2017 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

This Proxy Statement and the enclosed form of proxy are solicited on behalf of Boot Barn Holdings, Inc., a Delaware corporation, by our board of directors for use at the 2017 Annual Meeting of Stockholders, (referred to as the “Annual Meeting”) and any postponements or adjournments thereof. The Annual Meeting will be held at Boot Barn Holdings, Inc., 15345 Barranca Pkwy., Irvine, California 92618, on Wednesday, August 30, 2017, at 11:30 a.m. local time.

Internet Availability of Proxy Materials

In accordance with rules adopted by the Securities and Exchange Commission (referred to as the “SEC”) that allow companies to furnish their proxy materials over the Internet, we are mailing a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy statement and our 2017 Annual Report to most of our stockholders. The Notice of Internet Availability of Proxy Materials contains instructions on how to access those documents and vote over the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to request a paper copy of our proxy materials, including our proxy statement, our 2017 Annual Report, and a form of proxy card. We believe this process will allow us to provide our stockholders the information they need in a more timely manner, while reducing the environmental impact and lowering our costs of printing and delivering the proxy materials.

These proxy solicitation materials are being first released on or about July 20, 2017 to all stockholders entitled to vote at the meeting.

Record Date

Stockholders of record at the close of business on July 5, 2017, which we have set as the record date, are entitled to notice of and to vote at the meeting.

Number of Outstanding Shares

On the record date, there were 26,592,127 outstanding shares of our common stock, par value \$0.0001 per share.

Requirements for a Quorum

The holders of a majority of the issued and outstanding shares of common stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Each stockholder voting at the meeting, either in person or by proxy, may cast one vote per share of common stock held on all matters to be voted on at the meeting.

Votes Required for Each Proposal

Assuming that a quorum is present, directors shall be elected by a plurality of the votes cast by shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. Therefore, the seven nominees

Table of Contents

who receive the greatest number of affirmative votes cast shall be elected as directors. We do not have cumulative voting rights for the election of directors.

The proposal to ratify Deloitte & Touche LLP as the independent registered public accounting firm of our Company for the fiscal year ending March 31, 2018 shall be decided by the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote thereon.

The proposal to approve the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives shall be decided by the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote thereon.

The vote on each matter submitted to stockholders is tabulated separately. ComputerShare Trust Company, N.A., or a representative thereof, will tabulate the votes.

Our Board's Recommendation for Each Proposal

Our board of directors recommends that you vote your shares:

- “FOR” each director nominee;
- “FOR” the ratification of Deloitte & Touche LLP as the independent registered public accounting firm of our Company for the fiscal year ending March 31, 2018; and
- “FOR” the approval of the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives.

Voting Instructions

You may vote your shares by proxy by doing any one of the following: vote via the Internet at www.envisionreports.com/BOOT; call 1 800 652 VOTE (8683) to vote by telephone; or sign, date and return your proxy or voting instruction card in the prepaid enclosed envelope to vote by mail. When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed.

If a proxy card is properly executed and returned and no voting specification is indicated, the shares will be voted (1) “for” the election of each of the seven nominees for director set forth in this proxy statement, (2) “for” the proposal to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of our Company for the fiscal year ending March 31, 2018, (3) “for” the approval of the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives, and (4) as the persons specified in the proxy deem advisable in their discretion on such other matters as may come before the meeting. As of the date of this proxy statement, we have received no notice of any such other matters.

If you attend the Annual Meeting, you may vote in person even if you have previously voted via the Internet or by phone or returned a proxy or voting instruction card by mail, and your in person vote will supersede any vote previously cast.

Broker Non Votes and Abstentions

If you are a beneficial owner of shares held in “street name” and do not provide the broker, bank, or other nominee that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on

non routine matters. If the broker, bank, or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is commonly referred to as a “broker non vote.”

The election of directors (“Proposal 1”) is a matter considered non routine under applicable rules. Therefore, a broker, bank, or other nominee cannot vote without your instructions on Proposal 1; as a result, there may be broker non votes on Proposal 1. For your vote to be counted in the above proposal, you will need to communicate your voting

Table of Contents

decisions to your broker, bank, or other nominee before the date of the meeting using the voting instruction form provided by your broker, bank, or other nominee.

The ratification of appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2018 (“Proposal 2”) is a matter considered routine under applicable rules. A broker, bank, or other nominee may generally vote on routine matters, and therefore no broker non votes are expected to exist in connection with Proposal 2.

The approval of the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives (“Proposal 3”) is a matter considered non routine under applicable rules. Therefore, a broker, bank, or other nominee cannot vote without your instructions on Proposal 3; as a result, there may be broker non votes on Proposal 3. For your vote to be counted in the above proposal, you will need to communicate your voting decisions to your broker, bank, or other nominee before the date of the meeting using the voting instruction form provided by your broker, bank, or other nominee.

Broker non votes and abstentions each are counted for determining the presence of a quorum. The election of directors requires a plurality of votes cast. Neither broker non votes nor any withhold votes in the election of directors will have any effect thereon. With respect to the proposal to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of our Company for the fiscal year ending March 31, 2018, because they represent shares present and entitled to vote that are not voted in favor of such proposal, abstentions have the same effect as votes “against” such proposal. With respect to the proposal to approve the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives, because they do not represent shares present and entitled to vote on such proposal, broker non-votes will have no effect on such proposal, and because they represent shares present and entitled to vote that are not voted in favor of such proposal, abstentions will have the same effect as votes “against” such proposal.

Revoking Proxies

Any stockholder giving a proxy may revoke the proxy at any time before its use by furnishing to us either a written notice of revocation or a duly executed proxy (via internet, telephone or mail) bearing a later date, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

Election Inspector

We have engaged ComputerShare Trust Company, N.A. to be the election inspector. Votes cast by proxy or in person at the meeting will be tabulated by such election inspector, who will determine whether a quorum is present. The election inspector will treat broker non votes and abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, and as described in the “Broker Non Votes and Abstentions” section of this proxy statement for purposes of determining the approval of any matter submitted to stockholders for a vote.

Voting Results

The final voting results from the Annual Meeting will be included in a Current Report on Form 8 K to be filed with the SEC within four business days of the Annual Meeting.

Costs of Solicitation of Proxies

We will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e mail,

without additional compensation. We do not expect to engage or pay any compensation to a third party proxy solicitor.

Householding

We have adopted a procedure called “householding,” which has been approved by the SEC. Under this procedure, certain stockholders of record who have the same address and last name, and who do not participate in electronic delivery of

Table of Contents

proxy materials, will receive only one copy of our Notice of Internet Availability of Proxy Materials, and as applicable, any additional proxy materials that are delivered. A separate proxy card for each stockholder of record will be included in the printed materials. This procedure reduces our printing costs, mailing costs and fees. Upon written request, we will promptly deliver a separate copy of the Notice or, if applicable, the printed proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice or Annual Report or, if applicable, the printed proxy materials, please notify us by sending a written request to our Corporate Secretary at 15345 Barranca Pkwy., Irvine, California 92618. Street name stockholders may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Board Structure

Currently our board of directors consists of seven directors. Our amended and restated bylaws provide that our board of directors will consist of the number of directors that our board of directors may determine from time to time, up to a maximum of nine directors. Our board of directors has determined that Mr. Bettinelli, Mr. Brutocao, Mr. Johnson, Ms. Morris, Mr. Simmons and Mr. Starrett are currently independent for the purpose of serving on our board of directors under the independence standards promulgated by the NYSE.

