to be held on January 9, 2007

at 10:00 A.M. at the Conference Center of Goodwin Procter LLP,

located on the second floor at Exchange Place,

Boston, Massachusetts 02109-2881

General Information

The enclosed proxy is being solicited on behalf of the Board of Directors of UniFirst Corporation (the Company or UniFirst) for use at the 2007 Annual Meeting of Shareholders to be held on Tuesday, January 9, 2007 (the Annual Meeting) and at any adjournment thereof. This Proxy Statement, the enclosed proxy and the Company's 2006 Annual Report to Shareholders are being mailed to shareholders on or about December 4, 2006. Any shareholder signing and returning the enclosed proxy has the power to revoke it by giving notice of its revocation to the Company in writing or in the open meeting before any vote with respect to the matters set forth therein is taken. The shares represented by the enclosed proxy will be voted as specified therein if said proxy is properly signed and received by the Company prior to the time of the Annual Meeting and is not properly revoked. The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Company may also solicit proxies personally or by telephone without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Board of Directors has fixed the close of business on November 17, 2006 as the Record Date for the determination of the shareholders entitled to notice of, and to vote at, this Annual Meeting and any adjournments thereof. As of the close of business on that date, there were outstanding and entitled to vote 14,306,974 shares of common stock, par value \$0.10 per share (Common Stock), and 4,940,849 shares of Class B common stock, par value \$0.10 per share (Class B Common Stock). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share. All actions submitted to a vote of shareholders are voted on by holders of Common Stock and Class B Common Stock voting together as a single class, except for the election of certain Directors and for the approval of matters requiring class votes under the Business Corporation Act of The Commonwealth of Massachusetts.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect three Class III Directors, each to serve for a term of three years; (2) to approve an amendment to the Plan, which serves to authorize an additional 350,000 shares of Common Stock under the Plan; (3) to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 25, 2007; and (iv) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment thereof. With respect to the election of three Class III Directors, a plurality of the votes cast by holders of shares of Common Stock, voting separately as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Phillip L. Cohen. A plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Cynthia Croatti and Michael Iandoli. With respect to the approval of the amendment to the Plan, the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm, and each other matter expected to be voted upon at the Annual Meeting, the affirmative vote of a majority of

Edgar Filing: UNIFIRST CORP - Form DEF 14A

the votes cast by the holders of the shares of Common Stock and Class B Common Stock, voting as a single class, represented and entitled to vote at the Annual Meeting is necessary for approval.

Consistent with applicable law, the Company intends to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal for approval of each other matter expected to be voted on at the Annual Meeting.

1. ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of eight members, divided into three classes of three, three and two directors, respectively. One class is elected each year at the annual meeting of shareholders. The Directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each annual meeting of shareholders.

At the Annual Meeting, three Class III Directors will be elected to serve until the 2010 annual meeting and until their successors are duly elected and qualified. One of the independent members of the Board of Directors, Lawrence R. Pugh, has informed the Company that he intends to retire as a Director as of the Annual Meeting. As a result of such retirement, the Board of Directors nominated Michael Iandoli to serve as a Class III Director. The Board of Directors also has nominated Phillip L. Cohen and Cynthia Croatti to serve as Class III Directors (collectively, the Nominees).

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates FOR the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy for such other person or persons as they may in their discretion select.

The Board of Directors recommends that you vote FOR the election of Phillip L. Cohen, Cynthia Croatti and Michael Iandoli as Class III Directors.

The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares or reflect non-transferability, vesting or termination provisions. The actual gains, if any, on the exercises of stock options will depend on the future performance of the Common Stock.

Supplemental Executive Retirement Plan

The Company maintains the UniFirst Unfunded Supplemental Executive Retirement Plan (the SERP) available to certain eligible employees of the Company and its affiliates. Retirement benefits available under the SERP are based on a participant s average annual base earnings for the last three years of employment prior to his retirement date (Final Average Earnings). Upon the retirement of a participant on his social security retirement date, the participant will be paid an aggregate amount equal to 1.33% percent of his Final Average Earnings multiplied by his years of service, limited to 30 years, less his primary Social Security benefit. Upon the death of a participant, the participant s designated beneficiary will be paid retirement benefits up to 12 years from the date of retirement. The SERP provides that, upon any change of control, participants in the SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

