(1) These shares were issued on June 1, 2017, in connection with a July 24, 2014 award of Class A common performance-based restricted stock. The award, initially determined as a cash value, was subject to a three-year performance period, which ended April 30, 2017. The number of shares issued was determined by multiplying the cash value of the award by a three-year performance adjustment factor, dividing the amount by \$45.125, which is the closing price of the issuer's Class A common stock on the date of the grant, and then adjusting upwards to account for dividends paid during the performance period.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
