The Company may retain other persons or companies to solicit proxies on behalf of management, in which event customary fees for such services will be paid. All costs of solicitation will be borne by the Company.

The date of this Information Circular is March 21, 2006, and it is first being sent to shareholders on or about March 29, 2006.

Appointment of Proxyholder

The persons named in the accompanying form of proxy for the Meeting are directors or officers of the Company, or both. A shareholder has the right to appoint some other person, who need not be a shareholder, to represent the shareholder at the Meeting by striking out the names of the persons designated in the accompanying form of proxy and by inserting that other person's name in the blank space provided.

The instrument appointing a proxyholder must be signed in writing by the shareholder, or such shareholder's attorney authorized in writing. If the shareholder is a corporation, the instrument appointing a proxyholder must be in writing signed by an officer or attorney of the corporation duly authorized by resolution of the directors of such corporation, which resolution must accompany such instrument. An instrument of proxy will only be valid if it is duly completed, signed, dated and received at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, Canada, M5J 2Y1, Attention: Stock Transfer Department, not less than 48 hours (excluding Saturdays, Sundays and holidays) before

-1-

the time set for the holding of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

If you have any questions about the procedures to be followed to vote at the Meeting or about obtaining, completing and depositing the required form of proxy, you should contact Computershare Investor Services Inc. by telephone (toll free) at 1-800-564-6253.

Revocation of Proxy

A shareholder may revoke a proxy by delivering an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing, or where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, either at the registered office of the Company at any time up to and including the last business day preceding the day

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

of the Meeting, or with the consent of the Chairman of the Meeting on the day of the Meeting, before any vote in respect of which the proxy is to be used shall have been taken. A shareholder may also revoke a proxy by depositing another properly executed instrument appointing a proxyholder bearing a later date with the Company's registrar and transfer agent in the manner described above, or in any other manner permitted by law.

Voting by Non-Registered Shareholders

Only registered shareholders or persons they appoint as their proxyholders are permitted to attend and/or vote at the Meeting. However, in many cases, common shares in the capital of the Company (the "Shares") beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Shares, such as a bank, trust company, securities dealer or broker or trustee or administrator of self-administered RRSPs, RRIFs, RESPs or similar plans; or
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with the requirements of applicable securities laws, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of proxy (collectively, the "Meeting Materials") to the depositories and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting Materials to Non-Registered Holders, unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies, such as ADP Canada or ADP, to forward the Meeting Materials to Non-Registered Holders. Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) receive, as part of the Meeting Materials, a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions provided by the Intermediary on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone or through the internet); or
- (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to

-2-

submit a proxy should otherwise properly complete this form of proxy and deposit it as described above.

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. Should a Non-Registered Holder who receives either a proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the accompanying proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary or its service company.

In addition, there are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs", for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs", for Non-Objecting Beneficial Owners). Up until September 2002, Issuers (including the Directors and Officers of the Corporation) had no knowledge of the identity of any of their beneficial owners including NOBOs. Subject to the provision of National Instrument 54-101, Communication with Beneficial Owners of Securities of Reporting Issuers ("NI 54-101"), however, after September 1, 2002 issuers could request and obtain a list of their NOBOs from intermediaries via their Transfer Agents. Prior to September 1, 2004, issuers could obtain this NOBO list and use it for specific purposes connected with the affairs of the corporation, except for the distribution of proxy-related materials directly to NOBOs. This was the first stage of the implementation of NI 54-101. Effective for shareholder meetings taking place on or after September 1, 2004 issuers can obtain and use this NOBO list for distribution of proxy-related materials directly (not via ADP) to NOBOs. This is the second stage of the implementation of NI 54-101.

The Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from our Transfer Agent, Computershare Investor Services Inc. (or Computershare Investor Services Inc as the case might be) ("Computershare"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting services, as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

Voting of Proxies

Shares represented by properly executed proxies will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Shares represented by such proxies will be voted accordingly. If no choice is specified, the persons designated in the accompanying form of proxy will vote FOR all matters proposed by management at the Meeting. If for any reason the instructions of a shareholder in a proxy are uncertain as they relate to the election of directors, the proxyholder will not vote the Shares represented by that proxy for any director.

Exercise of Discretion

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

The accompanying form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the persons appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the

-3-

intention of the persons designated in the accompanying form of proxy to vote in accordance with their best judgment on such matters of business. At the date of this Information Circular, management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

Voting Securities and Principal Holders of Voting Securities

The Company is authorized to issue 100,000,000 common shares without par value of which 67,693,101 fully paid and non-assessable Shares are issued and outstanding as of March 6, 2006. The holders of Shares are entitled to one vote for each Share held. The Company has no other classes of voting securities.

Any holder of record of Shares at the close of business on Monday, March 6, 2006 and any holder of record of the Company's outstanding 5.25% convertible unsecured senior subordinated debentures at the close of business on March 6, 2006 will be entitled to receive notice of the Meeting. Any such shareholder who either personally attends the Meeting or has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his or her Shares voted at the Meeting. The failure of any shareholder to receive the Notice of Meeting does not deprive such shareholder of his or her entitlement to vote at the Meeting.

To the knowledge of the directors and senior officers of the Company, no person beneficially owns, directly or indirectly, or exercises control or direction over, more than ten percent of the issued and outstanding Shares as at March 6, 2006.

Quorum and Votes Necessary

Under the Company's Articles, the quorum for the transaction of business at the Meeting consists of one shareholder, or one proxyholder representing a shareholder or shareholders, holding not less than one-twentieth of the issued Shares entitled to be voted at the Meeting.

With respect to the proposed reappointment of the Company's auditors and the authorization of the board of directors of the Company (the "Board") to fix the remuneration to be paid to the Company's auditors, the Business Corporations Act (British Columbia) and the Company's Memorandum and Articles require that shareholders approve the proposed actions by ordinary resolution. An ordinary resolution means that the resolution must be approved by not less than a simple majority of the votes cast by the shareholders of the Company who voted in person or by proxy at the Meeting.

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

With respect to the proposed amendments to the Company's articles and notice of articles, the Business Corporations Act (British Columbia) and the Company's articles and notice of articles require that shareholders approve the proposed actions by special resolution. A special resolution must be approved by not less than 3/4 of the votes cast by the shareholders of the Company who voted in person or by proxy at the Meeting.

Particular Matters to be Acted Upon

Appointment of Auditors

Unless otherwise instructed, the accompanying form of proxy will be voted for: (a) the reappointment of Deloitte & Touche LLP, Chartered Accountants, of Vancouver, British Columbia, as the auditors of the Company to hold office until the close of the next annual general meeting of the Company; and (b) the authorization of the Board to fix the remuneration to be paid to the auditors of the Company. Deloitte & Touche LLP were first appointed auditors of the Company on October 26, 1993.

-4-

Election of Directors

The Board has determined that eight directors will be elected at the Meeting for the ensuing year.

The term of office of each of the present directors expires at the close of the Meeting. Persons named below will be presented for election at the Meeting as management's nominees and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. In the absence of instructions to the contrary, the accompanying form of proxy will be voted for the nominees herein listed. Management does not contemplate that any of these nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, the persons named in the accompanying form of proxy reserve the right to vote for another nominee in their discretion, unless the shareholder has specified in the accompanying form of proxy that such shareholder's Shares are to be withheld from voting on the election of directors. Each director elected will hold office until the close of the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the articles of the Company or with the provisions of the Business Corporations Act (British Columbia).

The following table sets out the names of management's nominees for election as directors, the municipality and province or state in which each is ordinarily resident, all offices of the Company now held by each of them, each nominee's principal occupation, business or employment, the period of time for which each nominee has served as a director of the Company and the number of shares of the Company or any of its subsidiaries beneficially owned by each nominee, directly or indirectly, or over which each nominee exercises control or direction as at March 6, 2006.

