The annual meeting of shareholders will be held at 2:30 p.m., Pacific Time on Tuesday, May 26, 2015, at our administrative office, located at 2005 5th Avenue, Suite 200, Seattle, Washington 98121. At the annual meeting, shareholders will be asked to vote on two proposals: (1) the election of three directors of the Company, each for a term of three years, and (2) the ratification of the appointment of Moss Adams, LLP, as our independent registered public accounting firm for the fiscal year ending December 31, 2015. These proposals are described in more detail below. Shareholders also will consider any other matters that may properly come before the meeting, although the Board of Directors knows of no other business to be presented.

Sound Financial Bancorp, Inc. is referred to in this proxy statement from time to time as "Sound Financial Bancorp" or the "Company." Certain of the information in this proxy statement relates to Sound Community Bank, a wholly owned subsidiary of the Company, which is referred to in this proxy statement from time to time as the "Bank."

By submitting your proxy, you authorize the Company's Board of Directors to represent you and vote your shares at the annual meeting in accordance with your instructions. The Board of Directors also may vote your shares to adjourn the annual meeting from time to time and will be authorized to vote your shares at any adjournments or postponements of the annual meeting.

The Company's Annual Report on Form 10-K for the year ended December 31, 2014, which includes the Company's audited financial statements, is being provided with this proxy statement. Although the Annual Report is being provided to shareholders with this proxy statement, it does not constitute a part of the proxy solicitation materials and is not incorporated into this proxy statement by reference.

Your vote is important. You may vote your shares by Internet or telephone. You also may vote by sending a completed proxy card by regular mail or by submitting a ballot in person at the Annual Meeting. We encourage you to attend the Annual Meeting in person. Whether or not you plan to attend the meeting, please read the proxy statement and vote your shares by Internet or telephone or by sending a completed proxy card by regular mail as promptly as possible. ## INFORMATION ABOUT THE ANNUAL MEETING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will be asked to vote on the two proposals:

Proposal 1. Election of three directors of Sound Financial Bancorp, each for a three year term, and

Proposal 2. Ratification of the appointment of Moss Adams, LLP as Sound Financial Bancorp's independent registered public accounting firm for the fiscal year ending December 31, 2015.

The shareholders also will transact any other business that may properly come before the annual meeting, although, as of the date of this proxy statement, the Board of Directors knows of no other business to be presented. Members of our management team will be present at the annual meeting to respond to appropriate questions from shareholders.

Will any other business be conducted at the annual meeting?

The Board of Directors knows of no other business that will be conducted at the annual meeting. If any other proposal properly comes before the shareholders for a vote at the meeting, the proxy holders will vote your shares in accordance with their best judgment.

Who can vote at the annual meeting?

You are entitled to vote your Sound Financial Bancorp common stock if our records show that you held your shares as of the close of business on March 27, 2015. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker or nominee how to vote.

As of the close of business on the March 27, 2015, there were 2,528,451 shares of Sound Financial Bancorp common stock outstanding. Each share of common stock has one vote.

Can I attend the annual meeting?

If you are a shareholder as of the close of business on March 27, 2015, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from your bank or broker, are examples of proof of ownership. If you want to vote your shares of Sound Financial Bancorp common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

What are the quorum and vote requirements?

The annual meeting will be held only if there is a quorum. A quorum exists if a majority of the outstanding shares of common stock entitled to vote, represented in person or by proxy, is present at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Proposal 1: Election of Directors. Directors are elected by a plurality of the votes cast by Sound Financial Bancorp shareholders at the annual meeting. Votes may be cast for or withheld from a nominee. Votes that are withheld and broker non-votes have no effect on the election of the director nominees.

Proposal 2: Ratification of the Appointment of Our Independent Registered Public Accounting Firm. We must obtain the affirmative vote of a majority of the total number of votes cast by Sound Financial Bancorp shareholders at the annual meeting to approve the ratification of our appointment of our independent registered public accounting firm. Abstentions from voting are not considered votes cast and thus have no effect on this proposal.

How can I obtain a paper copy of this proxy statement, the proxy card and the Annual Report to Shareholders?

