Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

As permitted by the Delaware General Corporation Law, the Registrant’s certificate of incorporation eliminates the liability of directors to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent otherwise required by the Delaware General Corporation Law.

The certificate of incorporation further provides that the Registrant will indemnify any person who is or was made a party to any proceeding by reason of the fact that such person is or was a director or officer of the Registrant against expenses, judgments, fines, penalties and amounts paid in settlement incurred in connection therewith to the fullest extent authorized by the Delaware General Corporation Law. The Registrant's bylaws provide for a similar indemnity to directors and officers of the Registrant to the fullest extent authorized by the Delaware General Corporation Law.

The Registrant's bylaws authorize the Registrant's board of directors to enter into indemnification contracts with each of its officers and directors. The Registrant has entered into indemnification agreements with certain of its directors and executive officers (the "Indemnitees"). These indemnification agreements require the Registrant to indemnify each Indemnitee to the fullest extent permitted by applicable law and to any greater extent as such law may thereafter be amended to increase the scope of such permitted indemnification. Among other things, if the Indemnitee meets the standard of conduct under applicable law, the Registrant must indemnify the Indemnitee against certain expenses (including attorney's fees), damages, losses, liabilities, judgments, fines and other amounts paid or payable in settlement for any claim by reason or arising out of the fact that Indemnitee is or was a director, officer, employee or agent of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another entity. The indemnification agreements also provide that the Indemnitee has the right to advancement by the Registrant of any and all expenses actually and reasonably paid or incurred by the Indemnitee, and require that that Indemnitee repay such amounts to the Registrant if the Indemnitee is ultimately determined not to be entitled to indemnification from the Registrant.

The Registrant's bylaws also authorize the Registrant to maintain insurance to protect any director or officer against any expense, liability or loss, whether or not the Registrant would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law. The Registrant maintains such insurance.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if,

in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934, as amended) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