Approval of Amendment of Articles and Notice of Articles

Background to Proposed Amendments

On March 29, 2004, the government of British Columbia repealed the Company Act (the "Company Act") and adopted, as a replacement, the Business Corporations Act (the "Business Corporations Act"). This new legislation is intended to make British Columbia's corporate laws more consistent with corporate laws in other Canadian and U.S. jurisdictions and to provide British Columbia companies with greater flexibility in determining their governance structures.

Removal of Pre-Existing Company Provisions

Every "Pre-existing Company" incorporated under the old Company Act is automatically subject to the "Pre-existing Company Provisions" of the Business Corporations Act. The Pre-existing Company Provisions provide for continuity between the old and new legislation by continuing the application to Pre-Existing Companies of certain provisions of the old Company Act which are not contained in the Business Corporations Act. The Company has the option of no longer being subject to these Pre-existing Company Provisions, if shareholders approve such a change.

At the Meeting, shareholders of the Company will be asked to consider and, if thought appropriate, to pass a special resolution (the "Removal of PCPs Resolution") to remove the application of the Pre-Existing Company Provisions to the Company. The removal of the Pre-existing Company Provisions will require an amendment to the Company's notice of articles which currently states that the Company is subject to the Pre-existing Existing Company Provisions.

-6-

Since the Company is a public company, only two of the Pre-Existing Company Provisions are applicable to the Company: (1) the requirement under the Company Act that special resolutions be approved by not less than 3/4 of the votes cast in person or by proxy at a meeting of shareholders; and (2) the requirement under the Company Act that, subject to certain exceptions, acquisitions by the Company of its own Shares must be made on a proportionate basis to all shareholders holding the same class or series of shares that are subject to the offer.

If the shareholders pass the Removal of PCPs Resolution, any subsequent special resolutions submitted to the shareholders for approval will only require approval by ? rather than 3/4 of votes cast by shareholders on the resolution. The Company is required to seek approval by special resolution of

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

the shareholders for major corporate changes including the approval of amendments to the Company's authorized share capital, certain types of amalgamation and arrangement transactions and the continuance of the Company out of the jurisdiction of the Business Corporations Act. The lower threshold for approval of special resolutions permitted under the Business Corporations Act will make it easier for the Company to obtain shareholder approval for, and to give effect to, such corporate changes. A decrease in the approval threshold is desirable if you wish to make it easier for the Company to give effect to such changes, but may not be desirable if you disagree with a particular change or believe that a greater level of approval should be obtained before giving effect to such a change. Many other Canadian corporate statutes, including the Canada Business Corporation Act, require only a 75% majority to approve a special resolution.

If the shareholders pass the Removal of PCPs resolution and the New Articles and Notice of Articles Resolution (described below), the Company will no longer be required, in making offers to purchase its Shares, to make such offers on a proportionate basis to all shareholders. The existing exceptions to the proportionate purchase requirement do, in many cases, allow the Company to acquire shares on a non-proportionate basis. However, the Company believes that the requirement to acquire Shares on a proportionate basis may be overly restrictive in future transactions, where the ability to purchase some but not all of the shares may be necessary or desirable.

For the reasons described above, the Board is recommending that shareholders vote in favour of the Removal of PCPs Resolution. In the event that the Removal of PCPs Resolution is not approved by the requisite majority at the Meeting, the Company will continue to be subject to the Pre-Existing Company Provisions and all special resolutions will continue to require approval by 3/4 of the votes cast in person or by proxy at a meeting of the shareholders.

Additional Proposed Changes to Articles

With the repeal of the Company Act and its replacement with the Business Corporations Act, the articles of the Company require certain minor amendments to replace references to the Company Act with references to the Business Corporations Act, to update terminology to reflect the terms used in the Business Corporations Act and to update certain administrative matters that differ under the new Business Corporations Act. For example, management of the Company recommends that the articles be amended to:

- o remove references to the "Memorandum of the Company", which no longer exists under the Business Corporations Act, or, where appropriate, to replace such references with a reference to the Company's "Notice of Articles";
- o replace all references to "members" with a reference to "shareholders", to reflect the new terminology used in the Business Corporations Act;
- o replace all references to "register of members" with a reference to "central securities register", to reflect the new terminology of the Business Corporations Act;
- o replace the "Disclosure of Interest of Directors" provisions, which contain references to specific sections of the Company Act and, unlike the Business Corporations Act, do not apply to officers, with similar disclosure of interest provisions which apply to both directors and senior officers and

-7-

reflect certain administrative requirements under the Business Corporations Act regarding the deposit of written disclosure in the Company's records office;

- o delete the provision which requires the Company to acquire its Shares on a proportionate basis from all shareholders, for the same reasons described above under "Removal of Pre-Existing Company Provisions";
- o update the indemnity provisions so that indemnification of directors and officers is no longer "subject to the Company Act", which required the Company to obtain court approval of such indemnities, but is "Subject to the Business Corporations Act", which gives the Company the right to indemnify current and former directors and officers of the Company and its affiliates (each an "eligible party") without seeking court approval, and to otherwise amend the indemnity provisions of the Articles to reflect the following limitations on indemnities provided for under the Business Corporations Act:
 - o the Company will not be entitled to indemnify an eligible party in respect of an "eligible proceeding" where that eligible party: (a) did not act honestly and in good faith with a view to the best interests of the Company; and (b) did not have reasonable grounds for believing that their conduct was lawful; and
 - o the Company will not be entitled to indemnify an eligible party where the person bringing the proceeding against the eligible party is the Company or an associated corporation; and
- o remove the reference to the requirement under the Company Act to publish advance notice of the election of directors in the newspaper, which is no longer required under the Business Corporations Act.

In addition to the changes above, the Company has elected at this time to take advantage of the flexibility of the new Business Corporations Act and propose the following further amendments to the articles:

- o any significant change of the business of the Company, disposition of all or substantially all of the assets of the Company or a merger or plan of arrangement involving the Company must be approved by a special resolution requiring 2/3 of the votes cast by shareholders on the resolution;
- o the quorum required for the transaction of business at a meeting will be increased from one shareholder, or proxyholder representing a shareholder, holding not less than one-twentieth of the issued shares entitled to be voted at the meetings, to two individuals who are shareholders,

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

or proxyholders representing shareholders, holding not less than one-quarter of the issued shares entitled to be voted at the meetings; and

- o the chair of the Board does not have a second or casting vote at any meeting of the directors of the Company, nor does the chair have a casting vote in the case of an equality of votes upon a resolution submitted for approval at an annual general meeting of shareholders.

In addition to the changes above, the Company has elected at this time to take advantage of the flexibility of the new Business Corporations Act and proposes the following further amendment to the notice of articles:

- o the authorized share capital of the Company will be increased from 100,000,000 Shares to 200,000,000 Shares.

-8-

The Company has elected to increase its authorized share capital as aforementioned in order to ensure it has reasonable commercial flexibility to take advantage of growth opportunities in a timely manner, while setting a maximum authorized share capital that would effectively require that any significant transactions are properly placed before the Shareholders for approval. Without this increase in authorized share capital, the Company may not be able to compete effectively for acquisitions with other mining industry participants who are not subject to such capital restraints.

At the Meeting, shareholders of the Company will be asked to consider and, if thought appropriate, to pass a special resolution (the "New Articles and Notice of Articles Resolution") to delete and cancel the existing articles of the Company and to adopt articles and notice of articles substantially in the form attached hereto as Appendix "B" as the new articles and notice of articles (the "New Articles and Notice of Articles") of the Company. The New Articles and Notice of Articles Resolution is annexed as Resolution No. 1 of Appendix "A" to this Information Circular.

If the New Articles and Notice of Articles Resolution is not approved, the Company will continue to operate under the existing articles and will, where possible, interpret the existing Articles in light of the new provisions of the Business Corporations Act.

For full particulars of the changes, please refer to the full text of the proposed New Articles and Notice of Articles which are attached as Appendix "B" to this Information Circular.

