**Clarifications to formal CVM's inquiry**

TIM PARTICIPAÇÕES S.A. ("Company"), in response to a formal CVM inquiry 133/2015/CVM/SEP/GEA-2 of April 07, 2015, requesting clarifications about the content of news published on the magazine "Istoé Dinheiro" under the title "A escorregada da TIM", informs that it has not been notified by any competent authority about the object of the article and denies the veracity of such statements. Its subsidiaries, TIM Celular S/A and Intelig Telecomunicações Ltda. have not been notified by any competent authority as well.

The Company and its subsidiaries inform that they have ongoing processes in the Administrative Board of Fiscal Appeals (CARF), and are advised in these cases only by recognized law firms which are respected for their impeccable integrity. Thus, the Company strongly refutes the use of improper practices in its processes with CARF or in any other administrative or judicial instance. TIM will monitor the developments of the matter and reserves itself the right to take appropriate legal action against defamatory statements.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
