(c) Appointment of New Chief Financial Officer

On January 7, 2019, Thomas C. Ernst, Jr, age 50, was named Executive Vice President, Chief Financial Officer and Treasurer of RealPage, Inc. (the “Company”), effective immediately. As previously disclosed, W. Bryan Hill notified the Company of his decision to resign his positions of Executive Vice President, Chief Financial Officer and Treasurer. Such resignation is effective as of January 7, 2019.

In July 2015, Mr. Ernst founded Tom Ernst Advisory, a strategic consulting firm focused on the software industry. From July 2015 until joining the Company, Mr. Ernst was engaged full-time in leading the firm and providing strategic advice to software companies, including RealPage. From July 2013 through July 2015, Mr. Ernst served as Managing Director and Global Co-Head of Software Investment Banking at Goldman Sachs, where he led the Software Investment Banking Team globally. From April 2004 through July 2013, Mr. Ernst served in various roles at Deutsche Bank for the Deutsche Bank Software U.S. Equity Research Team. He previously served as a Nuclear Engineer and Submarine Warfare Officer as well as other positions in the U.S. Navy. Mr. Ernst holds a B.S. in Mathematics from the University of Minnesota and an M.B.A. from The University of Chicago Booth School of Business.

In connection with the appointment of Mr. Ernst as Executive Vice President, Chief Financial Officer and Treasurer, the Company entered into an employment agreement with Mr. Ernst (the “Ernst Employment Agreement”) effective January 7, 2019. Pursuant to the terms of the Employment Agreement, Mr. Ernst is entitled to receive an annual base salary of \$450,000 and is eligible for an annual target bonus of 70% of his annual base salary, and was granted shares of restricted stock of the Company valued at \$1.1 million at the grant date with time-based vesting terms, and shares of restricted stock of the Company valued at \$1.1 million with market-based vesting terms. The time-based awards vest ratably by quarter over a three-year period. The market-based awards become eligible to vest, prior to July 1, 2022, only if the trading price of the Company’s common stock rises to specified levels and exceeds those levels for a 20-day trading period. The stock price targets require significant stock price increases in order to become eligible to vest. The target payout amount for such award is 50% of the total number of shares issued, maximum payout is 100% of the total number of shares issued, and the threshold, target, exceed and maximum achievement levels require a 25%, 37.5%, 50% and 75% increase, respectively, in the Company’s stock price in order to achieve eligibility to vest at each such performance level. Once the market-based awards become eligible to vest, they vest ratably by quarter over four quarters (subject to acceleration of vesting on July 1, 2022 for any then unvested shares that became eligible to vest prior to that date). Both the time-based and the market-based restricted stock awards provide for acceleration of vesting under certain circumstances upon a change in control, death or disability. For the market-based awards, such acceleration of vesting will occur only for the portions of the award that have then already become eligible to vest. The restricted stock awards are governed by the Company’s 2010 Equity Incentive Plan (the “Equity Incentive Plan”) and the forms of award agreements approved for use thereunder, copies of which were previously filed as Exhibits 10.23 through 10.24 to the Company’s Form 10-Q (File No. 001-34846) filed on May 6, 2016.

The foregoing summary is qualified in its entirety by the full text of the Ernst Employment Agreement, which will be filed with the Securities and Exchange Commission as an exhibit to a forthcoming periodic financial report.

Mr. Ernst has also entered into a standard indemnification agreement with the Company, the form of which was previously filed as Exhibit 10.1 to the Company’s Registration Statement on Form S-1 (File No. 333-166397) on April 29, 2010.

Mr. Ernst is not a party to any arrangement or understanding regarding his selection as an officer. There are no family relationships between Mr. Ernst and any executive officers, directors, or person nominated or chosen by the Company to become a director or executive officer of the Company. Mr. Ernst is not a party to any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K.