Corporate Governance

The Board is required to supervise the management of the business and affairs of the Company. In February 1996 the Board adopted a formal written mandate which defined its stewardship responsibilities. This mandate was revised, amended and restated in April 2003, March 2005 and again in November, 2005, in light of the adoption of Multilateral Instrument 52-110 - Audit Committees, National Instrument 58-101 - Disclosure of Corporate Governance

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

Practices ("NI 58-101") and National Instrument 58-201 - Corporate Governance Guidelines ("NI 58-201" and, together with NI 58-101, the "Corporate Governance Disclosure Rules") as well as the provisions of the Sarbanes-Oxley Act of 2002 and proposed changes to the Nasdaq's corporate governance requirements.

The Board believes that good corporate governance is important to the effective performance of the Company and plays a significant role in protecting shareholders' interests and maximizing shareholder value.

Both the Corporate Governance Disclosure Rules and the Nasdaq rules have established guidelines for effective governance of listed companies. The Board is of the view that the Company's system of corporate governance meets or exceeds these guidelines.

The Company's corporate governance practices are compared with the NI 58-101 guidelines for effective corporate governance in Appendix "C" to this Information Circular.

Composition of the Board

The Board currently consists of eight directors, six of whom, William A. Fleckenstein, Michael Larson, Michael J.J. Maloney, Paul B. Sweeney, John M. Willson and John H. Wright, qualify as unrelated directors under the TSX Guidelines, Multilateral Instrument 52-110 - Audit Committees and are independent of management and free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with their ability to act in the best interests of the Company. Five of these directors also qualify as independent directors under Nasdaq rules, but Mr. Wright is not yet independent under these rules by virtue of

Long-Term Incentive Plan

The long-term incentive plan was approved by the Board on December 9, 2005 (the "Long-Term Incentive Plan"). No options, Shares or other securities are issued under the Long-Term Incentive Plan. Under the terms of the Long-Term Incentive Plan, guidance is provided regarding the grant of stock options and Shares under the Stock Option Plan (defined below under "Stock Options") and previous stock option plans to those holding senior and corporate management positions with the Company.

The Long-Term Incentive Plan was designed to create a sense of ownership by the key employees of the Company and to link the compensation of such employees with the performance of the Company. This plan provides a formula for calculating the incentive target for each eligible employee of the Company. Targets are based on an employee's salary and are directly dependent on the employees' responsibilities and contribution with regard to the long-term performance of the Company.

Stock Options

The current stock option and stock bonus plan (the "Stock Option Plan") governing the Company's issuance of stock options and bonus shares was established by the Board on March 31, 2005 (and approved by shareholders on April 28, 2005) and is given effect in conjunction with the Company's Long-Term

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

Incentive Plan. The Stock Option Plan contemplates (i) the granting of options to purchase Shares and/or (ii) the direct issuance of bonus Shares to executive officers, directors and "Service Providers" of the Company. A "Service Provider" is defined as: (a) an employee of the Company or any of its subsidiaries; (b) any other person or company engaged to provide ongoing management or consulting services for the Company or for any entity controlled by the Company; and (c) any person who is providing ongoing management or consulting services to the Company or to any entity controlled by the Company indirectly through a company that is a Service Provider.

The purpose of granting such options and/or bonus shares is to assist the Company in attracting, retaining and motivating executive officers, directors and Service Providers and to more closely align the personal interests of such executive officers, directors and Service Providers to those of the shareholders. The Stock Option Plan is intended to be competitive with the benefit programs of other companies in the mining industry.

The Stock Option Plan complies with the rules set forth for such plans by the TSX and Nasdaq.

The term of any options granted under the Stock Option Plan will be at the discretion of the Board, but will not be in excess of ten years in accordance with the rules and policies of any stock exchange or securities market on which Shares are listed. Any grant of options under the Stock Option Plan will be within the discretion of the Board. In addition, the Stock Option Plan gives authority to the Board, in its sole discretion, to allot, issue and deliver up to a total of 50,000 common shares in each calendar year. The maximum number of Shares which may be issued pursuant to options granted or bonus Shares issued under the Stock Option Plan may be equal to, but will not exceed at any time, 10% of the total number of the issued and outstanding common shares in the capital of the Company as of the grant-date on a non-diluted basis. In addition, the number of Shares issuable under the Stock Option Plan to any one optionee or in the aggregate to insiders of the Company must not, when combined with all of the Company's previously established or proposed share compensation arrangements, exceed 5% and 10%, respectively, of the total number of issued and outstanding Shares on a non-diluted basis. The number of Shares which may be issuable under the Stock Option Plan, together with all the Company's other previously established or proposed share compensation arrangements, within a one year period: (i) to insiders of the Company in aggregate, shall not exceed 10% of the outstanding issue; and (ii) to one optionee who is an insider of the Company or any associates of such insider, shall not exceed 5% of the outstanding issue. The exercise price of options granted under the Stock Option Plan will be set as the weighted average trading price of Shares on the TSX or Nasdaq, as the Board may select, for the five trading days (in which at least one board lot of the Shares were traded) prior to the

-15-

date the option was granted. Under the Stock Option Plan, options are non-assignable and non-transferable. The options granted under the Stock Option Plan will terminate on the earlier of the expiry date of the options or 30 days after termination of employment, office or the date the individual ceases to be a Service Provider, where the reason for termination of the individual was otherwise than for cause or by reason of death or disability. In the event of termination for cause, the options granted under the Stock Option Plan will terminate immediately upon the date which the individual ceases to be a director, officer or Service Provider. In the event the individual ceases to be

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

a director, officer or Service Provider due to death or disability, the options granted under the Stock Option Plan will terminate upon the earlier of the expiry date and 12 months after the date of death or disability. The Stock Option Plan also contains an adjustment mechanism to alter, as appropriate, the option price or number of shares issuable under the Stock Option Plan upon a share reorganization, corporate reorganization or other such event not in the ordinary course of business which alters share price or number of Shares outstanding. As at March 6, 2006 there were options outstanding under the Stock Option Plan to acquire up to 1,141,227 Shares.

The Company provides no financial assistance to facilitate the purchase of Shares to directors, officers or employees who hold options granted under the Stock Option Plan.

Each contract further provides for reimbursement of reasonable employment related expenses, including a one-time reimbursement for moving expenses. Compensation Committee

The Company has a compensation committee comprised of the following directors: John M. Willson and Michael J.J. Maloney. The Chairman of the compensation committee is John M. Willson. The duties and responsibilities of the Compensation Committee are set out in this Information Circular under the heading "Corporate Governance - Board Committees - Compensation Committee".

Report on Executive Compensation

The Company's compensation structure is designed to reward performance and to be competitive with the compensation arrangements of other Canadian mining companies with international operations of similar size and scope of operations. The structure complies with the Company's statement of Compensation Philosophy which was adopted in February 2005. Each executive officer's position is evaluated to establish skill requirements and level of responsibility and this evaluation provides a basis for internal and external comparisons of positions. In addition to industry comparables, the Board and the Compensation Committee consider a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-term interests of the Company and its shareholders, overall financial and operating performance of the Company and the Board's and the Compensation Committee's assessment of each executive's individual performance and contribution towards meeting corporate objectives. Executive officer compensation is composed of four major components: base salary, participation in the Company's Annual Incentive Plan, participation in the Stock Option Plan and extended group benefits.

Base salary ranges are determined following a review of market data for similar positions in Canadian mining companies with international operations of comparable size and scope of operations. The salary for each executive officer's position is then determined having regard for the incumbent's responsibilities, individual performance factors, overall corporate performance, potential for advancement, and the assessment of the Board and the Compensation Committee of such matters as are presented by management. For 2005, the Company increased the base salary of a number of its executive officers, including the Chairman, President and CEO, Senior Vice President, Operations, Senior Vice President, Projects and the CFO, in recognition of the Company's continued growth in both production and silver reserves and resources, the strong performance of the Company's share price and in light of compensation trends among comparable resource companies.

