and other awards), plus the amount of the participant’s unused annual limit relating to the same type of award as of the close of the previous year, subject to future adjustment.

Awards may be granted under the 2005 Plan to employees of the Company or any subsidiary or affiliate, including any executive officer or employee director of the Company, a consultant or other person who provides substantial services to the Company or a subsidiary or affiliate, and any person who has been offered employment by the Company or a subsidiary or affiliate, provided that such prospective employee may not receive any payment or exercise any right relating to an award until such person has commenced employment with the Company or a subsidiary or affiliate. Non-employee directors are not eligible to participate in the 2005 Plan.

The exercise price of options granted under the 2005 Plan must equal the fair market value of the Company common stock at the time of grant, and the term of any option cannot exceed 10 years after the date of the grant. The number of shares of Company common stock covered by the 2005 Plan, and the amount and grant price for each award, shall be proportionally adjusted for any increase or decrease in the number of issued shares of Company common stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

As of April 1, 2014, there were 170,632 options to purchase shares of Company common stock and 111,030 restricted shares of Company common stock (as adjusted for all stock dividends) outstanding under the 2005 Plan. As a result of the adoption of the 2013 Plan by shareholders on May 23, 2013, no shares are available for future grant under the 2005 Plan.

2000 Employee Stock Option and Restricted Stock Plan

The 2000 Employee Stock Option and Restricted Stock Plan (the “2000 Plan”) was adopted by the Board of Directors of the Company and approved by the shareholders of the Company in April 2000. Under the 2000 Plan, the Company was authorized to issue stock options for up to 626,440 shares of its common stock, as adjusted through the date hereof, subject to future adjustment to eligible employees, independent contractors, agents and consultants of the Company and its subsidiaries, but excluding non-employee directors of the Company, to aid in attracting and retaining employees, independent contractors, agents and consultants, and to closely align their interests with those of shareholders. The Company was authorized to also issue shares of Company restricted common stock under the 2000 Plan as a bonus to any employee for such consideration as determined by the committee in accordance with applicable laws.

The 2000 Plan was administered by the Compensation Committee, which determined the terms of each grant under the 2000 Plan. Under the 2000 Plan, the option price must equal the fair market value of the Company common stock at the time of grant, and the term of any option cannot exceed 10 years after the date of the grant. The number of shares of Company common stock covered by the 2000 Plan, and the amount and option price for each outstanding option, was subject to proportionate adjustment for any increase or decrease in the number of issued shares of Company common stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

As of April 1, 2014, there were 32,141 options to purchase shares of Company common stock (as adjusted for all stock dividends) outstanding under the 2000 Plan and no outstanding restricted shares of Company common stock under the 2000 Plan. No grants were made under the 2000 Plan during 2013.

Directors Plan

The Board of Directors of the Company previously adopted a Directors Stock Option and Restricted Stock Plan for non-employee directors (the “Directors Plan”). Following approval by the shareholders of the Company’s 2006 Directors Stock Plan at the 2006 annual meeting of shareholders, the Directors Plan was discontinued and, as of such time, no further awards were made under the Directors Plan. As of April 1, 2014, there were 7,520 options to purchase shares of Company common stock (as adjusted for all stock dividends) outstanding under the Directors Plan.

The Directors Plan is administered by the Compensation Committee, which determines the terms of each grant under such Directors Plan. Under the Directors Plan, the option price must equal the fair market value of the Company common stock at the time of grant, and the term of any option cannot exceed 10 years from the date of the grant. The number of shares of Company common stock covered by the Directors Plan, and the amount and option price for each outstanding option is subject to proportionate adjustment for any increase or decrease in the number of issued shares

of Company common stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

Supplemental Executive Retirement Plans

The Company maintains two Supplemental Executive Retirement Plans. The 1st Constitution Bancorp Supplemental Executive Retirement Plan was established on October 1, 2002 (“Old SERP”), and the 1st Constitution Bancorp 2005 Supplemental Executive Retirement Plan was established as of January 1, 2005 (the “New SERP” and, collectively with the Old SERP, the “SERPS”). The SERPS provide nonqualified pension benefits to certain executives who have been appointed by the Compensation Committee.

Under the SERPS, a participant vests in his benefits at a rate of 10% for each full year of service with the Company. Upon completing 10 years of service, a participant is 100% vested in his benefits under the SERPS. Notwithstanding the foregoing, a participant will become 100% vested in his benefits upon his normal retirement date, death or disability while he is employed with the Company, or upon a change in control. If a participant is terminated for cause, all of his benefits under the SERPS will be forfeited. The Board, in its sole discretion, has the ability to accelerate the vesting of the pension benefit payable to any participant of the New SERP.