Board Leadership Structure

Our board of directors has no policy with respect to the separation of the offices of Chief Executive Officer and Chairman of the Board. It is the board's view that rather than having a rigid policy, the board, with the advice and assistance of the nominating and corporate governance committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether to institute a formal policy. Currently, our leadership structure separates these roles, with Mr. Starrett serving as our Chairman of the Board and Mr. Conroy serving as our President and Chief Executive Officer. Our board believes that separating these roles provides the appropriate balance between strategy development, flow of information between management and the board of directors, and oversight of management. By segregating the roles of the Chairman and the Chief Executive Officer, we reduce any duplication of effort between the Chief Executive Officer and the Chairman. We believe this provides guidance for our board of directors, while also positioning our Chief Executive Officer as the leader of the Company in the eyes of our customers, employees, and other stakeholders. As Chairman, Mr. Starrett, among other responsibilities, presides over regularly scheduled meetings of the board, serves as a liaison between the directors, and performs such additional duties as our board of directors may otherwise determine and delegate. By having Mr. Starrett serve as Chairman of the Board, Mr. Conroy is better able to focus his attention on running our Company.

The Board's Role in Risk Oversight

Our board of directors is primarily responsible for overseeing our risk management processes. Our board, as a whole, determines the appropriate level of risk for our Company, assesses the specific risks that we face, and reviews management's strategies for adequately mitigating and managing the identified risks. Although our board administers this risk management oversight function, our audit committee supports our board in discharging its oversight duties and addresses risks inherent in its area.

Board Participation

Our board of directors held four meetings in fiscal 2017. During fiscal 2017, each of our directors attended 75% or more of all of the meetings of our board of directors and of the committees on which he or she serves. We regularly schedule executive sessions in which independent directors meet without the presence or participation of management.

We encourage our directors to attend each annual meeting of stockholders. All of our directors attended the 2016 annual meeting of stockholders in person (four) or by participating by telephone (three).

Board Committees

Our board of directors has the authority to appoint committees to perform certain management and administration functions. Our board of directors has an audit committee, a compensation committee, and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. Members will serve on these committees until their resignation or until otherwise determined by the board of directors.

Audit Committee

Our audit committee provides oversight of our accounting and financial reporting process, the audit of our financial statements and our internal control function. Among other matters, the audit committee is responsible for the following:

- assisting the board of directors in oversight of our independent registered public accounting firm's qualifications, independence and performance;

- the engagement, retention, oversight, evaluation and compensation of our independent registered public accounting firm;
- reviewing the scope of the annual audit;

Compensation Committee

Our compensation committee adopts, administers and reviews the compensation policies, plans and benefit programs for our executive officers and all other members of our executive team. Among other matters, the compensation committee is responsible for the following:

Nominating and Corporate Governance Committee

Our corporate governance and nominating committee is responsible for, among other things, making recommendations regarding corporate governance, the composition of our board of directors, identification, evaluation and nomination of director candidates and the structure and composition of committees of our board of directors. Among other matters, the nominating and corporate governance committee is responsible for the following:

- identifying individuals qualified to become board members;
- overseeing our corporate governance guidelines;
- approving our committee charters;
- overseeing compliance with our code of business conduct and ethics;
- contributing to succession planning;
- reviewing actual and potential conflicts of interest of our directors and officers;
- overseeing the management evaluation process;
- overseeing the board self evaluation process; and
- reviewing the performance of the nominating and corporate governance committee, including compliance with its charter.

Our nominating and corporate governance committee is comprised of Christian B. Johnson, the chair of the committee, Brad J. Brutocao and Brenda I. Morris. reflecting ethnic background, gender and professional experience, and the extent to which the nominee would fill a present need on our board of directors.

Board Diversity

While we do not have a formal policy outlining the diversity standards to be considered when evaluating director candidates, our objective is to foster diversity of thought on our board of directors. To accomplish that objective, the nominating and corporate governance committee considers ethnic and gender diversity, as well as differences in perspective, professional experience, education, skill, and other qualities in the context of the needs of our board of directors. Nominees are not to be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability, or any other basis prohibited by law. The nominating and corporate governance committee evaluates its effectiveness in achieving diversity on the board of directors through its annual review of board member composition.

Availability of Corporate Governance Information

Our board of directors has adopted charters for our audit, compensation, and nominating and corporate governance committees describing the authority and responsibilities delegated to the committee by our board of directors. Our board of directors has also adopted corporate governance guidelines and a code of business conduct and ethics that applies to all of our employees, including our executive officers and directors, and those employees responsible for financial reporting. As required under the applicable rules and regulations of the SEC and the NYSE, our code of business conduct and ethics addresses, among other things, conflicts of interest, public disclosure, corporate opportunities, confidentiality, fair dealing, protection and proper use of listed Company assets, compliance with laws, rules and regulations, whistleblowing and enforcement provisions. Any waiver of our code of business conduct and ethics with regard to a director or executive officer may only be authorized by our board of directors or the audit committee. We intend to disclose any amendments to the code, or any waivers of its requirements, on our website to the extent required by applicable SEC or NYSE rules. DIRECTOR COMPENSATION

In connection with our initial public offering in October 2014, our board of directors approved a compensation policy for our directors who are not our employees and who are not affiliated with Freeman Spogli & Co. (“Outside Directors”). Under this policy, Outside Directors receive an annual cash retainer of \$40,000, payable quarterly, and reimbursement of expenses relating to attendance at board and board committee meetings. In addition, the chairperson of our board of directors, if an Outside Director, receives an additional annual cash retainer of \$25,000 and the chairperson of our audit committee, if an Outside Director, receives an additional annual cash retainer of \$15,000, payable quarterly.

In addition to the cash compensation discussed above, beginning in fiscal 2017, we have granted to our Outside Directors under our 2014 Equity Incentive Plan restricted shares of our common stock with a market value of \$50,000 (determined in May). These shares are subject to forfeiture provisions that lapse on the first anniversary of the date of grant subject to continued service as a member of our board of directors.

Our board of directors recognizes that stock ownership by directors may strengthen their commitment to the long term future of our Company and further align their interests with those of our stockholders. Accordingly, our Outside Directors are encouraged to own shares of our common stock (including shares owned outright, unvested shares, and stock options or other equity grants) having a value over time of at least three times their annual cash retainer until he/she leaves the board.

