Each Fund pays compensation to the Chairman of the Board (the “**Chairman**”) and each Independent Trustee who is not affiliated with ALPS or Clough or their affiliates. The Independent Trustees receive from each Fund an annual retainer of \$14,000 per year plus \$1,500 per Board meeting attended. The Chairman receives from each Fund an annual retainer of \$16,800 per year plus \$1,800 per Board meeting attended. The Audit Committee Chairman receives from each Fund an annual retainer of \$15,400 per year plus \$1,650 per Board meeting attended. For each telephonic Board meeting attended to the following: (i) \$500 for each Independent Trustee; (ii) \$600 for the Chairman; and (iii) \$550 for the Chairman of the Audit Committee. The Independent Trustees do not receive any additional fees for in-person or telephonic committee meetings. The Chairman, Audit Committee Chairman and each Independent

Trustee's actual out-of-pocket expenses relating to their attendance at such meetings are also paid for by the Funds.

During the fiscal year ended October 31, 2017, the Board of GLV met eleven times, the Board of GLO met eleven times and the Board of GLQ met eleven times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any committee of which he is a member.

Leadership Structure of the Board of Trustees

The Board, which has overall responsibility for the oversight of each Fund's investment programs and business affairs, has appointed an Independent Trustee as Chairman of the Board whose role is to preside at all meetings of the Board. The Board has also appointed an Independent Trustee as Vice-Chairman of the Funds. The Chairman is involved, at his discretion, in the preparation of the agendas for the Board meetings. In between meetings of the Board, the Chairman may act as liaison between the Board and the Funds' officers, attorneys and various other service providers, including but not limited to, the Funds' investment adviser, administrator and other such third parties servicing the Funds. The Chairman may also perform other functions as may be delegated by the Board from time to time. The Board believes that the use of an Independent Trustee as Chairman is the appropriate leadership structure for mitigating potential conflicts of interest associated with appointing an Interested Trustee as chairman and facilitates the ability to maintain a robust culture of compliance. The Board has three standing committees, each of which enhances the leadership structure of the Board: the Audit Committee; the Governance and Nominating Committee; and the Executive Committee. The Audit Committee and Governance and Nominating Committee are each chaired by, and composed of, members who are Independent Trustees. The Executive Committee consists of two Interested Trustees and one Independent Trustee.

Oversight of Risk Management

Each Fund, by the nature of its business, is confronted with various risks such as investment risk, counterparty risk, valuation risk, political risk, risk of operational failures, business continuity risk, regulatory risk, legal risk and other risks not listed here. The Board recognizes that not all risks that may affect the Funds can be known, eliminated or mitigated. In addition, there are some risks that may not be cost effective or an efficient use of each Fund's limited resources to moderate. As a result of these realities, the Board, through its oversight and leadership, has and will continue to deem it necessary for shareholders of each Fund to bear certain and undeniable risks, such as investment risk, in order for each Fund to operate in accordance with its investment strategies.

However, as required under the 1940 Act, the Board has adopted on the Funds' behalf a vigorous risk program that mandates the Funds' various service providers, including the investment adviser, to adopt a variety of processes, procedures and controls to identify various risks, mitigate the likelihood of such adverse events from occurring and/or attempt to limit the effects of such adverse events on a Fund. The Board implements its oversight role by receiving a variety of quarterly written reports prepared by the Funds' Chief Compliance Officer ("CCO") that: (i) evaluate the operation of the Funds' service providers; (ii) make known any material changes to the policies and procedures adopted by the Funds or their service providers since the CCO's last report and; (iii) disclose any material compliance matter that occurred since the date of the last CCO report. In addition, the Chairman and the Independent Trustees

meet quarterly in executive sessions without the presence of any Interested Trustees, the investment adviser, the administrator, or any of their affiliates. This configuration permits the Chairman and the Independent Trustees to effectively receive the information and have private discussions necessary to perform its risk oversight role, exercise independent judgment, and allocate areas or responsibility between the full Board, its various committees and certain officers of the Funds. Furthermore the Independent Trustees have engaged independent legal counsel and auditors to assist the Independent Trustees in performing their responsibilities. As discussed above and in consideration of other factors not referenced herein, the function of the Board with respect to its leadership role concerning risk management is one of oversight and not active management or coordination of the Funds' day-to-day risk management activities.

