Interest on the Subsequent Draw shall be payable at 9.5% per annum, earned and payable in advance on the funding date of the Subsequent Draw. In addition, (a) an arranging and structuring fee of 2% per annum of the principal amount of the Subsequent Draw (paid in advance), and (b) a draw fee of 1% of the principal amount of the Subsequent Draw, shall be earned and paid on the funding date of the Subsequent Draw. Interest shall be calculated on the basis of a year of 360 days and actual days elapsed. Default interest shall be payable on demand.

Upon repayment of the facility in full, the Borrower and Holder may consider renewing the facility provided upon mutually acceptable terms, but neither party shall have any commitment or obligation to do so.

12. Guaranty. In order to induce the Holder to extend credit to the Borrower hereunder and under the other Loan Documents, the Guarantor hereby irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the payment when and as due of the obligations of the Borrower hereunder and under each of the other Loan Documents (collectively, the "Obligations"). The Guarantor further agrees that the due and punctual payment of such Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any such Obligation.

The Guarantor waives presentment to, demand of payment from and protest to the Borrower of any of the Obligations, and also waives notice of acceptance of its obligations and notice of protest for nonpayment. The obligations of the Guarantor hereunder are absolute and unconditional until all the Obligations shall have been indefeasibly paid in full, irrespective of (a) the failure of the

Holder to assert any claim or demand or to enforce any right or remedy against the Borrower under the provisions of any Loan Document or otherwise hereunder, (b) any extension or renewal of any of the Obligations, (c) any rescission, waiver, amendment or modification of, or release from, any of the terms or provisions of this Note, or any other Loan Document or agreement, (d) any default, failure or delay, willful or otherwise, in the performance of any of the Obligations or (e) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of the Guarantor or otherwise operate as a discharge of the Guarantor as a matter of law or equity or which would impair or eliminate any right of the Guarantor to subrogation.

The Guarantor further agrees that its agreement hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or collection of any of the Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by the Holder to any balance of any deposit account or credit on the books of the Holder in favor of the Borrower or any other Person.

The obligations of the Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full of all the Obligations) and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of any of the Obligations, any impossibility in the performance of any of the Obligations or otherwise (other than for the indefeasible payment in full of all the Obligations).

The Guarantor further agrees that its obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Holder upon the bankruptcy or reorganization of the Borrower or otherwise.

In furtherance of the foregoing and not in limitation of any other right which the Holder may have at law or in equity against the Guarantor by virtue hereof, upon the failure of the Borrower to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Guarantor hereby promises to and will, upon receipt of written demand by the Holder, forthwith pay, or cause to be paid, to the Holder in cash an amount equal to the unpaid principal amount of such Obligations then due, together with accrued and unpaid interest thereon.

Upon payment by the Guarantor of any sums as provided above, all rights of the Guarantor against the Borrower arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full of all the Obligations owed by the Borrower to the Holder.

This Guaranty shall terminate upon the indefeasible payment of all the Obligations.

IN WITNESS WHEREOF, the Borrower and the Guarantor have caused this Note to be duly executed by its officer, thereunto duly authorized as of this 11th day of February, 2014.

restrictions of whatever kind or character, except for Permitted Liens and other minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such property and assets for their intended purposes. Each Security Agreement is effective to create in favor of Holder a legal, valid and enforceable security interest in the Collateral (as defined in each Security Agreement) and when the actions contemplated by such Security Agreement are taken, including filing financing statements that comply with the requirements of the Uniform Commercial Code of Nevada (the "UCC") and achieving control over certain Collateral and subject to Section 9-315 of the UCC, the proceeds thereof, in each case prior and superior in right to any other Person, other than with respect to Permitted Liens.

Upon the execution of the Note, the Borrower will not be in material breach of any term of any of the Loan Documents nor will any Default be presently occurring, which, in either

AGREEMENTS

1. Definitions. All capitalized terms used herein without definition shall have the respective meanings provided therefor in the Note. Terms used herein and not defined in the Note or otherwise defined herein that are defined in the UCC have such defined meanings therein (with terms used in Article 9 controlling over terms used in another Article), unless the context otherwise indicated or requires, and the following terms shall have the following meanings:

“Issuer” means Comstock Mining LLC, a limited liability company organized and existing under the laws of Nevada.

“Pledged Collateral” is defined in Section 2.1.

“Pledged Shares” means all Shares of the Issuer now owned or after acquired by Pledgor.

“Shares” means shares of limited liability company membership units.

2. Pledge of Shares, etc.

2.1. Pledge of Shares. As security for the full, prompt and complete payment and performance when due (whether by stated maturity, by acceleration or otherwise) of all the Obligations, the Pledgor hereby pledges, assigns, grants a security interest in all of the following (collectively, the “Pledged Collateral”):

- (a) all of the Shares of the Issuer of every class owned or held by Pledgor;

To the extent that this provision is inconsistent with the terms of the operating agreement, such operating agreement shall be deemed to be amended so as to be consistent with the terms of this Section 2.2. The Pledgor irrevocably consents to the grant of the security interest provided for herein and to the Holder or its nominee becoming a member in such limited liability company (including succeeding to any management rights appurtenant thereto), pursuant to a disposition thereof in connection with (or in lieu of) an exercise of remedies pursuant to Section 8 hereof; provided that such successor member then agrees in writing to be bound by, and a party to, the operating agreement.

