Item  
1.01. Entry into a Material Definitive Agreement.

On August 16, 2017, Ascent Global Logistics Holdings, Inc. (“Seller”), a wholly owned subsidiary of Roadrunner Transportation Systems, Inc. (“Roadrunner”), and Unitrans, Inc. (“Unitrans”), a wholly owned subsidiary of Seller (“Unitrans”), entered into a Stock Purchase Agreement (the “Purchase Agreement”) with QIC Intermediate Holdings, Inc. (“Buyer”), pursuant to which, upon the terms and subject to the satisfaction of the conditions set forth therein, Buyer will purchase from Seller all of the issued and outstanding shares of the capital stock of Unitrans in exchange for cash consideration of \$95,000,000 (the “Transaction”). The purchase price is subject to customary adjustments.

The Purchase Agreement contains customary representations, warranties and covenants of the parties that are typical in transactions of this size, type and complexity. The completion of the Transaction is subject to customary closing conditions, including the termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 2.2 and is incorporated by reference into this Item 1.01. The Purchase Agreement, which has been included to provide investors with information regarding its terms and is not intended to provide any other factual information about Roadrunner, Seller or Unitrans, contains representations and warranties of each of Seller and Unitrans. The assertions embodied in those representations and warranties were made for purposes of the Purchase Agreement and are subject to qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Purchase Agreement, including information contained in confidential disclosure schedules that Seller and Unitrans delivered to Buyer in connection with signing the Purchase Agreement. Accordingly, investors and stockholders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of a specific date and are modified in important part by the underlying disclosure schedules. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for purposes of allocating risk between the parties rather than establishing matters of fact. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in Roadrunner’s public disclosures.