Average Compensation(1)	Annual Retirement Benefit(2)
\$ 200,000	\$ 80,000
250,000	100,000
300,000	120,000
350,000	140,000
400,000	160,000
450,000	180,000

- (1) Average Compensation for purposes of this table is based on the participant s average base salary for the last three years of full-time employment preceding retirement.
- (2) The Annual Retirement Benefit assumes the participant has provided 30 years of service, and does not consider the deduction for Social Security benefits. As of November 17, 2006, Messrs. Croatti, Bartlett, Boynton, and Assad and Ms. Croatti had served a total of 41, 29, 30, 31, and 26 years, respectively.

REPORT OF COMPENSATION COMMITTEE

During the 2006 fiscal year, the Compensation Committee consisted of Messrs. A. Cohen (Chairman), P. Cohen and Evans, three Directors who are not employees of the Company. The Compensation Committee reviews and approves the Company s executive compensation program.

Compensation Philosophy

The Company seeks to attract and retain executive officers who, in the judgment of the Company s Board of Directors, possess the skill, experience and motivation to contribute significantly to the long-term success of the Company and to long-term stock price appreciation. With this philosophy in mind, the Compensation Committee follows an executive officer compensation program designed to foster the mutuality of interest between the Company s executive officers and the Company s shareholders and to provide senior management additional incentive to enhance the sales growth and profitability of the Company, and thus shareholder value.

The Compensation Committee reviews its compensation policy annually. Compensation of executive officers currently consists of a base salary and, based on the achievement of predetermined corporate performance objectives, a cash bonus. In addition, for fiscal 2006 the Company issued options to purchase a total of approximately 71,400 shares to over 100 officers, non-employee Directors, vice presidents, department

Edgar Filing: UNIFIRST CORP - Form DEF 14A

directors, general managers and other management personnel. Although the Company's fiscal year ends in August, compensation decisions generally are made on a calendar year basis.

Base Salary

Each year, the Compensation Committee consults with the Chief Executive Officer with respect to setting the base salaries of its executive officers, other than the Chief Executive Officer, for the ensuing year. Annual salary adjustments are determined by evaluating the financial performance of the Company during the prior year, each executive officer's contribution to the profitability, sales growth, return on equity and market share of the Company during the prior year and the compensation programs and levels generally paid to executives at other companies.

Incentive Compensation Plan

Annual cash bonuses for executive officers of the Company are determined in accordance with the Company's incentive compensation plan, the philosophy and substantive requirements of which are reviewed by the Compensation Committee each year. Cash bonuses are determined with reference to, among other things, the Company's financial performance.

Each year, the Compensation Committee confers with the Chief Executive Officer and establishes performance goals. The cash bonuses awarded depend on the extent to which the performance of the Company meets or exceeds the budgeted amounts. In addition, the Compensation Committee establishes minimum achievement thresholds and maximum bonus levels for each of these performance criteria which apply uniformly to the Company's executive officers. Bonuses are determined and paid annually after the end of each fiscal year.

Compensation of Chief Executive Officer

The Compensation Committee established the compensation of Ronald D. Croatti, the Chief Executive Officer, for 2006 using the same criteria applicable to determining compensation levels and bonuses for other executive officers as noted in this report. Such criteria included the financial performance of the Company during the 2005 fiscal year, the compensation levels generally paid to executives of other companies, and Mr. Croatti's contribution to the growth, profitability and overall success of the Company during the 2005 fiscal year and his leadership of the Company. The Compensation Committee determined that Mr. Croatti provided the Company with strong leadership and strategic vision and, therefore, increased his salary generally commensurate with increases granted to other executive officers of the Company. Mr. Croatti's 2006 calendar year base salary was established at \$442,000, a 7% increase from the prior year.

2. AMENDMENT TO 1996 STOCK INCENTIVE PLAN

General

Under the Company's 1996 Stock Incentive Plan (the "Plan") the Company is authorized to issue up to 450,000 shares of Common Stock. The Company has historically granted options once each year to approximately 110 managers, directors and executives. Following the option grant made on October 31, 2006, fewer than 13,000 shares of Common Stock remained available for future option grants. Accordingly, the Board of Directors amended the Plan, on October 31, 2006, subject to stockholder approval, by increasing the shares authorized to be issued thereunder from 450,000 to 800,000, an increase of 350,000 shares. A copy of the Plan, as amended to date, may be obtained upon written request to the Company's Secretary at the address listed on page 2.