3. Security for Obligations. This Pledge Agreement and the security interest in and pledge of the Pledged Collateral hereunder are made with and granted to the Holder as security for the payment and performance in full of all the Obligations.

4. Distributions Paid to Holder. Any sums or other property paid or distributed upon or with respect to any of the Pledged Shares, whether by dividend or redemption or upon the liquidation or dissolution of the Issuer thereof or otherwise, shall, except to the limited extent provided in Section 7, be paid over and delivered to the Holder to be held by the Holder as security for the payment and performance in full of all of the Obligations. Except to the limited extent provided in Section 7 all sums of money and property paid or distributed in respect of the Pledged Shares, whether as a dividend or upon such a liquidation, dissolution, recapitalization or reclassification or otherwise, that are received by a Pledgor shall, until paid or delivered to the Holder, be held in trust for the Holder as security for the payment and performance in full of all of the Obligations.

5. Representations and Warranties. The Pledgor hereby represents and warrants that:

- (a) Pledgor has good and marketable title to, and is the sole record and beneficial owner of, the Pledged Shares, subject to no pledges, Liens, security interests, charges, options, restrictions or other encumbrances except the pledge and security interest created by this Pledge Agreement;

- (b) each Pledged Share is validly issued, fully paid and non-assessable (or the equivalent thereof, as applicable);
 - (c) no Pledged Shares are evidenced by any certificate unless such certificate, together with a duly executed transfer power or other instrument of transfer (each in form and substance satisfactory to the Holder) duly executed in blank, has been delivered to the Holder;
 - (d) as of the Closing Date, no Shares of the Issuer held and owned by Pledgor are represented by certificates; and
 - (e) the pledge, grant of a security interest in, and delivery of the Pledged Collateral owned by such Pledgor pursuant to this Pledge Agreement will create a valid first priority Lien on and in the Pledged Collateral owned by such Pledgor, and the proceeds thereof, securing the payment and performance of the Obligations.
6. Covenants. So long as the Holder has any commitment under the Note or any Obligation under and as defined in the Note remains outstanding, the Pledgor covenants and agrees that such Pledgor:
- (a) will not (i) sell, transfer or otherwise dispose of, or grant any option or warrant with respect to, any of the Pledged Collateral (or any part thereof or interest therein) except with the prior written consent of the Holder, (ii) create or permit to exist any Lien or encumbrance upon or with respect to any of the Pledged Collateral other than the Lien in favor of the Holder hereto or (iii) amend or permit to be amended in any respect the articles of organization and the operating agreement of Issuer in the event such change would be adverse to the Holder. If any Pledged Collateral, or any part thereof, is sold, transferred or otherwise disposed of in violation of this Section 6, the security interest of the Holder shall continue in the Pledged Collateral notwithstanding such sale, transfer or other disposition, and Pledgor will deliver any proceeds thereof to the Holder to be held as Pledged Collateral hereunder (it is acknowledged and agreed that the delivery of any such proceeds shall not be deemed a waiver of any Default arising as a result of the sale, transfer or other disposal of the Pledged Collateral in violation of this Section 6).
 - (b) shall, at the Pledgor's own expense, promptly execute, acknowledge, and deliver all such instruments and take all such actions as the Holder from time to time may reasonably request in order to ensure to Holder the benefits of the Lien in and to the Pledged Collateral intended to be created by this Pledge Agreement.
 - (c) shall maintain, preserve and defend the title to the Pledged Collateral and the Lien of the Holder thereon against the claim of any other Person.
 - (d) will not permit Article 8 of the UCC of any applicable jurisdiction to govern the Pledged Shares of such Issuer and shall not permit the Pledged Shares of such Issuer to be certificated or otherwise evidenced by a "security certificate" (as that term is used in Article 8 of the UCC) unless in each case such Pledgor delivers such security certificate, together with a duly executed transfer power or other instrument of transfer (in form and substance satisfactory to the Holder) executed in blank, promptly (but in any event within one Business Day after receipt thereof) to the Holder or otherwise causes the Holder's security interest therein to be perfected by "control" under the UCC.
 - (e) will not permit or authorize the issuance of additional Shares unless upon the issuance of such Shares, such Shares shall be pledged pursuant to the terms of this Agreement and the Pledgor shall immediately (i) deliver to the Holder a duly executed Pledge Agreement Supplement, in form and substance satisfactory to the Holder, identifying such additional Shares, and (ii) deliver or otherwise cause the transfer of such additional Shares (including any certificates

and duly executed transfer powers or other instruments of transfer executed in blank and in form and substance satisfactory to the Holder) to the Holder.

7. Dividends, Voting, etc., Prior to Maturity. So long as no Default shall have occurred and be continuing, the Pledgor shall be entitled to receive all cash dividends or other distributions paid in respect of the Pledged Shares, to vote the Pledged Shares and to give consents, waivers and ratifications in respect of the Pledged Shares; provided, however, that no vote shall be cast or consent, waiver or ratification given by the Pledgor if the effect thereof would impair any of the Pledged Collateral or be inconsistent with or result in any violation of any of the provisions of the Note or any of the other Loan Documents. All such rights of the Pledgor to receive cash dividends or other distributions shall cease so long as a Default shall have occurred and be continuing. All such rights of the Pledgor to vote and give consents, waivers and ratifications with respect to the Pledged Shares shall, at the Holder's option, as evidenced by the Holder's notifying the Pledgor of such election, cease for so long as a Default shall have occurred and be continuing.

