GOL engages PJT Partners

São Paulo, March 28, 2016 - GOL Linhas Aéreas Inteligentes S.A. “GOL” or “Company” (BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: B-, Fitch: CCC and Moody’s: Caa1), the largest low-cost and best-fare airline in Latin America hereby announces that it has engaged PJT Partners to advise the company in connection with measures to strengthen its capital structure and liquidity and to improve the profile of its debt. Additionally, PJT is advising the Company in connection with its U.S. dollar denominated unsecured bonds.

The engagement of PJT is part of the Company’s business plan and is consistent with previously disclosed measures aimed at optimizing the Company’s route network, pushing back its aircraft delivery schedule and resizing its capacity, in order to adjust its flight offerings to current levels of demand and to current conditions in the sector.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