On December 21, 2006, our Board approved an amendment that had the effect of freezing the Old SERP effective as of December 31, 2004. The Company concurrently adopted the New SERP, effective as of January 1, 2005, which is administered by our Compensation Committee. All unvested benefit liabilities were transferred to the New SERP. Executives employed by the Company and/or the Bank who are designated by the Compensation Committee as participants are eligible to participate in the New SERP. At the time that the Old SERP was frozen, Mr. Mangano and Mr. Reardon were participants. Mr. Mangano and Mr. Reardon are both fully vested in their respective benefits under the SERPS. In connection with the SERPS, for 2013 and 2012, respectively, the Company incurred expenses of \$31,851 and \$353,705 for Mr. Mangano and \$84,450 and \$82,930 for Mr. Reardon, which amounts are not reflected in the Summary Compensation Table above. Future participants could be added to the New SERP by future action of the Compensation Committee.

The Company’s primary rationale for freezing the Old SERP and adopting the New SERP was to make our supplemental executive retirement plan fully compliant with the requirements of Section 409A of the Code. Failure to comply with Section 409A would have resulted in adverse tax consequences for the plan’s participants.

The New SERP also increased the annual nonqualified pension benefit that certain current participants will be entitled to receive following termination of employment. The New SERP benefit is generally equal to the participant’s final base compensation, multiplied by a multiplier percentage selected for such participant by the Committee. Benefits under the New SERP are offset by benefits accrued under the Old SERP.

A participant’s benefits under the SERPS as of his normal retirement date (65th birthday) is equal to the percentage multiplier established by the Committee for each participant times the participant’s final base compensation. The percentage multiplier used to calculate benefits under the old SERP is 50% and 25% for Mr. Mangano and Mr. Reardon, respectively. The percentage multiplier used to calculate benefits under the New SERP is 55% and 30% for Mr. Mangano and Mr. Reardon, respectively. Final base compensation means a participant’s highest annual rate of base compensation in effect for the twelve month period prior to his termination from employment. Bonuses, overtime pay, commissions, other extraordinary payments, reimbursements or other expense allowances, equity compensation, fringe benefits (cash and non-cash), moving expenses, deferred compensation, and welfare benefits are excluded, and amounts contributed to the Company’s 401(k) plan and cafeteria plan are included in the determination of final base compensation. Notwithstanding the foregoing, if a participant dies while employed by the Company before age 65 and before a change in control, final base compensation will be determined as of the date of death, as adjusted by 4% annual increases until age 65.

Mr. Mangano reached normal retirement age in 2010 but has not notified the Company with respect to any intention to retire.

Mr. Reardon, who is age 61, has not reached his normal retirement date. If a participant terminates employment with the Company before his normal retirement date (for reasons other than death, death disability or a change in control), his normal retirement benefits under the SERPS will be reduced by 5% for each full and partial year that his termination date precedes his normal retirement date. Upon a change in control, the participant's benefit under the SERPS will be reduced by 5% for each year (or a portion thereof) by which the payment commencement date precedes his 65th birthday.

Generally, a participant elects a form of payment at the time they become eligible to participate in the SERPS. In the event that a participant commences payment of his benefit under the SERPS at or following age 65 (or following a change of control), the participant will be entitled to a lifetime annuity with a 15-year minimum guaranteed payout period, or a lump sum that is the actuarial equivalent thereof. For payments commencing prior to age 65 (assuming no change of control), the participant will be entitled to a 15-year guarantee payout (but without a life annuity), or a lump sum that is the actuarial equivalent thereof.

If a participant terminates employment as a result of becoming disabled, he will be entitled to an unreduced benefit commencing on his normal retirement date. The benefit under the SERPS will be paid as a lifetime annuity with a 15-year minimum guaranteed payout period or a lump sum payment that is the actuarial equivalent thereof.

If a participant dies before payment of his benefits under the SERPS commence and while employed with the Company or after separating from service with the Company as a result of disability, his beneficiary will receive a lump sum payment equal to the actuarial equivalent of the benefits payable at the later of the participant's normal retirement date or death. If a participant dies after payment of his benefits under the SERPS have commenced, his beneficiary will receive a lump sum payment equal to the actuarial equivalent of the remaining benefits.