The second component of the executive officers' compensation is an annual cash or share bonus earned under the guidelines of the Company's Annual Incentive Plan. In light of a recommendation from the Compensation Committee, the Board may grant executive officers cash or share bonuses. To date the performance criteria and objectives considered by the Compensation Committee and the Board for determining the availability of such bonuses include Pan American's performance primarily measured against its annual budget as approved by the Board and each executive officer's individual targets, set based on each position's relative responsibilities, accountabilities and contribution. For 2005, the Company agreed to pay an aggregate cash bonus of \$551,000 to 18 senior managers and executive officers of the Company and certain of its subsidiaries predominantly in consideration of the Company's outstanding improvement in safety with a 62% reduction in lost time accidents, accomplishments in project development through feasibility and construction efforts, and successes in exploration which have significantly more than

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

replaced all ounces mined and increased total proven and probable reserves, For 2004, the Company paid \$520,877 to 16 senior executive officers as a bonus. The Compensation Committee and the Board will next consider the issuance of cash or share bonuses to executive officers and employees at or about the end of the Company's next financial year.

The third component of the executive officers' compensation is granting of stock options and issuance of bonus Shares. The Compensation Committee or the Board, subject to approval by regulatory authorities, may from time to time grant stock options and bonus Shares to executive officers. This is intended to help attract and retain employees by providing them with an opportunity to participate in the future success of the Company and to align the interest of the employee with those of the Company and its shareholders.

The Company's Long-Term Incentive Program provides guidance regarding an annual grant of options and bonus Shares to those holding senior and corporate management positions by providing a formula for calculating the incentive target for each eligible employee that is based on a percentage of base salary. Seventy five percent of the Long-Term Incentive Plan target will be made available as options and the remaining 25% will be made available as

-18-

common shares of the Company. The Long-Term Incentive Program is based on individual performance measures, is reviewed annually and participation is limited to key management positions having responsibility for influencing the policy and strategy of the Company.

As of December 31, 2005, options were last granted in July 2005 to a total of 11 employees, who consisted of senior management that had not received options since December 2002 and newly hired senior personnel. In the past, options were generally granted to newly hired executive officers at the time of their initial employment. The Company had placed strong reliance on stock options in terms of the total compensation of its executive officers in keeping with overall compensation trends in the Canadian mining industry and to conserve the Company's cash. However, since the implementation of the Long-Term Incentive Plan in 2005, the practice of granting options upon hire has been curtailed.

The fourth component of the executive officers' compensation is extended group benefits. The Company makes available an array of quality group benefit alternatives to address employee health and other needs, and those of their dependents.

The Company's compensation practices will be regularly monitored by the Compensation Committee and will be modified as required, to ensure it maintains its competitiveness and that it appropriately recognizes growth and change within the organization.

Mr. Geoffrey A Burns, the President and Chief Executive Officer of the Company, has a current base salary of \$262,500 (Mr. Burns' compensation is paid in Canadian dollars. His compensation in United States currency is \$225,093, using a United States/Canadian dollar rate of exchange as at December 21, 2005 of Cdn\$1.00 = US\$0.8575). The overall base salary compensation for Mr. Burns is determined on the basis of a review of market data for similar positions in Canadian mining companies with international operations of comparable size and scope of operations. For the year ended December 31, 2005, the compensation committee determined that Mr. Burns' bonus was based on the same factors as described for the Annual Incentive Plan, in addition to considerations for

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

growth in production, reserves and resources, and for reaching record levels of revenue and cash flows from operating activities.

3.3 Signature on Certificate. A share certificate which contains printed or otherwise mechanically reproduced signatures, as may be permitted by the Business Corporations Act, is as valid as if signed manually, notwithstanding that any person whose signature is so printed or mechanically reproduced shall have ceased to hold the office that is stated on such certificate to hold the date of the issue of such certificate.

3.5 Consolidation of Certificates. If two or more certificates are surrendered by their registered owner to the Company together with a written request that the Company issue one certificate registered in that registered owner's name representing the aggregate of the shares represented by the certificates so surrendered, the Company must cancel the certificates so surrendered and issue in their place one certificate in accordance with the request.

3.6 Fee for Certificates. There must be paid to the Company in respect of the issue of any certificate pursuant to this Part 3 such amount, if any, as the directors may from time to time determine and which must not exceed the amount prescribed in the Business Corporations Act.

3.7 Non-Recognition of Trusts. Except as required by law or statute or these Articles, no person is recognized by the Company as holding any share upon any trust and the Company is not bound by or compelled in any way to recognize (even when having notice of any trust) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except as ordered by a court of competent jurisdiction) any other rights in respect of any share except an absolute right to the entirety in the shareholder.

3.8 Central Securities Register. As required by and subject to the Business Corporations Act, the Company must maintain in British Columbia a central securities register. The directors may, subject to the Business Corporations Act, appoint an agent to maintain the central securities register. The directors may also appoint one or more agents, including the agent which keeps the central securities register, as transfer agent for its shares or any class or series of its shares, as the case may be, and the same or another agent as registrar for its shares or such class or series of its shares, as the case may be. The directors may terminate such appointment of any agent at any time and may appoint another agent in its place.

3.9 Branch Registers. Subject to the Business Corporations Act, the Company may keep or cause to be kept one or more branch securities registers at such place or places, whether within or outside the Province of British Columbia, as the directors may from time to time determine.

PART 4 - ISSUE, TRANSFER AND TRANSMISSION OF SHARES

4.1 Directors Authorized to Issue Shares. Subject to this Part 4 and to any direction to the contrary contained in a resolution passed at a general meeting authorizing any increase of capital, the issue of shares is under the control of the directors who may issue, otherwise dispose of or grant options on shares authorized but not yet issued at any time, to any person including a director, in the manner, upon the terms and conditions and at the price or for the consideration as the directors, in their absolute discretion, may determine.

4.2 Transferability and Instrument of Transfer. Subject to the restrictions, if any, set forth in these Articles, any shareholder may transfer that shareholder's shares by an instrument in writing executed by or on behalf of that shareholder and delivered to the Company or its transfer agent. The instrument of transfer of any share of the

B-4

Company must be in the form, if any, provided on the back of the Company's form of share certificate or in any other form which the directors may approve. If

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

the directors so require, each instrument of transfer must be in respect of only one class of shares.

4.3 Submission of Instruments of Transfer. Every instrument of transfer must be executed by the transferor and provided to the Company or the office of its transfer agent or registrar for registration together with the share certificate for the shares to be transferred and such other evidence, if any, as the directors or the transfer agent or registrar may require to prove the title of the transferor or the transferor's right to transfer the shares. If the transfer is registered, the instrument of transfer must be retained by the Company or its transfer agent or registrar. If the transfer is not registered, the instrument of transfer must be returned to the person depositing it together with the share certificate that accompanied it when tendered for registration.

4.4 Authority in Instrument of Transfer. The signature of a shareholder or of that shareholder's duly authorized attorney on the instrument of transfer authorizes the Company to register the shares specified in the instrument of transfer in the name of the person named in that instrument of transfer, the number of shares specified therein or, if no number is specified, all the shares of the registered owner represented by share certificates deposited with the instrument of transfer. If no transferee is named in the instrument of transfer, the instrument of transfer shall constitute a complete and sufficient authority to the Company, its directors, officers and agents to register, in the name of the person designated in writing by depositing the instrument of transfer with the Company, the number of shares specified therein or, if no number is specified, all the shares of the registered owner represented by share certificates deposited with the instrument of transfer.

4.5 Enquiry as to Title Not Required. Neither the Company nor any of its directors, officers or agents is bound to enquire into any title of the transferor of any shares to be transferred and none of them is liable to any person for registering the transfer.

4.6 Transfer Fee. There must be paid to the Company in respect of the registration of any transfer such amount, if any, as the directors may from time to time prescribe.