Salaries and non equity incentive awards

Our compensation committee assesses salary recommendations made by our senior management after reviewing those recommendations alongside our performance and financial condition for the fiscal year and carefully evaluating each executive officer's performance during the fiscal year, subject to the requirements set forth in any applicable employment agreement. Our compensation committee also establishes an annual incentive bonus program designed to reward our senior executives for achieving targeted amounts of a variation of Adjusted EBITDA (fiscal 2015 bonus) or Adjusted EBIT (fiscal 2016 and fiscal 2017 bonuses) set at the beginning of the fiscal year, as well as additional individual performance goals in the case of one of our senior executives. Regardless of any bonus criteria set forth in their employment agreements, our compensation committee, with the consent of Messrs. Conroy and Hackman, determined that the annual incentive bonus for fiscal 2017 for Messrs. Conroy and Hackman would be based entirely on the achievement of the variation of Adjusted EBIT target set by our compensation committee at the beginning of the fiscal year. If that target was achieved, Mr. Conroy and Mr. Hackman would be awarded bonuses equal to 100% and 50%, respectively, of their base salaries, and if that target were exceeded, then their bonuses would be increased, as a percentage of their base salary, on a sliding scale based on the amount by which the target was exceeded, up to 200% and 100%, respectively, of their base salaries. The annual incentive bonus for fiscal 2017 for Ms. Grijalva was based on the achievement of targets more closely related to individual performance, which consisted of a merchandise margin target, e-commerce sales target, and sales targets for our private brands, in addition to that variation of Adjusted EBIT target, in each case set by our compensation committee at the beginning of fiscal 2017. The aggregate of these four bonus components for Ms. Grijalva is a total target bonus amount of 40% of her base salary, and is paid only if the Adjusted EBIT target is met. In addition, if the Adjusted EBIT target was exceeded, then the portion of her bonus based on that target, or 20%, would be increased on a sliding scale based on the amount by which the target was exceeded, up to a maximum amount of 40% of her base salary. If the merchandise margin or private brand sales target was exceeded, then the portion of her bonus based on that target, in each case consisting of 7.5% of her base salary if the target was met, would be increased on a sliding scale based on the amount by which the target was exceeded, up to a maximum amount in each case of 15% of her base salary. Additionally, if the e-commerce sales target was exceeded, then the portion of her bonus based on that target, or 5%, would be increased on a sliding scale based on the amount by which the target was exceeded, up to a maximum amount of 10% of her base salary. No corresponding additional bonus was possible with respect to the bonus components, and therefore the maximum aggregate bonus available to Ms. Grijalva for fiscal 2017 was 80% of her base salary.

Based on the foregoing and fiscal 2017 results, Mr. Conroy, Mr. Hackman and Ms. Grijalva did not receive bonuses for fiscal 2017.

Employment agreements

The following descriptions of the employment agreements that we have entered into with Messrs. Conroy, Hackman and Ms. Grijalva are summaries only.

James G. Conroy

We entered into an employment agreement with Mr. Conroy on November 12, 2012, which was amended and restated as of April 17, 2015, pursuant to which Mr. Conroy serves as our President and Chief Executive Officer. Mr. Conroy's employment agreement has a term of three years, after which it will automatically renew each year for successive one year terms unless either party provides written notice of non renewal or his employment is otherwise terminated, in each case pursuant to the terms of his employment agreement.

Under his employment agreement, Mr. Conroy is entitled to a base salary of at least \$625,000 per year. Mr. Conroy's current base salary, as determined by the compensation committee on May 18, 2017 is \$715,000. He is eligible to

Table of Contents

participate in our annual incentive bonus program; provided however, that in connection with the adoption of Boot Barn Holdings, Inc.’s Cash Incentive Plan for Executives, Mr. Conroy agreed that his fiscal 2018 bonus would be subject to stockholder approval of such plan. Mr. Conroy is also entitled to participate in our health and welfare benefit plans that are generally available to our executives.

If we terminate Mr. Conroy’s employment without “Cause” or if he resigns for “Good Reason” (as those terms are defined in his employment agreement) or if we provide Mr. Conroy with notice of non renewal, Mr. Conroy is entitled to receive, subject to his execution of a valid release of claims, severance pay equal to his base salary for a period of 12 months, an amount equal to 75% of his base salary payable on the sixtieth day following his date of termination, and any accrued but unpaid bonus relating to the fiscal year ended prior to his termination that would have been paid if he had remained employed as of the scheduled payment date for such bonus (the “Accrued Bonus”). In addition, if he timely elects COBRA health benefits coverage, Mr. Conroy shall be entitled to receive up to 12 monthly payments, each equal to the portion of the premium paid by us for COBRA coverage for active senior executives immediately prior to the termination date (the “Health Severance”). If Mr. Conroy’s employment is terminated without Cause, or if he resigns for Good Reason or if we provide Mr. Conroy with notice of non renewal within one year following, or three months preceding, a “Change of Control” (as such term is defined in his employment agreement), Mr. Conroy is entitled to receive the Health Severance and, subject to his execution of a valid release of claims and in lieu of the severance benefits described above, severance pay equal to his base salary for a period of 24 months, an amount equal to 150% of his base salary payable on the sixtieth day following his date of termination, and any Accrued Bonus. In addition, all of his unvested equity awards will immediately vest on his date of termination and become exercisable in accordance with their terms (“Accelerated Vesting”). If any amounts payable to Mr. Conroy pursuant to the Amended Agreement, taken together with any amounts or benefits otherwise payable to him by us and any other person or entity required to be aggregated with us for purposes of Section 280G of the Code, under any other plan, agreement, or arrangement (the “Covered Payments”), would be an “excess parachute payment” as defined in Section 280G of the Code and subject Mr. Conroy to the excise tax imposed under Section 4999 of the Code, and Mr. Conroy would receive a greater net after tax benefit by limiting the amount of such Covered Payments, then his employment agreement requires us to reduce the aggregate value of all Covered Payments to an amount equal to 2.99 times Mr. Conroy’s average annual compensation as calculated in accordance with Section 280G of the Code. If Mr. Conroy’s employment is terminated due to his death, his personal representatives or heirs are entitled to receive, subject to execution of a valid release of claims, Accelerated Vesting, if applicable.

Gregory V. Hackman

We entered into an employment agreement with Mr. Hackman on January 8, 2015 pursuant to which Mr. Hackman serves as our Chief Financial Officer. Mr. Hackman’s employment agreement had a term of one year, after which it automatically renews each year for successive one year terms unless either party provides written notice of non renewal or his employment is otherwise terminated, in each case pursuant to the terms of his employment agreement.

Under his employment agreement, Mr. Hackman is entitled to a base salary of at least \$325,000 per year. Mr. Hackman’s current base salary, as determined by the compensation committee on May 18, 2017 is \$339,668. REPORT OF THE AUDIT COMMITTEE

The board of directors has appointed an Audit Committee consisting of Brenda I. Morris, the chair of the committee, Peter Starrett and Greg Bettinelli. All of the members of the committee are “independent” directors, as defined under the applicable rules of the SEC and NYSE and meet the requirements for financial literacy under the applicable rules of the NYSE. Our board of directors has determined that Brenda I. Morris is an “audit committee financial expert” within the meaning of SEC regulations. In arriving at this determination, the board has examined each Audit Committee member’s scope of experience in financial roles and the nature of their employment.

The purpose of the Audit Committee is to provide oversight of the Company’s accounting and financial reporting processes, the audits of the financial statements of the Company and the Company’s compliance with applicable legal requirements and regulations. The primary responsibilities of the committee include reviewing and pre approving the engagement of our independent registered public accounting firm, reviewing our annual and quarterly financial statements and reports, discussing the statements and reports with our independent registered public accounting firm and management, and reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. Our board of directors has adopted a written charter for our audit committee, available at <http://investor.bootbarn.com> that reflects, among other things, requirements of the Sarbanes Oxley Act of 2002, rules adopted by the SEC, and rules of NYSE. The inclusion of our website address in this proxy statement does not include or incorporate by reference the information on or accessible through our website into this proxy statement.

In fulfilling its oversight responsibilities, the committee reviewed and discussed with management and Deloitte & Touche LLP (“Deloitte”), the Company’s independent registered public accounting firm, the audited financial statements at April 1, 2017 and March 26, 2016 and for each of the years in the three year period ended April 1, 2017. The committee discussed with Deloitte the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16, Communications with Audit Committees, and other applicable regulations. This included a discussion of Deloitte’s judgments as to the quality, not just the acceptability, of our Company’s accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards. In addition, the committee received from Deloitte, written disclosures and the letter required by applicable requirements of the PCAOB regarding Deloitte’s communications with the audit committee concerning independence. The committee and Deloitte also discussed Deloitte’s independence from management and our Company, including the matters covered by the written disclosures and letter provided by Deloitte.

