On January 6, 2006, we acquired an approximately 74,532 square foot single-tenant retail building on an approximately 7.3 acre site located in Macon, Georgia, (the AS Macon Property) through a sale-leaseback transaction. The purchase price of the AS Macon Property was approximately \$5.6 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$4.3 million loan secured by the AS Macon Property.

In our Current Report on Form 8-K that we filed on January 11, 2006, regarding the acquisition of the AS Macon Property, we indicated that we would file financial statements related to the acquisition by an amendment to the Form 8-K. We have since determined that as the AS Macon Property had no operating history prior to January 6, 2006, we are not required to file such statements.