The role of the Funds' Audit Committee is to assist the Board in its oversight of: (i) the quality and integrity of Funds' financial statements, reporting process and the independent registered public accounting firm (the "independent accountant") and reviews thereof; (ii) the Funds' accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Funds' compliance with legal and regulatory requirements; and (iv) the independent accountant's qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in each Fund's annual proxy statement. Each Audit Committee operates pursuant to an Audit Committee Charter (the "Audit **Charter**") that was most recently reviewed and approved by the Audit Committee on December 20, 2017. The Audit Charter is available at the Funds' website, www.cloughglobal.com. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control and the Funds' independent accountant is responsible for planning and carrying out proper audits and reviews. The independent accountant is ultimately accountable to each Fund's Board and Audit Committee, as representatives of each Fund's shareholders. The independent accountant for the Funds reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 20, 2017, the Audit Committee reviewed and discussed with management of the Funds and the independent accountant, Cohen Fund Audit Services, Ltd. ("**Cohen**"), the audited financial statements of the Funds as of and for the fiscal year ended October 31, 2017, and discussed the audit of such financial statements with the independent accountant.

In addition, the Audit Committee discussed with the independent accountant the accounting principles applied by the Funds and such other matters brought to the attention of the Audit Committee by the independent accountant required by the Public Company Accounting Oversight Board ("PCAOB") Audit Standard No. 16 *Communications with Audit Committees*. The Audit Committee also received from the independent accountant the written disclosures and letters required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and discussed the relationship between the independent accountant and the Funds and the impact that any such relationships might have on the objectivity and independence of the independent accountant.

As set forth above, and as more fully set forth in the Audit Charter, the Audit Committee has significant duties and powers in its oversight role with respect to each Fund's financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committees are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Funds for accounting, financial management or internal control purposes. Moreover, each Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Funds' independent accountant. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Funds' independent accountant, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, each Audit Committee recommends that each Fund's audited financial statements, subject to the modifications discussed at the December 20, 2017 Audit Committee meeting, be included in the Funds' Annual Report for the fiscal year ended October 31, 2017.

Audit Committee

Each Audit Committee met three times during the fiscal year ended October 31, 2017. Each Audit Committee is composed of six Independent Trustees, namely Ms. DiGravio and Messrs. Butler, Crescenzi, Rutledge, Weber and Judge Versaci. None of the members of the Audit Committee are “interested persons” of the Funds.

Based on the findings of the Audit Committee, the Audit Committee has determined that Ms. Karen DiGravio is each Fund’s “audit committee financial expert,” as defined in the rules promulgated by the SEC, and as required by NYSE MKT listing standards. Ms. DiGravio serves as the Chairman of the Audit Committee for each Fund.

Governance and Nominating Committee

Each Fund's Board has a Governance and Nominating Committee composed of six Independent Trustees as the term is defined by the NYSE MKT listing standards, namely Ms. DiGravio and Messrs. Butler, Crescenzi, Rantzow, Rutledge, Weber and Judge Versaci. None of the members of the Governance and Nominating Committee are "interested persons" of the Funds. Each Governance and Nominating Committee operates pursuant to a Governance and Nominating Committee Charter that was most recently reviewed and approved by the Governance and Nominating Committee on October 12, 2017. The Governance and Nominating Committee Charter is available at the Funds' website, www.cloughglobal.com. The Governance and Nominating Committee met five times during the fiscal year ended October 31, 2017. The Governance and Nominating Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members and officers of the Funds in the event that a position is vacated or created. Mr. Crescenzi serves as Chairman of the Governance and Nominating Committee of each Fund.

When such vacancies or creations occur, the Governance and Nominating Committee will consider Trustee candidates recommended by a variety of sources to include each Fund's respective shareholders. The Governance and Nominating Committee has a diversity policy. In considering Trustee candidates, the Governance and Nominating Committee will take into consideration the interest of shareholders, the needs of the Board and the Trustee candidate's qualifications, which include but are not limited to, the diversity of the individual's professional experience, education, individual qualification or skills.

Shareholders may submit for the Governance and Nominating Committee's consideration recommendations regarding potential independent Board member nominees. The Governance and Nominating Committee Charter (which is available at www.cloughglobal.com) includes Independent Trustee qualifications and criteria that the Governance and Nominating Committee will assess in determining whether it will consider a shareholder's submission. In addition, the By-Laws of the Fund contain detailed requirements regarding qualifications for Independent Trustees and information that must be included with any nomination for Independent Trustee or shareholder proposal.