You may request that a paper copy of these proxy materials be mailed to you free of charge at any time by:

- calling 800-690-6903 (please provide your Shareholder Control Number, which was printed at the bottom of the April 13, 2015 Notice of Meeting and Availability of Proxy Materials);
- making your request online at <http://www.proxyvote.com> and inserting your Shareholder Control Number when prompted.

How do I vote?

You may vote by Internet. To vote by Internet, have your Shareholder Control Number from the Notice of Meeting and Availability of Proxy Materials dated April 13, 2015, in hand; go to <http://www.proxyvote.com>; and follow the instructions for voting on-line. The deadline for voting on the Internet is 11:59 p.m. Eastern Time on May 25, 2015. You may vote by phone. To vote by phone, have your Shareholder Control Number from the Notice of Meeting and Availability of Proxy Materials dated April 13, 2015, in hand; call the toll-free phone number 800-690-6903; and follow the instructions for voting. The deadline for voting by phone is 11:59 p.m. Eastern Time on May 25, 2015. You may vote by mail. To vote by mail, request a paper copy of the proxy card and related materials, as noted in the response to the previous question. Then properly complete and sign the proxy card and return it in the return envelope provided in a timely manner. The mailed card must be received by the Company before the start of the annual meeting to be voted.

You may vote in person at the annual meeting. If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you will need to obtain a proxy form from the named holder of your shares indicating that you were the beneficial owner of those shares on the record date for voting at the annual meeting.

Can I change my vote after I submit my proxy?

You may revoke your proxy at any time before the vote is taken at the annual meeting. If you are a registered shareholder, you may revoke your proxy and change your vote at any time before the polls close at the meeting by:

- signing another proxy with a later date;
- voting by telephone or on the Internet -- your latest telephone or Internet vote will be counted;
- giving written notice of the revocation of your proxy to the Secretary of Sound Financial Bancorp, Inc. prior to the annual meeting; or
- voting in person at the annual meeting. Attendance at the annual meeting will not in and of itself constitute revocation of your proxy.

If you have instructed a broker, bank or other nominee to vote your shares, you must follow directions received from your nominee to change those instructions.

What if I do not specify how my shares are to be voted?

If you submit a proxy by Internet, phone or mail but do not indicate any voting instructions, your shares will be voted:

- FOR the election of the director nominees to the Company's Board of Directors; and
- FOR the ratification of the appointment of Moss Adams, LLP as the Company's independent registered public accounting firm.

What if my shares are held in "street name" by a broker?

If your shares are held in "street name" by a broker, your broker is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker nevertheless will be entitled to vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to any "non discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes." Whether an item is discretionary is determined by the exchange rules governing your broker. The election of directors is a non-discretionary item and the ratification of the independent registered public accounting firm is a discretionary item under applicable rules. Your broker will forward information to you indicating how you can forward voting instructions and whether you can forward them by Internet, phone or mail.

What if my shares are held in Sound Financial Bancorp's employee stock ownership plan?

If you participate in the Sound Financial Bancorp Employee Stock Ownership Plan (the "ESOP") you will receive a voting instruction form that reflects all shares you may direct the trustees to vote on your behalf under the plan. Under the terms of the ESOP, each participant instructs the trustee of the plan how to vote the shares of common stock allocated to his or her account. If a participant properly executes the voting instruction card distributed by the trustee, the trustee will vote the participant's shares in accordance with the instructions. Where properly executed voting instruction cards are returned to the trustee with no specific instruction as to how to vote at the annual meeting, the trustee will vote the shares "FOR" each of the proposal's set forth in this proxy statement. If a participant fails to give timely voting instructions to the trustee with respect to the voting of the common stock that is allocated to his or her ESOP account, the trustee will vote such shares "FOR" each of the proposal set forth in this proxy statement. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Sound Financial Bancorp common stock held by the ESOP in the same proportion as shares for which it has received timely voting instructions.

How does the Board of Directors recommend I vote on the proposals?

Your Board of Directors recommends that you vote:

- FOR the election of the director nominees to the Company's Board of Directors; and
- FOR the ratification of the appointment of Moss Adams, LLP as the Company's independent registered public accounting firm.