Lump sum payments are equal to the amount of the monthly annuity multiplied by a factor derived from the actuarial equivalent factors (mortality table and interest rate). These factors are determined by the Committee and are based upon market conditions. Currently, the mortality table being used is the RP-2000 Annuity Mortality Table and the interest rate is 4.9%.

Payments from the New SERP may be delayed upon a participant's termination of employment, in accordance with Section 409A of the Internal Revenue Code.

Change in Control Payments and Benefits

As discussed in more detail in the narrative following the Summary Compensation Table of this proxy statement, the Company has entered into the employment agreements with Mr. Mangano which contain change in control provisions. Additionally, we have a written change of control agreement with Mr. Reardon. Under these agreements, these executives are entitled to certain payments and benefits upon the occurrence of certain triggering events that result in the executive's termination.

Mr. Mangano's 2010 Employment Agreement provides for a lump-sum payment and other benefits to Mr. Mangano if he is terminated within 12 months after a change in control for reasons other than for cause, death or disability or if Mr. Mangano terminates his employment for any reason. Mr. Mangano's 2010 Employment Agreement also provides for the payment of a lump-sum payment and other benefits to Mr. Mangano if he is terminated other than for cause or quits for "good reason."

Mr. Reardon's change of control agreement provides for the continued payment of his base salary for a period of 18 months if he is terminated within 18 months after a change in control for reasons other than for cause, death, disability or retirement or if Mr. Reardon terminates his employment for good reason. In addition, the vesting schedule of Mr. Reardon's benefits under the SERPS will accelerate to provide immediate and full vesting upon a change in control.

Also, under the terms of the 2005 Plan, occurrence of a change in control (as defined in the 2005 Plan) results in immediate acceleration of vesting and exercisability of unvested stock options, and accelerated vesting of restricted stock awards, even if termination of employment has not occurred. This "single trigger" acceleration assures the named executive officers that we cannot claim that the option or restricted stock award expired on termination of employment. The terms of the 2013 Plan similarly provide for single trigger acceleration of outstanding awards upon a change in control (as defined in the 2013 Plan) unless otherwise provided by the Compensation Committee.

Our named executive officers are not generally entitled to receive any incremental payments or benefits if the officer voluntarily initiates the termination of employment with the Company, with the exception of termination for "good reason" as noted above.

We have these agreements with our named executive officers because we want to retain their services in case a change in control becomes a possibility. Often when this happens, executives become distracted by personal concerns about how they will be affected by the change. Our agreements provide financial security in the face of a possible major event requiring our named executive officers' concentrated efforts.

With this in mind, we have structured the occurrence of a change in control in Mr. Mangano's 2010 Employment Agreement, Mr. Reardon's change of control agreement and Mr. Reardon's New SERP using a very broad definition of that term. The events defined in the agreement as changes of control are as follows:

- Outsider stock accumulation. Under Mr. Mangano's 2010 Employment Agreement, a change in control is generally deemed to occur if a person or business entity acquires more than 35% of our common stock. Under Mr. Reardon's New SERP, a change in control is generally deemed to occur if a person or business entity acquires 50% or more of our common stock.
- Outsider tender/exchange offer. Under Mr. Mangano's 2010 Employment Agreement, a change in control is generally deemed to occur upon the first purchase of our common stock made under a tender offer or exchange offer by a person or entity that is not our "affiliate." This does not apply to Mr. Reardon's change of control agreement or his New SERP.