Recommendation

The Board of Directors believes that stock option and other stock-based incentive awards can play an important role in the success of the Company by encouraging and enabling the officers and other employees of the Company and its subsidiaries upon whose judgment, initiative and efforts the Company largely depends on for the successful conduct of its business to acquire a proprietary interest in the Company. The Board of Directors believes that providing such persons with a direct stake in the Company assures a closer identification of the interests of participants in the Plan with those of the Company, thereby stimulating their efforts on the Company's behalf and strengthening their desire to remain with the Company. On October 31, 2006, the Board of Directors determined that shares of Common Stock then remaining available for issuance pursuant to new awards under the Plan were insufficient to provide for the continued proper compensation and incentivization of the Company's officers and employees. The Board of Directors believes that this Amendment to increase the number of shares of Common Stock authorized for issuance under the Plan is necessary to ensure that a sufficient reserve of Common Stock is available under the Plan.

Summary of the Plan

The following description of certain features of the Plan, including the proposed Amendment, is intended to be a summary only. The summary is qualified in its entirety by the full text of the Plan and the Amendment.

Shares Subject to the Plan. An aggregate of 800,000 shares of Common Stock have been reserved for issuance under the Plan.

Plan Administration; Eligibility. The Board of Directors or a committee thereof appointed by the Board (such committee, or the Board acting in such capacity, the "Committee") has full power to select, from among the persons eligible for awards, the individuals to whom awards will be granted, to make any combination of awards to participants, and to determine the specific terms and conditions of each award, subject to the

Edgar Filing: UNIFIRST CORP - Form DEF 14A

provisions of the Plan. Persons eligible to participate in the Plan will be such officers and other employees of the Company and its subsidiaries who are responsible for or contribute to the management, growth or profitability of the Company and its subsidiaries, as selected from time to time by the Committee. Non-Employee Directors are included in the group of persons eligible to participate in the Plan. The number of individuals potentially eligible to participate in the amended Plan is approximately 9,800 persons.

Edgar Filing: UNIFIRST CORP - Form DEF 14A

Stock Options. The Plan permits the granting of both (i) options to purchase Common Stock intended to qualify as incentive stock options (Incentive Stock Options) under Section 422 of the Internal Revenue Code of 1986, as amended (the Code) and (ii) options that do not so qualify (Non-Qualified Options). The option exercise price of each option will be determined by the Committee but may not be less than 100% of the fair market value of the Common Stock on the date of grant in the case of Incentive Stock Options. The term of each option will be fixed by the Committee and may not exceed ten years from date of grant in the case of an Incentive Stock Option. The Committee will determine at what time or times each option may be exercised and, subject to the provisions of the Plan, the period of time, if any, after retirement, death, disability or termination of employment during which options may be exercised. Options may be made exercisable in installments, and the exercisability of options may be accelerated by the Committee. Upon exercise of options, the option exercise price must be paid in full either in cash or by certified or bank check or other instrument acceptable to the Committee or, if the Committee so permits, by delivery of shares of Common Stock that are not then subject to restrictions under any Company Plan and that have been beneficially owned by the optionee for at least six months. Such shares will be valued at their fair market value on the exercise date. The exercise price may also be delivered to the Company by a broker pursuant to irrevocable instructions to the broker from the optionee.

To qualify as Incentive Stock Options, options must meet additional Federal tax requirements, including a \$100,000 limit on the value of shares subject to Incentive Stock Options which first become exercisable in any one calendar year, and a shorter term and higher minimum exercise price in the case of certain large shareholders.

Stock Options Granted to Non-Employee Directors. The Plan provides that each Non-Employee Director who is serving as a Director of the Company on the third business day after each annual meeting of shareholders, beginning with the 2004 annual meeting, shall be granted a Non-Qualified Option to acquire a number of shares of stock as determined annually by the Committee. The exercise price of each such Non-Qualified Option will be the fair market value of Common Stock on the date of grant. Unless otherwise determined by the Committee the option will be exercisable in full on the date of grant, and the option will terminate on the later to occur of the eighth anniversary of the date of grant or two years following the date on which the optionee ceased to be a Director of the Company. The Plan also provides that the Committee may make discretionary grants of Non-Qualified Options to Non-Employee Directors, subject to the terms of the Plan.

