Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

2009 Compensation Matters

On February 3, 2009, the Compensation and Human Resources Committee (the "Committee") of the Board of Directors (the "Board") of Apartment Investment and Management Company ("Aimco"), which Committee also constitutes all of, and only, the independent members of the Aimco Board, in conjunction with Terry Considine, Aimco's Chairman of the Board and Chief Executive Officer, addressed various compensation matters for Aimco's named executive officers.

The Committee reduced 2009 total target compensation for Terry Considine by approximately 33% to a range of approximately \$3 million to \$4 million (which includes an annual base salary rate unchanged at \$600,000). Aimco also expects to reduce 2009 total target compensation for the other named executive officers by approximately 30% on average, with base salary rates remaining unchanged.

Bonus compensation, which is total target compensation less base salary, is based in part on Aimco's achievement of the objectives in its operating plan and individual objectives. If such objectives are not achieved or if individual performance so warrants, the amount paid for bonus compensation may be less than this target, and if such objectives are exceeded or if individual performance so warrants, the amount paid for bonus compensation may exceed this target. Bonus compensation may be paid in the form of cash, options or restricted stock.