On January 27, 2014, each non-employee director was awarded 2,410 shares of Company common stock, with 20% of the award (482 shares) vesting immediately and the remainder of the award (1,928 shares) vesting in four equal annual installments commencing on January 27, 2015. Amounts reported in this column represent the aggregate grant date fair value of the January 2014 restricted stock awards computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation— Stock Compensation ("FASB ASC Topic 718"). The grant date fair value amount is based on the per share closing price of the Company's common stock on the date the award was made of \$16.85. As of December 31, 2014, each named director held 1,928 shares of restricted common stock which vest in four equal annual installments on January 27, 2015, 2016, 2017 and 2018. On January 27, 2014, each non-employee director was awarded an option to purchase 6,025 shares of Company common stock at an exercise price equal to the fair market value of the Company's common stock on the grant date with vesting to occur in five equal annual installments commencing on January 27, 2015. Amounts reported in this column reflect the aggregate grant date fair value of the 2014 stock option awards computed in accordance with FASB ASC Topic 718. The assumptions used in calculating these amounts are included in Note 13 to the Consolidated Financial Statements contained in the Company's 2014 Annual Report on Form 10-K filed with the SEC on March 31, 2015. As of December 31, 2014, each director listed in the table held options to purchase 9,271 shares of Company common stock, of which options to purchase 3,246 shares were vested and options to purchase 6,025 shares are scheduled to vest in five equal annual installments on January 27, 2015, 2016, 2017, 2018 and 2019.
- (2) Dividends paid to the directors during 2014 on the restricted shares of Company common stock.
- (3) Mr. McMullen's retired from the Board of Directors effective as of the May 2014 Annual Meeting of Shareholders.
- (4) Mrs. Cook was appointed to the Board of Directors in March 2015.

With respect to the restricted stock and options discussed in the footnotes above, vesting accelerates in the event of the director's death or disability or a change in control of Sound Financial Bancorp or Sound Community Bank. In the event of a termination of service, all non-vested awards would be canceled and the exercise period on the remaining unexercised option awards would be reduced to three months.

Directors are provided or reimbursed for travel and lodging and other customary out-of-pocket expenses incurred in attending out-of-town board and committee meetings, industry conferences and continuing education seminars up to \$3,500 per year, per director. Any incremental spousal costs in connection with those meetings, conferences and seminars are paid for by the directors personally. Sound Community Bank also pays the premiums on directors' and officers' liability insurance.

#### BOARD OF DIRECTORS' MEETINGS AND COMMITTEES AND CORPORATE GOVERNANCE MATTERS

##### Director Independence

The Board applies the independence standard in the Nasdaq listing standards to its directors. The Board has determined that six of our seven directors, Directors Myers, Haddad, Carney, Jones, Riojas and Sweeney, are "independent directors" as that term is defined in the those Nasdaq standards. The Board of Directors has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.

In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management.

Corporate Governance

Board Leadership Structure. The Board has placed the responsibilities of Chairman with an independent nonexecutive member of the Board which we believe provides better accountability between the Board and our management team. We believe it is beneficial to have an independent Chairman whose sole responsibility to us is leading our Board members as they provide leadership to our executive team. Our Chairman is responsible for providing leadership to the Board and facilitating communication among the directors; setting the Board meeting agendas in consultation with the President and CEO; and presiding at Board meetings and executive sessions. This delineation of duties allows the President and CEO to focus her attention on managing the day-to-day business of Sound Community Bank. We believe this structure provides strong leadership for our Board, while positioning our President and CEO as the leader of the company in the eyes of our customers, employees and other stakeholders.

**Board Role in Risk Oversight.** The Board of Directors is responsible for consideration and oversight of risks facing Sound Financial Bancorp, and is responsible for ensuring that material risks are identified and managed appropriately. The Audit Committee meets quarterly, or more frequently as needed, with management in order to review our major financial risk exposures and the steps management is taking to monitor and control such exposures. Directors also serve on various committees that focus on major areas of risk in Sound Financial Bancorp and Sound Community Bank that include but are not limited to loans and compensation. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee reports to the full Board of Directors. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee reports to the full Board of Directors.

