State below in reasonable detail the reasons why Form 10-K and Form 10-KSB, 20-F, 11-K, 10-Q and Form 10-QSB, N-SAR, or the transition report or portion thereof could not be filed within the prescribed period. (Attach Extra Sheets if Needed)

On November 17, 2003, we appointed Mitchell M. Cohen as our new chief financial officer. In late February 2004, we relocated our executive offices from 420 Lexington Avenue to 33 Maiden Lane in New York City. As a result of the move of our executive offices and the change in our chief financial officer, and the number and complexity of certain financing and other transactions entered into by the Company during the fourth quarter of 2003, the Company's Annual Report on Form 10-K could not be timely completed without unreasonable effort or expense.

For the year ended December 31, 2003, the Company will report a net loss of approximately \$29,000,000, an increase of approximately \$20,000,000 from the loss incurred in the prior year of \$9,000,000. The basic and diluted loss per share for the year ended December 31, 2003 will be approximately \$.20 as compared with \$.14 for the year ended December 31, 2002.

The increased loss of approximately \$20,000,000 is due to approximately \$9,000,000 of increased financing costs and \$2,000,000 of deemed dividends associated with the various capital-raising activities of the Company during 2003, and increased operating expenses of approximately \$9,000,000, primarily due to the certain issuances and modifications of non cash stock-based compensation to former and current management and board members, and costs associated with the general expansion of its work force and incurred in connection with the launching of its new HealthRamp technology products, its LifeRamp business and its acquisitions of ePhysicians and Frontline Communications during 2003.

For the quarter ended December 31, 2003, the Company will report a net loss of approximately \$19,000,000 an increase of approximately \$14,700,000 from the loss incurred in the prior quarter of approximately \$4,300,000. The increased loss of approximately \$14,700,000 is due to \$9,500,000 of increased financing costs and \$2,000,000 of deemed dividends associated with various capital-raising activities, including offerings and beneficial conversions of securities that took place during the fourth quarter of 2003, and \$5,200,000 of increased operating expenses attributable to issuances and modifications of noncash stock-based compensation, and the general expansion of the Company's work force and businesses, occurring during the fourth quarter.
