**Item 8.01. Other Events.**

On November 28, 2007, Mark A. Blinn, Senior Vice President and Chief Financial Officer of Flowserve Corporation (the Company), and on December 3, 2007, Lewis M. Kling, President and Chief Executive Officer of the Company (together, the Officers, and each, an Officer), adopted prearranged trading plans (together, the Plans, and each, a Plan) in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (Rule 10b5-1), for their planned future sale of a minority portion of their personal holdings of the Company's common stock.

Pursuant to Rule 10b5-1, the Officers adopted the Plans to coordinate stock sales with their overall individual long-term asset diversification, tax and financial planning strategies.

The Plans provide for the sale of portions of each Officer's holdings of the Company's common stock on the open market in specified amounts, at prevailing market prices (subject to specified minimum trading prices), and on specified trade dates in 2008.

The Officers who adopted these Plans and the respective numbers of shares subject to these Plans are set forth below. Each of these Officers will continue to own a substantial amount of shares (including unvested shares subject to equity awards) of the Company's common stock following the completion of any and all sales contemplated by the Plans.

| <b>Officer</b> | <b>Number of Shares To Be Sold Pursuant to the Plan</b> | <b>Number of Shares Owned and Subject to Equity Awards (1)</b> | <b>Percentage of Shares Owned and Subject to Equity Awards (2)</b> |
|----------------|---|--|--|
| Lewis M.Kling  | 93,816  | 347,433  | 27%  |
| Mark A. Blinn  | 18,000  | 234,965  | 7.7%   |

(1) Represents the number of the shares currently owned by the Officer (including unvested shares subject to equity awards). These amounts do not include each Officer's rights to performance shares under the Company's incentive equity plans which may be earned in the future.

(2) Represents the number of shares of the Officer subject to the Plan divided by the number of shares owned by the Officers (including unvested shares subject to equity awards).

Certain other officers of the Company have entered into their own Rule 10b5-1 plans, and other officers may enter into their own Rule 10b5-1 plans in the future.

Actual future transactions under these Plans, as applicable, will be reported to the Securities and Exchange Commission in accordance with securities laws, rules and regulations. The Company does not undertake to report Rule 10b5-1 plans that may be adopted by any officers or directors in the future, or to report any modifications or termination of any publicly announced trading plan, except to the extent required by law.