4.7 Commission or Discount. Subject to the provisions of the Business Corporations Act, the Company, or the directors on behalf of the Company, may pay a commission or allow a discount to any person in consideration of his subscribing or agreeing to subscribe, or procuring or agreeing to procure subscriptions, whether absolutely or conditionally, for any shares in the Company.

4.8 Personal Representative Recognized. Upon the death or bankruptcy of a shareholder, that shareholder's legal personal representative or trustee in bankruptcy, although not a shareholder, has the same rights, privileges and obligations that attach to the shares formerly held by the deceased or bankrupt shareholder if the documents required by the Business Corporations Act have been deposited at the Company's registered office. This Article does not apply on the death of a shareholder with respect to shares registered in that shareholder's name and the name of another person in joint tenancy.

4.9 Jointly Held Shares. If there are joint shareholders in respect of a share and in the case of the death or bankruptcy of one of the joint shareholders, the legal personal representative of the deceased or the trustee in bankruptcy of the bankrupt shareholder, as the case may be, and the surviving joint shareholder or shareholders are the only persons recognized by the Company as having any title to or interest in the share so held jointly.

5.1 Company Authorized to Purchase its Shares. Subject to the provisions of this Part 5, the Business Corporations Act and the special rights and restrictions attached to any class of shares, the Company may, by a resolution of the directors:

- (a) purchase any of its shares at the price and upon the terms specified in that resolution; and
- (b) sell any of its shares so purchased but not cancelled at the price and upon the terms specified in that resolution.

B-5

5.2 Redemption of Part of a Class of Shares. If the Company proposes at its option to redeem some but not all of the shares of any class or series, the directors may by resolution, subject to the special rights or restrictions attached to such shares, decide the manner in which the shares to be deemed shall be selected.

PART 6 - BORROWING POWERS

6.1 Powers of Directors. Subject to the Business Corporations Act, the directors may from time to time at their discretion authorize the Company to:

- (a) borrow any amount of money;
- (b) guarantee the repayment of any amount of money borrowed by any person or corporation; and
- (c) guarantee the performance of any obligation of any person or corporation;

and may raise or secure the repayment of any amount of money so borrowed or guaranteed or any obligation so guaranteed in any manner and upon any terms and conditions as they may think fit and in particular and without limiting the generality of the foregoing by the issue of bonds, debentures or other debt obligations or by the granting of any mortgages or other security interest on the undertaking of the whole or any part of the property of the Company, both present and future.

6.2 Negotiability of Debt Obligations. The directors may make any bonds, debentures or other debt obligations issued by the Company by their terms assignable free from any equities between the Company and the person to whom they may be issued or any other person who lawfully acquires them by assignment, purchase or otherwise.

6.3 Special Rights on Debt Obligations. The directors may authorize the issue of any bonds, debentures or other debt obligations of the Company at a discount, premium or otherwise and with special or other rights or privileges as to redemption, surrender, drawings, allotment of or conversion into or exchange for shares, attending at general meetings of the Company and otherwise as the directors may determine at or before the time of issue.

6.4 Execution of Debt Obligations. If the directors so authorize or if any instrument under which any bonds, debentures or other debt obligations of the Company are issued so provides any bonds, debentures and other debt obligations

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

of the Company, instead of being manually signed by the directors or officers authorized in that behalf, may have the facsimile signatures of those directors or officers printed or otherwise mechanically reproduced thereon and in either case is as valid as if signed manually and every bond, debenture or other debt obligation so bearing facsimile signatures of directors or officers of the Company must be manually signed, countersigned or certified by or on behalf of a registrar, branch registrar, transfer agent or branch transfer agent of the Company duly authorized to do so by the directors or the instrument under which such bonds, debentures or other debt obligations are issued. Notwithstanding that any person whose facsimile signature is so used has ceased to hold the office that he or she is stated on any bond, debenture or other debt obligation to hold at the date of the actual issue of that bond, debenture or other debt obligation, the bond, debenture or other debt obligation is valid and binding on the Company.

PART 7 - GENERAL MEETINGS

7.1 Location of General Meetings. Every general meeting must be held at such time and location as the directors may determine.

7.2 Notice of General Meetings. Notice of a general meeting must specify the time and location of the meeting and, in case of special business (as described in Part 8), the general nature of that business.

7.3 Extraordinary General Meetings. Any general meeting other than an annual general meeting is herein referred to as an extraordinary general meeting.

7.4 Convening Extraordinary General Meetings. The directors may, whenever they think fit, convene an extraordinary general meeting for whatever purpose or purposes the directors may determine.

B-6

7.5 Waiver of Notice. Any person entitled to notice of a general meeting may waive or reduce the period of notice for that meeting in writing or otherwise and may do so before, during or after the meeting.

7.6 Record Date for Notice. The directors may set a date as the record date for the purpose of determining shareholders entitled to vote at any meeting of shareholders. The record date must not precede the date on which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the Business Corporations Act, by more than four months.

7.7 Failure to Give Notice. The accidental omission to send notice of any meeting to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting.

7.8 Postponement. Where, in accordance with the Business Corporations Act, and any other applicable legislation, the Company has published a notice of a general meeting at which directors are to be elected, the Company may, notwithstanding such notice, postpone the general meeting to a date other than that specified in such notice. In the event of such postponement, the Company shall publish, in the same manner prescribed for the original notice, a notice of the postponement of the meeting which notice shall include, if the date to which the meeting is postponed is known, the same information as is required by the Business Corporations Act, and any other applicable legislation, to be included in the original notice. If the date to which the meeting is postponed

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

is not known, the notice of postponement need state only that the meeting is postponed until further notice, provided however that once such date is known, the company shall publish a new notice which shall comply with the Business Corporations Act, and any other applicable legislation. The date to which any such meeting is postponed shall be deemed to be the date of the meeting for the purpose of complying with any time limitations in respect of general meetings prescribed by the Business Corporations Act, or any other applicable legislation.

7.9 Notice of Special Business at General Meeting. If any special business includes the presenting, considering, approving, ratifying or authorizing the execution of any document, then the portion of any notice relating to that document is sufficient if it states that a copy of the document or proposed document is or will be available for inspection by shareholders at a place in the Province of British Columbia specified in that notice during business hours in any working day or days prior to the date of the meeting.

PART 8 - PROCEEDINGS AT GENERAL MEETINGS

Subject to this Part 8, a quorum for a general meeting is two individuals who are shareholders, proxy holders representing shareholders or duly authorized representatives of corporate shareholders personally present and representing shares aggregating not less than 25% of the issued shares of the Company carrying the right to vote at that meeting. In the event there is only one shareholder, the quorum is one person personally present and being, or representing by proxy, that shareholder, or in the case of a corporate shareholder, a duly authorized representative of that shareholder. The directors, the Secretary, the Assistant Secretary, and the solicitor of the Company (and any invitee of the Chair of the Board) shall be entitled to attend any general meeting but no such person shall be counted in the quorum or be entitled to vote at any general meeting unless he is a member or proxyholder or is otherwise entitled to vote thereat.

Prior to a general meeting at which neither the chair of the Board nor the Company's President will act as chair, the directors, by resolution, may appoint one of their number or the Company's solicitor to act as chair of a general meeting. If at any general meeting the chair of the Board, if any, and the President, if any, are not present within 15 minutes after the time appointed for holding the meeting or if neither is willing to act as chair, and the directors have not previously by resolution appointed one of their number or the Company's solicitor to act as chair as such meeting, the directors present must choose one of their number or the Company's solicitor to act as chair. 8.7 Adjournments. The chair of the meeting may, with the consent of any meeting at which a quorum is present and must, if so directed by the meeting, adjourn the meeting from time to time and from place to place. No business may be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. If a meeting is adjourned for 30 days or more, notice, but not the advance notice otherwise required with respect to the election of directors, of the adjourned meeting must be given as in the case of a general meeting. It is otherwise not necessary to give any notice of an adjourned meeting or of the business to be transacted at any adjourned meeting.