The committee discussed with Deloitte the overall scope and plans for its audit. The committee meets with Deloitte, with and without management present, to discuss the results of Deloitte’s examinations, its evaluations of our Company, the internal controls, and the overall quality of the financial reporting. The committee held four meetings during fiscal 2017.

Based on the reviews and discussions referred to above, the committee recommended to the board of directors, and the board approved, that the audited financial statements be included in the Annual Report on Form 10 K for the fiscal year ended April 1, 2017 for filing with the Securities and Exchange Commission.

The report has been furnished by the Audit Committee to our board of directors.

PROPOSAL 3: APPROVAL OF THE BOOT BARN HOLDINGS, INC. CASH INCENTIVE PLAN FOR EXECUTIVES

General

Our Board of Directors has approved the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives (the “Cash Plan”), subject to stockholder approval. Under the Cash Plan, we may award cash bonuses to executive employees, subject to achievement of performance goals. The Board of Directors recommends approval of the Cash Plan by our stockholders at the 2017 Annual Meeting.

The Cash Plan will be effective as of June 29, 2017 if the stockholders approve the Cash Plan. When approving cash bonuses, the Compensation Committee takes into account tax and other considerations, including the \$1,000,000 deduction limit under section 162(m) of the Internal Revenue Code (the “Code”) (see discussion of section 162(m) under “Federal Income Tax Consequences” below). The Company has determined that is appropriate to adopt the Cash Plan and submit it to our stockholders for approval so that the Compensation Committee may award cash bonuses that qualify for an exemption from the \$1,000,000 deduction limit under section 162(m) as “qualified performance based compensation.” The Compensation Committee is not required to award bonuses that qualify for the exemption, but approval of the Cash Plan by our stockholders at the 2017 Annual Meeting will allow the Compensation Committee to grant cash bonuses that meet the requirements for the exemption if it so determines. If the stockholders do not approve the Cash Plan, the Compensation Committee will not be able to grant cash bonuses that are exempt from the section 162(m) deduction limit.

The material terms of the Cash Plan are summarized below. A copy of the full text of the Cash Plan is attached to this Proxy Statement as Annex I. This summary of the Cash Plan is not intended to be a complete description of the Cash Plan and is qualified in its entirety by the actual text of the Cash Plan to which reference is made.

Description of the Cash Plan

Purpose. The Cash Plan provides for the award of cash bonuses to our executive employees and executive employees of our subsidiaries based on the achievement of objective performance goals over a designated performance period. The performance period is generally our fiscal year, but it may be any other period of up to 12 months or more than one year. The objectives of the Cash Plan are:

- to enhance our ability to attract, reward and retain employees;
- to strengthen employee commitment to our success; and
- to align employee interests with those of our stockholders by providing compensation that varies based on our success.

Administration. The Cash Plan will be administered and interpreted by the Compensation Committee of our Board of Directors. The Compensation Committee has the authority to establish the rules and regulations relating to the Cash Plan, to interpret the Cash Plan and those rules and regulations, to select participants, to determine each participant’s target award, award amount and the terms of any Bonus Pool (described below), to approve all awards, to determine whether awards will be designated as “qualified performance-based compensation” for purposes of section 162(m) of the Code, to decide the facts in any case arising under the Cash Plan, to make all other determinations, including factual determinations, and to take all other actions necessary or appropriate for the proper administration of the Cash Plan, including the delegation of its authority or power, where appropriate.

Eligibility and Participation. Our executive employees and executive employees of our subsidiaries are eligible to participate in the Cash Plan. Three executives will be initially eligible to receive awards under the Cash Plan. The Compensation Committee will select the executive employees who will participate in the Cash Plan for each performance period.

Establishment of Performance Goals. As soon as practicable, but no later than the earlier of 90 days after the beginning of the performance period or the date on which 25% of the period of service has elapsed, or such other date as may be required or permitted under applicable regulations under Code section 162(m), the Compensation Committee will determine the employees who will be participants for the performance period, the performance goals and each participant's

Table of Contents

target award for the performance period. The performance goals may provide for differing amounts to be paid based on different thresholds of performance.

Establishment of a Bonus Pool. As an alternative to establishing individual target awards, the Compensation Committee may establish a pool (a “Bonus Pool”) which will be an unfunded pool, for purposes of measuring performance of the Company in connection with awards to one or more participants. The amount of the Bonus Pool will be based upon the achievement of one or more performance goals during the performance period and each participant’s award will be a fixed percentage of the Bonus Pool, in each case, as specified by the Compensation Committee as soon as practicable but no later than the earlier of 90 days after the beginning of the performance period or the date on which 25% of the period of service has elapsed, or such other date as may be required or permitted under applicable regulations under Code section 162(m). The Compensation Committee may specify the amount of the Bonus Pool as a percentage of any of performance goal, a percentage in excess of a threshold amount, or as another amount bearing a mathematical relationship to the performance goal.

Maximum Payment. The maximum aggregate amount that may be paid to each participant pursuant to awards granted under the Cash Plan with respect to each fiscal year shall not exceed \$2,500,000. If a performance period includes more than one fiscal year, the amount payable with respect to each fiscal year during the performance period shall be determined by dividing the total amount payable for the performance period by the number of whole and partial fiscal years in the performance period.

Objective Criteria. The Compensation Committee will objectively define the manner of calculating the performance goal or performance goals it selects to use for a performance period for each participant which will be based on the performance of the Company or an individual or one or more divisions, business units, or subsidiaries, either individually, alternatively or in any combination, and measured on an absolute basis or relative to a pre-established target, to previous years’ results or to a designated comparison group, in each case as specified by the Compensation Committee. The performance goals will be based on one or more of the following objective criteria:

- Cash flow (before or after dividends),
- Earnings per share (including, without limitation, earnings before interest, taxes, depreciation and amortization),
- Stock price,
- Return on equity,
- Stockholder return or total stockholder return,
- Return on capital (including, without limitation, return on total capital or return on invested capital),
- Return on investment,
- Return on assets or net assets,
- Market capitalization,
- Economic value added,
- Debt leverage (debt to capital),
- Revenue,
- Sales or net sales,
 - E-commerce sales,
- Private brand sales or penetration,
- Backlog,
- Income, pre-tax income or net income,
- Operating income or pre-tax profit,
- Earnings before interest, taxes, depreciation and amortization (or EBITDA),
- Earnings before interest and taxes (or EBIT),
- Operating profit, net operating profit or economic profit,

- Gross margin, operating margin, merchandise margin or profit margin,
- Return on operating revenue or return on operating assets,
- Cash from operations,
- Operating ratio,

Table of Contents

- Operating revenue,
- Market share improvement,
- General and administrative expenses, and
- Customer service.

The Compensation Committee will determine whether or to what extent there shall not be taken into account any of the following events that occurs during the performance period:

- Changes in corporate capitalization or corporate transactions,
- Asset write-downs,
- Litigation, claims, judgments or settlements,
- The effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results,
- Accruals for reorganization and restructuring programs,
- Any extraordinary, unusual, non-recurring or non-comparable items (1) as described in Accounting Standard Codification Section 225-20, (2) as described in management's discussion and analysis of financial condition and results of operations appearing in the Company's Annual Report to stockholders for the applicable year, or (3) publicly announced by the Company in a press release or conference call relating to the Company's results of operations or financial condition for a completed quarterly or annual fiscal period, or
- Any other event to the extent consistent with the requirements of section 162(m) of the Code.