**Board Meetings and Committees.** Meetings of Sound Financial Bancorp's Board of Directors are generally held on a quarterly basis. The membership of Sound Community Bank's Board of Directors is identical to Sound Financial Bancorp's Board of Directors. Meetings of Sound Community Bank's Board of Directors are generally held on a monthly basis. For the fiscal year ended December 31, 2014, the Board of Directors of Sound Financial Bancorp held four regular meetings and no special meetings, and the Board of Directors of Sound Community Bank held 12 regular meetings and no special meetings. During fiscal year 2014, no incumbent director attended fewer than 75% in the aggregate of the total number of meetings of each Board and the total number of meetings held by the committees of each Board on which committees he or she served.

The Board of Directors of Sound Financial Bancorp has standing Compensation, Audit and Nominating committees. Information regarding the functions of the Board's committees, their present membership and the number of meetings held by each committee for the year ended December 31, 2014, is set forth below:

**Compensation Committee.** The Compensation Committee operates under a formal written charter adopted by the Board of Directors. The Compensation Committee is responsible for: (i) determining and evaluating the compensation of the Chief Executive Officer and other executive officers; (ii) reviewing and monitoring existing compensation plans, policies and programs and recommending changes to the goals and objectives of these plans, policies and programs to the entire Board; and (iii) reviewing and recommending new compensation plans, policies and programs. The Compensation Committee also recommends to the Board of Directors any changes in the compensation structure for non-employee directors. The Compensation Committee does not designate its authority to any one of its members or any other person, however, Ms. Stewart does make recommendations to the Committee for all compensation, except her own.

The Compensation Committee is comprised of Directors Haddad (chair), Myers and Sweeney, each of whom is "independent" as that term is defined for compensation committee members in the Nasdaq Rules. The Compensation Committee is scheduled to meet at least once a year and on an as-needed basis. The Compensation Committee met four times during 2014.

**Audit Committee.** The Audit Committee operates under a formal written charter adopted by the Board of Directors. The Audit Committee is appointed by the Board of Directors to provide assistance to the Board in fulfilling its oversight responsibility relating to the integrity of our consolidated financial statements and the financial reporting processes, the systems of internal accounting and financial controls, compliance with legal and regulatory requirements, the annual independent audit of our consolidated financial statements, the independent auditors qualifications and independence, the performance of our internal audit function and independent auditors and any other areas of potential financial risk to Sound Financial Bancorp specified by its Board of Directors. The Audit Committee also is responsible for the appointment, retention and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by the independent auditors.

The current members of the Audit Committee are Directors Riojas (chair), Haddad and Jones. All members of the Audit Committee, in addition to being independent as defined under Rule 4200 (a)(15) of the NASDAQ Marketplace Rules, (i) meet the criteria for independence set forth in Section 10A(m)(3) of the Securities Exchange Act of 1934 and (ii) are able to read and understand fundamental financial statements, including our balance sheet, income statement, and cash flow statement. Additionally, Debra Jones has had past employment experience in finance or accounting and/or requisite professional certification in accounting that results in her financial sophistication. The Board of Directors has determined that Ms. Jones meets the requirements adopted by the SEC for qualification as an "audit committee financial expert." During 2014, the Audit Committee held five meetings.

Nominating Committee. Our Nominating Committee is comprised of Directors Myers (chair), Jones, and Sweeney, each of whom is "independent" as that term is defined for compensation committee members in the Nasdaq Rules. The Nominating Committee is scheduled to meet at least once a year and on an as-needed basis. The Nominating Committee met two times during 2014. The Nominating Committee operates under a formal written charter adopted by the Board of Directors. The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Nominating Committee. The nominees for election at the meeting identified in this document were recommended to the Board by the Nominating Committee. The Nominating Committee has the following responsibilities under its charter:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;  
recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in the our charter and bylaws relating to the nomination or appointment of directors, based on the following criteria: (i) business experience, education, integrity, reputation, independence, conflicts of interest, diversity, and age; (ii) number of other directorships and commitments (including charitable obligations); (iii) tenure on the Board; (iv) attendance at Board and committee meetings; (v) stock ownership;
- (ii) (vi) specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy); (vii) residency and a commitment to the Company's communities and shared values; and (viii) overall experience in the context of the needs of the Board as a whole. As a general rule, it is the desire of the Board of Directors that directors shall live and/or work in the communities served by the Company's subsidiary bank;
- (iii) consider and evaluate nominations from shareholders using the same criteria as all other nominations;
- (iv) annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- (v) perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Pursuant to the Company's bylaws, no person 75 years of age or older is eligible for election, re-election, appointment or re-appointment to the Company's Board of Directors. No director who has attained the age of 75 shall continue to serve as a director beyond the annual meeting of shareholders at which his or her term as a director expires.