8. Remedies.

8.1. In General. If a Default shall have occurred and be continuing, the Holder shall thereafter have the following rights and remedies (to the extent permitted by applicable law) in addition to the rights and remedies of a secured party under the UCC, all such rights and remedies being cumulative, not exclusive, and enforceable alternatively, successively or concurrently, at such time or times as the Holder deems expedient:

(a) if the Holder so elects and gives notice of such election to the Pledgor, the Holder may vote any or all shares of the Pledged Shares (whether or not the same shall have been transferred into its name or the name of its nominee or nominees) for any lawful purpose, including, without limitation, if the Holder so elects, for the liquidation of the assets of the Issuer thereof, and give all consents, waivers and ratifications in respect of the Pledged Shares and otherwise act with respect thereto as though it were the outright owner thereof (the Pledgor hereby irrevocably constituting and appointing the Holder the proxy and attorney-in-fact of such Pledgor, with full power of substitution, to do so);

(b) the Holder may demand, sue for, collect or make any compromise or settlement the Holder deems suitable in respect of any Pledged Collateral;

(c) the Holder may sell, resell, assign and deliver, or otherwise dispose of any or all of the Pledged Collateral, for cash or credit or both and upon such terms at such place or places, at such time or times and to such entities or other persons as the Holder thinks expedient, all without demand for performance by the Pledgor or any notice or advertisement whatsoever except as expressly provided herein or as may otherwise be required by law;

(d) the Holder may cause all or any part of the Pledged Shares to be transferred into its name or the name of its nominee or nominees;

(e) if the Holder so elects and gives notice of such election to the Pledgor, the Holder may exercise all membership rights, powers and privileges to the same extent as the Pledgor is entitled to exercise such rights, powers and privileges; and

(f) the Holder may set off or otherwise apply or credit against the Obligations any and all sums deposited with it or held by it.

8.2. Sale of Pledged Collateral. In the event of any sale or other disposition of the Pledged Collateral as provided in clause (c) of Section 8.1 and to the extent that any notice thereof is required to be given by law, the Holder shall give to the Pledgor at least ten (10) Business Days' prior authenticated notice of the time and place of any public sale or other disposition of the Pledged

Collateral or of the time after which any private sale or any other intended disposition is to be made. The Pledgor hereby acknowledges that ten (10) Business Days' prior authenticated notice of such sale or other disposition or sales or other dispositions shall be reasonable notice. The Holder may enforce its rights hereunder without any other notice and without compliance with any other condition precedent now or hereunder imposed by statute, rule of law or otherwise (all of which are hereby expressly waived by the Pledgor, to the fullest extent permitted by law). The Holder may buy or otherwise acquire any part or all of the Pledged Collateral at any public sale or other disposition and if any part or all of the Pledged Collateral is of a type customarily sold or otherwise disposed of in a recognized market or is of the type which is the subject of widely-distributed standard price quotations, the Holder may buy or otherwise acquire at private sale or other disposition and may make payments thereof by any means. The Holder may apply the cash proceeds actually received from any sale or other disposition to the reasonable expenses of retaking, holding, preparing for sale, selling and the like, to reasonable attorneys' fees, travel and all other expenses which may be incurred by the Holder in attempting to collect the Obligations or to enforce this Pledge Agreement or in the prosecution or defense of any action or proceeding related to the subject matter of this Pledge Agreement, and then to the Obligations in such order or preference as the Holder may determine after proper allowance for Obligations not then due. Only after such applications, and after payment by the Holder of any amount required by Section 9-608(a)(1)(C) or Section 9-615(a)(3) of the UCC, need the Holder account to the Pledgor for any surplus.

8.3. Private Sales. The Pledgor recognizes that the Holder may be unable to effect a public sale or other disposition of the Pledged Shares by reason of certain prohibitions contained in the Securities Act of 1933 (the "Securities Act"), federal banking laws, and other applicable laws, but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers. The Pledgor agrees that any such private sales may be at prices and other terms less favorable to the seller than if sold at public sales and that such private sales shall not by reason thereof be deemed not to have been made in a commercially reasonable manner. The Holder shall be under no obligation to delay a sale of any of the Pledged Shares for the period of time necessary to permit the Issuer of such securities to register such securities for public sale under the Securities Act, or such other federal banking or other applicable laws, even if the Issuer would agree to do so. Subject to the foregoing, the Holder agrees that any sale of the Pledged Shares shall be made in a commercially reasonable manner, and the Pledgor agrees to use its best efforts to cause the Issuer of the Pledged Shares contemplated to be sold, to execute and deliver, and cause the directors and officers of the Issuer to execute and deliver, all at such Pledgor's expense, all such instruments and documents, and to do or cause to be done all such other acts and things as may be necessary or, in the reasonable opinion of the Holder, advisable to exempt such Pledged Shares from registration under the provisions of the Securities Act, and to make all amendments to such instruments and documents which, in the opinion of the Holder, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. The Pledgor further agrees to use its best efforts to cause the Issuer to comply with the provisions of the securities or "Blue Sky" laws of any jurisdiction which the Holder shall designate and, if required, to cause the Issuer to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