8.8 Voting. Every question submitted to a general meeting must be decided:

- (a) if a ballot is demanded by a shareholder or proxy holder entitled to vote at the meeting or is directed by the chair, by ballot; or
- (b) in any other case, by a show of hands or by any other manner that adequately discloses the intentions of the shareholders or proxy holders.

The chair must declare to the meeting the decision on every question in accordance with the result of the ballot, the show of hands or the other manner that adequately disclosed the intentions of the shareholders or proxy holders and that decision must be entered in the minute book of the Company. A declaration of the chair that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority and an entry to that effect in the minute book of the Company is

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against that resolution.

8.9 Resolution Need Not Be Seconded. No resolution proposed at a meeting need be seconded and the chair of any meeting is entitled to move or second a resolution.

8.10 Casting Vote. In case of an equality of votes upon a resolution, whether on a show of hands or by ballot or any other manner, the chair does not have a casting vote but shall only vote the votes to which he or she may be entitled as a shareholder or proxyholder.

8.11 Manner of Taking Ballot. If a ballot is duly demanded it must be taken at once or in the manner the chair of the meeting directs. A demand for a ballot may be withdrawn. In the case of any dispute as to the

B-8

admission or rejection of a vote the chair must conclusively determine in good faith whether that vote is admitted or rejected.

8.12 Splitting Votes. On a ballot, a shareholder entitled to more than one vote need not, if that shareholder votes, use all that shareholder's votes or cast all the votes that shareholder uses in the same way.

8.13 Demand for Ballot Not to Prevent Continuance of Meeting. The demand for a ballot does not prevent the continuance of a meeting for the transaction of any business other than the question on which a ballot has been demanded.

8.14 Retention of Ballots and Proxies. The Company must, for at least three months after a meeting of shareholders, keep each ballot cast and each proxy voted at the meeting and, during the period, make them available for inspection during statutory business hours by any shareholder or proxy holder entitled to vote at the meeting. At the end of the three-month period, the Company may destroy such ballots and proxies.

8.15 Polls. No poll may be demanded on the election of a meeting chair. A poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken as soon as, in the opinion of the chair, reasonably convenient, but in no event later than seven days after the meeting and at such time and place and in such manner as the chair of the meeting directs. When the result of a poll indicates that a particular motion has carried by the requisite majority or failed, that result shall be deemed to be the result of the meeting at which the poll was demanded, taken at the time of such meeting, and such result shall be entered in the book of proceedings of the Company, which entry, following destruction of the ballots cast on the poll, shall be conclusive evidence of such result. The demand for a poll shall not, unless the chair so rules, prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

PART 9 - VOTES OF SHAREHOLDERS

9.1 Number of Votes Per Share or Shareholder. Subject to any special rights or restrictions attached to any share contained in these Articles, on a show of hands every shareholder entitled to vote present in person, by proxy or by authorized representative has one vote and on a ballot every shareholder entitled to vote on that ballot has one vote for every whole share held by that shareholder and a fractional vote in proportion to any fraction of a share held

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

by that shareholder.

9.2 Votes of Persons in Representative Capacity. A person who is not a shareholder may vote at a meeting of shareholders, whether on a show of hands or on a ballot, and may appoint a proxy holder to act at the meeting if, before doing so, the person satisfies the chair of the meeting or the directors that the person is a legal personal representative or a trustee in bankruptcy for a shareholder who is entitled to vote at the meeting.

9.3 Votes by Joint Holders. If there are joint shareholders registered in respect of any share, any one of the joint shareholders may vote at any meeting in person, by proxy or by authorized representative in respect of the share as if that joint shareholder were solely entitled to it. If more than one of the joint shareholders is present at any meeting in person, by proxy or by authorized representative, the joint shareholder so present whose name stands first on the central securities register in respect of the share is alone entitled to vote in respect of that share. For the purpose of this Part 9, two or more executors or administrators of a deceased shareholder in whose sole name any share stands are deemed joint shareholders.

9.4 Representative of a Corporate Shareholder. If a corporation, that is not a subsidiary of the Company, is a shareholder, that corporation may appoint, by an instrument in writing, a person to act as its authorized representative at any meeting of shareholders of the Company, and:

- (a) for that purpose, the instrument appointing the authorized representative must:
 - (i) be received at the registered office of the Company or at any other place specified in the notice calling the meeting for the receipt of proxies at least the number of business days

B-9

specified in the notice for the receipt of proxies, or if no number of days is specified, not less than 48 hours before the time for holding the meeting; or

- (ii) be deposited with the chair of the meeting, or to a person designated by the chair of the meeting, prior to the commencement of the meeting;
- (b) if an authorized representative is appointed under this Part 9:
- (i) the authorized representative is entitled to exercise in respect of and at that meeting the same rights on behalf of the corporation that the authorized representative represents as that corporation could exercise if it were a shareholder who is an individual including, without limitation, the right to appoint a proxy holder; and
 - (ii) the authorized representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

An instrument appointing an authorized representative of a corporation must be

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

in writing signed by a duly authorized person on behalf of that corporation and must be sent to the Company.

9.5 Shareholder of Unsound Mind. A shareholder of unsound mind entitled to attend and vote, in respect of whom an order has been made by any court having jurisdiction, may vote, whether on a show of hands or on a poll, by his committee, curator bonis, or other person in the nature of a committee or curator bonis appointed by that court. Evidence of the appointment of any such committee, curator bonis or other person shall be demonstrated by presenting to the chair of the meeting, prior to commencement of the meeting, a notarially certified copy of the court order by which he was appointed and by presenting evidence acceptable to the chairman that he is the person named in the order as the appointee. In the absence of such evidence, the chair shall determine whether or not any such committee, curator bonis or other person shall be entitled to attend and vote at the meeting and such determination made in good faith shall be final and conclusive.

9.6 Proxy of Shareholder of Unsound Mind. A committee, curator bonis or other person appointed in respect of a member of unsound mind and entitled to vote as aforesaid may appoint a proxyholder.

9.7 Appointment of Proxy Holders. A shareholder holding more than one share in respect of which that shareholder is entitled to vote at a general meeting is entitled to appoint one or more, but not more than five, proxy holders to attend, act and vote for that shareholder at the general meeting and in so doing that shareholder must specify the number of shares that each proxy holder is entitled to vote.

9.8 Execution of Proxy Instrument. A proxy must be in writing signed by the appointor or the appointor's attorney or, if the appointor is a corporation, by the authorized representative or a duly authorized person on behalf of that corporation.

9.9 Qualification of Proxy Holder. A person must not be appointed as a proxy holder unless the person is a shareholder, although a person who is not a shareholder may be appointed as a proxy holder if:

- (a) the person appointing the proxy holder is a corporation or an authorized representative of a corporation appointed under this Part 9;
- (b) the Company has at the time of the meeting for which the proxy holder is to be appointed only one shareholder entitled to vote at the meeting; or
- (c) the Company, by a resolution of the directors, permits the proxy holder to attend and vote at the meeting.

9.10 Deposit of Proxy. A proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power of attorney or other authority must be deposited at the registered office of the Company, excluding Saturdays and holidays, or at such other place as is specified for that purpose in the notice calling the meeting not less than 48 hours, excluding Saturdays and holidays, before the time for holding the meeting at which the person named in the proxy proposes to vote or must be deposited with the chair of the meeting, or with a person designated by the chair of the meeting, prior to the commencement of the meeting. In addition to any

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

other method of depositing proxies provided for in these Articles, the directors may from time to time make regulations:

- (a) permitting the depositing of proxies at some place or places other than the place at which a meeting or adjourned meeting of shareholders is to be held;
- (b) providing for particulars of those proxies to be sent in writing or by fax, e-mail or any other method of transmitting legibly recorded messages before a meeting or an adjourned meeting to the Company or any agent of the Company for the purpose of receiving those particulars; and
- (c) providing that particulars of those proxies may be voted as though the proxies themselves were produced to the chair of the meeting or of the adjourned meeting as required by this Article.