To the extent consistent with section 162(m) of the Code, the Compensation Committee may provide that such calculation shall be made on the same basis as reflected in a release of the Company's earnings.

Calculation of Awards. A participant will earn an award for a performance period based on the level of achievement of the performance goals established by the Compensation Committee for that performance period, subject to reduction (but not increase) by the Compensation Committee based on any factors determined by the Compensation Committee in its sole discretion. The Compensation Committee may reduce an award for any performance period based on additional established performance criteria and/or based on its assessment of personal performance or other factors. The Compensation Committee may not increase an award beyond the amount determined based on achievement of the performance goals. A participant will receive no award if the level of achievement of the performance goals is below the minimum required to earn an award for the performance period.

Payment of Awards. At the end of the performance period, the Compensation Committee will certify the achievement of the performance goals and the amount of awards to be paid. Awards will be paid within 2 ½ months following the last day of the performance period. The Committee may permit participants to elect to defer awards.

Limitations on Payment of Awards. Generally, a participant must be employed on the payment date in order to be eligible to receive payment of an award under the Cash Plan. However, if a participant's employment terminates prior to the payment date, the Compensation Committee may determine that the participant will remain eligible to receive all or a prorated portion of any award that would have been earned for the applicable performance period, subject to attainment of applicable performance goals, in such circumstances as the Compensation Committee deems appropriate. If a participant is on an authorized leave of absence during the performance period, the participant may be eligible to receive a prorated portion of any award that would have been earned, as determined by the Compensation Committee. Payment of such awards will be made at the time awards are paid to other participants for the performance period.

Change of Control. Unless the Compensation Committee determines otherwise, if a change of control of our Company occurs prior to the end of a performance period, the performance period shall cease upon the change of control, and each participant who is employed by our company on the date of the change of control, or as otherwise determined by the Compensation Committee, as described under "Limitations on Payment of Awards" above, will receive an award for the performance period based on performance measured as of the date of the change of control, or as otherwise

determined by the Compensation Committee.

Amendment and Termination of Cash Plan. The Compensation Committee has the authority to amend, modify or terminate the Cash Plan; provided that the Compensation Committee may not amend the Cash Plan without obtaining stockholder approval if stockholder approval is required under section 162(m) of the Code. An amendment that adversely affects any participant's rights to an award that has been earned prior to the date of the amendment generally will not be effective for such award unless the applicable participant consents to the amendment. In the case of termination of the Plan other than in connection with a change of control, the Compensation Committee may determine that each participant may receive a pro-rated portion of the award that would otherwise have been earned for the then current performance period had the Plan not been terminated. The Compensation Committee may determine that the Cash Plan will be submitted to our stockholders for reapproval by the first stockholders meeting that occurs in the fifth year following the year in which the stockholders previously approved the Cash Plan, if additional awards that are intended to be exempt from the deduction limit under section 162(m) of the Code are to be paid under the Cash Plan and if required by section 162(m) of the Code.

New Plan Benefits

The awards payable under the Cash Plan for our 2018 fiscal year were granted under the Cash Plan prior to the 2017 Annual Meeting, subject to stockholder approval of the Cash Plan. Those award opportunities are set forth in the table below and are based upon achievement of EBIT for the Company's 2018 fiscal year, subject to reduction by the Compensation Committee based on such factors as the Compensation Committee determines. Opportunities for other employees to receive an annual cash incentive award for our 2018 fiscal year were not granted under the Cash Plan, are not subject to stockholder approval of the Cash Plan and are not reflected in the table below. Our non-employee directors are not eligible to participate in the Cash Plan.

Name and Position	Dollar Amount at Target1
James Conroy, President and Chief Executive Officer	\$ 715,000
Laurie Grijalva, Chief Merchandising Officer	159,651
Gregory Hackman, Chief Financial Officer and Secretary	169,834
Executive Group (3 individuals)	1,044,485

-
- (1) Amounts shown reflect the target payout of each participant's 2018 fiscal year award under the Cash Plan, assuming that the Cash Plan is approved by our stockholders. The award opportunities provide for above-target payouts if the pre-set target levels of performance goals are exceeded. The maximum annual cash incentive awards payable under the Cash Plan for fiscal year 2018 performance are: (i) for James Conroy, \$1,430,000, (ii) for Laurie Grijalva, \$319,302, (iii) for Gregory Hackman, \$339,668, and (iv) for this executive group as a whole, \$2,088,970. Target and maximum payouts were set as a percentage of base salary as follows: James Conroy (100%/200%), Laurie Grijalva (50%/100%) and Greg Hackman (50%/100%), and will be prorated to reflect any salary adjustments implemented during fiscal 2018 from the date of adjustment.

The Compensation Committee has full discretion to determine the number and amount of awards to be granted to participants under the Cash Plan, subject to the limits described above and the other terms of the Cash Plan. Therefore, except as reflected in the table above, the future benefits to, and the amounts that would have been received in the last completed fiscal year by, any person or group under the Cash Plan, are not determinable.

Federal Income Tax Consequences

The following description of the federal income tax consequences of awards under the Cash Plan is a general summary. State, local, and other taxes may also be imposed in connection with awards. This discussion is intended for the information of stockholders considering how to vote at the 2017 Annual Meeting and not as tax guidance to individuals who participate in the Cash Plan.

Awards generally will be subject to tax in the year in which an award is paid. We may withhold from amounts payable under the Cash Plan or other compensation an amount necessary to satisfy tax withholding obligations with respect to any award.

Table of Contents

We will generally be entitled to a corresponding tax deduction in the year an award is paid; provided that if section 162(m) of the Code applies to an award, the award will be fully deductible only if it meets the requirements of “qualified performance-based compensation” under section 162(m) of the Code and is otherwise deductible as compensation.

Section 162(m) of the Code generally disallows a publicly held corporation’s tax deduction for compensation paid to its chief executive officer or certain named executive officers, in excess of \$1,000,000 in any year. Compensation that meets the requirements of “qualified performance based compensation” is excluded from the \$1,000,000 deduction cap, and therefore remains fully deductible by the corporation. The Cash Plan is structured to allow, but not require, cash bonuses granted under the Cash Plan to meet the requirements of “qualified performance-based compensation” under section 162(m) of the Code.

Awards may be subject to a 20% tax, in addition to ordinary income tax, at the time the award becomes vested, plus interest, if the awards constitute deferred compensation under section 409A of the Code and the requirements of section 409A of the Code are not satisfied.

Vote Required for Approval

The proposal to approve the Cash Plan requires for its approval the affirmative vote of a majority of the shares present in person or represented by proxy at the 2017 Annual Meeting and entitled to vote on this proposal. Any abstentions will have the effect of votes against the proposal.

Recommendation of Board

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE BOOT BARN HOLDINGS, INC. CASH INCENTIVE PLAN FOR EXECUTIVES.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers, and persons who beneficially own more than ten percent of our common stock to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of common stock. Directors, executive officers, and ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms that we received during the year ended April 1, 2017, and written representations that no other reports were required, we believe that each person who at any time during such year was a director, officer, or beneficial owner of more than ten percent of our common stock complied with all Section 16(a) filing requirements during the year ended April 1, 2017.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of the record date, July 5, 2017, by the following:

- each of our directors and named executive officers;

- all of our directors and executive officers as a group; and
- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock.