The following are some of the requirements and criteria in the Governance and Nominating Committee Charter and By-Laws:

- (a) The nominee must satisfy all qualifications provided under the Governance and Nominating Committee Charter and in the Fund's organizational documents, including qualification as a possible independent Board member.
- (b) The nominee may not be the nominating shareholder, a member of the nominating shareholder group or a member of the immediate family of the nominating shareholder or any member of the nominating shareholder group.

- (c) Neither the nominee nor any member of the nominee's immediate family may be currently employed or employed within the last year by any nominating shareholder entity or entity in a nominating shareholder group.

- (d) Neither the nominee nor any immediate family member of the nominee is permitted to have accepted directly or indirectly, during the year of the election for which the nominee's name was submitted, during the immediately preceding calendar year, or during the year when the nominee's name was submitted, any consulting, advisory, or other compensatory fee from the nominating shareholder or any member of a nominating shareholder group.

- (e) The nominee may not be an executive officer, Trustee (or person fulfilling similar functions) of the nominating shareholder or any member of the nominating shareholder group, or of an affiliate of the nominating shareholder or any such member of the nominating shareholder group.

- (f) The nominee may not control (as that term is defined under the 1940 Act) the nominating shareholder or any member of the nominating shareholder group (or, in the case of a holder or member that is a fund, an interested person of such holder or member as defined by Section 2(a)(19) of the 1940 Act).

- (g) A shareholder or shareholder group may not submit for consideration a nominee who has previously been considered by the Governance and Nominating Committee.

The following is a summary of requirements in the Funds' By-Laws that must be provided to a Fund regarding the shareholder or shareholder group submitting a proposed nominee and that will be considered by the Governance and Nominating Committee:

- (a) Information on the proposed nominee, including name, address, age and occupation.

- (b) Information on shares owned beneficially and of record.

- (c) Descriptions of any agreements, arrangements, or understandings (including profit interest or options) involving the Proposed Nominee and any other shareholder of record or beneficially.

- (i) A certificate that the Proposed Nominee will not become a party to any agreement, arrangement or understanding not disclosed to the Trust.

The nominee must provide to the Governance and Nominating Committee all information requested by the Governance and Nominating Committee that is related to the requirements and criteria in the Governance and Nominating Charter and By-Laws.

Executive Committee

The Executive Committee meets periodically to take action, as authorized by the Board, if the Board cannot meet. Members of the Executive Committee are currently Messrs. Burke, Butler and McNally. During the fiscal year ended October 31, 2017, the Executive Committee of GLQ met one time, the Executive Committee of GLV met one time and the Executive Committee of GLO, met one time.

Compensation Committee

The Funds do not have a compensation committee.

Other Board Related Matters

The Funds do not require Trustees to attend the Annual Meeting of Shareholders. No Trustees attended the Funds' Annual Meeting of Shareholders held in 2017.

REQUIRED VOTE

Proposals 1, 2 and 3

The election of each of the listed nominees for Trustee of the Funds requires the affirmative vote of the holders of a plurality of the Shares entitled to vote and represented at the Funds' Meeting, if a quorum is present.

Broker Non-Votes and Abstentions

The affirmative vote of a plurality of votes cast for each nominee by the holders entitled to vote for a particular nominee is necessary for the election of a nominee.

For the purpose of electing nominees, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of each Fund's quorum.

Shareholders of each Fund will be informed of the voting results of the Meeting in the Funds' Annual Report dated October 31, 2018.

EACH FUND'S BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE FUND'S RESPECTIVE NOMINEES.

The following table shows the ownership of applicable Shares by each of the Trustees, the Trustees and Executive Officers of each Fund as a group and the persons or organizations known to each Fund to be beneficial owners of more than 5% of a Fund's outstanding applicable Shares.