Stock Appreciation Rights. The Committee may also grant stock appreciation rights (SARs) entitling the recipient, upon exercise, to receive an amount in cash or shares of Common Stock, or a combination thereof, having a value equal to the excess of the fair market value on the date of exercise of one share of Common Stock over the exercise price per share set by the Committee at the time of grant (or over the option exercise price per share if the SAR was granted in tandem with a Stock Option) times the number of shares of Common Stock with respect to which the SAR is exercised. This amount may be paid in cash, Common Stock, or a combination thereof, as determined by the Committee. SARs may be granted independently or in tandem with the grant of a stock option. If the SAR is granted in tandem with a stock option, exercise of the SAR cancels the related option to the extent of such exercise.

Restricted Stock. The Committee may also award shares of Common Stock subject to such conditions and restrictions as the Committee may determine (Restricted Stock). These conditions and restrictions may include the achievement of certain performance goals and/or continued employment with the Company through a specified restricted period. The purchase price, if any, of shares of Restricted Stock will be determined by the Committee. Recipients of Restricted Stock must enter into a Restricted Stock Award Agreement with the Company, in such form as the Committee determines. The Committee at the time of grant shall specify the restrictions to which the shares are subject and the date or dates on which the restrictions will lapse and the shares become vested.

The Committee may at any time waive such restrictions or accelerate such dates. If a participant who holds shares of Restricted Stock terminates employment for any reason (including death) prior to the vesting of such Restricted Stock, the Company shall have the right to repurchase the shares or to require their forfeiture if acquired at no cost, from the participant or participant's legal representative. Prior to the vesting of Restricted Stock, the participant will have all rights of a shareholder with respect to the shares, including voting and dividend rights, subject only to the conditions and restrictions set forth in the Plan or in the Restricted Stock award agreement.

Unrestricted Stock. The Committee may also grant shares (at no cost or for a purchase price determined by the Committee) which are free from any restrictions under the Plan (*Unrestricted Stock*).

Performance Share Awards. The Committee may also grant awards entitling the recipient to receive shares of Common Stock upon the achievement of specified performance goals and such other conditions as the Committee shall determine (*Performance Share Awards*). Except as otherwise determined by the Committee, rights under a Performance Share Award will terminate upon a participant's termination of employment. Performance Shares may be awarded independently or in connection with stock options or other awards under the Plan.

Adjustments for Stock Dividends, Mergers, Etc. The Committee will make appropriate adjustments in outstanding awards to reflect stock dividends, stock splits and similar events. In the event of a merger, liquidation, sale of the Company or similar event, the Committee, in its discretion, may provide for substitution or adjustments or may (subject to the provisions described below under *Change of Control Provisions*) accelerate or, upon payment or other consideration for the vested portion of any awards as the Committee deems equitable in the circumstances, terminate such awards.

Tax Withholding. Plan participants are responsible for the payment of any Federal, state or local taxes which the Company is required by law to withhold from the value of any award. The Company may deduct any such taxes from any payment otherwise due to the participant. Participants may elect to have such tax obligations satisfied either by authorizing the Company to withhold shares of stock to be issued pursuant to an award under the Plan or by transferring to the Company shares of Common Stock having a value equal to the amount of such taxes.

Amendments and Termination. The Board of Directors may at any time amend or discontinue the Plan and the Committee may at any time amend or cancel outstanding awards (or provide substitute awards at the same or a reduced exercise price, or with no exercise or purchase price) for the purpose of satisfying changes in the law or for any other lawful purpose. However, no such action may be taken which adversely affects any rights under outstanding awards without the holder's consent. Further, Plan amendments shall be subject to approval by the Company's shareholders if and to the extent required by (i) the New York Stock Exchange rules, or (ii) the Code to ensure that Incentive Stock Options are qualified under Section 422 of the Code.