For further information regarding material transactions between us and certain of our stockholders, see “Certain Relationships and Related Party Transactions.”

Table of Contents

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she, or it possesses sole or shared voting or investment power of that security, including options that are currently exercisable or exercisable within 60 days of the record date, July 5, 2017. Shares issuable pursuant to options are deemed outstanding for computing the percentage of the person holding such options, but are not outstanding for computing the percentage of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of common stock shown that they beneficially own, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose.

Our calculation of the percentage of beneficial ownership is based on 26,592,127 shares of common stock outstanding as of July 5, 2017.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Boot Barn Holdings, Inc., 15345 Barranca Pkwy., Irvine, California 92618.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Other than compensation arrangements, we describe below transactions and series of similar transactions during our last three fiscal years to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers, or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Compensation arrangements for our directors and named executive officers are described elsewhere in this proxy statement.

The following persons and entities that participated in the transactions listed in this section were “related persons” (as defined below) at the time of the transaction:

Transactions involving John Grijalva

John Grijalva, the husband of Ms. Grijalva, works as an independent sales representative primarily for Dan Post Boot Company, Sidran, Inc., Outback Trading Company, LTD and KS Marketing LLC. We purchased merchandise from these suppliers in the aggregate approximate amounts of \$16.1 million, \$17.7 million, and \$12.6 million in fiscal 2017, fiscal 2016, and fiscal 2015, respectively. Mr. Grijalva was paid commissions on these sales of approximately \$1.3 million, \$1.3 million, and \$1.0 million, respectively, in these periods, a portion of which were passed on to other sales representatives working for Mr. Grijalva. These transactions are reviewed regularly by the audit committee.

Leases and Other Transactions

During the fiscal year ended April 1, 2017, the Company had capital expenditures with Floor & Decor Holdings, Inc., a specialty retail vendor in the flooring market, that as of April 1, 2017 is 30.3% owned by Freeman Spogli, our

majority stockholder. These capital expenditures amounted to \$0.2 million in fiscal 2017 and were recorded as property and equipment, net on the condensed consolidated balance sheet. There were no costs incurred with this vendor in the prior year periods. Both Peter Starrett, Chairman of the Board, and Brad Brutocao, Director, currently serve on the board of directors at Floor & Decor Holdings, Inc.

Table of Contents

The Company was party to a lease agreement for a store owned by one minority stockholder of the Company for the fiscal years ended March 26, 2016 and March 28, 2015. The Company paid \$0.2 million for this lease during each of the fiscal years ended March 26, 2016 and March 28, 2015. These lease payments were included in cost of goods sold in the consolidated statements of operations. As of April 1, 2017, the individual party to the lease was no longer a minority stockholder of the Company and therefore not a related party.

Registration Rights Agreement

We are party to a registration rights agreement (the “Registration Rights Agreement”) with Freeman Spogli & Co. and certain other signatories thereto. The Registration Rights Agreement provides Freeman Spogli & Co. with the right to require us to register for resale shares of common stock. During fiscal 2015, a registered secondary offering by Freeman Spogli & Co. closed on March 3, 2015. The aggregate cost to the Company for this offering was \$541,000. Freeman Spogli & Co. may exercise up to two remaining demand registration rights as long as it requests registration with respect to common stock with a fair market value of at least \$20 million in each demand registration.

Indemnification

We have agreed to indemnify each of the stockholders party to the registration rights agreement against certain liabilities in connection with a demand or piggyback registration of shares of common stock, including under the Securities Act.

Indemnification of Directors and Officers

Our amended and restated bylaws provide that we will indemnify and advance expenses to our directors and executive officers to the fullest extent permitted by the General Corporation Law of the State of Delaware (the “DGCL”). In addition, our amended and restated certificate of incorporation provides that our directors will not be liable for monetary damages for breach of fiduciary duty, except as otherwise prohibited under the DGCL.

We have entered into customary indemnification agreements with each of our directors and executive officers. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL. Our indemnification agreements also provide that we are required to advance expenses to our directors and officers as incurred in connection with legal proceedings against them for which they may be indemnified and that the rights conferred in the indemnification agreements are not exclusive.

There is no pending litigation or proceeding involving any of our directors or executive officers to which indemnification is being sought, and we are not aware of any pending litigation that may result in claims for indemnification by any director or executive officer.

Review, Approval or Ratification of Transactions with Related Persons

Our board of directors adopted a written statement of policy, effective immediately prior to the completion of our initial public offering, for the evaluation of and the approval, disapproval and monitoring of transactions involving us and “related persons”. For the purposes of the policy, “related persons” will include our executive officers, vice presidents, directors and director nominees or their immediate family members, stockholders owning 5% or more of our outstanding common stock or any entity in which any of the foregoing persons is an employee, general partner, principal or holder of a 5% or more ownership interest.

Our related person transactions policy requires:

- that any transaction in which a related person has a material direct or indirect interest and which exceeds \$120,000, which we refer to as a “related person transaction”, and any material amendment or modification to a related person transaction, be evaluated and approved or ratified by our audit committee or by the disinterested members of the audit committee, as applicable; and

Table of Contents

- that any employment relationship or transaction involving an executive officer and any related compensation solely resulting from that employment relationship or transaction must be approved by the compensation committee of our board of directors or recommended by the compensation committee to the board of directors for its approval.

In connection with the review and approval or ratification of a related person transaction:

- management must disclose to the audit committee or the disinterested members of the audit committee, as applicable, the material terms of the related person transaction, including the approximate dollar value of the amount involved in the transaction, and all the material facts as to the related person's direct or indirect interest in, or relationship to, the related person transaction;

- management must disclose to the audit committee or the disinterested members of the audit committee, as applicable, the material terms of the related person transaction, including the approximate dollar value of the amount involved in the transaction, and all the material facts as to the related person's direct or indirect interest in, or relationship to, the related person transaction;

- management must advise the audit committee or the disinterested members of the audit committee, as applicable, as to whether the related person transaction complies with the terms of our agreements governing our material outstanding indebtedness;

- management must advise the audit committee or the disinterested members of the audit committee, as applicable, as to whether the related person transaction will be required to be disclosed in our SEC filings (to the extent it is required to be disclosed, management must ensure that the related person transaction is disclosed in accordance with SEC rules); and

- management must advise the audit committee or the disinterested members of the audit committee, as applicable, as to whether the related person transaction constitutes a "personal loan" for purposes of Section 402 of the Sarbanes Oxley Act.

In addition, the related person transactions policy provides that the audit committee, in connection with any approval or ratification of a related person transaction involving a non employee director or director nominee, should consider whether such transaction would compromise the director or director nominee's status as an "independent", "outside" or "non employee" director, as applicable, under the rules and regulations of the SEC, the NYSE and the Code. In approving or rejecting any related person transaction, the audit committee or the disinterested members of the audit committee, as applicable, is required to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

Prior to the effectiveness of the related persons transaction policy described above, we did not have any formal written policy regarding related party transactions, but any related party transaction was brought to the attention of our board of directors.

1. Purpose

The purpose of the Boot Barn Holdings, Inc. Cash Incentive Plan for Executives (the “Plan”) is to enhance the ability of Boot Barn Holdings, Inc. to attract, reward and retain employees, to strengthen employee commitment to its success and to align employee interests with those of its stockholders by providing variable compensation, based on the achievement of performance objectives. To this end, the Plan provides a means of rewarding participants based on the performance of the Company and its subsidiaries and business units and, where appropriate, on a participant’s personal performance. The Plan is intended to allow (but not require) the Committee (defined below) to make awards that meet the requirements for “qualified performance-based compensation” under section 162(m) of the Code (defined below). The Plan shall be effective as of June 29, 2017, subject to stockholder approval in 2017.