Nominations of persons for election to the Board of Directors may be made only by or at the direction of the Board of Directors or by any stockholder entitled to vote for the election of directors who complies with the notice procedures. Pursuant to the Company's bylaws, nominations for directors by shareholders must be made in writing and received by the Secretary of the Company at the Company's principal executive offices no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. If, however, less than 100 days' notice or public announcement of the date of the meeting is given or made to shareholders, nominations must be received by the Company not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or otherwise transmitted or the day on which public announcement of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in the Company's bylaws.

This description is a summary of our nominating process. Any shareholder wishing to propose a director candidate to the Company should review and must comply in full with the procedures set forth in the Company's charter and bylaws.

**Stock Ownership Guidelines.** The Board of Directors believes the alignment of directors' interests with those of shareholders is strengthened when Board members are also shareholders. Under the Company's stock ownership guidelines, adopted by the Company's Board of Directors in June 2014, outside (non-employee) directors of the Company or its wholly-owned operating subsidiary, Sound Community Bank, are expected to own Sound Financial Bancorp common stock equal in value to at least \$50,000 within the later of (i) one year from the adoption of these guidelines or (ii) two years of joining the Board (of which \$10,000 should be owned within the first year of joining the Board). Share ownership for purposes of calculating compliance with these ownership guidelines do not include a director's unexercised stock options and or any shares of Company common stock that are pledged or otherwise encumbered. As of the date of this proxy statement, all of our current non-employee directors meet the stock ownership threshold.

**Communications with Directors.** Any shareholder desiring to communicate with the Board of Directors, or one or more specific members thereof, should communicate in writing addressed to Tyler K. Myers, Chairman of the Board of the Company, 2005 Fifth Avenue, Suite 200, Seattle, Washington, 98121.

**Attendance Policy at Annual Meetings.** Although we do not have a formal policy regarding director attendance at annual shareholder meetings, directors are expected to attend these meetings. Seven of our eight directors were in attendance at last year's annual shareholder meeting.

**Committee Charters.** The charters of the Audit, Compensation and Nominating Committees are posted on our website at [www.soundcb.com](http://www.soundcb.com) under "Investor Relations – Governance Documents."

#### TRANSACTIONS WITH CERTAIN RELATED PERSONS

We may engage in a transaction or series of transactions with our directors, executive officers and certain persons related to them. Except for the loans discussed below, there were no transactions of this nature, the amount of which exceeded \$120,000 during 2014 or 2013.

Our directors, officers and employees are eligible for any type of credit offered by Sound Community Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. In accordance with banking regulations, such loans to directors are made on substantially the same terms as those available to Sound Community Bank's employees. Such loans provide for a discount as to interest rate, consistent with the requirements of the Federal Reserve Board's Regulation O. When the director or executive officer leaves Sound Community Bank, these preferential rates return to market rates and terms in effect at the time of origination. Except as set forth above, loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as prevailing at the time for comparable loans with persons not related to Sound Community Bank, and do not involve more than the normal risk of collectability or present other unfavorable features. Loans to current directors and executive officers and their related persons totaled approximately \$2.6 million at December 31, 2014, and were performing in accordance with their terms at that date.

Set forth below is information regarding loans made with preferential interest rates, as prevailing at the time for comparable loans with persons not related to Sound Community Bank, to directors and executive officers during each of the last two fiscal years who had aggregate indebtedness to Sound Community Bank that exceeded \$120,000.

