**Item 1.01. Entry into a Material Definitive Agreement.**

On February 3, 2005, the Compensation Committee of the Board of Directors of SCS Transportation, Inc. (the "Company") approved certain Employee Nonqualified Stock Options pursuant to the SCS Transportation, Inc. 2003 Omnibus Incentive Plan (the "Plan"). The form of Employee Nonqualified Stock Option Agreement is attached hereto as Exhibit 10.1 and incorporated by reference into this Item 1.01. The following description of the Employee Nonqualified Stock Option Agreement is qualified in its entirety by reference to the form of Employee Nonqualified Stock Option Agreement as attached hereto:

The Plan permits the Compensation Committee to grant stock option awards to eligible employees, including the executive officers of the Company, from time to time. A total of 44,540 stock options were awarded to executive management of the Company and its operating subsidiaries. The stock options have a 7 year term, vest 100 percent after 3 years and have an exercise price of \$23.00, equal to the closing market price of SCST common stock as reported by NASDAQ on the date of grant. The following table sets forth the option grants to the Named Executive Officers.

Executive Officer Amount

H. A. Trucksess, III 9,840

Richard D. O'Dell 5,880

Paul J. Karvois 4,560

James J. Bellinghausen 2,450

David J. Letke 2,120

John P. Burton 1,310

In addition, on February 3, 2005 the Compensation Committee approved SCS Transportation's 2004 annual incentive plan payments to Named Executive officers. SCS Transportation's 2004 incentive plan was structured to provide cash incentives to key employees based on the achievement of key corporate, business unit (for business unit employees) and individual objectives. Under the plan, funding pools are created at the corporate and business unit levels based on overall company and business unit performance on selected financial goals. For 2004, the corporate goals under the plan were net income and return on capital. The 2004 business unit goals for Jevic and Saia were operating income and return on capital. The plan is structured with target awards set near the market 50th percentile, with an opportunity to achieve upper quartile payouts for outstanding performance.

Actual annual incentives paid to the Named Executive Officers of the holding company for 2004 were generally below target, since overall corporate performance was below target. Actual annual incentive payout for the Saia Named Executive Officer was slightly above target as a result of Saia's performance relative to plan objectives. There was no incentive payout for the Named Executive Officer at Jevic as performance was below minimum plan objectives. The following table sets forth the actual annual incentives for 2004 to be paid to the Named Executive Officers in 2005.

Executive Officer Amount

H.A. Trucksess, III \$ 263,344

Richard D. O'Dell 154,649

Paul J. Karvois —

James J. Bellinghausen 72,527

David J. Letke 49,134

John P. Burton 48,718

The Compensation Committee also approved changes in certain executive perquisites to reflect the median competitive levels recommended by outside compensation consultants. The Compensation Committee approved increases in financial/legal planning allowance and executive life insurance perquisites for the Company's Named Executive Officers and a decrease in the car allowance for Mr. Karvois. The Compensation Committee also approved an increase in Mr. Karvois base salary of \$7,200 (2.4 percent), equal to the annual reduction in his car allowance perquisite. There were no other changes to base salary of Named Executive Officers.
