2011 net income totals R\$ 6.3 billion

Rio de Janeiro, November 11, 2011 – Petróleo Brasileiro S.A. – Petrobras announces its consolidated results for the third quarter (3Q11), in accordance with International Financial Reporting Standards (IFRS).

Net income totaled R\$ 6.3 billion in 3Q11 (R\$ 0.49 per share), 26% lower the 3Q10 result of R\$ 8.57 billion (R\$ 0.97 per share), mainly due to the negative impact of the Real depreciation in the USD denominated debt. On the other hand, the EBITDA reached R\$ 16.67 billion, 13% higher than the 3T10 level (R\$ 14.74 billion)

By segment, the increase in oil prices and the higher production level influenced the Exploration and Production earnings. The Net income in the Refining, Transportation and Marketing segment was lower mainly due to the oil price.

Net income per segment (R\$ million) ¹

Segment⁽¹⁾	3T11	3T10
Exploration and Production	10,346	6,882
Refining, Transportation and Marketing	(3,157)	1,299
Other Segments⁽²⁾	1,845	886

(1) Includes inter-segment transactions which are excluded when calculating the Company's income

(2) Excluding the Corporate segment

The investments in the 3Q11 was R\$ 18.8 billion, most of which (approximately 50%) went to the E&P segment.

Leverage reached 22%, below the cap established by the Company (35%).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