**Employment Agreements.** Sound Community Bank has entered into an employment agreement with Ms. Stewart, the term of which will expire on December 31, 2016. The amount of her annual salary is reviewed by the Compensation Committee each year. The employment agreement provides for no salary reductions; participation in any stock-based compensation plans; supplemental executive retirement plan approved by the Board of Directors; and participation in any other retirement plans, group insurance and other benefits provided to our full time employees generally and in which executive officers participate. Ms. Stewart also is entitled to expense reimbursement, professional and educational dues, expenses for programs related to our operations, including travel costs. Under the employment agreement, if Ms. Stewart's employment is terminated for any reason other than cause, death, retirement, or disability, or if she resigns following certain events such as relocation or demotion, she will be entitled to her salary for the remaining term of the agreement and continued eligibility under the health benefit programs for executive officers. Ms. Stewart's salary for 2015 is \$329,202. The value of compensation and benefits payable under the agreement is capped so as to prevent imposition of the golden parachute tax under Section 280G of the Internal Revenue Code.

Sound Community Bank has entered into an employment agreement with Mr. Deines, the term of which will expire on October 31, 2015. His annual salary is reviewed by the Compensation Committee each year. The employment agreement provides for no salary reductions, participation in any bonus plans approved by the Board of Directors and participation in any other retirement plans, group insurance and other benefits provided to our full time employees generally and in which executive officers participate. Mr. Deines also is entitled to expense reimbursement, professional and educational dues, expenses for programs related to Sound Community Bank operations, including travel costs. Under the employment agreement, if Mr. Deines' employment is terminated for any reason other than cause, death, retirement, or disability, or if he resigns following certain events such as relocation or demotion, he will be entitled to his then-current salary for the remaining term of the agreement and continued eligibility under the health and insurance benefit programs for executive officers. Mr. Deines' annual salary for 2015 is \$183,875. The employment agreement includes an agreement not to compete with us in the delivery of financial services for the period during which the officer receives post-termination payments under the agreement. In the event the executive violates the non-compete provisions in the agreement, we will be entitled to liquidated damages from the executive in an amount equal to 50 percent of the executive's then annual base salary. The value of compensation and benefits payable under the agreement is capped so as to prevent imposition of the golden parachute tax under Section 280G of the Internal Revenue Code.

**Annual Bonus Plans.** Our named executive officers participate in an annual incentive bonus plan ("Annual Bonus Plan"), which provides for annual cash bonuses to designated senior managers, including all the named executive officers, upon the achievement of pre-established performance goals established by the Board of Directors. Under the Annual Bonus Plan, prior to the earnings override adjustment discussed below, Ms. Stewart, Mr. Deines, Ms. Nielsen and Mr. Moran are entitled to receive a bonus of up to 33%, 33%, 10% and 30%, respectively, of their base salary, depending on how actual performance compares with quantitative and qualitative performance goals established by the Compensation Committee. The performance goals under the Annual Bonus Plan are the same for all participants and are based on overall corporate performance. The quantitative goals include performance factors relating to asset size, capital level, delinquency ratio, return on assets and equity, levels of non-interest income and non-interest expense, net interest margin, charge-offs and the size of the loan portfolio. The qualitative goals are non-financial corporate goals that require leadership of senior management and are ranked based on their relative importance to our operations. Participants earn credits for the quantitative factors, based on the level of importance assigned to each factor and the actual level of performance compared to the targeted goals set for each factor. Participants also earn credits for accomplishing the qualitative goals established by the Compensation Committee. Ms. Stewart's bonus is based 50% on meeting qualitative goals and 50% on meeting quantitative goals, while Mr. Deines' Ms. Nielsen's and Mr. Moran's bonuses are based 40% on meeting qualitative goals and 60% on meeting quantitative goals. Each individual's bonus is also subject to an earnings override adjustment, based on a target net earnings level established by the Board of Directors. An individual's bonus, if earned, is increased or decreased, up to a maximum of 50%, by the percentage that actual net income is above or below the targeted net income set by the Board of Directors. As a result of the earnings override adjustment, Ms. Stewart's, Mr. Deines' Ms. Nielsen's and Mr. Moran's bonus under the