2. Definitions

- (a) “Award” shall mean an incentive award earned by a Participant under the Plan for any Performance Period.
- (b) “Base Salary” shall mean the Participant’s annual base salary rate in effect at the beginning of a Performance Period without regard to subsequent adjustment during the Performance Period unless otherwise determined by the Committee. Base Salary does not include Awards under this Plan or any other short-term or long-term incentive plan, imputed income from programs such as group-term life insurance, or non-recurring earnings such as moving expenses. Base Salary is based on annual salary before reductions for deferrals under Company-sponsored deferred compensation plans, contributions under Code section 401(k) and contributions to flexible spending accounts under Code section 125.
- (c) “Board” shall mean the Company’s Board of Directors.
- (d) “Bonus Pool” shall have the meaning set forth in Section 5(b).
- (e) “Change of Control” shall have the meaning set forth in the Company’s 2014 Equity Incentive Plan (or its successor) in effect at the beginning of the Performance Period.
- (f) “Code” shall mean the Internal Revenue Code of 1986, as amended or any successor statute thereto.
- (g) “Committee” shall mean the Compensation Committee of the Board. The Committee shall consist of two or more persons appointed by the Board, all of whom shall be “outside directors” as defined under Code section 162(m) and related Treasury regulations.
- (h) “Company” shall mean Boot Barn Holdings, Inc., a Delaware corporation, and any successor corporation.
- (i) “Participant” for any Performance Period, shall mean an executive employee of the Company or a subsidiary who is designated by the Committee to participate in the Plan.
- (j) “Performance Goals” shall have the meaning set forth in Section 5(b).
- (k) “Performance Period” shall mean the fiscal year of the Company or any other period of up to 12 months or more than one year designated by the Committee with respect to which an Award may be earned.
- (l) “Plan” shall mean this Boot Barn Holdings, Inc. Cash Incentive Plan for Executives, as in effect from time to time.
- (m) “Target Award” shall mean the targeted amount, expressed either as a cash amount or as a percentage of the Participant’s Base Salary that the Participant will earn as an Award for the Performance Period if the targeted level of performance is achieved for each of the Performance Goals set by the Committee for the Participant. A Participant’s

Table of Contents

Target Award shall be determined by the Committee based on the Participant's responsibility level, position or such other criteria as the Committee shall determine.

3. Eligibility

All executive employees of the Company and its subsidiaries are eligible to participate in the Plan. The Committee shall designate which executive employees shall participate in the Plan for each Performance Period. In order to be eligible to receive an Award with respect to any Performance Period, an employee must be actively employed by the Company or a subsidiary on the payment date, except as provided in Section 7 or 8 below.

4. Administration

(a) Committee Authority. The Plan shall be administered by the Committee. The Committee shall have full discretionary authority to establish the rules and regulations relating to the Plan, to interpret the Plan and those rules and regulations, to select Participants in the Plan, to determine each Participant's Target Award, Award amount and the terms of any Bonus Pool, to approve all Awards, to determine whether Awards will be designated as "qualified performance-based compensation" for purposes of Code section 162(m), to decide the facts in any case arising under the Plan and to make all other determinations, including factual determinations, and to take all other actions necessary or appropriate for the proper administration of the Plan, including the delegation of such authority or power, where appropriate. All powers of the Committee shall be executed in its sole discretion, in the best interest of the Company, not as a fiduciary, and in keeping with the objectives of the Plan and need not be uniform as to similarly situated individuals.

(b) Committee Determinations. All Awards shall be made conditional upon the Participant's acknowledgement, in writing or by acceptance of the Award, that all decisions and determinations of the Committee shall be final and binding on the Participant, his or her beneficiaries and any other person having or claiming an interest under such Award. Awards need not be uniform as among Participants. The Committee's administration of the Plan, including all such rules and regulations, interpretations, selections, determinations, approvals, decisions, delegations, amendments, terminations and other actions, shall be final and binding on the Company and all employees of the Company, including, the Participants and their respective beneficiaries.

5. Determination of Awards

(a) Establishment of Target Awards and Performance Goals. As soon as practicable, but no later than the earlier of (i) 90 days after the beginning of the Performance Period or (ii) the date on which 25% of the period of service has elapsed, or such other date as may be required or permitted under applicable regulations under Code section 162(m), the Committee shall determine the executive employees who shall be Participants during that Performance Period, each Participant's Target Award and the Performance Goals for each Participant, all of which shall be set forth in the Committee's minutes. The Target Awards may provide for differing amounts to be paid based on differing thresholds of performance. The Committee shall establish a maximum dollar amount that may be paid to a Participant for the Performance Period. The Company shall notify each Participant of the Participant's Target Award and the applicable Performance Goals for the Performance Period.

(b) Establishment of a Bonus Pool. As an alternative to establishing individual Target Awards, the Committee may establish a pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Awards (a "Bonus Pool"). The amount of the Bonus Pool shall be based upon the achievement of one or more Performance Goals during the Performance Period and each Participant's Award shall be based on a fixed percentage of the Bonus Pool, in each case as specified by the Committee as soon as practicable, but no later than the earlier of (i) 90 days after the beginning of the Performance Period or (ii) the date on which 25% of the period of service has elapsed, or such other date as may be required or permitted under applicable regulations under Code section 162(m). The Committee may specify the amount of the Bonus Pool as a percentage of any Performance Goal, a percentage thereof in excess of a threshold amount, or as another amount bearing a mathematical relationship to such Performance Goal. The terms of the Bonus Pool and the Awards thereunder shall be set forth in the Committee minutes. The Committee shall establish a maximum dollar amount that may be paid to a Participant under the Bonus Pool. The Company shall notify each Participant of the Participant's portion of the Bonus Pool and the applicable Performance Goals for the Performance Period.

Table of Contents

(c) Performance Goal Criteria. For any Performance Period, “Performance Goal” shall mean the performance goals of the Company or an individual or one or more divisions, business units, or subsidiaries, either individually, alternatively or in any combination, and measured on an absolute basis or relative to a pre-established target, to previous years’ results or to a designated comparison group, in each case as specified by the Committee. The Performance Goals shall be based on one or more of the following objective criteria: (i) cash flow (before or after dividends), (ii) earnings per share (including, without limitation, earnings before interest, taxes, depreciation and amortization), (iii) stock price, (iv) return on equity, (v) stockholder return or total stockholder return, (vi) return on capital (including, without limitation, return on total capital or return on invested capital), (vii) return on investment, (viii) return on assets or net assets, (ix) market capitalization, (x) economic value added, (xi) debt leverage (debt to capital), (xii) revenue, (xiii) sales or net sales, (xiv) e-commerce sales, (xv) private brand sales or penetration, (xvi) backlog, (xvii) income, pre-tax income or net income, (xviii) operating income or pre-tax profit, (xix) earnings before interest, taxes, depreciation and amortization (or EBITDA), (xx) earnings before interest and taxes (or EBIT), (xxi) operating profit, net operating profit or economic profit, (xxii) gross margin, operating margin, merchandise margin or profit margin, (xxiii) return on operating revenue or return on operating assets, (xxiv) cash from operations, (xxv) operating ratio, (xxvi) operating revenue, (xxvii) market share improvement, (xxviii) general and administrative expenses and (xxix) customer service.