- **Business combination transaction.** Under Mr. Mangano's 2010 Employment Agreement, a change in control is generally deemed to occur if our shareholders approve a merger or consolidation with another company, other than a merger or consolidation where the Company is the surviving entity, and the merger or consolidation does not result in the reclassification or reorganization of shares or change the composition of the Board, other than the addition of not more than three additional directors. Under Mr. Reardon's change of control agreement, a change in control is generally deemed to occur if we complete a merger or consolidation, or a binding share exchange involving the Company's securities, other than any transaction where the Company's securities would represent at least 66 2/3% of the voting securities of the surviving entity. Under Mr. Reardon's New SERP, a change in control is generally deemed to occur if we complete a merger or consolidation, or a binding share exchange involving the Company's securities, other than any transaction where the Company's securities would represent at least 50% of the voting securities of the surviving entity.
- **Asset sale.** A change in control is generally deemed to occur if our shareholders approve a sale or disposition of all or substantially all of our assets, or those of our banking subsidiary.
- **Dissolution/Liquidation.** A change in control is generally deemed to occur if we adopt a plan of dissolution or liquidation.
- **Board turnover.** A change in control is generally deemed to occur if we experience a substantial and rapid turnover in the membership of our Board of Directors. This means that changes in Board membership occurring within any period of 2 consecutive years result in, under Mr. Mangano's 2010 Employment Agreement, two-thirds (2/3) of our Board members not being "continuing directors," and under Mr. Reardon's change of control agreement and his New SERP, a majority of our Board members not being continuing directors. A "continuing director" is a Board member who was serving as such at the beginning of the 2-year period, or one who was nominated or elected by the vote of at least 2/3 of the "continuing directors" who were serving at the time of his/her nomination or election.
- **Controlling influence.** A change in control is generally deemed to occur if under Mr. Mangano's 2010 Employment Agreement, any person or group within the meaning of Sections 13(d)(3) or 14(d)(2) of the Exchange Act exercises a controlling influence over the management or policies of the Company. This does not apply to Mr. Reardon's change of control agreement or his New SERP.
- **Control of election.** A change in control is generally deemed to occur under Mr. Mangano's 2010 Employment Agreement if any person acquires either directly or indirectly control over the election of a majority of the Company's directors. This does not apply to Mr. Reardon's change of control agreement or his New SERP.

"Cause" for termination of a named executive officer's employment means a conviction of a felony or a lesser criminal offense involving moral turpitude, the willful commission of an act that, in the Board's judgment causes or will likely cause substantial economic damage to the Company or injury to the business reputation of the Company, the commission of an act of fraud in the performance of the named executive officer's duties, a failure by the named executive officer to perform employment duties, or an order of a federal or state regulatory agency or court of competent jurisdiction requiring the termination of the employment of the named executive officer.

Under Mr. Mangano's 2010 Employment Agreement, "good reason" includes any of the following actions by us:

- We materially reduce Mr. Mangano's responsibilities or authority (including reporting responsibilities);
 - We materially reduce Mr. Mangano's base salary or benefits; or
- We materially breach Mr. Mangano's 2010 Employment Agreement and that breach is not cured within 30 days after he notifies the Company of the breach.
- We require Mr. Mangano to change the location at which he must perform his services to the Company; or
- We assign Mr. Mangano duties and responsibilities that constitute a material diminution as compared to those previously assigned to him.

For Mr. Reardon, "good reason" means any of the following actions by us:

- We significantly reduce Mr. Reardon's authority or responsibility;
- We assign Mr. Reardon duties that are materially different or require a significant increase in travel;
 - We reduce Mr. Reardon's base salary or fail to grant reasonable increases in base salary;
 - We relocate the Company's principal offices to a location outside the State of New Jersey; or
 - A successor to the Company fails to assume the agreement.

Under Mr. Mangano's 2010 Employment Agreement, if Mr. Mangano is terminated without cause, or quits for any reason, within 12 months after a change in control, Mr. Mangano becomes entitled to a benefit of a lump sum amount equal to three times the aggregate of his then base salary plus a projected annual cash bonus, to be paid in one lump sum within 10 days after termination, except that such payment may be delayed until the first day of the seventh month after termination, as may be required by Section 409A of the Code.

Under Mr. Mangano's 2010 Employment Agreement, if Mr. Mangano is terminated without cause, or quits for good reason, other than in the 12-month period following a change in control, Mr. Mangano becomes entitled to a benefit equal to double the aggregate of his base salary plus any appropriate cash bonus on an annual basis at the rate then in effect. Under Mr. Mangano's 2010 Employment Agreement, this amount is payable in one lump sum within 10 days after the termination, except that such payment may be delayed until the first day of the seventh month after termination, as may be required by Section 409A of the Code.

In the event that any severance payments would be subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties are incurred by Mr. Mangano as a result of such excise tax, Mr. Mangano will be entitled to receive a gross-up to offset any such amounts. This is an additional payment by us to the named executive officer to offset the excise tax the named executive officer has to pay, as well as any tax on the "gross-up" payment itself.

Under Mr. Reardon's change of control agreement, if he is terminated without cause, or quits for good reason, within 18 months after a change in control, Mr. Reardon becomes entitled to a benefit amount of 18 monthly payments equal to one-twelfth of his highest base salary that he received in the 12 months prior to such termination. If payments under Mr. Reardon's change of control agreement would not be deductible in whole or in part under Section 280G or 162(m) of the Code, or any combination thereof, such payments will be reduced until the payments are either fully deductible or are reduced to zero.