8.4. Pledgor's Agreements, etc. The Pledgor further agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make any sales of any portion or all of the Pledged Shares pursuant to this Section 8 valid and binding and in compliance with any and all applicable laws (including, without limitation, the Securities Act, the Securities Exchange Act of 1934, as amended, the rules and regulations of the Securities and Exchange Commission applicable thereto and all applicable state securities or "Blue Sky" laws), regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at such Pledgor's expense;

provided however Pledgor is not required to register the sale of Pledged Shares with the Securities and Exchange Commission under the Securities Act. The Pledgor further agrees that a breach of any of the covenants contained in this Section 8 will cause irreparable injury to the Holder that the Holder has no adequate remedy at law in respect of such breach and, as a consequence, agrees that each and every covenant contained in this Section 8 shall be specifically enforceable against such Pledgor by the Holder and the Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants.

9. Pledgor's Obligations Not Affected; Waiver of Suretyship Defenses. The obligations of the Pledgor hereunder shall remain in full force and effect without regard to, and shall not be impaired by (a) any exercise or nonexercise, or any waiver, by the Holder of any right, remedy, power or privilege under or in respect of any of the Obligations or any security thereof (including this Pledge Agreement); (b) any amendment to or modification of the Note, the other Loan Documents or any of the Obligations; (c) any amendment to or modification of any instrument (other than this Pledge Agreement) securing any of the Obligations, including, without limitation, any of the Security Agreements; or (d) the taking of additional security for, or any other assurances of payment of, any of the Obligations or the release or discharge or termination of any security or other assurances of payment or performance for any of the Obligations; whether or not the Pledgor shall have notice or knowledge of any of the foregoing, the Pledgor hereby generally waiving all suretyship defenses to the extent applicable.

10. Further Assurances. The Pledgor will do all such acts, and will furnish to the Holder all such financing statements, certificates, legal opinions and other documents and will obtain all such governmental consents and corporate approvals and will do or cause to be done all such other things as the Holder may reasonably request from time to time in order to give full effect to this Pledge Agreement and to secure the rights of the Holder hereunder, all without any cost or expense to the Holder. The Pledgor hereby irrevocably authorizes the Holder at any time and from time to time to file in any filing office in any UCC jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral as the Pledged Collateral or words of similar effect, or as being of equal or lesser scope or in greater detail, and (b) contain any other information required by part 5 of Article 9 of the UCC of the jurisdiction of the filing office for the sufficiency or filing office acceptance of any financing statement or amendment, including whether the Pledgor is an organization, the type of organization and any organization identification number issued to such Pledgor. The Pledgor agrees to furnish any such information to the Holder promptly upon request.

11. No Waiver, etc. Neither this Pledge Agreement nor any term hereof may be changed, waived, discharged or terminated except by a written instrument expressly referring to this Pledge Agreement and to the provisions so modified or limited, and executed by the Holder and the Pledgor. No act, failure or delay by the Holder shall constitute a waiver of its rights and remedies hereunder or otherwise. No single or partial waiver by the Holder of any default or right or remedy that it may have shall operate as a waiver of any other default, right or remedy or of the same default, right or remedy on a future occasion. The Pledgor hereby waives presentment, notice of dishonor and protest of all instruments, included in or evidencing any of the Obligations or the Pledged Collateral, and any and all other notices and demands whatsoever (except as expressly provided herein or in the Note).

12. Notice, etc. All notices, requests and other communications hereunder shall be made in the manner set forth in Section 11(f) of the Note.

13. Termination. The security interest created hereunder shall terminate when the Obligations of the Pledgor under the Note have been fully satisfied, at which time the Holder shall execute and deliver to Pledgor, or to such person or persons as Pledgor shall reasonably designate, all UCC termination statements and similar documents prepared by Pledgor at its expense which Pledgor shall reasonably request to evidence such termination. If any of the Pledged Collateral shall be sold, transferred or otherwise disposed of by the Pledgor in a transaction permitted by the Note, then the Holder, at the request and sole expense of the Pledgor,

shall execute and deliver to Pledgor all releases or other documents reasonably necessary or desirable for the release of the liens created hereby on the Pledged Collateral.

14. **Overdue Amounts.** Until paid, all amounts due and payable by the Pledgors hereunder shall be a debt secured by the Pledged Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Note.

15. **Governing Law.** This Pledge Agreement shall be governed by the laws of the State of New York.

16. **Miscellaneous.** The headings of each section of this Pledge Agreement are for convenience only and shall not define or limit the provisions thereof. This Pledge Agreement and all rights and obligations hereunder shall be binding upon the Pledgor and its respective successors and assigns, and shall inure to the benefit of the Holder and its respective successors and assigns. If any term of this Pledge Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall be in no way affected thereby, and this Pledge Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. The Pledgor acknowledges receipt of a copy of this Pledge Agreement. This Pledge Agreement may be executed and delivered by the parties in one or more counterparts, each of which will be an original, and those counterparts will together constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Pledge Agreement by telecopy or by email, in pdf format, shall be effective as delivery of a manually executed counterpart of this Pledge Agreement.

IN WITNESS WHEREOF, intending to be legally bound, the Pledgor and the Holder have caused this Pledge Agreement to be executed as of the date first above written.

Merger, Consolidation and Disposition of Assets.

1.1 Mergers and Acquisitions. Except for any holding company restructuring, without Holder's prior written consent, which consent may not be unreasonably withheld, conditioned or delayed, the Obligors will not effect any merger or consolidation except that a subsidiary may merge or consolidate into another subsidiary and either subsidiary may merge or consolidate into the Borrower so long as the Borrower is the surviving entity.

1.11 Disposition of Property. Without Holder's prior written consent, which consent may not be unreasonably withheld, neither the Borrower nor the Subsidiary will sell, lease or otherwise dispose of any of the property, including any disposition of the property as part of a sale and leaseback transaction, to or in favor of any person, except for (i) sales of inventory made in the ordinary course (including, without limitation, pursuant to any installment, output requirement, offtake or similar agreement with respect to the sale of future production in the ordinary course), (ii) property valued at less than \$50,000, (iii) arm's length dispositions of equipment for cash and fair value that are no longer used or useful in the business of the Borrower or Subsidiary and (iv) sales by Borrower of its equity securities.

1.2 Indebtedness. Other than the Indebtedness described on Appendix II or disclosed in the Borrower's securities law filings, neither the Borrower nor the Subsidiary will create, incur, assume, or suffer to exist, any Indebtedness, except: (a) this Note (as the same may be extended, increased, renewed or refunded from time to time by mutual agreement of the parties); (b) Indebtedness and other obligations arising in the ordinary course of operations or business such as those in respect of business expense reimbursements, workers' compensation claims, bid or performance bonds, reclamation or appeal bonds, surety bonds or letters of credit, leases or deferred purchase price of equipment, trade credit, endorsement of checks, and completion guarantees; (c) Indebtedness incurred or assumed for the purpose of financing the acquisition, construction or improvement of any business, property, equipment or assets (including capital leases) so long as recourse with respect to such Indebtedness is limited solely to such acquired, constructed or improved business, property, equipment or asset; (d) Indebtedness that is subordinated in favor of the Holder; (e) intercompany indebtedness between the Borrower and its subsidiaries; (f) and obligations, contingent or otherwise, existing or arising under any hedging or swap agreement, provided that such obligations are (or were) entered into with Holder, Auramet Trading or their respective affiliates in the ordinary course of business and not for speculative purposes and (g) Indebtedness incurred with Caterpillar Financial Services Corporation or its affiliates.

1.3 Liens. Without the prior written consent of Holder, other than Permitted Liens, neither the Borrower nor Subsidiary will (i) create or incur or suffer to be created or incurred or to exist any lien, encumbrance, mortgage, pledge, charge, restriction or other security interest of any kind (each of the foregoing, a "Lien") upon any of its property, or upon the income or profits therefrom, except as otherwise permitted herein; transfer any of such property or the income or profits therefrom for the performance of any other obligation in

priority to payment of its general creditors; or (ii) except with respect to Permitted Liens, acquire, or agree or have an option to acquire, any property upon conditional sale or other title retention or purchase money security agreement, device or arrangement. This provision shall not be read to prohibit a holding company restructuring, the sale or disposition of obsolete equipment or property, or other property not material to the operation and development of the Comstock Mine, so long as the same is done at arm's length and in the ordinary course of the Obligors' business.

1.4 Restrictions on Investments. Without Holder's prior written consent, the Borrower will not, and will not permit Subsidiary to make or permit to exist or to remain outstanding any Investment (as defined below) except Investments in: (a) cash equivalents; (b) short term indebtedness guaranteed by the United States government with a maturity not exceeding 6 months; (c) inventory purchased in the ordinary course of business; (d) Investments made in exchange solely for equity or (e) or Investments in real property adjacent to Borrower's operation or reasonably close thereto to further the development of its mining business. For purposes of this Note, "Investment" means with respect to any Person, directly or indirectly, (a) the ownership, purchase or other acquisition of capital stock of any other Person or (b) the purchase or other acquisition, whether in one transaction or in a series of transactions, of all or a significant part of the property of any other Person or a business conducted by any other Person or all or substantially all of the assets constituting the business of a division, branch, brand or other unit operation of any other Person or (c) to guarantee Indebtedness of any other Person, to assume the Indebtedness of any other Person or to make, hold, purchase or otherwise acquire, in each case (excluding Indebtedness permitted to be incurred under Section 1.2) directly or indirectly, any deposit, loan, advance, commitment to lend or advance, or other extension of credit, excluding deposits with financial institutions available for withdrawal on demand and prepaid expenses, accounts receivable and similar items created in the ordinary course of business.

1.5 Distributions; Restricted Payments. Except for semiannual dividends payable with respect to the Borrower's preferred stock, which shall not be made in cash when a Default has occurred and is continuing hereunder, the Borrower will not declare, pay or make any distribution on shares of its capital stock or apply any of its funds or property to the purchase, redemption or other retirement of any shares of its capital stock, or of any options to purchase or acquire any capital stock of the Borrower, without Holder's prior written consent.

1.6 Compliance with Environmental Laws. The Obligors will act at all times in compliance with environmental laws, except where the failure of such compliance would not be reasonably likely to have a material adverse effect on the Borrower's business or operations.

1.7 Business Activities. Without the prior written consent of Holder, which consent may be given or denied at Holder's sole discretion, neither the Borrower nor the Subsidiary will engage directly or indirectly (whether through subsidiaries or otherwise) in any type of business other than the businesses presently or currently planned to be conducted by them and in related lines of businesses.

1.8 Transactions with Affiliates. Excluding any relationships, arrangements or agreements existing on the date hereof and disclosed in the Borrower's securities law filings,

the Borrower will not (without the prior written consent of Holder, which consent may be given or denied at Holder's sole discretion), other than in the Borrower's ordinary course of business, engage in any transaction with any Affiliate (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any such Affiliate or, to the knowledge of the Borrower, any person in which any such Affiliate has a substantial interest or is an officer, director, partner, member or trustee on terms more favorable to such Person than would have been obtainable on an arm's length basis in the ordinary course of business. As used herein, the term "Affiliate" means any person that is controlled by or is under common control with such controlling person. As used in the prior sentence, the term "control" means the power to vote 50% or more of any class of voting securities of such person or to direct or cause the direction of the management or policies of such Person.

1.9 Conflicting Agreements. Without the prior written consent of Holder, which consent may be given or denied at Holder's sole discretion, neither of the Obligors will enter into any amendment or other modification of material agreements that could reasonably be expected to adversely affect Holder; in addition, neither of the Obligors will enter into any amendment or other modification to any other currently existing contractual obligation, which by its terms materially impairs the ability of the Borrower to (a) repay the Advance or Subsequent Draw, or (b) fully satisfy all of its obligations hereunder, without the prior written consent of Holder, which consent may be given or denied at Holder's sole discretion.

1.10 Financial Statements. Not later than 45 days following the end of each fiscal quarter (excluding the last fiscal quarter of each fiscal year) and 60 days following the end of each fiscal year, while this Note is outstanding, the Obligors shall deliver to Holder quarterly or annual financial statements (including statements of cash flow), as the case may be, of the Borrower and its consolidated subsidiaries substantially prepared in accordance with generally accepted accounting practices, except for normal recurring year-end adjustments provided that so long as such documentation is publicly available at such times it shall be deemed to be delivered for purposes of this covenant; provided, that for purposes of this Note, the posting of such financial statements on the website of the Securities and Exchange Commission shall constitute delivery.

1.11 Monthly Financial Statements and Operating Reports. Within thirty (30) days following the end of each month while this Note is outstanding, the Obligors shall deliver to Holder: internally prepared, unaudited monthly financial statements of the Obligors, so long as Holder shall agree to maintain such financial statement confidentially pursuant to a non-disclosure agreement acceptable to Comstock; and an operating report describing the status of operations for the Comstock Mine.

1.12. Minimum Liquidity Balance. The Borrower shall, at all times maintain a minimum Liquidity Balance (as defined below) of \$1,000,000. "Liquidity Balance" means the Borrower's balance of cash and cash equivalents, including short term certificates of deposits and US Treasury bills and notes, plus 90% of the value of any gold/silver dore that has been picked up by a secured carrier but not yet paid for, as of any date of determination. If at any time the Borrower fails to maintain a minimum Liquidity Balance of \$1,000,000 (a "Liquidity Failure"), the Borrower shall immediately notify Holder of such Liquidity

Failure and shall cure such Liquidity Failure within 7 days from the date that the Holder is provided notification of such Liquidity Failure.

1.13 Notification as to Certain Events. The Obligors shall notify Holder if the Obligors become aware of any event that has or would reasonably be expected to have a material adverse effect on the Obligors' business or operations with respect to their property or the Obligors' ability to perform its obligations under the Note. The Obligors shall notify Holder immediately of all correspondence relating to a material event, or material problem or alleging an event of default or an event which would become a Default if not corrected.

1.14 Maintenance of Required Approvals and Consents; Compliance with Laws. The Obligors will take all action necessary to maintain all approvals and consents necessary with respect to the operation of their respective businesses, except where the failure to maintain such approvals and consents could not reasonably be expected to have a material adverse effect on such businesses or operations. The Obligors shall comply in all material respects with all applicable laws with respect to the operation of their businesses.

1.15 Inspection of Assets and Operations. Permit representatives of the Holder to inspect the Borrower's operations and for that purpose to enter on Borrower's property during reasonable business hours and upon reasonable notice; provided, however, if a Default has occurred and is continuing, the foregoing limitation with respect to reasonable business hours and reasonable notice shall not apply.

Notwithstanding anything to the contrary in this Security Agreement, the Note (as defined below) or the Loan Documents (as defined in the Note), this Security Agreement shall not constitute a grant of a security interest in (and the Collateral shall not include) the Excluded Property (as defined below).

(b) The Security Interest granted hereby shall not extend or apply to and Collateral shall not include the last day of the term of any lease or agreement therefore, but, upon the enforcement of the Security Interest, Debtor shall stand possessed of such last day in trust to assign the same to any person acquiring such term.