Votes given in accordance with proxies and particulars of proxies so deposited are valid and counted.

9.11 Validity of Proxy Vote. A vote given in accordance with the terms of a proxy is valid notwithstanding the previous death, bankruptcy or incapacity of the shareholder or revocation of the proxy or of the authority under which the proxy was executed or the transfer of the share in respect of which the proxy is given, provided that prior to the meeting no notice in writing of such death, bankruptcy, incapacity, revocation or transfer has been received at the registered office of the Company or by the chair of the meeting or of the adjourned meeting at which the vote was given.

9.12 Form of Proxy. A proxy appointing a proxy holder must be in the following form or in any other form that the directors approve:

(Name of Company)

The undersigned hereby appoints _____
_____ or failing him or her _____

as proxy holder for the undersigned to attend at and vote for and on behalf of the undersigned at the general meeting of the Company to be held on the ____ day of _____, _____, and at any adjournment of that meeting.

Signed this ____ day of _____, _____.

(Signature of Shareholder)

9.13 Revocation of Proxy. Subject to this Part, every proxy may be revoked by an instrument in writing that is received at the registered office of the Company at any time up to and including the last business day before the day set for the holding of the meeting at which the proxy is to be used or deposited with the chair of the meeting, or with a person designated by the chair of the meeting, prior to the commencement of the meeting.

9.14 Revocation of Proxy Will Be Signed. An instrument to revoke a proxy must be signed as follows:

- (a) if the shareholder for whom the proxy holder is appointed is an individual, the instrument must be signed by the

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

shareholder or his or her legal personal representative or trustee in bankruptcy;

- (b) if the shareholder for whom the proxy holder is appointed is a corporation, the instrument must be signed by a duly authorized person on behalf of the corporation or by the authorized representative appointed for the corporation under this Part 9.

9.15 Spoiled Form of Proxy. The chair of a meeting shall determine whether or not a proxy, deposited for use at such meeting, which may not strictly comply with the requirements of the form of proxy as set out in these articles as to form, execution, accompanying documentation, time of filing or otherwise shall be valid for use at such meeting and any such determination made in good faith shall be final and conclusive.

B-11

PART 10 - DIRECTORS

10.1 General Authority. Subject to these Articles, the directors may exercise all powers and do all acts and things as the Company is by the Business Corporations Act, these Articles or otherwise authorized to exercise and do and which are not by these Articles, by statute or otherwise lawfully directed or required to be exercised or done by the Company by unanimous resolution, special resolution or ordinary resolution.

10.2 Number of Directors. The number of directors may be determined by ordinary resolution. The number of directors may be changed from time to time by ordinary resolution whether previous notice of that ordinary resolution has been given or not. If at any time the Company becomes a public company and the number of directors fixed pursuant to these Articles is less than three, then the number of directors is deemed to have been increased to three.

10.3 Directors' Acts Valid Despite Vacancy. An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

10.4 Qualification of Directors. A director is not required to hold a share in the capital of the Company as qualification for his or her office but must be qualified as required by the Business Corporations Act to become, act or continue to act as a director.

10.5 Remuneration and Expenses of Directors. The remuneration of the directors as such may from time to time be determined by the directors. Any remuneration of a director is in addition to any salary or other remuneration paid to him or her as an officer or employee of the Company. Every director must be repaid such reasonable expenses as he or she may incur in and about the business of the Company. Other than remuneration for professional services described in this Part 10, if any director performs any services for the Company that in the opinion of the directors are outside the ordinary duties of a director or if he or she is specifically occupied in or about the Company's business other than as a director, he or she may be paid a remuneration to be fixed by the directors. The remuneration so fixed may be either in addition to or in substitution for any other remuneration that he or she may be entitled to receive and the additional remuneration may be charged as part of ordinary working expenses of the Company. Unless otherwise determined by ordinary resolution, the directors may pay a gratuity or pension or allowance on

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

retirement to any director who has held any salaried office or place of profit with the Company, to his or her spouse or dependants and they may also make any contributions to any fund and pay premiums for the purchase or provision of any gratuity, pension or allowance in respect of that director.

10.6 Right to Office and Contract with Company. A director may hold any office or place of profit in the Company, other than auditor, in conjunction with his or her office of director for the period and on such terms as the directors may determine. Subject to compliance with the Business Corporations Act, no director or intended director is disqualified by his or her office from contracting with the Company with regard to his or her tenure of office or place of profit or as vendor, purchaser or otherwise.

10.7 Director Acting in Professional Capacity. Any director may act by him or herself or his or her firm in a professional capacity for the Company and he or she or his or her firm is entitled to remuneration for professional services as if he or she were not a director.

10.8 Alternate Directors. Any director may from time to time appoint any person who is approved by resolution of the directors to be his or her alternate director provided that approval is not required if a director is appointed alternate director for another director. The appointee, while he or she holds office as an alternate director, is entitled to notice of meetings of the directors and, in the absence of the director for whom he or she is an alternate, to attend and vote at meetings as a director and is not entitled to be remunerated otherwise than out of the remuneration of the director appointing him or her. Any director may make or revoke an appointment of his or her alternate director by notice in writing sent to the Company. A person may act as an alternate for more than one director at any given time and a director may act as an alternate director for any other director. No person may act as an alternate director unless that person qualifies under the Business Corporations Act to act as a director of the Company. Every alternate director, if authorized by the notice appointing him or her, may sign any consent resolution in place of the director appointing him or her.

B-12

10.9 Appointment of Attorney. The directors may from time to time, by power of attorney, appoint any person to be the attorney of the company for such purposes, and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the directors under these articles and excepting the powers of the directors relating to the constitution of the Board any of its committees and the appointment or removal of officers and the power to declare dividends) and for such period, with such remuneration and subject to such conditions as the directors may think fit, and any such appointment may be made in favour of any of the directors or any of the members of the Company or in favour of any corporation, or any of the shareholders, directors, nominees or managers of any corporation, firm or joint venture and any such power of attorney may contain such provisions for the protection or convenience of persons dealing with such attorney as the directors think fit. Any such attorney may be authorized by the directors to sub-delegate all or any of the powers, authorities and discretions for the time being vested in him.

10.10 Interested Directors. A director who is, in any way, directly or indirectly, interested in a proposed contract or transaction with the Company shall be counted in the quorum at any meeting of the directors at which the proposed contract or transaction is approved.

10.11 Interested Director may be Director of Other Corporation. A director may

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

be or become a director or other officer or employee of or otherwise interested in, any other corporation or firm, whether or not the Company is interested therein as a shareholder or otherwise, and, subject to compliance with the provisions of the Business Corporations Act, such director shall not be accountable to the Company for any remuneration or other benefits received by him as a director, officer or employee or, or from his interest in, such other corporation or firm.

PART 11 - ELECTION, APPOINTMENT AND REMOVAL OF DIRECTORS

11.1 Election and Appointment. The shareholders may elect or appoint directors at any time and from time to time. Sixty-days prior written notice must be provided to the Company for any proposed non-management nomination to the Board.

11.2 Elections and Appointments at Annual General Meetings. At each annual general meeting all the directors retire and the shareholders must elect or appoint a Board of Directors consisting of the number of directors for the time being fixed pursuant to Part 10. Any retiring director is eligible for re-election or re-appointment. If the holding of an annual general meeting of the Company is deferred or waived by a unanimous resolution of all shareholders entitled to vote at the annual general meeting, each director in office on the annual reference date selected in the unanimous resolution continues to be a director until the next annual reference date unless that director retires or is removed prior to the next annual reference date.

11.3 Filling a Casual Vacancy. The directors may at any time and from time to time appoint any person as a director to fill a casual vacancy among the directors or a vacancy resulting from an increase of the number of directors.

