A copy of the press release is furnished as Exhibit 99.1 to this report. The information furnished pursuant to this Item 2.02, including the attached exhibits, shall not be deemed "filed" for purposes of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of such section, nor shall such information or exhibit be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

The press release and investor presentation contain forward-looking statements that involve certain risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these statements. Please refer to the cautionary notes at the end of the press release regarding these forward-looking statements.

Item 8.01 Other Events.

On May 5, 2017, the Board of Directors (the "Board") of the Company adopted a Tax Asset Protection Plan (the "Plan") in an effort to protect stockholder value by attempting to diminish the risk that the Company's ability to use its net operating losses and general business credit carry-overs (collectively, the "Tax Attributes") to reduce potential future federal income tax obligations. If the Company experiences an "ownership change," as defined in Section 382 of the Internal Revenue Code, its ability to use the Tax Attributes may be substantially limited, and the timing of the usage of the Tax Attributes could be substantially delayed, which could therefore significantly impair the value of that asset. The Plan is intended to act as a deterrent to any person acquiring beneficial ownership of 4.99% or more of the Company's outstanding common stock ("Common Stock") without the approval of the Board. The Board may, in its sole discretion, exempt any person from triggering the shareholder rights described in the Plan.

On April 6, 2018, the Board approved the First Amendment to the Tax Asset Protection Plan (the "Amendment") that amends the Tax Asset Protection Plan dated May 5, 2017 (the "TAPP"). The Amendment amends the definition of "Final Expiration Date" under the TAPP to extend the duration of the TAPP and makes associated changes in connection therewith. The Company received stockholder approval of the Amendment at the Company's 2018 annual meeting. Pursuant to the Amendment, the Final Expiration Date shall be the close of business on the earlier of (i) December 31, 2019 or (ii) the business day immediately following the Company's 2018 annual meeting of stockholders (including any adjournment or postponement thereof) if stockholder approval has not been obtained prior to such date.

Gilbert Li, a director of the Company, is the Co-Founder and Managing Partner of Alta Fundamental Advisers, a private investment company ("Alta"). Alta currently beneficially owns approximately 6.8% of the Company's outstanding Common Stock, as it was granted an exemption under the Plan in December 2017 for up to 7.0%. Alta has requested an exemption under the Plan for the acquisition or ownership of outstanding common stock of the Company (the "Alta Exemption Request") in order that it may purchase additional shares of Common Stock without triggering the shareholder rights described in the Plan.

On November 6, 2018, the Board, with Mr. Li abstaining, and the Audit Committee of the Board, approved the Alta Exemption Request and the related party transaction.