Change of Control Provisions. The Plan provides that in the event of a *Change of Control* (as defined in the Plan) of the Company, all stock options, SARs and Performance Share Awards shall automatically become fully exercisable. Restrictions and conditions on awards of Restricted Stock shall automatically be deemed waived. In addition, at any time prior to or after a Change of Control, the Committee may accelerate awards and waive conditions and restrictions on any awards to the extent it may determine appropriate.

Tax Aspects Under the U.S. Internal Revenue Code

The following is a summary of the principal Federal income tax consequences of option grants under the Plan. It does not describe all Federal tax consequences under the Plan, nor does it describe state or local tax consequences.

Incentive Options. Under the Code, an employee will not realize taxable income by reason of the grant or the exercise of an Incentive Option. If an employee exercises an Incentive Option and does not dispose of the shares until the later of (a) two years from the date the option was granted or (b) one year from the date the shares were transferred to the employee, the entire gain, if any, realized upon disposition of such shares will be taxable to the employee as long-term capital gain, and the Company will not be entitled to any deduction. If an employee disposes of the shares within such one-year or two-year period in a manner so as to violate the holding period requirements (a *disqualifying disposition*), the employee generally will realize ordinary income in the year of disposition, and the Company will receive a corresponding deduction, in an amount equal to the excess of (1) the lesser of (x) the amount, if any, realized on the disposition and (y) the fair market value of the shares on the date the option was exercised over (2) the option price. Any additional gain realized on the disposition of the shares acquired upon exercise of the option will be long-term or short-term capital gain and any loss will be long-term or short-term capital loss depending upon the holding period for such shares. The employee will be considered to have disposed of his shares if he sells, exchanges, makes a gift of or transfers legal title to the shares (except by pledge or by transfer on death). If the disposition of shares is by gift and violates the holding period requirements, the amount of the

employee's ordinary income (and the Company's deduction) is equal to the fair market value of the shares on the date of exercise less the option price. If the disposition is by sale or exchange, the employee's tax basis will equal the amount paid for the shares plus any ordinary income realized as a result of the disqualifying distribution. The exercise of an Incentive Option may subject the employee to the alternative minimum tax. Under current law, an employee will not have any additional FICA (Social Security taxes) upon exercise of an Incentive Option. Special rules apply if an employee surrenders shares of Common Stock in payment of the exercise price of his Incentive Option.

An Incentive Option that is exercised in accordance with its terms by an employee more than three months after an employee's employment terminates will be treated as a Non-Qualified Option for Federal income tax purposes. In the case of an employee who is disabled, the three-month period is extended to one year and in the case of an employee who dies, the three-month employment rule does not apply.

Non-Qualified Options. There are no Federal income tax consequences to either the optionee, or the Company on the grant of a Non-Qualified Option. On the exercise of a Non-Qualified Option, the optionee has taxable ordinary income equal to the excess of the fair market value of the Common Stock received on the exercise date over the option price of the shares. The optionee's tax basis for the shares acquired upon exercise of a Non-Qualified Option is increased by the amount of such taxable income. The Company will be entitled to a Federal income tax deduction in an amount equal to such excess. Upon exercise, the optionee will also be subject to FICA (Social Security taxes) on the excess of the fair market value over the exercise price of the option. Upon the sale of the shares acquired by exercise of a Non-Qualified Option, the optionee will realize long-term or short-term capital gain or loss depending upon his or her holding period for such shares. Special rules apply if an optionee surrenders shares of Common Stock in payment of the exercise price of a Non-Qualified Option.

Parachute Payments. The exercise of any portion of any option that is accelerated due to the occurrence of a change of control may cause a portion of the payments with respect to such accelerated options to be treated as parachute payments as defined in the Code. Any such parachute payments may be non-deductible to the Company, in whole or in part, and may subject the recipient to a non-deductible 20% federal excise tax on all or portion of such payment (in addition to other taxes ordinarily payable).

Limitation on Company's Deductions. As a result of Section 162(m) of the Code, the Company's deduction for awards under the Plan may be limited to the extent that the Chief Executive Officer or other executive officer whose compensation is required to be reported in the summary compensation table receives compensation (other than performance-based compensation) in excess of \$1 million a year.

The Board of Directors recommends that you vote FOR the Amendment to the Plan, which serves to authorize the issuance of an additional 350,000 shares of Common Stock for issuance under the Plan.
