to be held on January 14, 2014

at 10:00 A.M. at the corporate offices of UniFirst Corporation

located at 68 Jonspin Road,

General Information

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of UniFirst Corporation (the “Company”, “UniFirst”, “we”, “our” or “us”) for use at the 2014 Annual Meeting of Shareholders to be held on Tuesday, January 14, 2014 (the “Annual Meeting”) and at any adjournments or postponements thereof. This Proxy Statement and the accompanying Notice of Annual Meeting are first being made available to shareholders on or about December 3, 2013.

The Board of Directors has fixed the close of business on November 20, 2013 as the “Record Date” for the determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. As of the close of business on the Record Date, there were outstanding and entitled to vote 15,158,182 shares of common stock, par value \$0.10 per share (“Common Stock”), and 4,866,519 shares of Class B common stock, par value \$0.10 per share (“Class B Common Stock”). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect three Class II Directors, nominated by the Board of Directors, each to serve for a term of three years until the 2017 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified; (2) to approve the UniFirst Corporation CEO Cash Incentive Bonus Plan (the “CEO Bonus Plan”); (3) to ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending August 30, 2014; and (4) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment or postponement thereof.

With respect to the election of three Class II Directors, a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Ronald D. Croatti, Donald J. Evans and Thomas S. Postek. Votes may be cast FOR or WITHHOLD on the election of each of Messrs. Croatti, Evans and Postek. With respect to the approval of the CEO Bonus Plan, the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm and each other matter expected to be voted upon at the Annual Meeting, the affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required for approval. Votes may be cast FOR, AGAINST or ABSTAIN on the proposal to approve the CEO Bonus Plan and the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 30, 2014.

The representation in person or by proxy of at least a majority of all Common Stock and Class B Common Stock issued, outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business. Consistent with applicable law, the Company intends to count abstentions and broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker "non-vote" refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal to approve the CEO Bonus Plan, the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 30, 2014 or each other matter expected to be voted on at the Annual Meeting.

Your vote is very important. Please vote by one of the following methods:

BY **INTERNET**, by going to the Internet web address www.investorvote.com and following the instructions on the Annual Shareholder Meeting Notice (the "Notice") you received in the mail and on the website. In order to vote via the Internet, you must use the numbers provided in the shaded bar of the Notice. Proxies submitted by the Internet must be received by 11:59 P.M., Eastern Time, on January 13, 2014.

2. **BY TELEPHONE**, by dialing 1-800-652-VOTE (8683) within the United States, U.S. territories, and Canada any time on a touch tone telephone and following the instructions provided by the recorded message. In order to vote via telephone, you must use the numbers provided in the shaded bar of the Notice. Proxies submitted by telephone must be received by 11:59 P.M., Eastern Time, on January 13, 2014.

3. **BY PROXY CARD**, if you have requested a proxy card by mail in accordance with the instructions in the Notice, by completing, dating, signing, and returning the proxy card in the postage-prepaid envelope provided. If you vote by Internet or telephone, please do not mail your proxy card. Your proxy card must be received prior to the Annual Meeting.

If you attend the Annual Meeting, you may vote in person by ballot even if you have previously voted by Internet, by telephone or by returning your proxy card. Any proxy may be revoked by delivery of a later dated proxy.

Shares represented by a properly executed proxy received prior to the times above and not revoked will be voted at the Annual Meeting as directed on the proxy. If a properly executed proxy is submitted and no instructions are given, the proxy (1) will be voted FOR the election of each of the three nominees for Class II Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2017 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified, (2) will be voted FOR the approval of the CEO Bonus Plan and (3) will be voted FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 30, 2014. It is not anticipated that any matter other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. The Board of Directors recommends a vote (1) FOR the election of each of the three nominees for Class II Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2017 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified, (2) FOR the approval of the CEO Bonus Plan and (3) FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 30, 2014.

A shareholder of record may revoke a proxy at any time before it has been exercised by (1) filing a written revocation with the Secretary of the Company at the address of the Company set forth above, (2) properly casting a new vote via the Internet or by telephone at any time before the closure of the Internet or telephone voting facilities, (3) filing a duly executed proxy bearing a later date, or (4) appearing in person and voting by ballot at the Annual Meeting. Any shareholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the Annual Meeting will not constitute revocation of a previously given proxy. Any written revocation of a proxy should be sent so as to be delivered to UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887, Attention: Secretary prior to the vote at the Annual Meeting.

The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, on the Internet website www.investorvote.com and by telephone, the Directors, officers and employees of the Company may also solicit proxies personally, by telephone or by mail without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Company's 2013 Annual Report to Shareholders, including the Company's audited financial statements for the fiscal year ended August 31, 2013, is being made available to shareholders concurrently with this Proxy Statement at www.investorvote.com.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of seven members, divided into three classes of two, three and two directors, respectively. One class is elected each year at the Annual Meeting of Shareholders. The Directors in each class serve for a term of three years and until their respective successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each Annual Meeting of Shareholders.

At the Annual Meeting, three Class II Directors will be elected to serve until the 2017 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. The Board of Directors has nominated Ronald D. Croatti, Donald J. Evans and Thomas S. Postek to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class, to serve as Class II Directors (together, the "Nominees").

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates “FOR” the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the proxy to vote such proxy for such other person or persons as the Board of Directors may recommend.

Vote Required

The affirmative vote of a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Ronald D. Meetings of the Board of Directors and Its Committees

Board of Directors. The Company's Board of Directors is divided into three classes, and the members of each class serve for staggered three-year terms. The Board is currently composed of two Class I Directors (Ms. Camilli and Mr. Iandoli), three Class II Directors (Messrs. Croatti, Evans and Postek) and two Class III Directors (Mr. Cohen and Ms. Croatti). The terms of the continuing Class I and III Directors will expire upon the election and qualification of Directors at the Annual Meeting of Shareholders in 2015 and 2016, respectively. At each Annual Meeting of Shareholders, Directors generally will be elected for a full term of three years to succeed those Directors whose terms are expiring. The Board of Directors held five meetings during the Company's 2013 fiscal year.

Audit Committee. During the 2013 fiscal year, the Audit Committee consisted of Messrs. Cohen (Chair), Evans, Postek and Ms. Camilli. The Audit Committee held eight meetings during fiscal 2013. The Audit Committee is responsible for assisting the Board of Directors in its oversight of (1) the integrity of the Company's financial statements and reporting process, (2) the qualifications, independence and performance of the Company's independent registered public accounting firm, (3) the performance of the Company's internal audit function, and (4) the Company's compliance with legal and regulatory requirements. The Board of Directors and the Audit Committee adopted a written Audit Committee Charter in 2000. The Audit Committee Charter has been updated and revised periodically since then, most recently in 2010. A current copy of the Audit Committee Charter, as amended and restated, is available on the Company's website at www.unifirst.com. The Board of Directors has determined that each of the members of the Audit Committee is "independent" under the rules of the New York Stock Exchange and the Securities

and Exchange Commission (the “SEC”) and has determined that Phillip L. Cohen is an “audit committee financial expert” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Board of Directors and the Audit Committee have adopted a Statement of Corporate Policy and Code of Business Conduct, a current copy of which is available on the Company’s website at www.unifirst.com. The Company’s Audit Committee Complaint Procedure is also available on the Company’s website at www.unifirst.com.

Compensation Committee. During the 2013 fiscal year, the Compensation Committee consisted of Messrs. Iandoli (Chair), Cohen, Evans, Postek and Ms. Camilli. The Compensation Committee met on five occasions during fiscal 2013. The Compensation Committee is responsible for reviewing and approving the Company's executive compensation program, recommending awards under the Company's equity compensation plans and establishing the compensation for the Company's Chief Executive Officer. The Board of Directors has determined that each of the members of the Compensation Committee is "independent" under the rules of the New York Stock Exchange. The Board of Directors and the Compensation Committee have adopted a written Compensation Committee Charter, which was last revised in 2013. A current copy of the Compensation Committee Charter is available on the Company's website at www.unifirst.com.

Nominating and Corporate Governance Committee. During the 2013 fiscal year, the Nominating and Corporate Governance Committee consisted of Messrs. Evans (Chair), Cohen and Iandoli. The Nominating and Corporate Governance Committee met on three occasions in fiscal 2013. The Nominating and Corporate Governance Committee reviews and evaluates potential nominees for election or appointment to the Board of Directors and recommends such nominees to the full Board of Directors. The Board of Directors and the Nominating and Corporate Governance Committee have adopted a written Nominating and Corporate Governance Committee Charter, which was last revised in 2007. A current copy of the Nominating and Corporate Governance Committee Charter is available on the Company's website at www.unifirst.com. The Board of Directors has determined that each of the members of the Nominating and Corporate Governance Committee is "independent" under the rules of the New York Stock Exchange. The Nominating and Corporate Governance Committee's policy is to review and consider all Director candidates recommended by any of the Company's Directors or shareholders. Such review and consideration is to proceed in accordance with the Company's By-laws, Corporate Governance Guidelines and Policy Regarding New Director Nominations. See "Other Matters — Shareholder Proposals" for a summary of certain of these requirements. While neither the Board of Directors nor the Nominating and Corporate Governance Committee has a specific policy with respect to diversity, the Policy Regarding New Director Nominations provides that the Nominating and Corporate Governance Committee believes that director candidates should have a background that is complementary to that of the existing Board members so as to provide management and the Board of Directors with a diversity and freshness of views. The Nominating and Corporate Governance Committee is also responsible for developing and recommending to the Board of Directors a set of Corporate Governance Guidelines applicable to the Company and periodically reviewing such guidelines and recommending any changes to those guidelines to the Board of Directors. The current Corporate Governance Guidelines are available on the Company's website at www.unifirst.com. In addition, the Nominating and Corporate Governance Committee maintains a Policy Regarding New Director Nominations, a current copy of which is available on the Company's website at www.unifirst.com. Since this policy was adopted, there have been no material changes to the procedures by which shareholders may recommend nominees to the Board of Directors.

Each Director attended at least 75% of all of the meetings of the Board of Directors and of the committees of which the Director was a member held during the last fiscal year. Our Annual Meeting of Shareholders is generally held to coincide with one of the Board's regularly scheduled meetings. Directors are strongly encouraged to attend the Annual Meeting. Each of the Directors attended the 2013 Annual Meeting of Shareholders.

Please note that information contained in our website is not incorporated by reference in, or considered to be a part of, this Proxy Statement.

Independence of Board Members

The Board of Directors has determined that each of Messrs. Cohen, Evans, Iandoli, Postek and Ms. Camilli is an “independent director” in accordance with the corporate governance rules of the New York Stock Exchange as a result of having no material relationship with the Company other than (1) serving as a Director and a Board Committee member, (2) receiving related fees as disclosed in this Proxy Statement and (3) having beneficial ownership of the Company’s securities as disclosed in the section of this Proxy Statement entitled - “Security Ownership of Management, Directors, Director Nominees and Principal Shareholders.”

Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are currently occupied by one individual, Mr. Croatti. The Board of Directors believes that this leadership structure has served the Company well in the past and continues to serve it well, as Mr. Croatti's 48 years of experience in the Company's industry and his extensive and detailed knowledge and understanding of the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and aligns corporate strategy with the Company's day-to-day operations. Combining the roles also promotes unified leadership and direction for the Board of Directors and management. In his combined role, Mr. Croatti sets the agenda for Board meetings with input from the Lead Director and presides over all meetings of the full Board. Since the Chairman and Chief Executive Officer positions are currently occupied by Mr. Croatti, the Board of Directors appointed Mr. Evans, an independent Director, as the Lead Director to ensure strong independent oversight. As Lead Director, Mr. Evans presides at all meetings of the Board of Directors at which the Chairman is not present and chairs the executive sessions of independent Directors, who regularly meet in executive sessions at which only independent Directors are present. Mr. Evans also provides input to the Chief Executive Officer and may make suggestions regarding meeting agendas and bear such further responsibilities as the Board of Directors may designate from time to time. Mr. Evans, from time to time, provides feedback to the Chief Executive Officer on executive sessions and facilitates discussion among the independent Directors outside of meetings of the Board of Directors.

Risk Oversight

The Board of Directors is responsible for overseeing the Company's risk assessment and management function, considering the Company's major financial risk exposures and evaluating the steps that the Company's management has taken to monitor and control such exposures. For example, the Board of Directors receives periodic reports from senior management on areas of material risk to the Company, including operational, financial, legal and regulatory and reputational risks. The Company believes that the leadership structure of the Board of Directors supports effective oversight of risk assessment and management.

Risk Considerations in the Company's Compensation Programs

In connection with the Compensation Committee's compensation reviews, the Compensation Committee assesses whether the Company's compensation policies and practices are reasonably likely to have a material adverse effect on the Company. Based on its review, the Compensation Committee believes that the mix and design of the Company's compensation plans and policies do not encourage employees to assume excessive risk and therefore are not reasonably likely to have a material adverse effect on the Company. In making this determination, the Compensation Committee considered a number of matters, including the following elements of the Company's executive

compensation plans and policies: (1) the Company sets performance goals that the Company believes are reasonable in light of past performance and market conditions; (2) the long-term vesting for the Company's equity incentive awards helps to align the interests of management with those of the Company's shareholders in respect of the Company's long-term performance; (3) a range of levels of performance under the Company's cash incentive bonus plans results in corresponding levels of compensation under those plans, rather than an "all-or-nothing" approach; (4) achievement of the targets under the Company's bonus plans is based on the satisfaction of corporate performance metrics such as revenues, earnings per share and adjusted operating margin, which serves to minimize the impact of excessive risk taking by any individual member of management; and (5) the six-year vesting contained in Mr. Croatti's restricted stock awards mitigate the impact of any short-term risk taking by him.

Meetings of Independent Directors

The independent Directors of the Company meet in executive sessions outside the presence of management. The presiding Director for these meetings is Mr. Evans, the Lead Director. Any interested party or shareholder who wishes to make their concerns known to the independent Directors may avail themselves of the same procedures provided below under the heading "Communication with the Board of Directors". The Company's Audit Committee Complaint Procedure is available on the Company's website at www.unifirst.com.

Communication with the Board of Directors

Any interested party or shareholder who wishes to communicate with any of the Company's Directors or the Board of Directors as a group, may do so by writing to the Board of Directors, or such individual Director(s) c/o Chief Financial Officer, UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887. The Company recommends that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Chief Financial Officer will be forwarded by him promptly to the appropriate addressee(s).

Director Stock Ownership Policy

In January 2012, the Board of Directors adopted a stock ownership policy. Under the policy, Directors are expected to own shares of the Company's stock having a value at least equal to four times the annual retainer fees for Directors. The policy provides a four-year phase-in period. The Board of Directors believes that this policy helps to align the interests of the Directors with those of the Company's shareholders.

Security Ownership of Management, Directors, Director Nominees and Principal Shareholders

The following table sets forth as of November 20, 2013 certain information concerning shares of Common Stock and Class B Common Stock beneficially owned by (i) each Director and Nominee, (ii) each of the named executive officers of the Company in the Summary Compensation Table, and (iii) all executive officers and Directors as a group, in each case based solely on information furnished by such individuals. Except as otherwise specified, the named beneficial owner has sole voting and investment power. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors, in collaboration with management, develops and implements our compensation policies. The Compensation Committee also reviews and establishes the compensation paid to our executive officers. We believe we provide an appropriate and competitive total compensation package to our executive officers through a combination of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. We place significant emphasis on pay for performance-based incentive compensation, which is designed to reward our executive officers based on the achievement of predetermined corporate goals.

This Compensation Discussion and Analysis describes our compensation objectives, policies and practices with respect to our Chief Executive Officer, Chief Financial Officer and the other three most highly-compensated executive officers as determined in accordance with applicable Securities and Exchange Commission rules (collectively, our “named executive officers”).

Objectives of Our Executive Compensation Programs

Our compensation programs for our named executive officers are designed to achieve the following objectives:

• attract and retain talented and experienced executives in the highly competitive uniform rental and sales industry;

• motivate and reward executives whose knowledge, skills and performance are critical to our success and the furtherance of our long term strategic plan;

• align the interests of our executives and shareholders by motivating executives to increase shareholder value and by rewarding executives when shareholder value increases;

• provide a competitive compensation package which is weighted heavily towards pay for performance, and in which a significant portion of total compensation is determined by corporate and individual performance and the creation of shareholder value;

• ensure fairness among our executive officers by recognizing the contributions each executive makes to our success; and

• foster a shared commitment among executives by coordinating their corporate and individual goals.

Our Executive Compensation Programs and Plans

We designed our executive compensation programs and plans to achieve the objectives described above. Our executive compensation primarily consists of base salary, annual cash incentive bonuses tied to the achievement of predetermined corporate performance goals, long-term equity incentive compensation and broad-based benefits programs.

Within the context of the overall objectives of our compensation programs, we typically determine the specific amounts of compensation to be paid to each of our named executive officers based on a number of factors:

• the performance of our named executive officers in prior years;

• the roles and responsibilities of our named executive officers;

• the individual experience and skills of our named executive officers;

• for each named executive officer, other than our Chief Executive Officer, the evaluations and recommendations of our Chief Executive Officer; and

• the amounts of compensation being paid to our other named executive officers.

In addition, we rely on our understanding of the amount of compensation paid by our principal competitors and similarly situated companies to their executives with comparable roles and responsibilities as a market check for the compensation decisions we make.

Each of the primary elements of our executive compensation is discussed in detail below, including a description of how each element fits into the overall compensation of our named executive officers. We also discuss below the amounts of compensation paid to our named executive officers for fiscal 2013 under each of these elements. In the descriptions below, we highlight particular compensation objectives that we have designed specific elements of our executive compensation program to address. However, it should be noted that we have designed our compensation programs to complement each other and collectively serve all of our executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each element of our executive compensation program serves each of our objectives to a greater or lesser extent.

Base Salary

We pay our named executive officers a base salary, which we review and determine annually. We believe that a competitive base level of compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executive officers who will facilitate the accomplishment of our long term strategic plan and increase shareholder value. We also believe that attractive base salaries can motivate and reward executive officers for their overall performance. The base salaries paid to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions. The base salaries set forth in the “Summary Compensation Table” below reflect the base salaries earned by our named executive officers in fiscal 2013. We determine the base salaries of our named executive officers on a calendar year basis. For calendar 2013, we increased the base salaries of all of our named executive officers as follows: Mr. Croatti’s base salary increased from \$605,000 to \$650,000 per year, Steven S. Sintros’ base salary increased from \$300,000 to \$330,000 per year, Cynthia Croatti’s base salary increased from \$372,500 to \$400,000 per year, Bruce P. Boynton’s base salary increased from \$295,000 to \$310,000 per year and David M. Katz’s base salary increased from \$308,000 to \$326,000 per year. The base salaries of our other executive officers reflected increases as determined by our Compensation Committee after reviewing Mr. Croatti’s

recommendations.

Annual Cash Incentive Bonuses

Consistent with our emphasis on performance incentive compensation programs, our named executive officers are eligible to receive annual cash incentive bonuses primarily based on their performance as measured against predetermined corporate financial goals that we establish. The primary objective of our annual cash incentive bonuses is to motivate our named executive officers and to reward them for meeting our short-term objectives using a performance-based compensation program with objectively determinable goals. Our annual cash incentive bonuses also align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so. To further incent our Chief Executive Officer, in 2012 we adopted a CEO Cash Incentive Bonus Plan. Under the CEO Bonus Plan, our Chief Executive Officer can earn an additional bonus based on the achievement of Company-wide performance objectives.

Executive Bonus Plan. Under our executive bonus plan, our named executive officers have the potential to earn annual cash incentive bonuses at a level that represents a meaningful portion of our named executive officers' cash compensation. For fiscal 2013, our executive bonus plan provided for potential annual cash incentive bonuses of up to 28% of the named executive officer's base salary for the fiscal year. Potential bonus payments under our executive bonus plan are linked to objective criteria set forth in the plan. Our named executive officers can earn annual cash incentive bonuses based on predetermined goals tied to corporate revenues, earnings per share and customer retention.

At the beginning of the fiscal year, we set a fiscal year target for corporate revenues for purposes of our executive bonus plan. At the end of the fiscal year, we compare actual revenues for the fiscal year both to target revenues and actual revenues for the prior fiscal year. Based on our actual revenues for the fiscal year, each named executive officer can earn a bonus of up to 4% of his or her base salary if actual revenues exceed a predetermined percentage of the target revenues. Another 4% of his or her base salary can be earned based on the extent to which actual revenues exceed 103% of prior year revenues. The amount of the bonus would vary depending on the amount by which actual revenues varied from target revenues or the prior year revenues, as the case may be. The actual amount of the bonus is based on the percentage achievement of the bonus criteria. To achieve the maximum bonus for each revenue goal, actual revenues must equal or exceed the target revenues and 108% of the prior year revenues, respectively.

At the beginning of the fiscal year, we set a fiscal year target amount of corporate earnings per share for purposes of our executive bonus plan. At the end of the fiscal year, we compare actual earnings per share for the fiscal year both to target earnings per share and actual earnings per share for the prior fiscal year. Based on our actual earnings per share for the fiscal year, each named executive officer can earn a bonus of up to 8% of his or her base salary if actual earnings per share exceed a predetermined percentage of the target earnings per share. Another 8% of his or her base salary can be earned based on the extent to which actual earnings per share exceed 103% of prior year earnings per share. The amount of the bonus would vary depending on the amount by which actual earnings per share varied from target earnings per share or the prior year earnings per share, as the case may be. The actual amount of the bonus is based on the percentage achievement of the bonus criteria. To achieve the maximum bonus for each earnings per share goal, the actual earnings per share must equal or exceed the target earnings per share and 110% of the prior year earnings per share, respectively.

Our executive bonus plan also provides for annual cash incentive bonuses of up to 4% of base salary for our named executive officers based on customer retention.

No annual cash incentive bonuses are paid to our named executive officers under the executive bonus plan unless at least one of the revenue targets and one of the earnings per share targets are achieved.

In establishing our targeted bonus opportunities under the executive bonus plan, we consider the incentives that we want to provide to our executives and our historical practices. For fiscal 2013, we established the following corporate financial goals under our executive bonus plan. With respect to revenues, target revenues were set at \$1.337 billion. In setting this revenues target, we were cognizant that fiscal 2013 consisted of 53 weeks and established the revenues target to include this extra week. Our actual revenues for fiscal 2013 were \$1.356 billion. As a result, based on the percentage achievement levels, the named executive officers earned a 4% bonus based on target revenues. In considering the bonus earned with respect to the increase in revenues over the prior year, we reduced the actual revenues for fiscal 2013 to exclude the effect of the additional week of revenues from our weekly-revenue businesses. As a result, based on the percentage achievement levels, the named executive officers only earned a 3% bonus based on the comparison to prior year revenues. With respect to corporate earnings per share, target earnings per share were set at \$4.75. Our actual earnings per share were \$5.81. After reducing our actual earnings per share to exclude the extra week of profits from our weekly-revenue businesses, the named executive officers still earned, based on the percentage achievement levels, an 8% bonus based on target earnings per share and an 8% bonus based on the comparison to prior year earnings per share. With respect to customer retention levels, at our 2013 revenue growth rate, the named executive officers earned a bonus of 1% based on this criterion.

For fiscal 2013, our named executive officers received the following annual cash incentive bonuses under our executive bonus plan:

Name	Bonus	% of Base
-------------	--------------	------------------

		Salary	
Ronald D. Croatti	\$152,262	24	%
Steven S. Sintros	\$76,706	24	%
Cynthia Croatti	\$93,717	24	%
Bruce P. Boynton	\$73,155	24	%
David M. Katz	\$76,745	24	%

CEO Bonus Plan. In addition to the executive bonus plan, in 2012 we adopted a CEO Cash Incentive Bonus Plan. Under the CEO Bonus Plan, each fiscal year we set annual target bonus levels and Company-wide performance goals for our Chief Executive Officer. For fiscal 2013, we set the total bonus levels under the CEO Bonus Plan at a threshold of \$500,000, a target of \$750,000 and a maximum of \$1,000,000 based on the achievement of corresponding levels of corporate revenues and adjusted operating margin. The adjusted operating margin metric is based on the Company's operating margin, subject to adjustments for certain levels of expenses related to natural catastrophes, environmental matters, impairments, energy costs, the CRM project and other matters. The total bonus potential under the CEO Bonus Plan is split evenly between the revenues performance goals and the adjusted operating margin performance goals. For fiscal 2013, the revenues performance goals were set at a minimum goal of \$1.325 billion, a target goal of \$1.333 billion and a maximum goal of \$1.340 billion. For fiscal 2013, the adjusted operating margin performance goals were set at a minimum goal of 16.5%, a target goal of 16.75% and a maximum goal of 17.0%. Based on the Company's audited financial statements for fiscal 2013, we determined that the maximum performance goals for both revenues and adjusted operating margin were achieved. Accordingly, Mr. Croatti earned a total bonus of \$1,000,000 for fiscal 2013 under the CEO Bonus Plan.

Long-Term Equity Incentive Compensation

We grant long-term equity incentive awards to our named executive officers as part of our total compensation package. We use long-term equity incentive awards as part of our emphasis on performance-based incentive compensation. Our long-term equity incentive awards align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so. We generally grant long-term incentive awards once each year. In light of the significant multi-year vesting plan relating to the restricted stock award we granted to Mr. Croatti in 2010, we did not grant Mr. Croatti a separate annual equity award for fiscal 2013.

We have traditionally granted non-qualified stock options to our named executive officers. In fiscal 2010, we determined that it was in the best interests of the shareholders and the executives to instead award stock-settled SARs. These SARs are functionally very similar to non-qualified stock options; in each case, the recipient receives the value (in shares) of the appreciation in the market price of the Company's Common Stock from the grant date to the exercise date. Consistent with the vesting schedule of stock options granted by us since 2003, the SARs are subject to a five-year cliff-vesting schedule under which the SARs become vested and exercisable in full after five years from the date of grant and expire ten years after the grant date. In fiscal 2013, we granted stock-settled SARs to all of our named executive officers other than Mr. Croatti.

Upon a holder's exercise of a SAR, we are generally entitled to a tax deduction in the year in which the SAR is exercised equal to the fair market value of the shares of stock issued upon such exercise. The holder of such SAR is generally taxed on this same amount in the year of exercise.

In fiscal 2013, we granted the following SARs to the following named executive officers:

Name	Number of Securities Underlying SARs	Exercise or Base Price of SAR Awards (\$/Sh)
Ronald D. Croatti	—	—
Steven S. Sintros	8,000	\$69.05
Cynthia Croatti	12,000	\$69.05
Bruce P. Boynton	8,000	\$69.05
David M. Katz	8,000	\$69.05

Under the Restricted Stock Award Agreement dated April 5, 2010, the Company issued to Mr. Croatti 350,000 shares of restricted stock which were subject to objective performance criteria relating to corporate revenues and adjusted operating margin in fiscal 2010, 2011 and 2012. The Compensation Committee is responsible for determining whether the performance criteria have been achieved. Based on the Company's financial results in these years, the Compensation Committee determined that all of the performance criteria for this award have been achieved. As a result, all of the shares of restricted stock have been fully earned and are subject to vesting in four equal annual installments beginning in 2013.

Broad-Based Benefits Programs and Perquisites

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, life insurance and the UniFirst Corporation Profit Sharing Plan. In addition, certain of our full-time employees, including our named executive officers, may participate in the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan. In fiscal 2013, our named executive officers also received certain perquisites and personal benefits set forth in the "Summary Compensation Table" below. We provide these benefits to retain and attract talented executives with the skills and experience to further our long term strategic plan.

Employment Agreements

We generally do not enter into employment agreements with our executives. However, in connection with the significant equity award granted to Mr. Croatti in 2010, we determined that it was in the best interests of the shareholders to require him to enter into an employment agreement. We concluded that the contractual commitments set forth in the employment agreement, which include a two-year noncompetition clause, would help to ensure Mr. Croatti's continued service as our Chief Executive Officer. To this end, we purposely limited Mr. Croatti's severance rights under the employment agreement to six-months of salary, payable only if the Company terminates his employment without cause. In addition, we did not provide for any special parachute or change-in-control payments.

Our Executive Compensation Process

The Compensation Committee of our Board of Directors is primarily responsible for establishing the compensation paid to our named executive officers. The Board of Directors has determined that each member of the Compensation Committee is "independent" as that term is defined under the applicable rules of the New York Stock Exchange. In determining executive compensation, our Compensation Committee annually reviews the performance of our named executive officers with our Chief Executive Officer, and our Chief Executive Officer makes recommendations to our Compensation Committee with respect to the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards for each of our named executive officers. Our Compensation Committee annually reviews the performance of our Chief Executive Officer and establishes the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards to be paid to him. In general, we do not engage in a formal benchmarking process in setting the compensation for our executives.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended August 31, 2013 for filing with the Securities and Exchange Commission.

Executive Retirement Plan

As discussed in more detail below under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan”, our SERP limits the number of years of credited service to thirty for purposes of determining a participant’s benefits under the plan.

Amounts reported in this column represent the present value of the accumulated benefit obligation as of August 31, 2013. Our obligation has been estimated assuming benefits commence on the individual’s social security retirement date and using FASB ASC Topic 715 assumptions for mortality, assumed payment form and discount rates in effect at the measurement dates.

UniFirst Corporation Unfunded Supplemental Executive Retirement Plan

Certain of our and our affiliates’ employees are eligible to participate in our SERP, including our named executive officers. Retirement benefits provided by our SERP are based on a participant’s average annual base earnings, exclusive of bonuses, commissions, fringe benefits and reimbursed expenses, for the last three years of full-time employment prior to the participant’s retirement date (“Final Average Earnings”). Under the SERP, upon the retirement of a participant on his social security retirement date, a participant will receive a plan benefit in an aggregate amount equal to 1.33% percent of the participant’s Final Average Earnings multiplied by his years of service, limited to 30 years, less 3.33% of the participant’s primary Social Security benefit multiplied by his years of service, limited to 30 years. For participants who retire on or after January 1, 2008 with less than 30 years of credited service, the SERP Amendment provides for a slightly greater plan benefit than under the previous version of our SERP as a result of the change in the calculation of the primary social security benefit offset used in calculating the plan benefit.

Pension payments under our SERP are made at the intervals then in effect for the payment of base salaries to our executive officers. Upon the death of a participant, the participant’s designated beneficiary will be paid retirement benefits for up to 12 years from the participant’s date of retirement. Our SERP provides that, upon any change in control of the Company, participants in our SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

Potential Payments Upon Termination or Change in Control

Employment Agreement with Ronald D. Croatti

On April 5, 2010, we entered into an Employment Agreement (the “Employment Agreement”) with Ronald D. Croatti, the Company’s Chairman, Chief Executive Officer and President. The Employment Agreement provides for the employment of Mr. Croatti for a term of six years, subject to earlier termination as set forth in the Employment Agreement. Pursuant to the Employment Agreement, Mr. Croatti’s initial base salary was his base salary in effect as of April 5, 2010 and is reviewed on an annual basis consistent with our usual practices for senior executives. In addition, Mr. Croatti is entitled to participate in the Company’s executive cash bonus plan in the same manner as other senior executives of the Company and to receive a grant of 350,000 shares of restricted common stock pursuant to a Performance Criteria Restricted Stock Award Agreement (as set forth below). In the event that we terminate Mr. Croatti’s employment without cause during the term of the Employment Agreement, Mr. Croatti will be entitled to receive one-half of his annual base salary then in effect. If Mr. Croatti had been terminated without cause on August 31, 2013, the last day of fiscal 2013, Mr. Croatti would have been entitled to receive \$325,000. Mr. Croatti has agreed under the Employment Agreement not to compete with the Company or to solicit our employees or customers for a period of 24 months following his termination.

Restricted Stock Award Agreements with Ronald D. Croatti

On April 5, 2010, we entered into a Restricted Stock Award Agreement (the “Performance Criteria Restricted Stock Award Agreement”) with Mr. Croatti pursuant to which we granted 350,000 shares of restricted common stock (the “Performance Restricted Shares”) to Mr. Croatti. The Performance Restricted Shares would be earned if the Company achieved certain consolidated revenues and adjusted operating margins as set forth in the Performance Criteria Restricted Stock Award Agreement during certain performance periods set forth in such agreement (collectively, the “Performance Criteria”). As of the end of our 2012 fiscal year, Mr. Croatti had earned all of the Performance Restricted Shares. The Performance Restricted Shares earned upon achievement of the Performance Criteria vest in four equal amounts on the third, fourth, fifth and sixth anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Consistent with this vesting schedule, as of the end of our 2013 fiscal year, 87,500 of the Performance Restricted Shares were vested. Mr. Croatti may transfer all or a portion of the Performance Restricted Shares to any holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the “Transferred Class B Shares”). Upon any such transfer, the restrictions and conditions to which the Performance Restricted Shares are subject under the Performance Criteria Restricted Stock Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Shares. In the event that Mr. Croatti’s employment is terminated without cause or by reason of death or disability prior to the vesting of the Performance Restricted Shares, all of the Performance Restricted Shares will become fully vested. If Mr. Croatti’s employment had been terminated without cause or by death or disability on August 31, 2013, the last day of fiscal 2013, Mr. Croatti would have earned 262,500 Performance Restricted Shares, and all 262,500 of such shares would have become fully vested with a market value of approximately \$25,168,500 based on the closing price of our Common Stock of \$95.88 per share on such date as reported by the New York Stock Exchange.

On April 5, 2010, we entered into a Restricted Stock Award Agreement (the “Restricted Stock Award Agreement”) with Mr. Croatti pursuant to which we granted 50,000 shares of restricted common stock (the “Restricted Shares”) to Mr. Croatti. The Restricted Shares vest in equal amounts on each of the first six anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Consistent with this vesting schedule, as of the end of our 2013 fiscal year, 24,999 of the Restricted Shares were vested. Mr. Croatti may transfer all or a portion of the Restricted Shares to any holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the “Transferred Class B Stock”). Upon any such transfer, the restrictions and conditions to which the Restricted Shares are subject under the Restricted Stock Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Stock. In the event that Mr. Croatti’s employment is terminated without cause or by reason of death or disability prior to the vesting of the Restricted Shares, all of the Restricted Shares will immediately and automatically vest in full. If Mr. Croatti’s employment had been terminated without cause or by death or disability on August 31, 2013, the last day of fiscal 2013, the 25,001 unvested Restricted Shares as of such date would have become fully vested with a market value of approximately \$2,397,096 based on the closing price of our Common Stock of \$95.88 per share as reported by the New York Stock Exchange.

The foregoing summaries of the Employment Agreement and the Restricted Stock Award Agreements are qualified in their entirety by reference to each of these agreements, copies of which have been filed as Exhibits to our Quarterly Report on Form 10-Q on April 8, 2010.

Unfunded Supplemental Executive Retirement Plan

As discussed under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above, upon a change in control of the Company, our named executive officers will receive a lump sum payment under our SERP equal to the actuarial equivalent of their plan benefit as of the date of the change in control. For more information concerning our SERP, see the “Pension Benefits Table – Fiscal 2013” and the discussion under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above.

Director Compensation – Fiscal 2013

The Compensation Committee determines Director compensation based on the following principles: (1) Director compensation should be aligned with the long-term interest of shareholders, (2) compensation should be used to motivate Director behavior; (3) Directors should be adequately compensated for their time and effort; and (4) Director compensation should be approached on an overall basis, rather than as an array of separate elements.

We determine Director compensation on a calendar year basis. The non-employee Director fee schedule for calendar 2013 and calendar 2014 is as follows: an annual fee of \$38,000; an annual fee for chairing the Audit Committee of \$10,000; an annual fee for chairing a Committee other than the Audit Committee of \$5,000; an annual fee for the Lead Director of \$5,000; a \$2,750 fee for each Board meeting attended; an \$1,800 fee for each Committee meeting attended; a \$1,250 fee for participating in a telephonic Board meeting; a \$1,000 fee for participating in a telephonic Committee meeting. As part of the annual compensation, each non-employee Director receives a fully vested stock-settled stock appreciation right with respect to that number of shares of Common Stock which will result in such stock appreciation right having a value (based on the valuation methodology used by the Company for financial reporting purposes) at the time of grant equal to \$35,000, at an exercise price equal to the closing price of the Company’s Common Stock on the grant date. In addition, each non-employee Director receives shares of unrestricted Common Stock having a value (based on the closing price of the Company’s Common Stock on the grant date) equal to \$65,000. Those Directors who satisfy the minimum share ownership requirement under the Company’s Director Stock Ownership Policy may elect to receive a cash payment of \$65,000 in lieu of the shares of unrestricted Common Stock.

Each Director who was also an employee of our Company received no Director’s fees during fiscal year 2013 and will receive no Director’s fees during fiscal year 2014.

The compensation earned by our Directors during fiscal 2013 is set forth in the table below.

UniFirst's management is responsible for preparing the consolidated financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting and its independent registered public accounting firm is responsible for auditing those statements. Our principal purpose is to monitor these processes.

The Audit Committee has, among other things:

Reviewed and discussed with management and the independent registered public accounting firm the quarterly and annual earnings press releases prior to release and the quarterly and annual reports on Form 10-Q and 10-K prior to filing.

Reviewed the performance of the Company's internal audit function.

Reviewed all audit and non-audit services performed by the independent registered public accounting firm and considered whether the provision of non-audit services is compatible with maintaining the auditor's independence.

Reviewed the performance, qualifications and independence of the independent registered public accounting firm.

Received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and discussed with the independent registered public accounting firm the auditors' independence.

Based on the reviews and discussions with management and the independent registered public accounting firm and the report of the independent public accounting firm, the Audit Committee recommended to the Board of Directors, and the Board approved, the audited financial statements for the fiscal year ending August 31, 2013 be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Certain Relationships and Related Transactions

The Company's Board of Directors has adopted a written Related Person Transaction Approval Policy to monitor transactions, arrangements or relationships in which the Company is a participant and any of the following have a direct or indirect material interest: (a) an executive officer, director or director nominee; (b) an immediate family member of an executive officer, director or director nominee; (c) a shareholder that beneficially owns more than 5% of the Company's Common Stock or Class B Common Stock; or (d) any immediate family member of such 5% shareholder. The policy generally covers related person transactions that meet the minimum threshold for disclosure under relevant Securities and Exchange Commission rules. Such related person transactions generally involve amounts exceeding \$120,000.

The Company's Chief Financial Officer, together with outside legal counsel, identifies any potential related person transactions and, if he determines that a transaction constitutes a related person transaction under the policy, the Chief Financial Officer provides relevant details to the Audit Committee. If the Chief Financial Officer has an interest in a potential related person transaction, the Chief Executive Officer assumes the role of the Company's Chief Financial Officer under the policy. The Audit Committee reviews relevant information concerning any proposed transaction contemplated by the Company with an individual or entity that is the subject of a disclosed relationship, and approves or disapproves the transaction, with or without conditions. Certain related person transactions are deemed pre-approved by the Audit Committee, including transactions, arrangements or relationships where the rates or charges involved in the transactions are determined by competitive bids.

During the 2013 fiscal year, the Company was not a participant in any related party transactions that required disclosure under this heading.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, Directors and greater than 10% shareholders of the Company are required to file with the Securities and Exchange Commission pursuant to Section 16(a) of the Exchange Act, reports of ownership and changes in ownership. Executive officers, Directors and greater than 10% shareholders are required by Exchange Act regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or written representations that no such reports were required during the 2013 fiscal year, the Company believes that, during the 2013 fiscal year, all executive officers, Directors and greater than 10% shareholders of the Company complied with applicable Section 16(a) filing requirements except for the following: each of Messrs. Sintros, Boynton, Katz, DiFillippo and Ms. Croatti inadvertently filed one late Form 4 with respect to one transaction.

PROPOSAL 2

APPROVAL OF UNIFIRST CORPORATION CEO CASH INCENTIVE BONUS PLAN

On December 5, 2012, the Compensation Committee of the Board of Directors adopted the UniFirst Corporation CEO Cash Incentive Bonus Plan (the "CEO Bonus Plan"), which provides the opportunity for the Company's Chief Executive Officer to earn an annual cash incentive bonus based on the Company's achievement of certain Company-wide performance goals. A copy of the CEO Bonus Plan is attached as Appendix A to this Proxy Statement and is incorporated herein by reference. The summary of the CEO Bonus Plan contained in this Proposal 2 is qualified in its entirety by reference to the text of the CEO Bonus Plan.

To ensure that annual cash incentive bonuses under the CEO Bonus Plan will qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"), the Company is seeking the approval of its shareholders of the CEO Bonus Plan, including the material terms of the corporate performance goals under the CEO Bonus Plan. Section 162(m) generally does not permit a public company to obtain tax deductions for compensation of more than \$1,000,000 paid in any year to its chief executive officer, or any of three other most highly compensated executive officers (other than the chief financial officer), unless such compensation is "performance-based" in accordance with conditions specified under Section 162(m) and the Treasury Regulations promulgated thereunder. One of those conditions requires the Company to obtain shareholder approval of the material terms of the performance goals set by the Compensation Committee.

The Compensation Committee will establish for the Company's Chief Executive Officer for each performance period specified by the Compensation Committee a minimum, target and maximum award under the CEO Bonus Plan as well as the related Company-wide performance goals. The corporate goals that the Compensation Committee establishes will be measured in terms of one or more of the following Company-wide metrics: (i) market value; (ii) book value; (iii) earnings per share; (iv) market share; (v) operating profit; (vi) net income; (vii) cash flow; (viii) return on capital; (ix) return on assets; (x) return on equity; (xi) margins; (xii) shareholder return; (xiii) sales or revenue; (xiv) operating margin; (xv) operating margin as adjusted by objective measurements; (xvi) earnings before interest, taxes, depreciation and amortization; (xvii) net sales; or (xviii) balance sheet measurements. Cash incentive bonus awards will be earned by the Company's Chief Executive Officer based on the level of attainment of the Company-wide goals established by the Compensation Committee for the performance period with respect to the award. For example, for a discussion of the annual cash incentive bonus that Mr. Croatti earned under the CEO Bonus Plan in fiscal 2013, see "Executive Compensation – Compensation Discussion and Analysis – Our Executive Compensation Programs and Plans – CEO Bonus Plan" above.

Annual cash incentive bonuses under the CEO Bonus Plan are intended to qualify as "performance-based compensation" under Section 162(m). The maximum amount of any cash incentive bonus under the CEO Bonus Plan for any performance period is \$2,000,000.

Only the Company's Chief Executive Office is eligible to receive awards under the CEO Bonus Plan and no more than one award can be granted with respect to any fiscal year under the CEO Bonus Plan. Neither the establishment of the CEO Bonus Plan nor the grant of any award under the CEO Bonus Plan constitutes an amendment to the Company's employment agreement with the Company's Chief Executive Officer or otherwise prevents the Company from establishing other compensation plans or arrangements or making awards to the Chief Executive Officer pursuant to such other plans or arrangements.

If the CEO Bonus Plan is not approved by the Company's shareholders, the CEO Bonus Plan will terminate, the 2013 CEO Bonus Plan award will not be paid and no future awards will be made under this plan.

Vote Required

The affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required for approval of the CEO Bonus Plan.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE CEO BONUS PLAN.

UNIFIRST CORPORATION

CEO CASH INCENTIVE BONUS PLAN

I. Purpose

The purpose of the UniFirst Corporation CEO Cash Incentive Bonus Plan (the “**Plan**”) is to establish a program of incentive compensation for the Chief Executive Officer of the Company (the “**CEO**”). The Plan provides additional annual incentives to the CEO, contingent upon meeting certain corporate goals.

II. Definitions

“**Board**” means the Board of Directors of the Company.

“**Bonus Award**” means the award, as determined by the Committee, to be granted to the CEO on an annual basis. As used herein, annual means that no more than one Bonus Award shall be granted with respect to any fiscal year or portion thereof.

“**Code**” means the Internal Revenue Code of 1986, as amended.

“**Committee**” means the Compensation Committee of the Board.

“**Company**” means UniFirst Corporation.

“**Employment Agreement**” means the Employment Agreement dated as of April 5, 2010 between the CEO and the Company.

“**162(m) Bonus Award**” means a Bonus Award that is intended to qualify for the performance-based compensation exception to Section 162(m) of the Code, as further described in Article VI.

“**Performance Criteria**” means objective performance criteria established by the Committee with respect to 162(m) Bonus Awards. Performance Criteria shall be measured in terms of any one or more of the following objectives, as such objectives relate to Company-wide objectives: (i) market value; (ii) book value; (iii) earnings per share; (iv) market share; (v) operating profit; (vi) net income; (vii) cash flow; (viii) return on capital; (ix) return on assets; (x) return on equity; (xi) margins; (xii) shareholder return; (xiii) sales or revenue; (xiv) operating margin; (xv) operating margin as adjusted by objective measurements; (xvi) earnings before interest, taxes, depreciation and amortization; (xvii) net sales; or (xviii) balance sheet measurements.

Each grant of a 162(m) Bonus Award shall specify the Performance Criteria to be achieved, a minimum acceptable level of achievement below which no payment or award will be made, a maximum award level and a formula for determining the amount of any payment or award to be made, if any, if performance is at or above the minimum acceptable level but falls short of full achievement of the maximum Performance Criteria.

If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which it conducts its business, or other events or circumstances render the Performance Criteria to be unsuitable, the Committee may modify such Performance Criteria, in whole or in part, as the Committee deems appropriate and equitable; provided, however, that no such modification shall be made if the effect would be to cause a 162(m) Bonus Award to fail to qualify for the performance-based compensation exception to Section 162(m) of the Code. In addition, at the time performance goals are established as to a 162(m) Bonus Award, the Committee is authorized to determine the manner in which the Performance Criteria related thereto will be calculated or measured to take into account certain factors over which the CEO has no control or limited control, including changes in industry margins, general economic conditions, interest rate movements, changes in levels of measurable losses, costs or expenses and changes in accounting principles.

“Performance Period” means the period during which performance is measured to determine the level of attainment of a Bonus Award.

III. Administration

The Committee, in its sole discretion, will establish the award amounts which may be earned by the CEO (which may be expressed in terms of dollar amount, percentage of salary or any other measurement), establish goals for the CEO with respect to the award (which may be objective or subjective, and based on individual or Company performance), calculate and determine the CEO’s level of attainment of such goals, and calculate the Bonus Award for the CEO based upon such level of attainment.

Except as otherwise herein expressly provided, full power and authority to construe, interpret, and administer the Plan shall be vested in the Committee, including the power to amend or terminate the Plan. The Committee may at any time adopt such rules, regulations, policies, or practices as, in its sole discretion, it shall determine to be necessary or appropriate for the administration of, or the performance of its respective responsibilities under, the Plan. The Committee may at any time amend, modify, suspend, or terminate such rules, regulations, policies, or practices.

IV. Bonus Awards

It is expected that the Committee, based upon information to be supplied by management of the Company, will establish for the CEO for each Performance Period a minimum, target and maximum award and goals relating to Company and will communicate such award levels and goals to the CEO prior to or during the Performance Period for which such award may be made. Bonus Awards will be earned by the CEO based upon the level of attainment of his goals during the applicable Performance Period. As soon as practicable after the end of the applicable Performance Period, the Committee shall determine the level of attainment of the goals and the amount of the Bonus Award payable to the CEO.

V. Payment of Bonus Awards

Bonus Awards earned during any Performance Period shall be payable as soon as practicable following the end of such Performance Period and the determination of the amount thereof shall be made by the Committee. Payment of Bonus Awards shall be made in the form of cash. Bonus Award amounts earned but not yet paid will not accrue interest.

VI. 162(m) Bonus Awards

Unless determined otherwise by the Committee, each Bonus Award awarded under the Plan shall be a 162(m) Bonus Award and will be subject to the following requirements, notwithstanding any other provision of the Plan to the contrary:

1. No 162(m) Bonus Award may be paid unless and until the shareholders of the Company have approved the Plan (and to the extent required by Section 162(m) of the Code, re-approved the Plan) in a manner that complies with the shareholder approval requirements of Section 162(m) of the Code.
2. A 162(m) Bonus Award may be made only by a Committee that is comprised solely of not less than two directors, each of whom is an “outside director” (within the meaning of Section 162(m) of the Code).
3. The performance goals to which a 162(m) Bonus Award is subject must be based solely on Performance Criteria. Such performance goals, and the minimum, target and maximum Bonus Award payable upon attainment thereof, must be established by the Committee within the time limits required in order for the 162(m) Bonus Award to qualify for the performance-based compensation exception to Section 162(m) of the Code.
4. No 162(m) Bonus Award may be paid until the Committee has certified the level of attainment of the applicable Performance Criteria.
5. The maximum amount of a 162(m) Bonus Award under this Plan for any Performance Period is \$2,000,000.

VII. Reorganization or Discontinuance

The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company. The Company will make appropriate provision for the preservation of the CEO’s rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

VIII. Non-Alienation of Benefits

The CEO may not assign, sell, encumber, transfer or otherwise dispose of any rights or interests under the Plan except by will or the laws of descent and distribution. Any attempted disposition in contravention of the preceding sentence shall be null and void.

IX. Taxes

The Company shall deduct from all amounts paid under the Plan all federal, state, local and other taxes required by law to be withheld with respect to such payments.

X. Termination of Employment

In the event the CEO's employment with the Company is terminated for Cause (as defined in the Employment Agreement), then any outstanding Bonus Award will be terminated and no portion of it will be paid to the CEO. If the CEO's employment with the Company is terminated without Cause or by reason of the CEO's death or Disability (as defined in the Employment Agreement), then any outstanding Bonus Award will remain in effect and a portion (based on the percentage of the applicable Performance Period during which the CEO was employed by the Company) of any amount earned thereunder based on the Company's achievement of any Performance Criteria will be payable to the CEO.

XI. Unfunded Plan

The CEO shall have no right, title, or interest whatsoever in or to any investments that the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind or a fiduciary relationship between the Company and the CEO. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts.

The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

XII. Governing Law

The terms of the Plan and all rights thereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without reference to principles of conflict of laws.

XIII. Other Compensation

Neither the establishment of this Plan nor the grant of a Bonus Award pursuant to this Plan shall constitute an amendment to or otherwise modify the Employment Agreement or otherwise prevent the Company from establishing other compensation plans or arrangements or making awards to the CEO pursuant to such other plans or arrangements.

XIV. Effective Date

The original effective date of the Plan is December 5, 2012.

Amended: April 2, 2013