Each Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accountant to a Fund and all non-audit services to be provided by the independent registered public accountant to the Fund's investment adviser and service providers controlling, controlled by or under common control with the Fund's investment adviser ("affiliates") that provide on-going services to a Fund (a "Covered Services Provider"), if the engagement relates directly to the operations and financial reporting of a Fund. Each Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman of the Audit Committee must report to the Fund's Audit Committee at its next regularly scheduled meeting after the Chairman of the Audit Committee's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of an Audit Committee's pre-approval responsibilities to other persons (other than the investment adviser or a Fund's officers). Pre-approval by an Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to a Fund, the investment adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by a Fund to its independent accountant during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by a Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the applicable Audit Committee and approved by the Audit Committee or Audit Committee Chairman prior to the completion of the audit. All of the audit and audit-related services and tax services described above for which Cohen billed the Funds fees for the fiscal year ended October 31, 2017, were pre-approved by the Audit Committee.

Other Methods of Proxy Solicitation

In addition to the solicitation of proxies by internet or mail, officers of the Funds and officers and regular employees of DST Systems, Inc. (“**DST**”), the Funds’ transfer agent, ALPS Fund Services, Inc. (“**ALPS**”), the Funds’ administrator, and affiliates of DST, ALPS or other representatives of the Funds may also solicit proxies by telephone, internet or in person. The expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Funds. The Funds will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Funds’ Shares. In addition, the Funds have engaged Broadridge Financial Solutions, Inc. (“**Broadridge**”) to assist in the proxy effort for the Funds. Under the terms of the engagement, Broadridge will be providing a web site for the dissemination of these proxy materials and tabulation services.

The Investment Adviser and Administrator

Clough is the investment adviser for each of the Funds, and its business address is One Post Office Square, 40th Floor, Boston, Massachusetts 02109.

ALPS is the administrator for each Fund, and its business address is 1290 Broadway, Suite 1100, Denver, Colorado 80203.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Funds’ officers and Trustees, officers and directors of the investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of a Fund’s Common Shares (the “Reporting Persons”) to file reports of ownership and changes in ownership with the SEC and the NYSE MKT and to furnish the Funds with copies of all Section 16(a) forms they file. Based solely on these reports and other information provided to the Funds by the Reporting Persons, each Fund believes that all Reporting Persons timely filed the required reports during fiscal year ended October 31, 2017.

OTHER MATTERS TO COME BEFORE THE MEETING

The Trustees of each Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

Shareholder Communications with Board of Trustees

Shareholders may mail written communications to each Fund's Board, to committees of the Board or to specified individual Trustees in care of the Secretary of the Funds, 1290 Broadway, Suite 1100, Denver, Colorado 80203. All shareholder communications received by the Secretary will be forwarded promptly to the applicable Board, the relevant Board's committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to a Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in a Fund or is purely ministerial in nature.

SHAREHOLDER PROPOSALS

Any shareholder proposal, including any nomination by a shareholder for a person to serve as Trustee, to be considered for inclusion in a Fund's proxy statement and form of proxy for the annual meeting of shareholders to be held in 2018 should have been received by the Secretary of the Fund no later than April 5, 2018. To submit a shareholder proposal for a Fund's annual meeting, a shareholder is required to give to a Fund notice of, and specified information with respect to any proposals pursuant to Rule 14a-8 under the 1934 Act by March 31, 2019. In addition, pursuant to each Fund's By-Laws, a shareholder is required to give the Fund notice of, and specified information with respect to, any proposals that such shareholder intends to present at the 2018 annual meeting not later than the close of business on the one hundred twentieth (120th) day, nor earlier than one hundred fiftieth (150th) day, prior to the first anniversary of the preceding year's annual meeting. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, a Fund may solicit proxies in connection with the 2019 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice in accordance with the aforementioned date. Timely submission of a proposal does not guarantee that such proposal will be included.

HOUSEHOLDING OF PROXY MATERIALS

Shareholders who share the same address and last name may receive only one copy of the proxy materials unless Broadridge, in the case of shareholders of record, or such shareholder's broker, bank or nominee, in the case of shareholders whose shares are held in street name, has received contrary instructions. This practice, known as "householding," is designed to reduce printing and mailing costs. Shareholders desiring to discontinue householding and receive a separate copy of the proxy materials, may (1) if their shares are held in street name, notify their broker, bank or nominee or (2) if they are shareholders of record, direct a written request addressed to the Secretary of the Fund, c/o ALPS, 1290 Broadway, Suite 1100, Denver, Colorado 80203.

IF VOTING BY PAPER PROXIES, IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND A MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE, AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