11.4 Power to Appoint Additional Directors. Between successive annual general meetings, the directors have the power to appoint one or more additional directors but not more than one-third the number of directors elected or appointed at the last annual general meeting at which directors were elected or appointed. Any director so appointed may hold office only until the next following annual general meeting of the Company but is eligible for election at such meeting and, so long as he or she is an additional director, the number of directors is increased accordingly.

11.5 Removal of Directors. If a director is convicted of an indictable offence or ceases to be qualified to act as a director of the Company and does not promptly resign, the Company may remove the director before the expiration of the director's term of office by a resolution of the directors. The Company may otherwise remove a director before the expiration of the director's term of office by an ordinary resolution of the shareholders.

PART 12 - PROCEEDINGS OF DIRECTORS

12.1 Meetings and Quorum. The directors may hold meetings as they think fit for the dispatch of business and may adjourn and otherwise regulate their meetings and proceedings as they think fit. The directors may

B-13

from time to time fix the quorum necessary for the transaction of business and unless so fixed the quorum is a majority of the Board.

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

12.2 Chair. The chair of the Board, if any, of the Company is entitled to act as chair of every meeting of the Board but if at any meeting the chair of the Board, if any, is not present within 15 minutes after the time appointed for holding the meeting, or if the chair of the Board is not willing to act as chair, the directors present must choose one of their number to act as chair.

12.3 Call and Notice of Meetings. A director may at any time call a meeting of the directors. Reasonable notice specifying the time and place of that meeting shall be personally given or sent to each director by mail, postage prepaid, addressed to each director's address as it appears on the books of the Company or by leaving it at his usual business or residential address or by telephone, fax or any method of transmitting legibly recorded messages. It is not necessary to give to any director notice of a meeting of directors immediately following a general meeting at which that director has been elected or notice of a meeting of directors at which that director was appointed.

12.4 Validity of Meeting Despite Failure to Give Notice. The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any director or alternate director does not invalidate any proceedings at that meeting.

12.5 Meeting Participation. A director may participate in a meeting of the directors or of any committee of the directors by video conference or telephone if all directors participating in the meeting, whether by video conference or telephone or in person, are able to communicate with each other. If all the directors consent, a director may participate in a meeting of the directors or of any committee of the directors by a communications medium other than video conference or telephone if all directors participating in the meeting are able to communicate with each other. A director who participates in a meeting by a communications medium other than video conference or telephone is deemed to have agreed to participate by the other communications medium. A director who participates in a meeting by video conference, telephone or other communications medium is deemed for all purposes of the Business Corporations Act and these Articles to be present at the meeting and must be counted in the quorum for and is entitled to communicate and vote at that meeting.

12.6 Competence of Quorum. The directors at a meeting at which a quorum is present are competent to exercise all or any of the authorities, powers and discretions for the time being vested in or exercisable by the directors.

12.7 Committees. The directors may from time to time by resolution constitute, dissolve or reconstitute standing committees and other committees consisting of such persons as the directors may determine. Every committee so constituted has the authorities, powers and discretions that may be delegated to it by the directors and must act in accordance with any regulations that the directors may impose upon it.

12.8 Validity of Meeting if Directorship Deficient. All acts done by any director or by any member of a committee constituted by the directors, notwithstanding that it is discovered afterwards that there was some defect in the appointment of any person so acting or that he or she was disqualified, are valid.

12.9 Majority Rule . Questions arising at any meeting of the directors must be decided by a majority of votes. The chair shall not have a second and casting vote.

12.10 Resolutions in Writing. A resolution consented to in writing, whether by document, telegram, telex or any method of transmitting legibly recorded messages or other means, signed by all of the Directors or their alternates shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and held. Such resolution may be in two or more

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

counterparts which together shall be deemed to constitute one resolution in writing. Such resolution shall be filed with the minutes of the proceedings of Directors and shall be effective on the dates dated thereon on the latest dated on any counterpart.

B-14

PART 13 - OFFICERS

13.1 Appointment of Officers. The directors may appoint officers of the Company and may specify their duties. Any individual may be appointed to any office of the Company. Any person appointed Chairman shall be a director. Two or more offices of the Company may be held by the same individual.

PART 14 - DIVIDENDS

14.1 Declaration of Dividends. Subject to the Business Corporations Act and the rights, if any, of shareholders holding shares with special rights and restrictions, the directors may declare dividends and fix the date of record and the date for payment of any dividend. No date of record for any dividend may precede the date of payment of that dividend by more than the maximum number of days permitted by the Business Corporations Act. No notice need be given of the declaration of any dividend. If no valid date of record is fixed, the date of record is deemed to be the same date as the date of payment of the dividend.

14.2 Dividend Bears No Interest. No dividend may bear interest against the Company.

14.3 Payment in Specie. The directors may direct payment of any dividend wholly or partly by the distribution of specific assets or of paid-up shares or bonds, debentures or other debt obligations of the Company or in any one or more of those ways and if any difficulty arises in regard to the distribution the directors may settle the difficulty as they think fit. The directors may fix the value for distribution of specific assets and may vest any of those specific assets in trustees upon such trusts for the persons entitled to those specific assets as the directors think fit.

14.4 Fractional Interests. Notwithstanding the provisions of this Part 14, if any dividend results in any shareholder being entitled to a fraction of a share, bond, debenture or other debt obligation of the Company, the directors may pay that shareholder the cash equivalent in place of that fraction of a share, bond, debenture or other debt obligation. The directors may arrange through a fiscal agent or otherwise for the sale, consolidation or other disposition of fractions of shares, bonds, debentures or other debt obligations of the Company on behalf of shareholders entitled to them.

14.5 Payment of Dividends. Any dividend payable in cash by the Company may be paid by cheque mailed to the registered address of the shareholder or in the case of joint shareholders to the registered address of the joint shareholder first named in the central securities register or to such person or to such address as any shareholder may direct in writing. Every cheque must be made payable to the order of the person to whom it is sent and in the case of joint shareholders to those joint shareholders.

14.6 Receipt by Joint Shareholders. If several persons are joint shareholders of any share, any one of them may give an effective receipt for any dividend,

Edgar Filing: PAN AMERICAN SILVER CORP - Form 6-K

bonus or other money payable in respect of the share.

PART 15 - ACCOUNTING RECORDS AND AUDITORS

15.1 Accounts to be Kept. The directors must cause accounting records to be kept as necessary to properly record the financial affairs and condition of the Company and to comply with the provisions of statutes applicable to the Company.

15.2 Location of Accounts. The directors must determine the place at which the accounting records of the Company must be kept and those records must be open to the inspection of any director during the statutory business hours of the Company.

15.3 Inspection by Shareholder. Unless the directors determine otherwise, or unless otherwise determined by an ordinary resolution, no shareholder of the Company shall be entitled to inspect the accounting records of the Company.

15.4 Remuneration of Auditors. The directors may set the remuneration of any auditor of the Company.

B-15

PART 16 - SENDING OF RECORDS

16.1 Manner of Sending Records. Unless the Business Corporations Act requires otherwise, a record may be sent:

16.2 Sending to Joint Holders. A record may be sent by the Company to joint shareholders in respect of a share registered in their names by sending the record to the joint shareholder first named in the central securities register in respect of that share.

16.3 Notice to Trustees. A notice, statement, report or other record may be

- (b) if an address referred to in paragraph (a)(ii) has not been supplied to the Company, by giving the notice in a manner in which it might have been given if the death, bankruptcy or incapacity had not occurred.

16.4 Date Record Deemed Received. If a record is sent by mail, postage prepaid, that record is deemed to have been received on the day, Saturdays, Sundays and holidays excepted, following the date of mailing. If a record is sent by fax, e-mail or any other manner of transmitting visually recorded messages, that record is deemed to have been received on the day it is sent if received before or during statutory business hours that day and is deemed to have been received on the day, Saturdays and holidays excepted, following the date it is sent if received after statutory business hours or on a Saturday or holiday.
