EXHIBIT 1

SFL - Completion of new agreement with Frontline Ltd.

Press release from Ship Finance International Limited, June 8, 2015.

Reference is made to the press release of May 29, 2015, announcing that Ship Finance International Limited (NYSE: SFL) ("Ship Finance" or the "Company") had entered into a heads of agreement to amend the long-term chartering agreements with Frontline Ltd. ("Frontline").

The agreement is now completed, and Frontline has issued and delivered 55 million new shares to Ship Finance. The shares represent approximately 28% of the total number of issued and outstanding shares of Frontline.

The Frontline shares are listed in New York and Oslo, and Frontline has agreed to register the new shares for resale with the US Securities and Exchange Commission and the Norwegian Financial Supervisory Authority, respectively. The new shares will then be freely tradable for Ship Finance, and may be sold or distributed to the Company's shareholders at a later stage.

Cautionary Statement Regarding Forward Looking Statements

This press release may contain forward looking statements. These statements are based upon various assumptions, many of which are based, in turn, upon further assumptions, including Ship Finance management's examination of historical operating trends. Although Ship Finance believes that these assumptions were reasonable when made, because assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond its control, Ship Finance cannot give assurance that it will achieve or accomplish

these expectations, beliefs or intentions.

Important factors that, in the Company's view, could cause actual results to differ materially from those discussed in this presentation include the strength of world economies and currencies, general market conditions including fluctuations in charter hire rates and vessel values, changes in demand in the tanker market as a result of changes in OPEC's petroleum production levels and worldwide oil consumption and storage, changes in the Company's operating expenses including bunker prices, dry-docking and insurance costs, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, and other important factors described from time to time in the reports filed by the Company with the United States Securities and Exchange Commission.
