On October 10, 2014, Yuma Energy, Inc. (the “Company”) announced that its President and Chief Operating Officer, Michael F. Conlon, would be retiring, but would be staying on with the Company through the end of 2014 in some capacity to assist with the transition of his duties.

On December 25, 2014, the Company entered into a separation agreement and general release of claims (the “Agreement”) with Mr. Conlon. Under the Agreement, the Company will continue to employ Mr. Conlon through December 31, 2014. The Agreement provides Mr. Conlon with additional benefits greater than what he would otherwise be entitled to receive in connection with the end of his employment with us as consideration for his agreement to comply with certain restrictive covenants and a release of claims.

The restrictive covenants in the Agreement include, but are not limited to, not directly or indirectly soliciting the Company’s employees to work for another entity. In addition, Mr. Conlon will maintain the confidentiality of our proprietary information and will provide a general release of any claims arising out of his employment. In exchange for entering into the Agreement, the Company will provide Mr. Conlon benefits and payments including the following: certain overriding royalty interests as provided in his employment agreement with the Company dated September 1, 2012 and an award of 273,907 restricted stock units (“RSUs”) that vest as to 254,973 RSUs on April 1, 2015 and as to 18,934 RSUs on May 20, 2015 pursuant to the Company’s 2014 Long-Term Incentive Plan. Mr. Conlon also forfeited 355,192 restricted shares of common stock previously awarded to him.

The forgoing description of the Agreement is qualified in its entirety by reference to the complete terms and conditions of the Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
