Service of Complaint in the United States

Rio de Janeiro, December 9, 2014 - Petróleo Brasileiro S.A. - Petrobras informs the market that it has been served with the class action complaint filed yesterday by Peter Kaltman in the United States District Court, Southern District of New York.

Plaintiff confirms that he is a holder of American Depository Shares (ADS) of Petrobras and purports to represent a class consisting of all purchasers of ADS on the New York Stock Exchange between May 20, 2010 and November 21, 2014, who were allegedly harmed by the share price drop in connection with the recent accusations of corruption. According to the plaintiff, Petrobras made misleading statements to the market. Based on these allegations, plaintiff seeks unspecified monetary damages.

Petrobras will obtain legal representation from a specialized American law firm.

Petrobras reiterates its cooperation with the ongoing investigations by regulatory authorities.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