(c) The terms “Goods”, “Chattel Paper”, “Document of Title”, “Instrument”, “Intangible”, “Security”, “Investment Property”, “proceed”, “Inventory”, “accession”, “Money”, “Account”, “financing statement” and “financing change statement” whenever herein shall be interpreted pursuant to their respective meanings when used in “UCC”, the Uniform Commercial Code, as enacted in the State of New York, as amended from time to time, which Code, including amendments thereto and any Code substituted therefor and amendments thereto is herein referred to as the “UCC,” provided always that the term “Goods” when used herein shall not include “consumer goods” of Debtor as that term is defined in the “UCC.” Any reference herein to “Collateral” shall, unless the context otherwise requires, be deemed a reference to “Collateral or any part thereof”.

PRECIOUS METALS (“PM”) PURCHASE CONTRACT AND BILL OF SALE (THE “AGREEMENT”)
RE: BETWEEN AURAMET TRADING, LLC, AND COMSTOCK MINING INC. AND ITS OPERATING
SUBSIDIARY COMSTOCK MINING LLC

Dear Mr. De Gasperis:

This Amended and Restated Master Purchase Contract & Bill of Sale amends and restates that certain Master Purchase Contract and Bill of Sale dated July 24, 2012 wherein AURAMET TRADING, LLC (“Buyer”) hereby agrees to purchase and COMSTOCK MINING INC. (“Comstock Mining”) together with its operating subsidiary COMSTOCK MINING LLC (“Subsidiary”, jointly and severally, “Seller”) hereby agrees to sell, transfer, assign, set over and convey to Buyer the PM described below on the following terms and conditions.

1.0 Material

Seller may, in its sole discretion, sell, transfer, assign, set over and convey to Buyer up to a maximum of 100% of the gold and silver production (the “Material”) for a period of one year from the date hereof, however, as long as there are any outstanding obligations of the Seller under the Secured Promissory Note and Guaranty dated February __, 2014 (the “Note”) (the “Obligations”) and Auramet International, LLC has not assigned a different gold agent under the Note, Seller will sell, transfer, assign, set over and convey to Buyer 100% of the gold and silver production. This Agreement may not be terminated while the

Obligations are outstanding. Upon full satisfaction of the Obligations, this Agreement may be terminated by either party upon 30 days prior written notice to the other party hereto. No termination of this Agreement shall relieve either party of any accrued and unpaid obligations due hereunder on date of such termination.

2.0 Pricing Mechanisms

Buyer will provide the Seller with a flexible and comprehensive pricing and payment facility pursuant to the following terms and conditions:

2.1 Spot Pricing

Buyer will price the Material based upon the estimated gold and silver content contained in dore or concentrate, as per Seller's assays, on Buyer's current spot market bid price during New York trading hours (8:30 a.m. to 4:30 p.m. Eastern Time) on any business day (defined as "any business day that the COMEX division of the New York Mercantile Exchange ("COMEX") is open for business"). The spot value date is generally 2 business days from the date of such pricing.

Unless priced on a spot or other basis as outlined herein, Buyer will work Seller's firm orders 24 hours a day on a good until cancelled basis.

2.2 Forward Pricing

Buyer will price the Material for periods up 12 months (or such longer periods as the parties may agree) forward based on the spot price as outlined above and adjusted to reflect the then current forward rates in effect at the time of pricing. The forward contract value date is the date (within the maximum tenor of 12 months) of the forward contract maturity.

2.3 Option Pricing

The Seller may, at its discretion, be either the seller or the buyer of European Style Gold or Silver Options (for Loco London delivery). Any option premium due will be payable on the premium value date (the option premium value date is generally two business days after the date of buying or selling the option).

In the event that an option is exercised, the delivery and value date shall be two business days after the exercise date (unless otherwise agreed by Buyer and Seller).

The terms and conditions set forth in that certain Master Trading Agreement dated as of July 24, 2012, between Buyer and Seller shall apply to any transaction outlined above.

2.4 Payment

In all cases outlined above, the payment shall be payable by wire transfer:

2.4.1 If to Seller

Seller's designated account shall be provided in writing prior to the first payment date herein.

2.4.2 If to Buyer:

Buyer's designated account shall be provided in writing prior to the first payment date herein.

3.0 Purchase and Settlement Mechanisms – Spot; Forward; and In-Process Facility

Seller may sell the Material on the basis of any of the following three methods:

- (a) on a Spot Basis, i.e. payment for and delivery of the Material generally made contemporaneously two (2) business days after pricing as set forth in Section 2.1.
- (b) on a Forward Basis, i.e. payment for and delivery of the Material generally made contemporaneously on a date set up to 12 months following pricing in accordance with Section 2.2 above; or
- (c) on a In Process Basis, i.e. the Material is priced and paid for while the Material is in process or in transit to or at Metalor, Attleboro, Massachusetts ("Refinery") or any other refinery acceptable to the Buyer or while pending refining and located at warehouse acceptable to the Buyer ("Warehouse") pursuant to the following terms and conditions:

3.C.1 Form

Dore or concentrate containing unrefined PM (the "Unrefined PM"). The Buyer shall be satisfied through final delivery at the Refinery of refined PM ("Refined PM") in gold ingot or other form having a minimum purity of .9999 or silver ingot or other form having a minimum purity of .999+.

3.C.2 Delivery Schedule

Seller may make shipments on a weekly basis from the mine sites to the Refinery. Seller shall notify Buyer telephonically or by telecopy of all PM shipped pursuant to this Agreement. Outturn shall be to Buyer's London pool account with JP Morgan Chase unless otherwise agreed by the parties on the agreed upon outturn date (the "Outturn Date").

