Item 8.01 Other Events

In the second quarter of 2013, the board of directors of American Midstream Partners GP, LLC (the "General Partner") authorized the management of American Midstream Partners, LP (the "Partnership") to commit to a plan to sell certain non-strategic gathering and processing assets. As a result of the planned divestiture of these non-strategic midstream assets, we classify the results of operations of these disposal groups as discontinued operations.

Accordingly, the Partnership has recast the following information within our Annual Report on Form 10-K (the "Previously Filed Annual Report") for the year ended December 31, 2012 to reflect this change in classification for the disposal groups to discontinued operations for all periods presented in the following sections:

Part II, Item 6. Selected Historical Financial and Operating Data,

Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and

Part II, Item 8. Financial Statements and Supplementary Data.

As this Current Report on Form 8-K is being filed only for the purpose described above, and only affects the Items specified above, the other information in the Previously Filed Annual Report remains unchanged. No attempt has been made in this Current Report on Form 8-K to modify or update disclosures in the Previously Filed Annual Report except for within the Items noted above. This Current Report on Form 8-K does not reflect events occurring after the filing of the Previously Filed Annual Report or modify or update any related disclosures. Information within the Previously Filed Annual Report not affected by this Current Report on Form 8-K is unchanged and reflects the disclosure made at the time of the filing of the Previously Filed Annual Report. Accordingly, this Current Report on Form 8-K should be read in conjunction with the Previously Filed Annual Report and Partnership filings made with the Securities and Exchange Commission subsequent to the filings of the Previously Filed Annual Report. In addition, on September 16, 2013, the Partnership filed a separate Current Report on Form 8-K for the purpose of recasting certain information to reflect the change in classification of the disposal groups to discontinued operations for all periods presented within certain sections of the Partnership's Quarterly Report on Form 10-Q for the year month ended March 31, 2013.

Item 9.01 Financial Statements and Exhibits.
