We have entered into an Investment Agreement with Dutchess Private Equities Fund, also referred to as an Equity Line of Credit. That agreement provides that, following notice to Dutchess, we may put to Dutchess up to \$3.5 million in shares of our common stock for a purchase price equal to 93% of the lowest closing bid price on the Over-the-Counter Bulletin Board of our common stock during the five day period following that notice. Each put will be equal to either (a) 200% of the average daily volume of our common stock for the 10 trading days prior to the put notice date, multiplied by the average of the three daily closing best bid prices immediately preceding the Put or (b) \$10,000; provided that in no event will the Put Amount be more than \$1,000,000 with respect to any single Put.

In turn, Dutchess has indicated that it will resell those shares in the open market, resell our shares to other investors through negotiated transactions or hold our shares in its portfolio. This prospectus covers the resale of our stock by Dutchess either in the open market or to other investors through negotiated transactions. We are also registering the resale of shares which will be issued to Robert Baker, Eric Heineken, and Jim Shrum upon the conversion of securities they already own, and to Dennis Benner, and Ed Lassiter upon the conversion of notes they already hold. To the best of our knowledge, Messrs. Benner, Lassiter, Heineken, Baker and Strum are unaffiliated with Dutchess.