3.C.3 Purchase Price

The purchase price for Material sold on an In-Process Basis shall equal the agreed upon amount per troy ounce of Refined PM as set forth in the applicable trade confirmation sent by Buyer to Seller (the "Purchase Price"), multiplied by the agreed upon estimated quantity of PM as set forth in the applicable trade confirmation sent by Buyer to Seller (the "Estimated Quantity"). The Purchase Price shall be based on the pricing established pursuant to Section 2.1 above and adjusted to reflect the agreed upon cost of financing and any market contango or backwardation for the period from the date of payment to the Outturn Date.

3.C.4 Late Delivery

Subject to Buyer's other rights hereunder, including the right of termination, if the Estimated Quantity is not credited to the account designated by Buyer in writing to Seller ("Buyer's Metal Account") on the Outturn Date, the Purchase Price shall be adjusted to reflect the additional financing cost of such delay. Such adjustment shall be calculated using an amount equal to the then applicable PM lending rates (as reasonably determined in good faith by

Buyer) for the period of time from the original Outturn Date to the date the Estimated Quantity is finally credited to Buyer's Metal Account released to Buyer.

3.C.5 Shortfall/Surplus

Notwithstanding any of the foregoing, in the event, for any reason, that there is a shortfall at Outturn, Seller shall immediately, through pool transfer, market transaction, or other manner acceptable to Buyer, transfer to Buyer the subject PM shortfall.

In the event that there is a surplus at Outturn, then Seller may elect to immediately sell the surplus amount to Buyer at Buyer's then current spot market price, sell such surplus to any other party at Seller's sole and absolute discretion, or maintain the surplus balance of ounces in its account with Buyer until sold on a date specified by Seller in the future.

3.C.6 Shortfall/Surplus Account

For practical purposes, Seller and Buyer may mutually agree to keep an ongoing over/under account which is to be settled whenever the over/under quantity exceeds 100 ounces of refined gold and silver.

Buyer will provide Seller with a shipment by shipment settlement report which shall include the details of all pricings, outturns, payments, and adjustments. This shall be a perpetual electronic file which will be used by Seller and Buyer to monitor movements in the over/under account.

3.C.7 Payment

The Purchase Price shall be paid by wire transfer to Seller's designated account in US Dollars against Buyer's receipt of the following documents:

A. If Payment is to be made while the Material is at the Refinery:

- (a) Seller's letter of instruction to the Refinery in substantially the form attached hereto as Exhibit A; and
- (b) An executed Refiner's Holding Certificate in substantially the form attached hereto as Exhibit B.

B. If Payment is to be made while the Material is at the Warehouse:

- (a) An independent, third party's report on sampling and assaying of the Material, from Inspectorate or other assay firm reasonably acceptable to Buyer;
- (b) A warehouse receipt from the Warehouse, satisfactory to Buyer in all material respects; and

- (c) A certificate of insurance naming Buyer as an additional loss payee as its interests may appear, satisfactory to Buyer in all material respects.

3.C.8 Title/Ownership of PM Shipment

Ownership of the PM shall become vested in Buyer upon pick-up of the PM by Brinks Armored Security Service or such other mutually agreeable armored carrier. All shipping and other records and documents prepared by or which come into the possession of Seller with respect thereto shall be retained and maintained, in trust, for Buyer by Seller in a custodial capacity and delivered to Buyer upon request.

3.C.9 Inspection

Buyer shall have the right to have an agent or representative inspect and/or take samples of the Unrefined PM during business hours upon reasonable notice and to witness the loading/sealing of the containers in which the Refined PM is to be shipped from the Refinery.

4.0 Representations and Warranties, Covenants

Seller represents and warrants to Buyer that:

- (a) the PM conforms to or will conform to the description of such goods contained in this Agreement; the material containing the PM contains no hazardous materials.
- (b) Seller has conveyed or will convey good title to such PM free from any security interest, lien or encumbrance;
- (c) Seller has all requisite power, authority, licenses and approvals necessary to enter into and perform its obligations under this Agreement;
- (d) Seller or any person designated by Seller (including any signatory hereto) has due authorization to act in all respects relating to this Agreement;
- (e) this Agreement and the transaction relating thereto are valid and legally binding obligations of the Seller enforceable against it in accordance with their terms;
- (f) Seller is not insolvent, has not declared bankruptcy and has no intention or plans for doing so;
- (g) Seller covenants and agrees to provide Buyer with prompt telephonic notice, promptly followed by electronic mail and telecopy, of the occurrence of any of the following events:
 - (1) any material discrepancy in the assays of Seller and Refiner;
 - (2) any loss or delay or other material event with respect to any PM purchased hereunder; and
 - (3) any material adverse change in the affairs or prospects of Seller.

5.0 Authorized Officers

The individuals identified herein shall be authorized to enter the transactions contemplated herein on behalf of Seller; provided that Seller may add or remove individuals from this Section 5.0 from time to time in a written notice to Buyer.

Each party waives the posting of any bond otherwise required in connection with any judicial process or proceeding to enforce any judgment or other court order entered in favor of such party, or to enforce this Agreement or any other agreement or document between Seller and Buyer.