Annual Bonus Plan may be as much as 49.5%, 49.5%, 15.0% and 45.0%, respectively, of their base salary. For the year ended December 31, 2014, Ms. Stewart, Mr. Deines, Ms. Nielsen and Mr. Moran earned bonuses of 31.80%, 31.49%, 9.54% and 21.47% of base salary, respectively. These percentages were arrived at based on Ms. Stewart, Mr. Deines, Ms. Nielsen and Mr. Moran earning 95.31%, 94.38%, 94.38% and 94.38%, respectively, of their bonus credits available under the plan for the year, which percentages were adjusted upward by 1.10% as a result of the earnings override adjustment. Mr. Moran, who separated from service with the Bank in October 2014, received 75% of his annual incentive bonus pursuant to the terms of his separation agreement with the Bank.

Supplemental Executive Retirement Plans. Effective August 14, 2007, the Board of Directors adopted a supplemental executive retirement plan ("SERP 1") for the benefit of Ms. Stewart, which is intended to be an unfunded, non-contributory defined benefit plan maintained primarily to provide her with supplemental retirement income of \$121,307 per year from age 66, for the rest of her life. Effective December 31, 2011, SERP 1 was amended to freeze benefit accruals under that agreement, entitling Ms. Stewart to \$53,320 per year from age 66, for the rest of her life. These payments are subject to a non-compete clause for the first 24 months after retirement. If Ms. Stewart voluntarily terminates her employment with Sound Community Bank before age 66, she receives no benefit under SERP 1. Additionally, no payments will be made under SERP 1 in the event of Ms. Stewart's death and any payments that have commenced will cease upon death. In the event Ms. Stewart becomes disabled or is involuntarily terminated prior to age 66, she would be entitled to receive a lump sum payment equal to the accrued liability under SERP 1. The accrued liability balance under SERP 1 totaled \$452,905 at December 31, 2014. If Ms. Stewart is involuntarily terminated after age 66 or at any time in connection with a change in control (as defined in SERP 1), she will be entitled to receive the annual benefit described in the second sentence of this paragraph commencing upon such termination (subject to any applicable cutback for payments after a change in control as required by Section 280G of the Internal Revenue Code). If Ms. Stewart is terminated for cause at any time during her employment with Sound Community Bank, she forfeits any and all rights and benefits she may have under the terms of SERP 1 and shall have no right to be paid any of the amounts which would otherwise be due or paid under SERP 1.

Simultaneously with the amendment to SERP 1, we adopted a second SERP ("SERP 2") for the benefit of Ms. Stewart, which is intended to be an unfunded, non-contributory defined benefit plan maintained primarily to provide her with additional supplemental retirement income. At that time, we also entered into a Confidentiality, Non-Competition, and Non-Solicitation Agreement, which is discussed below. Under the terms of SERP 2, upon Ms. Stewart's termination of employment with Sound Community Bank for any reason other than death after age 65, she will be entitled to receive additional retirement benefits of \$78,521 per year commencing at age 70, for the rest of her life. If Ms. Stewart's employment terminates for any reason other than on account of death prior to attaining age 65, or becomes disabled (as defined by SERP 2) during her employment, she will be entitled to the amount accrued for her benefit under the terms of SERP 2 at the time of her separation from service, or disability, determined using a discount rate provided for under SERP 2 (initially 5 percent), or approximately \$304,972 at December 31, 2014. In the event of Ms. Stewart's death, her beneficiary will be entitled to a single lump sum payment within 90 days thereafter in an amount equal to the account value as of the death benefit valuation date, or approximately \$757,877 at December 31, 2014. The benefit payable in connection with Ms. Stewart's early retirement or disability will commence as of the second month following the date of her separation from service or disability and will be payable for 180 months. If a change in control occurs (as defined in SERP 2), Ms. Stewart will receive her full retirement benefit under SERP 2, except that the benefit will commence upon her attaining age 65.

