**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Effective October 20, 2016, the Board of Directors (the "Board") of FleetCor Technologies, Inc. (the "Company" or "FleetCor") approved the amended bylaws attached to this Form 8-K as Exhibit 3.1.

The amendments added Article I, Section 11, which provides for "proxy access" for a stockholder or group of up to 25 stockholders owning 3% or more of the Company's outstanding common stock continuously for at least three years to nominate and include in the Company's proxy materials director candidates constituting up to 25% of the Board or two directors whichever is greater, provided that the stockholder(s) and the nominee(s) satisfy the requirements specified in the amended bylaws. Proxy access will first be available to stockholders in connection with the Company's 2017 annual meeting of stockholders.

The amendments also modified Article II, Section 1, clauses (b) and (c), to provide for majority voting in uncontested director elections. Other conforming changes were also made.

The foregoing description of the amendments to the amended bylaws is qualified in its entirety by reference to the full text of the amended and restated bylaws, a copy of which is included in this report as Exhibit 3.1 and incorporated by reference herein.

**Item 8.01 Other Events.**

At the annual meeting of Stockholders of FleetCor held on June 8, 2016, three stockholder proposals received more than a majority of votes cast for approval of such proposals. The three proposals were:

1. Proxy access for director nominations by stockholders
2. Majority voting in uncontested director elections
3. Board diversity and reporting

Following the meeting, FleetCor prepared changes to its bylaws, corporate governance guidelines and nominating committee charter to address the proposals and consulted with the proposers and other investors regarding the changes. The Board approved the amended bylaws, corporate governance guidelines and nominating committee charter effective October 20, 2016. The amended bylaws are attached to this Form 8-K as Exhibit 3.1. The amended corporate governance guidelines and nominating committee charter are available on FleetCor's investor relations website at: [investor.fleetcor.com](http://investor.fleetcor.com).

In response to Proposal 3, FleetCor reports the following with respect to board diversity and reporting:

The nominating committee charter was modified to include consideration of desired experience and gender/racial diversity for board positions. The committee has and will continue to consider diversity when developing a pool of candidates and has hired a search firm to increase the size of the pool. The committee believes that the company derives the most value from candidates with relevant experience regarding the payments industry, global operations, executive management, acquisitions, technology and similar experience. The number of women and racial minority candidates in the candidate pool during the past three years has been approximately 16 of 23 candidates.