Mr. Reardon's benefits under the SERPS will immediately and fully vest, to the extent they have not already vested, upon a change in control. Under the terms of the SERPS, Mr. Reardon earns the right to an annual nonqualified pension benefit to be paid following termination of employment, subject to a vesting schedule. Mr. Reardon's SERPS benefit is generally equal to his final base compensation, multiplied by a multiplier of 30%. Final base compensation is generally equal to Mr. Reardon's highest annual rate of base compensation in effect during the twelve month period prior to termination of employment. In the event that Mr. Reardon, who is currently age 61, terminates employment prior to age 65 (for reasons other than disability, death or change in control, then the SERPS benefit is reduced by 5% for each full or partial year by which the Mr. Reardon's termination date precedes his attainment of age 65.

CERTAIN TRANSACTIONS WITH MANAGEMENT

Transactions with Related Persons

The Company, through its subsidiary, the Bank, has made loans to its directors and executive officers and their associates and, assuming continued compliance with generally applicable credit standards, it expects to continue to make such loans. All of these loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features. As of December 31, 2013 and 2012, the Bank had total loans and loan commitments outstanding to directors and executive officers and their affiliates of \$1,586,791 and \$3,256,734, respectively, or approximately 2.3% and 5.0% of total shareholder's equity, respectively, at such dates. As of December 31, 2013 and 2012, no director or executive officer of the Company or their affiliates was in default under any loan transaction with the Company or the Bank.

The Board has determined that other than the transactions described in the preceding paragraph, no transactions occurred since the beginning of 2012 involving any director, director nominee or executive officer of the Company, any known 5% shareholder of the Company or any immediate family member of any of the foregoing persons (together "related persons") that would require disclosure as a "related person transaction".

SHAREHOLDER PROPOSALS

New Jersey corporate law requires that the notice of shareholders' meeting (for either a regular or special meeting) specify the purpose or purposes of the meeting. Thus any substantive proposal, including shareholder proposals, must be referred to in the Company's notice of shareholders' meeting for the proposal to be properly considered at a shareholders' meeting.

Proposals of shareholders which are eligible under the rules of the Securities and Exchange Commission to be included in the Company's 2015 proxy materials must be received by the Corporate Secretary of the Company no later than December 12, 2014.

If the Company changes the date of its 2015 annual meeting of shareholders to a date more than 30 days from the anniversary of the date of its 2014 Annual Meeting, then the deadline for submission of shareholder proposals will be changed to a reasonable time before the Company begins to print and mail its proxy materials. If the Company changes the date of its annual meeting in a manner that alters the deadline, the Company will so state under Part II, Item 5 of the first quarterly report on Form 10-Q it files with the SEC after the date change, or will notify its shareholders by another reasonable method.

Under our bylaws, written notice of shareholder nominations to the Board of Directors must be delivered to the Company's Secretary not less than 90 days prior to the first anniversary of the preceding year's annual meeting of shareholders. Accordingly, any shareholder who wishes to have a nomination considered at the 2015 annual meeting of shareholders must deliver a written notice (containing the information specified in our bylaws regarding the shareholder and the proposed action) to the Company's Secretary by February 22, 2015.

OTHER MATTERS

As of the date of this proxy statement, the Board is not aware of any other matters that may come before the Annual Meeting. However, in the event such other matters come before the meeting, the persons named on the white proxy card will have the discretion to vote on those matters using their best judgment.

Shareholders are urged to sign the enclosed proxy, which is solicited on behalf of the Board, and return it in the enclosed envelope.

By Order of the Board of Directors

ROBERT F. MANGANO
President and Chief Executive Officer

The Company will provide copies of the exhibits to the Form 10-K upon payment of a reasonable fee, upon receipt of a request addressed to the Corporate Secretary, 1st Constitution Bancorp, 2650 Route 130 North, Cranbury, New Jersey 08512.

Limitation of Audit Committee's Role

While the Audit Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. The Committee is also responsible for producing an annual report on executive compensation for inclusion in the Company’s annual proxy statement.

