STATEMENT OF MATERIAL FACT

COMPANHIA SIDERÚRGICA NACIONAL

Publicly-Held Company

Corporate Taxpayer's ID (CNPJ/MF): 33.042.730/0001-04

Companhia Siderúrgica Nacional (BOVESPA: CSNA3; NYSE: SID) ("CSN" or "Company"), pursuant to Article 157, paragraph 4, of Law 6.404/76, as amended, and according to the Instruction of the Securities and Exchange Commission ("CVM") number 358/02, as amended, hereby informs its shareholders and the market that:

1- Exceptionally, the Company will not file the Financial Statements for the year ended on December 31, 2016 ("DFs 2016") with CVM within the period established by the CVM Instruction 480/09, due to the review of the accounting treatment determined upon for the transactions carried out by the Company on November 30, 2015, which resulted in the business combination of mining and related logistics activities, without changing its business structure.

2 - This review will impact the financial statements for the fiscal year ended on December 31, 2015, and will consequently impact the opening balances for the DFs 2016.

3 - Due to the technical complexity of the matter and the fact that revision work is still ongoing, with the accompanying of the external auditors, it will not be possible to close the DFs 2016 within the period established by the applicable legislation, leading to a delay in the disclosure of the DFs 2016.

4- As a result, the Ordinary and Extraordinary Shareholders' Meeting to be held on April 28, 2017 will deliberate the following matters: (i) to establish the number of members of the Board of Directors and to elect its members; (ii) to establish the management overall annual compensation for the 2017 fiscal year; and (iii) to discuss the amendment and consolidation of the Company's bylaws. Accordingly, other matters attributed to the Ordinary Shareholders' Meeting, such as taking the management's accounts, examining, discussing and voting on the financial statements and deciding on the allocation of financial earnings for the fiscal year, will be subject to deliberation at an Extraordinary Shareholders' Meeting to be duly convened.

5- The Company is committed to disclosing the DFs 2016 reviewed by the external auditors as soon as possible. However, considering the duty to inform and act with diligence and transparency, the Company has decided to disclose to the market the main operating indicators for the year ended on December 31, 2016, not yet revised by the independent auditors, which will not be impacted by the potential adjustments that may occur as a result of the reviews that are in progress, as follows:
