PROXY STATEMENT

2015 Annual Meeting of Stockholders

To Be Held May 12, 2015

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of **SPAR Group, Inc.**, a Delaware corporation ("SGRP" or the "Corporation", and together with its subsidiaries, the "SPAR Group" or the "Company"), for use at the 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting") to be held on Tuesday, May 12, 2015, at 10:00 a.m., Eastern Time, at The Westin Charlotte, 601 South College Street, Charlotte, NC 28202, and any adjournment or postponement thereof. This Proxy Statement and the form of proxy to be utilized at the 2015 Annual Meeting were mailed or delivered to the stockholders of SGRP on or about April 20, 2015, together with a conformed copy (excluding exhibits) of SGRP's 2014 Annual Report on Form 10-K for the year ended December 31, 2014 (the "2014 Annual Report"), as filed on April 15, 2015, with the Securities and Exchange Commission (the "SEC").

MATTERS TO BE CONSIDERED

The 2015 Annual Meeting has been called to (1) elect seven Directors of SGRP to serve during the ensuing year and until their successors are elected and qualified, (2) ratify, on an advisory basis, the appointment by SGRP's Audit Committee of BDO USA, LLP ("BDO") as the principal independent auditors of SGRP and its direct and indirect subsidiaries for the year ending December 31, 2015, (3) advise the Corporation on certain matters of executive compensation, (4) advise the Corporation on the frequency with which it should request an advisory vote from its

stockholders respecting executive compensation, and (5) transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

RECORD DATE AND VOTING

The Board has fixed the close of business on March 31, 2015, as the record date (the "Record Date") for the determination of stockholders entitled to vote at the 2015 Annual Meeting and any adjournment or postponement thereof. As of the Record Date, there were 20,564,553 shares outstanding of SGRP's common stock, \$0.01 par value (the "Common Stock"), and there were no shares outstanding of SGRP's series "A" preferred stock, \$0.01 par value (the "Preferred Stock").

QUORUM AND VOTING REQUIREMENTS

The holders of record of a majority of the outstanding shares of Common Stock entitled to vote at the 2015 Annual Meeting will constitute a quorum for the transaction of business at the 2015 Annual Meeting. As to all matters scheduled to come before this meeting, each stockholder is entitled to one vote for each share of Common Stock. Under Delaware law, shares not voted by brokers (called "broker non-votes") are considered not entitled to vote. However, abstentions and broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business.

A plurality of votes cast (which means the most votes, even if less than a majority) at the 2015 Annual Meeting in person or by proxy is required for the election of each nominee to serve as a director. In a field of more than seven nominees, the seven nominees receiving the most votes would be elected as directors. The affirmative vote of a majority of votes cast at the 2015 Annual Meeting in person or by proxy is required to ratify, on an advisory basis, the selection of BDO as SGRP's principal independent auditors for the year ending December 31, 2015. Votes withheld, in the case of the election of directors, and abstentions and any broker non-votes with respect to the ratification of independent auditors, are not considered votes cast with respect to that matter and, consequently, will have no effect on the vote on that matter, but, as noted above, are counted in determining a quorum. Brokers who are members of the New York Stock Exchange have discretion to vote the shares of their clients that the broker holds of record (in "street name") for its customers with respect to non-contested elections of directors and certain other matters. Stockholders are not entitled to cumulate votes. Votes against a candidate and votes withheld have no legal effect.

All proxies that are properly completed, signed and returned (or completed, authenticated and submitted if by telephone or internet) prior to the 2015 Annual Meeting will be voted in accordance with the directions made thereon or, in the absence of directions: (a) for the election of all nominees named herein to serve as directors, (b) in favor of the proposal to ratify, on an advisory basis, the appointment of BDO as the Company's principal independent accountants, (c) in favor of the proposal to approve, on an advisory basis, the compensation of the Named Officers as disclosed in Executive Compensation, Equity Awards and Options, below, and (d) in favor of "One Year" respecting the proposal to select, on an advisory basis, whether the Corporation should obtain an advisory vote from its stockholders respecting executive compensation every one, two or three years. Management does not intend to bring before the 2015 Annual Meeting any matters other than those specifically described above and knows of no other matters to come before the 2015 Annual Meeting. If any other matters or motions come before the 2015 Annual Meeting, it is the intention of the persons named in the accompanying form of Proxy to vote Proxies in accordance with their judgment on those matters or motions to the greatest extent permitted by applicable law including any matter dealing with the conduct of the 2015 Annual Meeting. Proxies may be revoked at any time prior to their exercise (1) by written notification to the Secretary of SGRP at SGRP's principal executive offices located at 333 Westchester Avenue, South Building, Suite 204, White Plains, New York 10604, (2) by delivering a duly executed proxy bearing a later date, or (3) by the stockholder attending the 2015 Annual Meeting and voting his or her shares in person.

PROPOSAL 1 — ELECTION OF DIRECTORS

Seven Directors are to be elected at the 2015 Annual Meeting to serve on SGRP's Board of Directors (the "Board") until the next annual meeting of Stockholders and until their respective successors have been elected and qualified.

The nominees for election are Mr. Robert G. Brown, Mr. William H. Bartels, Ms. Jill M. Blanchard, Mr. Jack W. Partridge, Mr. Lorrence T. Kellar, Mr. C. Manly Molpus and Mr. Arthur B. Drogue, all of whom are currently Directors of SGRP. The age, principal occupation and certain other information respecting each nominee are stated on pages 7 and 8. The nominees were approved and recommended by the Governance Committee (see below) and nominated by the Board at a meeting on March 12, 2015.

In the absence of instructions to the contrary, proxies covering shares of Common Stock will be voted in favor of the election of each of those nominees.

Each nominee has consented to being named in this Proxy Statement as a nominee for Director and has agreed to serve as a Director of SGRP if elected. In the event that any nominee for election as Director should become unavailable to serve, it is intended that votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by SGRP. Management has no present knowledge that any of the persons named will be unable to serve.

No arrangement or understanding exists between any nominee and any other person or persons pursuant to which any nominee was or is to be selected as a Director or nominee. None of the nominees has any family relationship to any other nominee or to any executive officer of the Company. However, Ms. Blanchard and Mr. Bartels are Executives and Officers and Mr. Brown is an Officer and Messrs. Brown and Bartels are significant stockholders of SGRP.

The number of Directors on the Board is currently fixed at seven (See *Board Size*, page 14 below).

THE BOARD OF DIRECTORS AND THE GOVERNANCE COMMITTEE EACH UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES IDENTIFIED ABOVE.

PROPOSAL 2 — RATIFICATION, ON AN ADVISORY BASIS, OF THE APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S PRINCIPAL INDEPENDENT ACCOUNTANTS

The Audit Committee of the Board has appointed BDO USA, LLP ("BDO"), an independent registered accounting firm, as the Company's principal independent accountants to audit the consolidated financial statements of the Company for its year ending December 31, 2015, subject to the Audit Committee's review of the final terms of BDO's engagement and plans for their audit. BDO audits certain foreign subsidiaries of SGRP through BDO's affiliates in those countries, including BDO-SA in South Africa. A resolution will be submitted to stockholders at the 2015 Annual Meeting for the ratification of such appointment on an advisory (*i.e.* non-binding) basis. Stockholder ratification of the appointment of BDO or anyone else for non-audit services is not required and will not be sought.

BDO has served as the Company's principal independent accountants since October 2013.

Audit Fees and Services

During the Company's fiscal years ended December 31, 2014 and 2013, fees for all audit services, including quarterly reviews, rendered to the Company (i.e. SGRP and its subsidiaries) by BDO were \$314,050 and \$286,675, respectively.

As required by applicable law and exchange rules, the engagement of the Company's principal independent accountants and all audit services to be performed have been approved in advance SGRP's Audit Committee since the Audit Committee's formation in May 2003.

Audit-Related, Tax and Other Fees and Services

BDO has been engaged to provide tax guidance and prepare the Company's 2014 tax returns for filing in 2015. In 2014, the Company engaged BDO to prepare the Company's 2013 tax returns and was paid \$72,000 for those services. BDO was also engaged to review SEC correspondence, Sarbanes Oxley Section 404 documentation and other qualified services for which BDO was paid \$41,000 in 2014. No other non-audit services were performed by BDO for the Company in 2014 or 2013, and BDO did not provide any advice to the Company regarding financial information systems design or implementation during that period.

Since the Audit Committee's formation in 2003, as required by applicable law and exchange rules, each audit-related or tax or other non-audit service performed by the Company's principal independent accountants either (i) was approved in advance on a case-by-case basis by SGRP's Audit Committee, or (ii) fit within a pre-approved "basket" of audit-related or tax and other non-audit services of limited amount, scope and duration established in advance by SGRP's Audit Committee. In connection with the standards for independence of the Company's independent registered public accounting firm promulgated by the Securities and Exchange Commission, the Audit Committee considers (among other things) whether the provision of such services would be compatible with maintaining the independence of the Company's principal registered independent accounting firm.

Anticipated Attendance by BDO USA, LLP at the 2015 Annual Meeting

BDO has indicated to the Company that it intends to have representatives available during the 2015 Annual Meeting who will respond to appropriate questions. These representatives will have the opportunity to make a statement during the meeting if they so desire.

Changes in the Company's Principal Registered Independent Accountants

The Company has used Rehmann Robson ("Rehmann") as its principal independent accountants in the United States, Canada and certain foreign countries from 2004 through October 2013.

During the fiscal year ended December 31, 2013, there have been (i) no adverse opinions, disclaimers of opinion or qualifications as to uncertainty, audit scope or accounting principles contained in any report by Rehmann on the Corporation's consolidated financial statements, (ii) no unresolved "disagreements" (as defined in Item 304(a)(1)(iv) of Regulation S-K) between Rehmann and the Corporation on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, and (iii) no "reportable events" (as defined in Item 304(a)(1)(v) of Regulation S-K).

In 2013 the Audit Committee (the "Audit Committee") of the Board of Directors of the Corporation (the "Board") and the management of the Corporation ("Management") were engaged in a competitive process to review and select its principal independent accountants for 2013 and invited nine prominent independent accounting firms, including Rehmann and BDO, to participate and submit proposals to serve as the Corporation's principal independent accountants for 2013 and to potentially assume audit responsibility for all of its applicable foreign subsidiaries.

As a result of that search, on the recommendation of Management and the approval by the Audit Committee and Board, on October 14, 2013, the Corporation selected and engaged BDO as the Corporation's principal independent accountants for 2013, which replaced (and effectively dismissed on that date) Rehmann as the Corporation's principal independent accountants for 2013 (commencing with the review of the financial statements for the Corporation's third quarter).

The Corporation did not, prior to October 14, 2013 (the date of BDO's engagement), consult with BDO regarding (as contemplated in Regulation S-K §304(a)(2)): (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's financial statements, and either a written report was provided to the registrant or oral advice was provided that the new accountant concluded was an important factor considered by the registrant in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Regulation S-K §304(a)(1)(iv) and the related instructions to that item) or a reportable event (as described in Regulation S-K §304(a)(1)(v)). On November 5, 2013, the Corporation filed a Report on Form 8-K/A with the SEC reporting the changes in its principal independent accountants.

Required Vote

A resolution will be submitted to stockholders at the 2015 Annual Meeting for the ratification, on an advisory basis, of the Audit Committee's appointment of BDO as the Company's principal independent accountants to audit the Company's consolidated financial statements for the year ending December 31, 2015. The affirmative vote of a majority of the votes cast at the 2015 Annual Meeting in person or by proxy will be required to adopt this resolution. Proxies solicited by the Board will be voted in favor of ratification unless stockholders specify otherwise. Abstentions and broker non-votes will have no effect on the outcome of the vote on this proposal.

If the advisory resolution selecting BDO as the Company's principal independent accountants is adopted by the stockholders, the Audit Committee and Board nevertheless retain the discretion to select different auditors should they subsequently deem it in the Company's best interests. Any such future selection need not be submitted to a vote of stockholders.

If the stockholders do not ratify the appointment, on an advisory basis, of BDO, or if BDO should decline to act or otherwise become incapable of acting, or if BDO's employment is discontinued, SGRP's Audit Committee will appoint another independent registered public accounting firm to act as the Company's principal independent accountants for the year ending December 31, 2015 (which may nevertheless be BDO should the Audit Committee subsequently deem BDO's appointment in the Company's best interests).

THE BOARD OF DIRECTORS AND AUDIT COMMITTEE EACH BELIEVE THAT THE APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S PRINCIPAL INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2015, IS IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS, AND EACH UNANIMOUSLY RECOMMEND A VOTE "**FOR**" APPROVAL THEREOF. PROXIES WILL BE VOTED FOR THIS PROPOSAL UNLESS OTHERWISE SPECIFICALLY INDICATED.

PROPOSAL 3 - ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") added Section 14A to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which requires that the Corporation provide its stockholders with the opportunity to vote to approve, on a nonbinding advisory basis, the compensation of the Company's Named Officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission (the "SEC").

Compensation Policy

The Corporation believes that its compensation packages should (i) attract and retain quality directors, executives and employees, (ii) provide total compensation competitive with similar companies, (iii) reward and reinforce the attainment of the Company's performance objectives, and (iv) align the interests of its directors, executives and employees with those of its stockholders (the "Company's Compensation Objectives"). The Compensation Committee oversees the existing and proposed compensation plans, policies and practices of the Company, reviews and recommends to the Board any necessary or desirable changes or additions to any such plan, policy or practice, and reviews and approves all director and executive officer compensation, to endeavor to meet the Company's Compensation Objectives.

The Corporation believes that the interests of its executives should be closely aligned with those of its stockholders. The Corporation's executive compensation has three primary elements, which are fixed base salaries, annual performance-based bonuses and long term equity incentives. In balancing these elements, the Corporation endeavors to strike an appropriate balance among the Company's annual performance, its long-term growth objectives, its ability to attract and retain qualified executive officers and the expense of such compensation. The Corporation believes it should compensate each executive for their individual work and achievements, which it endeavors to do through the salaries and individual discretionary bonuses described below. In addition, the Corporation rewards each executive for their contributions to the Corporation's achievement of short-term business objectives, operational and performance goals, through the annual cash and stock based incentive bonuses described below. Grants of restricted stock, stock options and other stock based awards under the Company's 2008 Stock Compensation Plan (described below) are incentives for each executive to make long-term contributions to the value of the Corporation. The Corporation considers all elements of compensation when determining the total salaries and incentives for its executives, but once determined for a particular year such elements are generally independent of each other (e.g. salary will not be affected by the size of bonuses or value of stock based awards).

Determining Compensation

Each year the Compensation Committee receives compensation recommendations for base salary, bonuses and possible stock based awards for its executives from the Corporation's Chief Executive Officer, and carefully reviews and (to the extent they deem appropriate) adjusts them before approving them. These recommendations are developed by management through employee evaluations, development of business goals and input from its executives. The Corporation also provides a stock purchase plan, 401(k) plan, healthcare plan and certain other benefits to all of the Company's employees (including its executives). In addition certain executives are party to severance agreements discussed below. The Corporation believes that it pays competitive compensation packages that allow it to attract and retain quality executives.

In setting base salaries, the Corporation considers individual performance (including the satisfaction of duties and accomplishment of previously established short-term and long-term objectives) and various subjective criteria (including initiative, dedication, growth, leadership and contributions to overall department and corporate performance). Executive officer salaries and salary increases are recommended by the Corporation's Chief Executive Officer and reviewed and approved by the Compensation Committee.

The Corporation's executive officers are eligible for annual cash and stock based award bonuses based upon their individual performance, the Company's achievements of certain specific operating results or increases in stockholder value and a discretionary amount based on the overall contribution of the officer to the Company during the year. During or before the beginning of each year the Corporation's Chief Executive Officer and the Compensation Committee establish bonus criteria for each of those officers based principally on the Company's achievement of specific performance goals during the year. The type of goal, thresholds and awards may vary among the executives based on their specific area of expertise and responsibilities. However, each goal is specifically designed to generate additional profit, increase revenue or otherwise increase stockholder value. Ranges are generally specified for the goals with corresponding cash and stock based award bonuses specified for achievement. If a specified level for a goal is achieved, as determined by the Corporation and reviewed by the Compensation Committee, the applicable executives are entitled to the corresponding cash and stock based award bonuses. All executive officer bonus plans are recommended by the Corporation's Chief Executive Officer and reviewed and approved by the Compensation Committee.

Please see "EXECUTIVE, COMPENSATION, DIRECTORS AND OTHER INFORMATION" and "EXECUTIVE COMPENSATION, EQUITY AWARDS OPTIONS" below for the compensation and benefits received by the Company's Named Officers during 2014.

Advisory Vote

The vote on Proposal 3 is advisory, which means that the vote on executive compensation is not binding on the Corporation, the Board or its Compensation Committee. The vote on this proposal is not intended to address any specific element of compensation, but rather relates to the overall compensation of the Company's Named Officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission. To the extent there is a significant vote against the Corporation's Named Officers compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the Corporation's stockholders concerns.

Accordingly, the Corporation asks its stockholders to vote on the following resolution at the Annual Meeting:

"RESOLVED, that the Corporation's stockholders approve, on an advisory basis, the compensation of the Named Officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the Summary Compensation Table and the other related tables and disclosure."

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "**FOR**" THE RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY'S NAMED OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

**PROPOSAL 4 - ADVISORY VOTE ON THE FREQUENCY THAT THE CORPORATION
HOLDS THE ADVISORY VOTE ON EXECUTIVE COMPENSATION**

As a result of the Dodd-Frank Act, Section 14A of the Exchange Act requires that the Corporation provide its stockholders with the opportunity to vote, on a nonbinding advisory basis, for their preference as to how frequently they vote in the future on the compensation of the Company's Named Officers as disclosed in accordance with the compensation disclosure rules of the SEC. Although it is not required to do so, the Corporation currently intends to hold this "frequency vote" every year.

The Corporation's stockholders may indicate whether they would prefer to conduct future advisory votes on executive compensation once every one, two, or three years. Stockholders also may abstain from casting a vote on this proposal.

The Board has determined that an annual advisory vote on executive compensation will permit the Corporation's stockholders to provide direct input each year on the Corporation's executive compensation philosophy, policies and practices as disclosed in this Proxy Statement, which is consistent with the Corporation's efforts to engage in an ongoing dialogue with the its stockholders on executive compensation and corporate governance matters.

This vote is advisory, which means that the vote on executive compensation is not binding on the Corporation, the Board or its Compensation Committee. The Corporation recognizes that the stockholders may have different views as to the best approach for the Corporation, and therefore the Corporation looks forward to hearing from the stockholders as to their preference on the frequency that the Corporation should hold an advisory vote on executive compensation.

The Board and its Compensation Committee will consider the outcome of the frequency vote. However, when considering the frequency of future advisory votes on executive compensation, the Board and its Compensation Committee may decide that it is in the best interests of the Corporation's stockholders and the Corporation to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by the Corporation's stockholders.

Stockholders may cast a vote on the preferred voting frequency by selecting the option of one year, two years or three years (or abstain) when voting in response to the resolution set forth below.

The proxy card provides stockholders with the opportunity to choose among four options (to hold the compensation vote every one, two or three years, or to abstain from voting) and, therefore, stockholders will not be voting to

approve or disapprove the recommendation of the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "**ONE YEAR**" AS THE PREFERRED FREQUENCY FOR THE OPTION OF HOLDING THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act ("Section 16(a)") requires SGRP's directors and certain of its officers and persons who own more than 10% of SGRP's Common Stock (collectively, "Insiders") to file reports of ownership and changes in their ownership of SGRP's Common Stock with the Commission. Insiders are required by Commission regulations to furnish SGRP with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it for the year ended December 31, 2014, or written representations from certain reporting persons for such year, SGRP believes that its Insiders complied with all applicable Section 16(a) filing requirements for such year, with the exception that Mr. Bartels untimely filed two reports on Form 4 respecting two transactions and Ms. Franco untimely filed one report on Form 4 respecting 11 concurrent transactions. All such Section 16(a) filing requirements have since been completed by each of the aforementioned individuals.

Transactions with Related Persons, Promoters and Certain Control Persons

SGRP's policy respecting approval of transactions with related persons, promoters and control persons is contained in the SPAR Group Code of Ethical Conduct for its Directors, Senior Executives and Employees Amended and Restated (as of) August 1, 2012 (the "Ethics Code"). Article V of the Ethics Code generally prohibits each "Covered Person" (including SGRP's officers and directors) from engaging in any business activity that conflicts with his or her duties to the Company, and directs each "Covered Person" to avoid any activity or interest that is inconsistent with the best interests of the SPAR Group, in each case except for any "Approved Activity" (as such terms are defined in the Ethics Code). Examples of violations include (among other things) having any ownership interest in, acting as a director or officer of or otherwise personally benefiting from business with any competitor, customer or vendor of the Company other than pursuant to any Approved Activity. Approved Activities include (among other things) any contract with an affiliated person (each an "Approved Affiliate Contract") or anything else disclosed to and approved by SGRP's Board of Directors (the "Board"), its Governance Committee or its Audit Committee, as the case may be, as well as the ownership, board, executive and other positions in SBS, SAS, SIT, NMA, NRS, MPT, MCPT, NDS Tanitim, NDS Reklam and others (as defined and described below) held by certain directors, officers or employees of SGRP or their family members. The Company's senior management is generally responsible for monitoring compliance with the Ethics Code and establishing and maintaining compliance systems, including conflicting relationships and transactions, subject to the review and oversight of SGRP's Governance Committee as provided in clause IV.11 of the Governance Committee's Charter, and SGRP's Audit Committee as provided in clause I.2(1) of the Audit Committee's Charter. The Governance Committee and Audit Committee each consist solely of independent outside directors.

SGRP's Audit Committee has the specific duty and responsibility to review and approve the overall fairness of all material related-party transactions. The Audit Committee receives affiliate contracts and amendments thereto for its review and approval (to the extent approval is given), and these contracts are periodically (often annually) again reviewed, in accordance with the Audit Committee Charter, the Ethics Code, the rules of the Nasdaq Stock Market, Inc. ("Nasdaq"), and other applicable law to ensure that the overall economic and other terms will be (or continue to be) no less favorable to the Company than would be the case in an arms-length contract with an unrelated provider of similar services (i.e., its overall fairness to the Company, including pricing and the ability to provide services at comparable performance levels). The Audit Committee periodically reviews all of the related party relationships, agreements and transactions described below.

SPAR Business Services, Inc. ("SBS"), SPAR Administrative Services, Inc. ("SAS") and SPAR InfoTech, Inc. ("SIT") are affiliates of SGRP but are not part of the consolidated Company. Mr. Robert G. Brown, a Director, the Chairman and a major stockholder of SGRP, and Mr. William H. Bartels, a Director and the Vice Chairman of the Company and a major stockholder of SGRP, are the sole stockholders of SBS. Mr. Brown is the sole stockholder of SIT. Mr. Brown is a director and officer of SBS and SIT. Mr. Bartels is a director and officer of SAS. During 2014 and 2013 the stockholders of SAS were Mr. Bartels and Mr. Brown, and as of January 1, 2015, Mr. Brown had transferred more than 85% of his ownership to related parties.

SBS provided approximately 81% and 77% of the domestic merchandising specialist field force used by the Company (as a percentage of the total cost for such field force, including field force provided by NRS, as defined below) for the years ended December 31, 2014 and 2013, respectively, and SAS provided approximately 92% and 96% of the direct domestic field administration used by the Company (as a percentage of the total cost for such field administrators) at a total cost for the services of SBS and SAS of approximately \$26 million and \$25 million for the years ended December 31, 2014 and 2013, respectively. Pursuant to the terms of the Amended and Restated Field Service Agreement dated as of January 1, 2004, as amended in 2011, the Company received services from SBS through the use of approximately 8,300 field merchandising specialists during the year ended December 31, 2014. Pursuant to the terms of the Amended and Restated Field Management Agreement dated as of January 1, 2004, the Company received administrative services from SAS through the use of 54 full-time national, regional and district administrators during the year ended December 31, 2014. For those services, the Company contracted in the Existing Agreements to pay SBS and SAS on a "Cost Plus Fee" arrangement, which provides that the Company is to pay SBS and SAS for their costs of providing those services plus 4% of such costs (the "Cost Plus Fee"). Those costs include all field expenses of SBS (effectively including net workers compensation insurance expense), all payroll and employment tax expenses of SAS and all legal and other administrative expenses paid by either of them. The net total Cost Plus Fee earned by SAS and SBS for services rendered was approximately \$974,000 and \$944,000 for the years ended December 31, 2014 and 2013, respectively. In order to obtain and continue its favorable fee arrangement with SBS and SAS, the Company also arranged to provide certain administrative services directly to SBS and SAS without charge, including certain human resource and legal services. The Company believes this arrangement also is more efficient and cost effective. The unaudited value of these services was approximately \$637,000 and \$551,000 for the years ended December 31, 2014 and 2013, respectively.

The service agreements with SBS and SAS were scheduled to automatically renew on December 31, 2013, but in order to prevent such automatic renewal and permit renegotiation after the end of 2013, the Company gave SBS and SAS the required notice of non-renewal under those agreements and from time to time has entered into temporary extension agreements with them to temporarily extend the Existing Agreements to November 30, 2014. The parties have had extensive negotiations for over a year, principally over pricing. The Company has most recently offered to pay reduced Cost Plus Fees of 2%, while SBS has most recently proposed a Cost Plus Fee of 2.97% while making certain other adjustments to reimbursable expenses and previous credits (the net of which would effectively be approximately equal to the annual rates previously paid to SBS by the Company), and SAS has most recently proposed a Cost Plus Fee of 4%. Neither party has accepted the other party's proposals. SAS and SBS have stated their intent to continue to provide their services while negotiations continue. As the extension of the existing agreements expired on November 30, 2014, the potential differences between the Company's proposal and the SBS and SAS proposals became potentially relevant from and after December 1, 2014. The difference in the net expense for SBS and SAS proposals when compared to the Company proposals was approximately \$30,000 and \$6,000 for the one month period ended December 31, 2014.

No salary reimbursements for Mr. Brown or Mr. Bartels are included in such reimbursable costs or Cost Plus Fee during 2014. However, since SBS and SAS are "Subchapter S" corporations and are owned by Messrs. Brown and Bartels, all income from SBS and SAS is allocated to them.

National Merchandising Services, LLC ("NMS"), is a consolidated domestic subsidiary of the Company and is owned jointly by SGRP through its indirect ownership of 51% of the NMS membership interests and by National Merchandising of America, Inc. ("NMA"), through its ownership of the other 49% of the NMS membership interests. Mr. Edward Burdekin is the Chief Executive Officer and President and a director of NMS and also is an executive officer and director of NMA and the sole member and manager of National Retail Source, LLC ("NRS"). Ms. Andrea Burdekin, Mr. Burdekin's wife, is the sole stockholder and a director of NMA and a director of NMS. NRS and NMA are affiliates of the Company but are not consolidated with the Company. NMS commenced operations as of September 1, 2012.

NRS is expected to provide substantially all of the domestic merchandising specialist field force used by NMS. Pursuant to the terms of the Master Field Services Agreement dated as of August 1, 2013 (the "NRS Services Agreement"), NMS will receive merchandising services from NRS through the use of approximately 738 field merchandising specialists. Prior to that date, NMS received such merchandising services from NMA pursuant to the terms of the substantially similar Field Services Agreement dated as of July 31, 2012, as amended (the "NMA Services Agreement"). For those services, the Company has agreed to reimburse NRS (and NMA before it) for its total costs of providing those services and to pay NRS (and NMA before it) a fee equal to 2% of its total costs (the "Plus 2% Fee"). Those costs include all field and administrative costs and expenses (effectively including net workers compensation insurance expenses) of NRS (and NMA before it) but exclude certain legal and other administrative expenses. Accordingly, no salary reimbursement for Mr. Burdekin or Ms. Burdekin are included in such reimbursable costs or Plus 2% Fee.

NRS (and before that, NMA) provided all of the domestic merchandising specialist field force used by NMS and 8% of all of the domestic merchandising specialist field force used by the Company (as a percentage of the total cost for such field force, including the field force provided by SBS) for both years ended December 31, 2014 and 2013. The total Plus 2% Fee earned by NRS for services rendered was approximately \$44,000 and \$37,000 for the years ended December 31, 2014 and 2013, respectively.

In connection with the approval of those related party agreements with NMA in 2012, the Board approved, based (in part) on the recommendation and approval of its Governance Committee (which is comprised solely of independent directors), the restated Ethics Code. As a result, the newly approved NRS Field Services Agreement is, and the NMA Field Services Agreement and other previously approved affiliate contracts continue to be, Approved Activities under the Ethics Code.

SGRP Meridian (Pty), Ltd. ("Meridian") is a consolidated international subsidiary of the Company and is owned 51% by SGRP and 49% by the following individuals: Mr. Brian Mason, Mr. Garry Bristow, and Mr. Adrian Wingfield. Mr. Mason is President and a director and Mr. Bristow is an officer and director of Meridian. Mr. Mason is also an officer and director and 50% shareholder of Merhold Property Trust ("MPT"). Mr. Mason and Mr. Bristow are both officers and directors and both own 50% of Merhold Cape Property Trust ("MCPT"). MPT owns the building where Meridian is headquartered and also owns two vehicles both of which are subleased to Meridian. MCPT provides a fleet of 126 vehicles to Meridian under a 4 year lease program. These leases are provided to Meridian at local market rates.

SGRP NDS Tanitim Ve Danismanlik A.S. ("NDS") is a consolidated international subsidiary of the Company and is owned 51% by SGRP and 49% by Mr. and Ms. Yilmaz. Mr. Yilmaz is President and a director and Ms. Yilmaz is an officer and director of NDS. They are both officers and directors of NDS Tanitim Danismanlik Hizmetleri Gida Tekstil Turizm Pazarlama Ticaret Limited Sirketi ("NDS Tanitim") and NDS Reklam Tanitim Ve Danismanlik Hizmetleri Pazarlama Ticaret Limited Sirketi ("NDS Reklam"). Mr. and Ms. Yilmaz, in total, own 40% of NDS Tanitim and NDS Reklam. NDS Tanitim provides NDS field management services while NDS Reklam provides NDS field merchandising services both at local market rates.

The Company continues to purchase services from SBS, SAS, NRS, MPT, MCPT, NDS Tanitim, and NDS Reklam because it believes the value of services it receives from them are at least as favorable to the Company as it could obtain from non-affiliated providers of similar services. The Company believes it is the largest and most important customer of SBS, SAS, NRS, MPT, MCPT, NDS Tanitim, and NDS Reklam (and from time to time may be their only customer), and accordingly the Company generally has been able to negotiate better terms, receives more personal and responsive service and is more likely to receive credits and other financial accommodations from SBS, SAS, NRS, MPT, MCPT, NDS Tanitim, and NDS Reklam than the Company could reasonably expect to receive from an unrelated service provider who has significant other customers and business. SBS, SAS and NRS affiliate contracts are annually reviewed and approved by SGRP's Audit Committee, as described above. MPT, MCPT, NDS Tanitim, and NDS Reklam affiliate contracts are scheduled to be reviewed and considered for approved by SGRP's Audit Committee at their May 2015 meeting.

The following costs of affiliates were charged to the Company (in thousands):

In July 1999, SPAR Marketing Force, Inc. ("SMF"), SBS and SIT entered into a perpetual software ownership agreement providing that each party independently owned an undivided share of and had the right to unilaterally license and exploit their "Business Manager" Internet job scheduling software (which had been jointly developed by such parties), and all related improvements, revisions, developments and documentation from time to time voluntarily made or procured by any of them at its own expense. In addition, SPAR Trademarks, Inc. ("STM"), SBS and SIT entered into separate perpetual trademark licensing agreements whereby STM has granted non-exclusive royalty-free licenses to SIT and SBS (and through them to their commonly controlled subsidiaries and affiliates by sublicenses, including SAS) for their continued use of the name "SPAR" and certain other trademarks and related rights of STM, a wholly owned subsidiary of SGRP. SBS and SAS provide services to the Company, as described above, and SIT no longer provides services to and does not compete with the Company.

Effective August 1, 2013, the Company sold its equity interests and working capital investment in its Romanian subsidiary, SPAR Business Ideas Provider S.R.L. ("BIP"), to a Company affiliate, SIT, for a total purchase price of \$348,465. The Company received, at closing, \$187,767 in cash and the balance is payable over 29 months with interest at 6% per annum, recorded as Other Assets on the December 31, 2014 and 2013 consolidated balance sheets. The purchase price was equal to the book value of the Company's interests in BIP. The sale to SIT was approved by the Company's Audit Committee and Board of Directors.

Through arrangements with the Company, SBS, SAS and other companies owned by Mr. Brown or Mr. Bartels participate in various benefit plans, insurance policies and similar group purchases by the Company, for which the Company charges them their allocable shares of the costs of those group items and the actual costs of all items paid specifically for them. All such transactions between the Company and the above affiliates are paid and/or collected by the Company in the normal course of business.

In addition to the above, SAS purchases insurance coverage for worker compensation, casualty and property insurance risk for itself, SBS and (through SBS under contracts with them) its field merchandising specialists and the Company from Affinity Insurance, Ltd. ("Affinity"). SAS owns a minority (less than 1%) of the common stock in Affinity. The Affinity insurance premiums for such coverage are ultimately charged to SAS, SBS (and through SBS to its covered field merchandising specialists) and the Company based on the contractual arrangements of the parties.

CORPORATE GOVERNANCE

Board Structure, Leadership and Risk Oversight

The Board of Directors of the Corporation (the "Board") is responsible for the overseeing the management, policies and direction of the Corporation and its subsidiaries (collectively, the Company"), both directly and through its committees (as described below), pursuant to the authority conferred by the Corporation's by-laws, charters and policies and by applicable law. The Board's responsibilities include (without limitation) the appointment and oversight of the Company's executive officers.

The Board believes its leadership role for the Company is strengthened by having a majority of its members be independent directors, who meet regularly as an independent body and provide leadership through their industry experience and knowledge and the actions of the independent committees they chair, and by having its two largest stockholders and Chief Executive Officer as members of the Board. The Board also has established separate positions for the Chairman of the Board (the "Chairman") and for its Chief Executive Officer (who also is its President), which they believe better enables the Chairman to focus his efforts on long term strategic development and planning for the Company and Board leadership and the Chief Executive Officer to focus her time and energy on managing the Company's sales and operations. The Board believes this leadership structure has enhanced its ability to effectively carry out its responsibilities on behalf of the Corporation's stockholders as well as its oversight of the Company's management and overall corporate governance. Mr. Robert G. Brown is the Corporation's Chairman (as well as one of its co-founders and officers and a significant stockholder), and Ms. Jill M. Blanchard is the Company's Chief Executive Officer and President.

The Board is actively involved in the oversight of risks that could affect the Company, both directly with respect to the most significant risks facing the Company (including material strategic, market or operational risks) and through its committees. The Board has established and delegated certain risk and other oversight responsibilities to the Audit Committee pursuant to the Audit Charter, the Compensation Committee pursuant to the Compensation Charter and the Governance Committee pursuant to the Governance Charter, as defined and more fully described below under the headings "Audit Committee", "Compensation Committee" and "Governance Committee". Risk oversight is conducted primarily through the Audit Committee, but also is conducted through the Compensation Committee or Governance Committee, as applicable.

To assist the Board and its Committees in their respective oversight roles, the Company's Chief Executive Officer brings members of the Company's management from various business or administrative areas into meetings of the Board or applicable Committee from time to time to make presentations and to answer questions and provide insight to the members, including insights into areas of potential risk. Each Committee endeavors to satisfy its responsibilities through its receipt and review of regular reports directly from officers responsible for oversight of particular risks within the Company, direct communications by the Committee or its Chairman with the Corporation's senior management, independent principal accountants (in the case of the Audit Committee) and counsel respecting such matters and related risks, its executive sessions, and its reports (generally through its Chairman) to the full Board respecting the Committee's considerations and (if applicable) actions and recommendations regarding such matters and risks as deemed appropriate.

The Audit Committee is responsible for overseeing the accounting, auditing and financial reporting and disclosure principles, policies, practices and controls of the Company and regularly considers (among other things) financial, reporting, internal control, related party, legal and other issues and related risks and uncertainties material to the Company. The Compensation Committee is responsible for overseeing and regularly considers the performance and compensation of the executives and the other compensation, equity incentive and related policies of the Company. The Governance Committee is responsible for overseeing and regularly considers the nomination of directors and committee members for the Board and the corporate documents and governance policies and practices of the Company.

The Audit Committee, Compensation Committee and Governance Committee each consist solely of independent outside directors. Mr. Lorrence T. Kellar is Chairman of the Audit Committee, Mr. Jack W. Partridge is Chairman of the Compensation Committee, and Mr. C. Manly Molpus is Chairman of the Governance Committee.

Board Meetings

The Board meets regularly to receive and discuss operating and financial reports presented by management of SGRP and its advisors. During the year ended December 31, 2014, the Board held four meetings in person and two meetings by telephone. Each incumbent Director is required to attend 75% of the board meetings. In 2014, all incumbent members attended at least 75% of the meetings.

Board Size

The current Board size is fixed at seven directors. Accordingly, there are only seven nominees for election as Directors at the 2015 Annual Meeting. The Board can increase or decrease the size of the Board at any time, and directors can be added and any vacancy (including those caused by an increase in Board size) can be filled by the Board without an election.

Committees

From time to time the Board may establish permanent standing committees and temporary special committees to assist the Board in carrying out its responsibilities. Currently, SGRP has three permanent standing committees; the Audit Committee, the Compensation Committee and the Governance Committee. An audit committee is required by the Nasdaq Stock Market, Inc. ("Nasdaq"), the Securities and Exchange Commission (the "SEC"), and applicable law. While SGRP is not similarly required to have either a compensation committee or governance committee, certain responsibilities assigned to these committees in their respective charters are required to be fulfilled by independent directors by Nasdaq or the SEC.

The standing committees of the Board are the Audit Committee of the Board (the "Audit Committee"), the Compensation Committee of the Board (the "Compensation Committee"), and the Governance Committee of the Board (the "Governance Committee"), as provided in the Corporation's Restated By-Laws (See *Limitation of Liability and Indemnification Matters* below).

Audit Committee

The Audit Committee assists the Board in fulfilling its oversight responsibilities respecting the accounting, auditing and financial reporting and disclosure principles, policies, practices and controls of the Company, the integrity of the Company's consolidated financial statements, the audits of the financial statements of the Company and the Company's compliance with legal and regulatory requirements and disclosure. The specific functions and responsibilities of the Audit Committee are set forth in the written Amended and Restated Charter of the Audit Committee of the Board of Directors of SPAR Group, Inc., Dated (as of) May 18, 2004 (the "Audit Charter"), approved and recommended by the Audit Committee and Governance Committee and adopted by the Board on May 18, 2004. The Audit Committee also is given specific functions and responsibilities by and is subject to the rules and regulations of Nasdaq ("Nasdaq Rules") and of the SEC (the "SEC Rules"), the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley") and other applicable law, which are reflected in the Audit Charter. You can obtain and review a current copy of the Audit Charter on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab. The Audit Charter was amended and restated to reflect the evolution of the Audit Committee's expanding responsibilities, the adoption of Sarbanes-Oxley, and changes in Nasdaq Rules, SEC Rules, securities laws and other applicable law pertaining to all audit committees. The Audit Committee reviews and reassesses the Audit Charter annually and recommends any needed changes to the Board for approval. The Audit Committee's most recent review was in November 2014, when it determined no changes were then needed in the Audit Charter.

The Audit Committee (among other things and as more fully provided in the Audit Charter):

(a) Serves as an independent and objective party to monitor the Company's financial reporting process and internal accounting and disclosure control system and their adequacy and effectiveness;

The Audit Committee currently consists of Messrs. Kellar (its Chairman), Molpus, Partridge and Drogue, each of whom has been determined by the Governance Committee and the Board to meet the independence requirements for Audit Committee members under Nasdaq Rule 4200(a)(14). In connection with his re-nomination as a Director, the Governance Committee and the Board re-determined that Mr. Kellar was qualified to be the "Audit Committee financial expert" as required by applicable law and the SEC Rules.

During the year ended December 31, 2014, the Audit Committee met four times in person and three times by telephone. All incumbent members attended at least 75% of the meetings.

See the *Report of the Audit Committee of the Board of Directors* below.

Compensation Committee

The Compensation Committee assists the Board in fulfilling its oversight responsibilities respecting the performance and compensation of the executives and the other compensation, equity incentive and related policies of the Company, through which the Company endeavors to attract, motivate and retain the executive talent needed to optimize stockholder value in a competitive environment while facilitating the business strategies and long-range plans of the Company. The specific functions and responsibilities of the Compensation Committee are set forth in the written Charter of the Compensation Committee of the Board of Directors of SPAR Group, Inc., Dated (as of) May 18, 2004 (the "Compensation Charter"), approved and recommended by the Compensation Committee and Governance Committee and adopted by the Board on May 18, 2004. The Compensation Committee also is given specific functions and responsibilities by and is subject to Nasdaq Rules, SEC Rules, Sarbanes-Oxley and other applicable law. You can obtain and review a current copy of the Compensation Charter on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab. The Compensation Charter was adopted to reflect the evolution of the Compensation Committee's informal responsibilities, the adoption of Sarbanes-Oxley, and changes in Nasdaq Rules, SEC Rules, securities laws and other applicable law pertaining to compensation committees. The Compensation Committee reviews and reassesses the Compensation Charter annually and recommends any needed changes to the Board for approval. The Compensation Committee's most recent review was in November of 2014, when it determined no changes were then needed in the Compensation Charter.

The Compensation Committee (among other things and as more fully provided in the Compensation Charter):

- (a) Oversees the existing and proposed compensation plans, policies and practices of the Company, and reviews and recommends to the Board any necessary or desirable changes or additions to any such plan, policy or practice, all in order to (i) attract and retain quality directors, executives and employees, (ii) provide total compensation competitive with similar companies, (iii) reward and reinforce the attainment of the Company's performance objectives, and (iv) align the interests of SGRP's directors and the Company's executives and employees with those of SGRP's stockholders (the "Company's Compensation Objectives");
- (b) Reviews the Company's existing and proposed Compensation Objectives from time to time and recommends to the Board any necessary or desirable changes or additions to such objectives;
- (c) Reviews the performance of and establishes the compensation for the Company's senior executives; and
- (d) Oversees the Company's stock option, stock purchase and other benefit plans and severance policies, and reviews and recommends to the Board any necessary or desirable changes or additions to any such plan, policy or practice.

The Compensation Committee currently consists of Messrs. Partridge (its Chairman), Kellar, Molpus and Drogue, all of whom are non-employees of the Company and have been determined by the Governance Committee and the Board to be independent directors in accordance with Nasdaq Rule 4200(a)(14).

During the year ended December 31, 2014, the Compensation Committee met four times in person and three times by telephone. All incumbent members attended at least 75% of the meetings.

Governance Committee

The Governance Committee assists the Board in fulfilling its oversight responsibilities respecting the nomination of directors and committee members for the Board and the corporate documents and governance policies and practices of the Company. The specific functions and responsibilities of the Governance Committee are set forth in the written Charter of the Governance Committee of the Board of Directors of SPAR Group, Inc., Dated (as of) May 18, 2004 (the "Governance Charter"), approved and recommended by the Governance Committee and adopted by the Board on May 18, 2004. The Governance Committee also is given specific functions and responsibilities by and is subject to the Nasdaq Rules, SEC Rules, Sarbanes-Oxley and other applicable law, which are reflected in the Governance Charter. You can obtain and review a current copy of the Governance Charter on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab. The Governance Charter was adopted to reflect the evolution of the Governance Committee's informal responsibilities, the adoption of Sarbanes-Oxley, and changes in Nasdaq Rules, SEC Rules, securities laws and other applicable law pertaining to governance committees. The Governance Committee reviews and reassesses the Governance Charter, Nomination Policy and Ethics Code (as such terms are defined below) annually and recommends any needed changes to the Board for approval. The Governance Committee's most recent review was in November of 2014, when it determined no changes were then needed in the Governance Charter, Nomination Policy and Ethics Code.

The Governance Committee (among other things and as more fully provided in the Governance Charter):

- (a) Oversees the identification, vetting and nomination of candidates for directors of SGRP and the selection of committee members, reviews their qualifications (including outside director independence) and recommends any proposed nominees to the Board;
- (b) Oversees SGRP's organizational documents and policies and practices on corporate governance and recommends any proposed changes to the Board for approval; and
- (c) Oversees the Company's codes of ethics and other internal policies and guidelines and monitors the Company's enforcement of them and incorporation of them into the Company's culture and business practices.

The Governance Committee currently consists of Messrs. Molpus (its Chairman), Kellar, Partridge and Drogue, all of whom are non-employees of the Company and have been determined by the Governance Committee and the Board to be independent directors in accordance with Nasdaq Rule 4200(a)(14).

During the year ended December 31, 2014, the Governance Committee met four times in person and two times by telephone. All incumbent members attended at least 75% of the meetings.

Director Nominations: Experience, Integrity, Diversity and other Criteria

The Governance Committee oversees the identification, vetting and nomination of candidates for directors and the selection of committee members, the review of their qualifications (including outside director independence), and recommends any proposed nominees to the Board in accordance with the Governance Charter and with the SPAR Group, Inc. Statement of Policy Regarding Director Qualifications and Nominations dated as of May 18, 2004 (the "Nomination Policy"), as approved and recommended by the Governance Committee and adopted by the Board on May 18, 2004. You can obtain and review a current copy of this policy on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab.

The Nomination Policy, applicable law and exchange rules require that a majority of the directors of the Board and all members of its Audit Committee, Compensation Committee and Governance Committee satisfy the independence requirements applicable to Audit Committee members under the applicable Nasdaq Rules. Each of the Audit Charter, Compensation Charter and Governance Charter also contain the same requirements that all of their respective members satisfy such independence requirements.

The Nomination Policy identifies numerous characteristics believed important by the Board for any nominee for director and provides that each nominee for director should possess as many of them as practicable. These desirable characteristics include (among other things) the highest professional and personal ethics and integrity, sufficient time and attention to devote to Board and Committee duties and responsibilities, strong relevant business and industry knowledge and contacts, and business and financial sophistication, common sense and wisdom, the contribution to the diversity of perspectives in the Board and its Committees, and the ability to make informed judgments on a wide range of issues, the ability and willingness to exercise and express independent judgments, and the apparent ability and willingness to meet or exceed the Board's performance expectations. The Nomination Policy specifically recognizes the desirability of ethnic, racial, gender and geographic diversity for the Board but does not specify any metrics for evaluating potential candidates in that regard. However, the Governance Committee takes all relevant factors (including such diversity) into account when identifying and evaluating candidates for Board membership.

Performance expectations for each director have also been established by the Board in the Nomination Policy, including (among other things) the director's regular preparation for, attendance at and participation in all meetings (including appropriate questioning), support and advice to management in his areas of expertise, maintenance of focus on the Board's agenda, understanding the business, finances, plans and strategies of Company, professional and collegial interaction, acting in the best interests of the Company and the stockholders, and compliance with the Company's applicable ethics codes.

Candidates for vacant positions on the Board may be suggested to the Governance Committee from time to time by its members or by officers or other directors of the Corporation. The Governance Committee generally will consider recommending the re-nomination of incumbent directors in accordance with the Nomination Policy, provided that they continue to satisfy the applicable personal characteristic criteria and performance expectations. The Nomination Policy reflects the Board's belief that qualified incumbent directors are generally uniquely positioned to provide stockholders the benefit of continuity of leadership and seasoned judgment gained through experience as a director of SGRP, and that the value of these benefits may outweigh many other factors. However, the Governance Committee is not required to recommend to the Board the nomination of any eligible incumbent director for re-election. (See *Stockholder Communications - Submission of Stockholder Proposals and Director Nominations*, below).

In considering the potential director nominee slate (including incumbent directors) to recommend to the Board, the Nomination Policy directs the Governance Committee to take into account: (i) the benefits of incumbency, as noted above; (ii) any perceived needs of Board, any Committee or the Company at the time for business contacts, skills or experience or other particular desirable personal characteristics; (iii) the collegiality of Board members; (iv) the need for independent directors or financial experts under that Policy or applicable law for the Board or its Committees; (v) any other requirements of applicable law or exchange rules; and (vi) the desirability of ethnic, racial, gender and geographic diversity. The Governance Committee will consider proposed nominees from any source, including those properly submitted by stockholders (See *Stockholder Communications - Submission of Stockholder Proposals and Director Nominations*, below).

Each potential nominee for director is required to complete and submit an officers' and directors' questionnaire as part of the process for making director nominations and preparation of SGRP's 2014 Annual Report and this Proxy Statement. With new nominees, the process also includes interviews and background checks.

The seven nominees for director were reviewed, approved and recommended by the Governance Committee, were nominated by the Board and are all incumbents. Based on their respective officers' and directors' questionnaires, the Governance Committee and Board each determined that Mr. Jack W. Partridge, Mr. Lorrence T. Kellar, Mr. C. Manly Molpus and Mr. Arthur B. Drogue are independent directors under Nasdaq Rules, as required by the Nominations Policy and the committee charters, and that Mr. Lorrence T. Kellar is an "audit committee financial expert" under SEC Rules, as required by such rules and the Audit Charter.

Ethics Codes

SGRP has adopted codes of ethical conduct applicable to all of its directors, officers and employees, as approved and recommended by the Audit Committee and Governance Committee and adopted by the Board, in accordance with Nasdaq Rules. These codes of conduct (collectively, the "Ethics Code") consist of: (1) the Code of Ethical Conduct for the Directors, Senior Executives and Employees, of SPAR Group, Inc., Amended and Restated (as of) August 1, 2012; and (2) Statement of Policy Regarding Personal Securities Transactions in SGRP Stock and Non-Public Information, as amended and restated on May 1, 2004, and as further amended through March 10, 2011. Both Committees were involved because general authority over the Ethics Codes shifted from the Audit Committee to the Governance Committee with the adoption of the committee charters on May 18, 2004. However, the Audit Committee retained the express duty to review and approve the overall fairness of all material related-party transactions. You can obtain and review current copies of such code and policy on the Company's web site (www.sparinc.com), which are posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab.

Limitation of Liability and Indemnification Matters

The Corporation's Certificate of Incorporation, as amended, eliminates the liability of all directors to the Corporation and its stockholders for monetary damages for breaches of their fiduciary duties as directors to the maximum extent such liability can be eliminated or limited under the Delaware General Corporation Law, as amended (the "DGCL"), which applies to the Corporation as a Delaware corporation. The DGCL permits a certificate of incorporation to include a provision eliminating such personal liability of its directors, and such elimination is effective under the DGCL, except that such liability currently may not be eliminated or limited under the DGCL (i) for any breach of their duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

The Corporation's Restated By-Laws (as hereinafter defined) provide that the Corporation must indemnify each of its current and former directors, executive officers and other designated persons (including those serving its affiliates in such capacities at the Corporation's request), and may in the Board's discretion indemnify the other current and former officers, employees and other agents of the Corporation and its subsidiaries, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding to the fullest extent permitted by DGCL. The Restated By-Laws also provide that the Corporation must advance the expenses (including attorneys' fees) actually and reasonably incurred by any such person in defending any such action, suit or proceeding, subject to such person's agreement to the extent required by the DGCL under the circumstances to reimburse the Corporation if such person is not entitled to indemnification. The Restated By-Laws and these mandatory indemnification provisions were approved and recommended by the Governance Committee and adopted by the Board of Directors of the Corporation in order to conform to the current practices of most public companies and to attract and maintain quality candidates for its directors and management, and are included in the Amended and Restated By-Laws of SPAR Group, Inc., Dated as of May 18, 2004, as amended (the "Restated By-Laws"). A current copy of the Restated By-Laws is posted and available to stockholders and the public on the Corporation's web site (www.sparinc.com).

Section 145 of the DGCL provides that the Corporation (as a Delaware corporation) has the power to indemnify under various circumstances anyone who is or was serving as a director, officer, employee or agent of the Corporation or (at its request) another corporation, partnership, joint venture, trust or other enterprise, which includes indemnification against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), but only if (i) such person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Corporation, (ii) in the case of any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful, and (iii) in the case of any suit by or in the right of the Corporation in which the person is adjudged to be liable to the Corporation, the applicable court determines such person is nevertheless fairly and reasonably entitled to such indemnification under the circumstances. Section 145 of the DGCL also permits the Corporation to pay or advance the expenses (including attorneys' fees) actually and reasonably incurred by any such person in defending any such action, suit or proceeding, and requires that the Corporation indemnify such person for such unpaid expenses upon a successful defense of such action, suit or proceeding.

The Company maintains director and officer liability insurance that (subject to deductibles, maximums and exceptions) covers most liabilities arising out of the acts or omissions of any officer, director, employee or other covered person, both for the benefit of the Company and the direct benefit of its directors and officers, regardless of whether the Restated By-Laws or DGCL Section 145 would permit indemnification of the matters covered by such insurance. The Restated By-Laws and DGCL Section 145 expressly permit the Corporation to secure such insurance and expressly provide that their respective indemnification provisions are not exclusive of any other rights to which the indemnified party may be entitled, including such insurance.

At present, there is no pending action, suit or proceeding involving any director, officer, employee or agent of the Company in which indemnification will be required or permitted. The Company is not aware of any overtly threatened action, suit or proceeding that may result in a claim for such indemnification.

EXECUTIVE COMPENSATION, DIRECTORS AND OTHER INFORMATION

Stock Based Compensation Plans

The Company believes that it is desirable to align the interests of its directors, executives, employees and consultants with those of its stockholders through their ownership of shares of Common Stock issued by SGRP ("SGRP Shares"). Although the Company does not require its directors, executives, employees or consultants to own SGRP Shares, the Company believes that it can help achieve this objective by providing long term equity incentives through the issuance to its eligible directors, executives, employees or consultants of options to purchase SGRP Shares and other stock-based awards pursuant to the 2008 Plan (as defined below) and facilitating the purchase of SGRP Shares at a modest discount by all of its eligible executives, employees and consultants who elect to participate in its stock purchase plans. In particular, the Company believes that granting stock based awards (including restricted stock and options to purchase SGRP Shares) to such directors, executives, employees and consultants encourages growth in their ownership of SGRP Shares, which in turn leads to the expansion of their stake in the long-term performance and success of the Company.

SGRP has granted stock option and restricted stock awards to its eligible directors, officers and employees and certain employees of its affiliates to purchase SGRP Shares pursuant to the 2008 Stock Compensation Plan (as amended, the "2008 Plan"). SGRP's stockholders approved and adopted the 2008 Plan in May 2008, as the successor to various predecessor stock option plans (each a "Prior Plan") with respect to all new awards issued, and an amendment to the 2008 Plan in May 2009, permitting the discretionary repricing of existing awards. SGRP also has granted stock options that continue to be outstanding under the Prior Plans. Each Prior Plan will continue to be active for the purposes of any remaining outstanding options issued under it for so long as such options are outstanding.

The 2008 Plan provides for the granting of restricted SGRP Shares, stock options to purchase SGRP Shares (either incentive or nonqualified), and restricted stock units, stock appreciation rights and other awards based on SGRP Shares ("Awards") to SGRP Directors and the Company's specified executives, employees and consultants (which are employees of certain of its affiliates), although to date SGRP has not issued any permissible form of Award other than stock options and restricted shares. Unless terminated sooner as provided therein, the 2008 Plan will terminate on May 28, 2018, which is ten years from the 2008 Plan Effective Date, and no further Awards may be made under it. However, any existing Awards made prior to such termination will continue in accordance with their respective terms and will continue to be governed by the 2008 Plan. Stock options granted under the 2008 Plan have a maximum term of ten years, except in the case of incentive stock options granted to greater than 10% stockholders (whose terms are limited to a maximum of five years), and SGRP has generally issued options having those maximum terms.

The 2008 Plan limits the number of SGRP Shares that may be covered by Awards ("Outstanding Covered Shares") to 5,600,000 SGRP Shares in the aggregate (the "Maximum Covered Shares"), which Outstanding Covered Shares for this purpose consist of the sum of (i) the SGRP Shares covered by all Awards issued under the 2008 Plan on or after May 29, 2008 ("New Awards"), plus (ii) and the SGRP Shares covered by all stock options issued at any time under the prior Plans to the extent they were still outstanding on May 29, 2008 ("Continuing Awards"). SGRP Shares covered by New Awards or Continuing Awards that expire, lapse, terminate, are forfeited, become void or otherwise cease to exist (other than as a result of exercise) are no longer Outstanding Covered Shares, are added back to remaining availability under the Maximum Covered Shares and thus become available for new Award grants, while those SGRP Shares covered by exercised New Awards or Continuing Awards continue to be Outstanding Covered Shares and are not added back to, and thus continue to reduce, the remaining availability under the Maximum Covered Shares under the 2008 Plan. The Outstanding Covered Shares and Maximum Covered Shares (as well as the SGRP Shares covered by a particular Award) are all subject to certain adjustments that may be made by the Compensation Committee upon the occurrence of certain changes in SGRP's capitalization or structure as provided in the 2008 Plan. Except for the adjustments described above, an increase in the Maximum Covered Shares requires the consent of the SGRP stockholders under the terms of the 2008 Plan, Nasdaq rules and applicable law.

As of December 31, 2014, approximately 1.2 million shares were available for grant under the amended 2008 Plan. Prior to 2014, most Awards under the 2008 Plan were in the form of stock options. In March 2014, the Compensation Committee determined to begin using restricted stock Awards rather than stock options as the primary form for new Awards under the 2008 Plan, as the Compensation Committee believed such Awards would (on balance) be more favorable to the recipients, less costly to the Corporation and less dilutive to the Corporation's stockholders. In that meeting, the Compensation Committee also reduced the existing 2014 Award budget from 500,000 SGRP Shares (for stock options) to 200,000 SGRP Shares (for restricted stock Awards), and recommended that the management

generally propose grants of restricted stock Awards covering four SGRP Shares for each ten SGRP Shares that would have been covered by corresponding stock option Awards if utilized.

The 2008 Plan (as amended in 2009) gives SGRP's Compensation Committee the full authority and complete flexibility from time to time to designate and modify (in its discretion) one or more of the outstanding Awards (including their exercise and base prices and other components and terms) to (among other things) restore their intended values and incentives to their holders. However, the exercise price, base value or similar component (if equal to SGRP's full stock price at issuance) of any Award cannot be lowered to an amount that is less than the Fair Market Value (as defined in the 2008 Plan) on the date of the applicable modification, and no modification can adversely affect an awardee's rights or obligations under an award without the awardee's consent. No further consent of SGRP's stockholders is required for any repricing or other modification of any outstanding or other award under the 2008 Plan, including those previously issued under the Prior Plans. To date, Awards have only been repriced once (in 2009) pursuant to this authority.

Restricted stock, stock options and other stock based awards under the 2008 Plan may be issued from time to time by SGRP in its discretion to the Company's executives and other employees and generally are included in the annual incentive plans of SGRP's executives. Each year the Compensation Committee establishes (with recommendations from management) a budget for the maximum number of SGRP Shares that may be awarded in the applicable year (although Awards to new employees may not be covered by such budget in the Committee's discretion). The Company's management may present recommendations for such awards to the Compensation Committee at any of its regular quarterly meetings, although recently most recommendations have been made at the August meeting other than those for new employees. The Chairman of the Board or the Compensation Committee may make those recommendations respecting the Company's Chief Executive Officer, and the Chief Executive Officer makes those recommendations respecting the Company's other executive and senior officers, as well as for any new officer or employee, and each of those executive officers in turn are allocated potential award shares for their departments and make recommendations respecting those under their supervision (subject to review and approval by the Chief Executive Officer). In recommending to the Compensation Committee the actual number of restricted stock, stock options (and options shares covered) or other stock based Award to be granted to each individual, the person making the recommendation makes an assessment of the individual's contribution to these or decrease in the participant's abilities, responsibilities and performance of his or her duties. The Compensation Committee reviews and discusses managements' recommendations at its meeting and determines whether and to what extent to approve and grant the proposed restricted stock, stock options (and options shares covered) or other stock based Awards to executives, employees and consultants of the Company pursuant to the 2008 Plan.

A more complete description of the 2008 Plan is contained in SGRP's Summary Description and Prospectus dated August 24, 2009, as filed with the SEC as an exhibit to SGRP's Schedule TO on August 25, 2009. A more complete description of the 2009 option repricing exchange described above is contained in SGRP's Offer to Exchange Certain Outstanding Stock Options for New Stock Options dated August 24, 2009 (including its exhibits and incorporated documents), as filed with the SEC in SGRP's Schedule TO on August 25, 2009. You can obtain and review a copy of that prospectus, the full 2008 Plan and such Offer to Exchange on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Stock Plans sub-tab.

Stock Options

The stock option Awards issued under the 2008 Plan were typically "nonqualified" (as a tax matter), have a ten (10) year maximum life (term) and vest during the first four years following issuance at the rate of 25% on each anniversary date of their issuance so long as the holder continues to be employed by the Company. Stock-based compensation cost is measured on the grant date, based on the fair value of the stock options Award calculated at that date, and is recognized as compensation expense over the requisite service period, which generally is the options' vesting period. Fair value is calculated using the Black-Scholes option pricing model. (See Note 11 to the Company's Consolidated Financial Statements included in the 2014 Annual Report.)

Restricted Stock

The restricted stock Awards previously issued under the 2008 Plan vested during the first four years following issuance at the rate of 25% on each anniversary date of their issuance so long as the holder continues to be employed by the Company. Restricted stock granted under the 2008 Plan is measured at fair value on the date of the grant, based on the number of shares granted and the quoted price of the Company's common stock. The shares of stock are issued and value is recognized as compensation expense ratably over the requisite service period which generally is the Award's vesting period. In 2014, the Company issued 91,400 restricted stock Awards to employees and consultants of the company and 16,000 restricted stock Awards to its Directors. (See Note 11 to the Company's Consolidated Financial Statements included in the 2014 Annual Report.)

Stock Purchase Plans

In 2001, SGRP adopted its 2001 Employee Stock Purchase Plan (the "ESP Plan"), which replaced its earlier existing plan, and its 2001 Consultant Stock Purchase Plan (the "CSP Plan"). These plans were each effective as of June 1, 2001. The ESP Plan allows employees of the Company, and the CSP Plan allows employees of the affiliates of the Company (See *Transactions with Related Persons, Promoters and Certain Control Persons*, above), to purchase SGRP's Common Stock from SGRP without having to pay any brokerage commissions. On August 8, 2002, SGRP's Board approved a 15% discount for employee purchases of Common Stock under the ESP Plan and recommended that its affiliates pay 15% of the value of the stock purchased as a cash bonus for affiliate consultant purchases of Common Stock under the CSP Plan.

Potential Severance Payments upon a Change-In-Control and Termination

In order to retain and motivate certain highly qualified executives in the event of a "Change-in-Control", the Corporation entered into a separate Amended and Restated Change in Control Severance Agreement in substantially the same form (each a "CICSA") in December 2008 with each of William H. Bartels, its Vice Chairman, James R. Segreto, its Chief Financial Officer, Secretary and Treasurer, and Kori G. Belzer, its Chief Operating Officer, that are currently in effect and amended and restated substantially similar prior agreements from March 2007. The Compensation Committee has approved entry into CICSAs with each of Jill M. Blanchard, SGRP's Chief Executive Officer and President, and Panos Mastrogiannis, SGRP's Chief Information Officer. Each CICSA provides that the applicable executive will receive a lump sum severance payment if both (1) a "Change in Control" occurs (which includes certain changes in ownership as well as the hiring of a new Chairman or Chief Executive Officer who was not an executive on the date of the CICSA), and (2) within the "Protected Period" the executive either resigns for "Good Reason" (such as an adverse change in duties or compensation) or is terminated other than in a "Termination For Cause" (as such terms are defined in the applicable CICSA). The Protected Period is equal to the greater of 36 months from the date of the CICSA or 24 months from the then most recent Change in Control (which could begin after the end of such 36 month period). The payment is equal to the sum of (i) the employee's monthly salary times the number of remaining months in the Protected Period following such resignation or termination, plus (ii) the maximum bonus if any that would have been paid to such employee for any bonus plan then in effect (not to exceed 25% of the employee's annual salary). Mr. Brown is not a party to a CICSA. The then existing CICSAs were amended and restated in December 2008 to comply with Section 409A of the Internal Revenue Code.

Certain Tax Issues - Internal Revenue Code Section 162(m)

Under Section 162(m) of the Internal Revenue Code (the "Code"), the amount of compensation paid to certain executives that is deductible with respect to the Company's corporate taxes is limited to \$1,000,000 annually. It is the current policy of the Compensation Committee to maximize, to the extent reasonably possible, the Company's ability to obtain a corporate tax deduction for compensation paid to executive officers of the Company to the extent consistent with the best interests of SGRP and its stockholders.

On January 6, 2015, effective December 31, 2014, Patricia Franco resigned from her positions as President of the International Division and a director, executive, officer and employee (as applicable) of SGRP and its subsidiaries pursuant to a negotiated Severance Agreement, Release, and Waiver of All Claims. As of her resignation, all unvested options were forfeited.

Option Exercises and Stock Vested

Ms. Patricia Franco exercised options for 252,750 and 5,000 shares of SGRP Common Stock in 2014 and 2013, respectively (See Notes 6 and 6A to the Summary Compensation Table, above). 80,000 and 25,000 restricted shares of SGRP Common Stock vested in 2014 and 2013, respectively, under the 2011 and 2012 RS Awards to Gary S. Raymond (See Notes 5A and 5B to the Summary Compensation Table, above).

Pension Benefits

The Company does not currently have a pension or retirement plan available to its executives or other employees other than its 401(k) Profit Sharing Plan, which is a tax-qualified defined contribution plan. The plan has both pre-tax and Roth features, has numerous investment options, generally permits eligible executives and other employees to participate after their first 30 days of employment, is subject to the contribution limits imposed by applicable law, and generally permits withdrawals from time to time in accordance with the plan and applicable law. Although it is not required to match any contribution, the Company has from time to time made a voluntary fractional match of all contributions. In 2014, the Company contributed a total of \$93,084 to that plan, which was shared by its 143 participants in proportion to their respective contributions. In 2013, the Company contributed a total of \$83,686 to that plan, which was shared by its 136 participants in proportion to their respective contributions. The Company believes that such plan is an important part of its compensation structure, although the Company currently has no unfunded liabilities or other material obligations under such plan.

Non-Qualified Deferred Compensation

The Company does not currently have any non-qualified deferred compensation plans available to its executives or other employees, and accordingly this table has been omitted.

Compensation of Directors

The following table sets forth all compensation costs of the Corporation for services rendered to it by its directors (other than any Named Officer), and certain other amounts that may have been received by or allocated to them, for the year ended December 31, 2014. The Corporation has not given restricted stock awards to its directors and does not have pension plans or non-qualified deferred compensation plans for its directors, so those columns have been omitted.

Name	Year	Fees Earned or Paid in Cash (\$)(1)	Restricted Stock		Total (\$)
			Awards (expense) (\$)(2)	All Other Compensa- tion (\$)	
Jack W. Partridge	2014	45,000	7,360	-	52,360
Lorrence T. Kellar	2014	47,500	7,360	-	54,860
C. Manly Molpus	2014	42,500	7,360	-	49,860
Arthur B. Droque	2014	40,000	7,360	-	47,360

Directors Compensation is \$40,000 annually (plus an additional \$7,500 per annum for the Audit Committee Chairman, an additional \$5,000 per annum for the Compensation Committee Chairman and an additional \$2,500 for the Governance Committee Chairman).

These are not amounts actually paid to or received by the named directors. These are Restricted Stock related "compensation expenses" recognized by the Corporation under generally accepted accounting principles, computed in accordance with ASC-718-10. (See Note 11 to the Company's Consolidated Financial Statements included in the Annual Report.)

Discussion of Directors' Compensation

The Compensation Committee administers the compensation plan for its outside Directors as well as the compensation for its executives. Each member of SGRP's Board who is not otherwise an employee or Executive of SGRP or any subsidiary of SGRP (each, an "Eligible Director") is eligible to receive the compensation contemplated under the Directors Compensation Plan (as defined below).

The Compensation Committee administers the compensation of directors pursuant to SGRP's Director Compensation Plan for its outside Directors, as approved and amended by the Board (the "Directors Compensation Plan"), as well as the compensation for SGRP's executives.

Under the Directors Compensation Plan: each member of SGRP's Board who is not otherwise an employee, Executive or Officer of SGRP or any subsidiary or affiliate of SGRP (each an "Independent Director"), or who (although not an Independent Director) is not otherwise an employee or Executive of SGRP or any subsidiary of SGRP (each a "Non-Employee Director") was eligible in 2014 to receive director's fees of \$40,000 per annum; and each applicable Independent Director was entitled to receive for chairing the applicable committee in 2014 an additional \$7,500 per annum fee in the case of the Audit Committee Chairman, an additional \$5,000 per annum fee in the case of the Compensation Committee Chairman, and an additional \$2,500 per annum fee in the case of the Governance Committee Chairman; in each case payable quarterly in cash. In 2015, those fees were increased to \$50,000 per annum for each such director and to \$5,000 per annum for the Chairman of Governance Committee (with the additional fees for the Chairmen of the Audit and Compensation Committees continuing at their respective 2014 rates).

In addition, in the past each Independent Director received options to purchase 10,000 SGRP Shares upon acceptance of the directorship, options to purchase 10,000 additional SGRP Shares after one year of service, and options to purchase 10,000 additional SGRP Shares for each additional year of service thereafter (typically granted by the Corporation at the regularly scheduled board meeting which coincided with the Annual Meeting). All options above have an exercise price equal to 100% of the fair market value of a SGRP Share at the date of grant and vest 100% on the first anniversary of the Award's grant date. However, in March of 2014, the Compensation Committee determined to begin using restricted stock Awards rather than stock options as the primary form for new Awards to Independent Directors under the 2008 Plan, as the Compensation Committee believed such Awards would (on balance) be more favorable to the recipients, less costly to the Corporation and less dilutive to the Corporation's stockholders. They recommended that grants of restricted stock Awards covering four SGRP Shares be substituted for each ten SGRP Shares that would have been covered by corresponding stock option Awards if utilized. Accordingly, in the future each Independent Director will receive 4,000 restricted SGRP Shares upon acceptance of the directorship, 4,000 additional SGRP Shares after one year of service, and 4,000 additional restricted SGRP Shares for each additional year of service thereafter (typically granted by the Corporation at the regularly scheduled board meeting which coincided with the Annual Meeting). All restricted SGRP Shares vest 25% on the first anniversary of the Award's grant date for a period of four years.

All of those options to Independent Directors have been granted under the 2008 Plan, under which each member of the Board is eligible to participate. Independent Directors will be reimbursed for all reasonable expenses incurred during the course of their duties. There is no additional compensation for committee participation, phone meetings, or other Board activities.

Audit and Compensation Committee Interlocks and Insider Participation

No member of the Board's Audit Committee, Compensation Committee or Governance Committee was at any time during the year ended December 31, 2014, or at any other time an officer or employee of the Company. No executive officer of the Company or Board member serves as a member of the board of directors, audit, compensation or governance committee of any other entity that has one or more executive officers serving as a member of SGRP's Board, Audit Committee, Compensation Committee or Governance Committee, except for the positions of Messrs. Brown and Bartels as directors and officers of the Company (including each of its subsidiaries) and as directors and officers of each of its affiliates, including SBS, SAS and SIT (See - *Transactions with Related Persons, Promoters and Certain Control Persons*, above).

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following is the Audit Committee's report submitted to the Board.

Report

Management is responsible for the Company's internal controls and the financial reporting process (as more fully described below). BDO USA, LLP ("BDO"), the principal independent auditing firm for the Company, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed with management of the Company and BDO the audited consolidated financial statements of the Company as of December 31, 2014 and 2013 and, for the years then ended, (the "Consolidated Financial Statements"), as included in the Company's 2014 Annual Report on Form 10-K for that period as filed with the Securities and Exchange Commission on April 15, 2015 (the "2014 Annual Report").

In addition, the Audit Committee has also received from and discussed with BDO the matters required to be discussed by the Public Company Accounting Oversight Board Audit Standard No. 16 (*Communications with Audit Committee*).

The Audit Committee received and reviewed the written disclosures and the letter from BDO required by the Public Company Accounting Oversight Board in Rule 3526 (*Communication with Audit Committee Concerning Independence*). The Audit Committee has discussed BDO's independence from the Company with BDO. The Audit Committee also discussed with management of the Company and the auditing firm such other matters and received such assurances from them, as the Audit Committee deemed appropriate.

Based on the foregoing review and discussions and a review of the report of BDO with respect to the Consolidated Financial Statements, and relying thereon, the Audit Committee has recommended to the Company's Board of Directors that the Consolidated Financial Statements be included in the Company's 2014 Annual Report.

AUDIT COMMITTEE (for the period that began on January 1, 2014, and ended December 31, 2014)

MANAGEMENT'S REPORT ON FINANCIAL STATEMENTS

The management of the Company is responsible for the integrity and objectivity of the consolidated financial statements and other related financial information of the Company as of December 31, 2014 and 2013, for each of the two years in the period ended December 31, 2014 (the "Consolidated Financial Statements"), as included in the Company's 2014 Annual Report on Form 10-K for that period as filed with the SEC on April 15, 2015. These financial statements were prepared in accordance with U.S. generally accepted accounting principles, as appropriate under the circumstances and consistently applied. Some of the amounts included in the financial statements are necessarily based on management's best estimates and judgment.

Controls and Procedures

Management's Report on Internal Control Over Financial Reporting

The Company's management is responsible for establishing and maintaining adequate internal control over financial reporting for the registrant, as such term is defined in Exchange Act Rules 13a-15(f) and 15d-15(f). Management has designed such internal control over financial reporting by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles in the United States of America.

The Company's management has evaluated the effectiveness of the Company's internal control over financial reporting using the "Internal Control – Integrated Framework (1992)" created by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") framework. Based on this evaluation, management has concluded that internal controls over financial reporting were effective as of December 31, 2014.

The Company has established a plan, documented and tested its internal controls over financial reporting required by Section 404 of the Sarbanes-Oxley Act of 2002. However, under applicable Securities Law, the Company is not yet required to obtain an attestation report from the Company's independent registered public accounting firm regarding internal control over financial reporting, and accordingly such an attestation has not been obtained or included in its 2014 Annual Report.

Management's Evaluation of Disclosure Controls and Procedures

The Company's chief executive officer and chief financial officer have each reviewed and evaluated the effectiveness of the Company's disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of the end of the period covered by this report, as required by Exchange Act Rules 13a-15(b) and Rule 15d-15(b). Based on that evaluation, the chief executive officer and chief financial officer have each concluded that the Company's current disclosure controls and procedures are effective to insure that the information required to be disclosed by the Company in reports it files, or submits under the Exchange Act were recorded, processed, summarized and reported within the time period specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Controls

There were no significant changes in the Company's internal controls or in other factors that could significantly affect these controls during the year covered by this report or from the end of the reporting period to the date of this Proxy Statement.

Company's Consolidated Financial Statements

The Audit Committee of the Board is responsible for reviewing and monitoring the Company's financial statements and practices to ascertain that they are appropriate in the circumstances. The Audit Committee currently consists of four independent directors. It meets at least four times a year with representatives of financial management and the independent accountants, both together and separately, to review and discuss audit and financial reporting matters. The independent accountants have direct access to the Audit Committee to review the results of their audit. In addition, at the regular meetings of the Board of Directors, management and the Board discuss, among other things, financial and related matters, as appropriate. (See *Report of the Audit Committee of the Board of Directors* above).

The Company's consolidated financial statements have been audited by BDO USA, LLP, the Company's principal independent accountants for such year, as stated in their report. The Company's principal independent accountants are appointed annually by the Audit Committee and confirmed by the Board. Their audit of the Company's consolidated financial statements was made in accordance with generally accepted auditing standards, and such audit included a study and evaluation of the Company's system of internal accounting controls they considered necessary to determine the nature, timing, and extent of the auditing procedures required for expressing an opinion on the Company's consolidated financial statements.

OTHER BUSINESS

SGRP is not aware of any other business to be presented at the 2015 Annual Meeting. All shares represented by SGRP proxies will be voted in favor of the proposals of SGRP described herein unless otherwise indicated on the form of proxy. If any other matters properly come before the meeting, SGRP proxy holders will vote thereon according to their best judgment.

STOCKHOLDER COMMUNICATIONS

Communications with SGRP and the Directors

Generally, a stockholder who has a question or concern regarding the business or affairs of SGRP should contact the Chief Financial Officer of SGRP. However, if a stockholder would like to address any such question directly to the Board, to a particular Committee, or to any individual director(s), the stockholder may do so by sending his or her question(s) in writing addressed to such group or person(s), c/o SPAR Group, Inc., 333 Westchester Avenue, South Building, Suite 204, White Plains, New York 10604, and marked "*Stockholder Communication*".

SGRP has a policy of generally responding in writing to each bona fide, non-frivolous, written communication from an individual stockholder. This policy is reflected in the SPAR Group, Inc. Statement of Policy Respecting Stockholder Communications with Directors dated as of May 18, 2004, approved and recommended by the Governance Committee and adopted by the Board on May 18, 2004. You can obtain and review a current copy of this policy on the Company's web site (www.sparinc.com), which is posted and available to stockholders and the public under the Investor Relations tab and Corporate Governance sub-tab.

In addition, questions may be asked of any director at SGRP's annual stockholders' meeting. SGRP schedules its annual stockholders' meeting on the same day as a regularly scheduled quarterly Board meeting, so all directors generally attend. All of SGRP's directors at the time attended its 2014 annual stockholders' meeting. The Corporation believes its directors should attend all possible meetings of the Board and its committees and stockholders, but has not specified any required minimum attendance.

Submission of Stockholder Proposals and Director Nominations

For any business, nominee or proposal to be properly brought before an Annual Meeting by a stockholder (acting in his or her capacity as stockholder), the By-Laws require that such stockholder must give timely written notice thereof by physical delivery to the Secretary of SGRP. Any stockholder who wishes to present any business, nominee or proposal for action at the 2016 annual meeting of stockholders of SGRP must notify SGRP by no later than December 10, 2015. Such stockholder's notice shall be in the form and contain the substance required under the Restated By-Laws and the rules and regulations promulgated by the Securities and Exchange Commission. Accordingly, notices of stockholder proposals and nominations submitted after December 10, 2015, or that do not conform to the requirements of the Restated By-Laws or Rule 14a-18 of the Securities Exchange Act of 1934 (relating to proposals to be presented at the meeting but not included in SGRP's proxy statement and form of proxy) will be considered untimely or incomplete, respectively, and thus such matters will not be brought before the 2016 Annual Meeting of stockholders.

The Restated By-Laws provide that a stockholder's notice to the Secretary must set forth as to each matter the stockholder proposes to bring before the Annual Meeting (i) a brief description of the business, nominee or proposal desired to be brought before the Annual Meeting and the reasons for considering the same at the Annual Meeting, (ii) the name and address, as they appear on SGRP's books, of the stockholder proposing such business and any other stockholders known by such stockholder to be supporting such proposal, (iii) the class and number of shares of SGRP's stock which are beneficially owned by the stockholder on the date of such stockholder notice and by any other stockholders known by such stockholder to be supporting such proposal on the date of such stockholder notice, and (iv) any financial interest of such stockholder (or any affiliate or family member of such stockholder), whether current or at any time within the past three years, in such business, nominee or proposal. In addition, if the notice is a nomination of a candidate for director, the stockholder's notice also must contain (A) the proposed nominee's name and qualifications, including five year employment history with employer names and a description of the employer's business, whether such individual can read and understand basic financial statements, and board memberships (if any), (B) the reason for such recommendation, (C) the number of shares of stock of SGRP that are beneficially owned by such nominee, (D) a description of any business or other relationship, whether current or at any time within the past three years, between such nominee (or any affiliate or family member of such nominee) and either the Company, any of its directors or officers, its auditor, or any of its customers or vendors, and (E) a description of any financial or other relationship, whether current or at any time within the past three years, between the stockholder (or any affiliate or family member of such stockholder) and such nominee (or any affiliate or family member of such nominee).

If it is determined by the Governance Committee or the presiding officer of the Annual Meeting that a stockholder proposal was not made in accordance with the terms of the Restated By-Laws or the applicable SEC Rules or is not under the circumstances required to be considered thereunder, such proposal will not be acted upon at the Annual Meeting.