Confidentiality, Non-Competition, and Non-Solicitation Agreement. Effective December 30, 2011, Sound Community Bank entered into a Confidentiality, Non-Competition, and Non-Solicitation Agreement with Ms. Stewart. The agreement commences upon Ms. Stewart's termination of employment with us and continues for 36 months thereafter. For that 36-month period, subject to certain tolling provisions that apply in the event of a breach of the agreement, Ms. Stewart will be subject to the confidentiality, non-competition, and non-solicitation provisions in the agreement. In consideration of Ms. Stewart's non-competition and non-solicitation obligations, Ms. Stewart will be entitled to receive \$81,369 annually for three years, payable twice a month, following her termination of employment with us, except if her termination of employment occurs for good reason (as defined in the agreement). In the event Ms. Stewart terminates her employment with us for good reason, she will be entitled to receive an amount equal to 150 percent of her then-base salary plus the average of her past three years short term bonus pay, or approximately \$610,446 at December 31, 2014, payable in 12 monthly installments beginning on the first day of the month following her termination. If Ms. Stewart terminates her employment with us for good reason within 24 months following a change in control (as defined in the agreement), Ms. Stewart will be entitled to receive the amount described in the preceding sentence, but payable in a lump sum. Ms. Stewart's benefits under this agreement are forfeited if she breaches the terms of the agreement. No payments will be made under the agreement if Ms. Stewart's employment ceases on account of her disability or death (and payments that have commenced will cease upon death), or if she is otherwise ineligible to work in the financial product or services industry.

**Change in Control Agreement.** Pursuant to the terms of the change in control agreement by and among the Company, the Bank and Mr. Deines, Mr. Deines is entitled to receive a cash payment equal to twenty-four (24) months of his then current salary if his employment with the Company or the Bank is involuntary terminated within six months preceding or 12 months after a change of control (as defined in the agreement). The change of control agreements also provide that the Company shall maintain substantially the same health and other benefits available to Mr. Deines in effect immediately prior to such termination, at no additional cost to him, for a period ending at the earlier of (i) eighteen (18) months after the effective date of his termination or (ii) the date of his full time employment by another employer that provides substantially the same health and other benefits. The foregoing payments would be in lieu of any amounts owed to Mr. Deines under his existing employment agreement (described above) with the Bank. Additionally, in the event Mr. Deines is entitled to payment under the change of control agreement, then the non-competition provision contained in his employment agreement with the Bank will be null and void and of no force and effect. The above payments that would be made in connection with a change of control are subject to cut-back to the extent the payments would result in either the loss of a tax deduction to the Company or the imposition of a penalty tax on Mr. Deines. The change of control agreement remains in effect until canceled by either party, upon at least 12 months prior written notice to the other party.

**Equity Incentive Plans.** We maintain equity incentive plans that provide for the grant or award of stock options, stock appreciation rights, restricted stock and restricted stock units to our directors, advisory directors, officers and other employees. The Compensation Committee administers the plans, determines employee eligibility, grants awards and sets the terms of awards. Awards are discretionary and are based on an assessment of the participant's position, years of service, and contribution to our success and growth. The exercise price of options awarded must be no less than the fair market value of a share of Sound Financial Bancorp's common stock on the date of grant. Restricted stock awards and options granted pursuant to the Company's equity incentive plans generally (i) are subject to a vesting period and (ii) accelerate vesting in the event of the participant's death or disability or a change in control of Sound Financial Bancorp or Sound Community Bank. In the event of a termination of service, other than in connection with death, disability or a change in control, all non-vested awards typically would be canceled.

In January 2014, the Compensation Committee granted awards of stock and options under the Company's 2012 Equity Incentive Plan to directors and executive officers of the Company and the Bank. The stock awards granted in January 2014 vested 20% of the stock award immediately, with the remainder of the award vesting in four equal annual installments commencing on January 23, 2015. The option awards granted in January 2014, were granted with an exercise price equal to the fair market value of the Company's common stock on the date of grant, with vesting to occur in five equal annual installments commencing on January 23, 2015. The vesting of these awards accelerate in the event of the recipient's death or disability or in connection with a change in control of Sound Financial Bancorp or Sound Community Bank. Except as set forth in the preceding sentence, in the event of the recipient's termination of service as an officer or a director, as the case may be, all non-vested awards would be canceled and the exercise period on the any vested but unexercised option awards would be reduced to three months.