Committee Membership & Processes

The Committee shall consist of no fewer than three members, all of whom shall be non-management directors. The Committee shall undertake reasonable efforts to confirm to the Board that (i) each member of the Committee shall meet the applicable independence requirements set forth in the Nasdaq Stock Market rules, subject to any exceptions therein, and (ii) at least two members shall meet the “non-employee director” standard of Rule 16b-3 under the Securities Exchange Act of 1934 (“Rule 16b-3”) and the “outside director” standard of Section 162(m) of the Internal Revenue Code (“Section 162(m”). Any member of the Committee who does not meet the “non-employee director” or “outside director” standard shall recuse him or herself from any Committee deliberations or actions required for purposes of Section 16 or Section 162(m), respectively.

The members of the Committee shall be appointed and removed or otherwise replaced by the Board. Vacancies on the Committee may be filled by the Board in its discretion. One member of the Committee shall be appointed by the Board to serve as Chairperson of the Committee.

The Committee shall conduct its business in accordance with this charter, the Company’s Certificate of Incorporation and By-laws and any direction by the Board. The Committee shall meet as often as it determines, but not less than twice annually.

A majority of the members of the Committee shall constitute a quorum for the transaction of any business at any Committee meeting. If a quorum is present when a vote is taken, then the affirmative vote of a majority of Committee members present shall constitute an act of the Committee.

Committee Authority and Responsibilities

1. The Committee shall annually review and approve for the CEO and the other officers of the Company, (a) the annual base salary level, (b) the annual incentive opportunity level, (c) any long-term incentive opportunity level, (d) equity compensation awards and (e) any other special compensation. The CEO may not be present during voting or deliberations by the Committee relating to the CEO’s performance or compensation.

2. The Committee shall regularly review and recommend to the Board the compensation of non-employee directors for their service on the Board and on Committees of the Board, including any additional compensation for chairpersons.
3. The Committee shall administer all equity compensation plans of the Company in which officers, directors or employees of the Company or its subsidiaries may participate, unless otherwise determined by the Board.
4. The Committee shall review and approve all equity compensation plans and amendments, and seek Board approval for such plans, prior to submitting such plans to shareholders for approval pursuant to Nasdaq Stock Market rules.
5. The Committee shall review annually an assessment of any potential conflicts of interest raised by the work of any compensation consultant who played a role in determining or recommending officer or director compensation and determine whether any proxy disclosure of a conflict of interest is required.
6. The Committee may when appropriate delegate authority to one or more members or to one or more subcommittees established by the Committee.
7. The Committee shall make regular reports to the Board.
8. The Committee shall review and reassess the adequacy of this charter annually and recommend to the Board any proposed changes.
9. The Committee shall annually review its own performance and report to the Board.

Advisors

The Committee may, in its sole discretion, retain or obtain the advice of any compensation consultant, legal counsel or financial, accounting or other advisor, including Company officers or employees (“Advisor”) to assist it in the evaluation of officer and outside director compensation levels and as it otherwise determines necessary to carry out its duties. The Committee shall be directly responsible for the appointment, compensation and oversight of any Advisor that it retains. The Committee shall receive appropriate funding, as determined by the Committee, from the Company for payment of reasonable compensation to any outside Advisor employed by the Committee.

To the extent required under the Nasdaq Stock Market rules, prior to retaining an outside Advisor or seeking advice from any Advisor (whether retained by the Committee or management) and on an annual basis, or more frequently if appropriate, the Committee must consider the independence of the Advisor, taking into consideration the following factors relevant to such Advisor’s independence from Company management:

- a. the provision of other services to the Company or any subsidiaries by the entity that employs the Advisor;
- b. the amount of fees received from the Company by the entity that employs the Advisor, as a percentage of the total revenue of such entity;
- c. the policies and procedures of the entity that employs the Advisor that are designed to prevent conflicts of interest;

d. any business or personal relationship of the Advisor with a member of the Committee;

e. any stock of the Company owned by the Advisor; and

f. any business or personal relationship of the Advisor or the entity employing the Advisor with an officer of the Company.

If the foregoing independence assessment is required under Nasdaq Stock Market rules, the Committee is not required to conduct such assessment with respect to in-house legal counsel or any Advisor that acts in a role limited to (i) consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or directors of the Company and that is generally available to all salaried employees and/or (ii) providing information that is not customized for the Company or that is customized based on parameters that are not developed by the Advisor and about which such Advisor does not provide advice.

The Committee may retain, or receive advice from any Advisor it prefers, including ones that are not independent. The Committee is not required to implement or act consistently with the advice or recommendations of any Advisor, and the authority granted in this charter shall not affect the ability or obligation of the Committee to exercise its own judgment in fulfillment of its duties.
