ITEM Entry into a Material Definitive Agreement  
1.01

On January 2, 2014, Skkynet Cloud Systems, Inc. (the “Company”) entered into common stock purchase agreements with various accredited investors for the sale of an aggregate of 510,000 shares of the Company’s common stock, \$0.001 par value per share (the “Common Stock”) with gross proceeds to the Company of \$369,750.00. The proceeds from this offering will be used to further develop the Company’s real-time cloud business operations. The purchase price of each share of Common Stock was \$0.725 per share. The Company expects the closing of all of the sales of the Common Stock to occur by January 15, 2014. All shares of Common Stock issued will be “restricted” securities as such term is defined by the Securities Act of 1933, as amended (the “Securities Act”).

The shares of Common Stock will be issued in reliance upon an exemption from registration provided by Rule 506 of Regulation D of the Securities Act since no general solicitation or advertising was conducted by us in connection with the offering of any of the shares, all shares to be purchased in the offering will be restricted in accordance with Rule 144 of the Securities Act and each of these shareholders are accredited as defined in Rule 501 (a) of Regulation D promulgated under the Securities Act.
