**TIM PARTICIPAÇÕES S.A. OBTAINS CERTIFICATION  
REQUIRED BY THE SARBANES-OXLEY ACT**

**Rio de Janeiro, June 25, 2007** TIM Participações S.A. (BOVESPA: TCSL3 and TCSL4; and NYSE: TSU), the parent company of TIM Celular S.A. and the indirect controlling shareholder of TIM Nordeste S.A., announces that it has received certification of its fulfillment of the requirements contained in Section 404 of the Sarbanes-Oxley Act (SOX), which involve the internal controls of the Consolidated Financial Statements for the fiscal year ended on December 31, 2006.

The objective of Section 404 of the aforementioned Act consists of verification by the Company that the controls related to the preparation of the Financial Statements are effective, imparting greater reliability and transparency to this information. The Company's Management evaluated and certified the effectiveness of the internal controls for fiscal year 2006, and this evaluation was subsequently certified by an institution specialized in independent auditing.

The efforts involved in obtaining the certification of TIM Participações drew on the participation of the Officers, the Board of Directors, and the Audit Committee, this latter represented by the Audit Council.

Obtaining the certification required by the Sarbanes-Oxley Act provides further demonstration of the commitment of TIM Participações to maintaining high levels of corporate governance, credibility, transparency and value creation for its shareholders.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