(d) Calculation of Performance Goals. The Committee will objectively define the manner of calculating the Performance Goal or Performance Goals it selects to use for such Performance Period for such Participant, including whether or to what extent there shall not be taken into account any of the following events that occurs during the Performance Period: (i) changes in corporate capitalization or corporate transactions, (ii) asset write-downs, (iii) litigation, claims, judgments or settlements, (iv) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results, (v) accruals for reorganization and restructuring programs, (vi) any extraordinary, unusual, non-recurring or non-comparable items (A) as described in Accounting Standard Codification Section 225-20, (B) as described in management’s discussion and analysis of financial condition and results of operations appearing in the Company’s Annual Report to stockholders for the applicable year, or (C) publicly announced by the Company in a press release or conference call relating to the Company’s results of operations or financial condition for a completed quarterly or annual fiscal period, or (vii) any other event to the extent consistent with the requirements of section 162(m) of the Code. To the extent consistent with section 162(m) of the Code, the Committee may provide that such calculation shall be made on the same basis as reflected in a release of the Company’s earnings. The Committee shall specify in the minutes how the financial calculations for the Performance Goals will be made.

(e) Earning an Award. A Participant will earn an Award for a Performance Period based on the level of achievement of the Performance Goals established by the Committee for that period; provided that the Committee may reduce (but not increase) an Award below the level determined based on the Performance Goals based on additional established performance criteria and/or based on its assessment of personal performance or other factors. Such reduction shall be based on any factors determined by the Committee in its sole discretion. A Participant will receive no Award if the level of achievement of Performance Goals is below the minimum required to earn an Award for the Performance Period, as specified by the Committee at the time the Performance Goals are established.

(f) Maximum Award Amount. The maximum aggregate amount that may be paid to each Participant pursuant to Awards granted under the Plan with respect to each fiscal year shall not exceed \$2,500,000. If a Performance Period includes more than one fiscal year, the amount payable with respect to each fiscal year during the Performance Period shall be determined by dividing the total amount payable for the Performance Period by the number of whole and partial fiscal years in the Performance Period.

(g) Section 162(m). Awards that are intended to be “qualified performance-based compensation” under Code section 162(m) shall be based on Performance Goals for each Performance Period that shall satisfy the requirements for “qualified performance-based compensation” under Code section 162(m), including the requirement that the achievement of the Performance Goals be substantially uncertain at the time they are established and that the Performance Goals be established in such a way that a third party with knowledge of the relevant facts could determine whether and to what extent the Performance Goals have been met. An Award that is designated as “qualified

performance-based compensation” under Code section 162(m) may not be awarded as an alternative to any other award that is not designated as “qualified performance-based compensation,” but instead must be separate and apart from all other awards made. The Committee is authorized to reduce an Award for any Performance Period based upon its assessment of personal performance or other factors, but not to

I-5

Table of Contents

increase the Award beyond the amount determined based on achievement of the Performance Goals for that Participant. Any reduction of a Participant's Award shall not result in an increase in any other Participant's Award.

6. Payment of Awards

The Committee shall certify achievement of the Performance Goals and determine the Awards that will be paid by the Company to each Participant as soon as practicable following the final determination of the Company's financial results for the relevant Performance Period. Payment of the Awards certified by the Committee shall be made within 2 ½ months following the last day of the Performance Period.

7. Limitations on Rights to Payment of Awards

(a) **Employment.** No Participant shall have any right to receive payment of an Award under the Plan for a Performance Period unless the Participant remains in the employ of the Company through the payment date; provided, however, that the Committee may determine at the time an Award is granted or anytime thereafter, to the extent consistent with section 162(m) of the Code, that if a Participant's employment with the Company terminates prior to the payment date, the Participant shall remain eligible to receive all or a pro-rated portion of any Award that would otherwise have been earned for the applicable Performance Period, based on attainment of the Performance Goals, in such circumstances as the Committee deems appropriate. If payments are to be made under the Plan after a Participant's death, such payments shall be made to the personal representative of the Participant's estate. Payment of any Awards pursuant to this Section 7 shall be made at the time Awards are paid to other Participants for the Performance Period, in accordance with Section 6 above, and subject to Section 8.

(b) **Leaves of Absence.** If a Participant is on an authorized leave of absence during the Performance Period, the Participant may be eligible to receive a pro-rated portion of any Award that would otherwise have been earned, as determined by the Committee.

8. Change of Control

(a) **Awards.** Unless the Committee determines otherwise at the time an Award is granted or anytime thereafter, to the extent consistent with section 162(m) of the Code, if a Change of Control occurs prior to the end of a Performance Period, the Performance Period shall cease upon the Change of Control date and each Participant who is in the employ of the Company on the date of the Change of Control, or as otherwise determined by the Committee pursuant to Section 7 above, shall receive an Award for the Performance Period in which the Change of Control occurs, based on performance measured as of the date of the Change of Control, or as otherwise determined by the Committee.

(b) **Payment.** Payment shall be made within 60 days after the Change of Control date (regardless of whether the Participant is employed after the Change of Control).

9. Deferrals

Notwithstanding the foregoing, the Committee may permit a Participant to defer receipt of an Award that would otherwise be payable to the Participant. The Committee shall establish rules and procedures for any such deferrals, consistent with the applicable requirements of Code section 409A.

10. Amendments

The Committee may at any time amend this Plan; provided, however, that the Committee shall not amend the Plan without stockholder approval if such approval is required by Code section 162(m). The Committee may determine that the Plan will be submitted to the Company's stockholders for reapproval by the first stockholders meeting that occurs in the fifth year following the year in which the stockholders previously approved the Plan, if additional Awards that are intended to be "qualified performance-based compensation" under Code section 162(m) are to be paid under the Plan and if required by Code section 162(m) or the regulations thereunder. Except as provided in Section 12(g) below, no amendment that adversely affects any Participant's rights to an Award that has been earned prior to the date of the amendment shall be effective for such Award unless the Participant consents to the amendment.

Table of Contents

11. Termination

The Committee may terminate this Plan at any time. In the case of termination of the Plan other than in connection with a Change of Control, the Committee may determine that each Participant may receive a pro-rated portion of the Award that would otherwise have been earned for the then current Performance Period had the Plan not been terminated, as determined by the Committee. Each Award payable in accordance with this Section 11 shall be paid as described in Section 6 above.

12. Miscellaneous Provisions

(a) No Employment Right. This Plan is not a contract between the Company and any employee or Participant. Neither the establishment of this Plan, nor any action taken hereunder, shall be construed as giving any employee or any Participant any right to be retained in the employ of the Company. The Company is under no obligation to continue the Plan. Nothing contained in the Plan shall limit or affect in any manner or degree the normal and usual powers of management, exercised by the officers and the Board or committees thereof, to change the duties or the character of employment of any employee or to remove any individual from the employment of the Company at any time, all of which rights and powers are expressly reserved.

(b) No Assignment. A Participant's right and interest under the Plan may not be assigned or transferred, except upon death as provided in Section 7 above, and any attempted assignment or transfer shall be null and void.

(c) Funding of the Plan; Limitation on Rights. This Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Awards under this Plan. Nothing contained in the Plan and no action taken pursuant hereto shall create or be construed to create a fiduciary relationship between the Company and any Participant or any other person. No Participant or any other person shall under any circumstances acquire any property interest in any specific assets of the Company. To the extent that any person acquires a right to receive payment from the Company hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

(d) Obligations to the Company. If a Participant becomes entitled to payment of an Award under the Plan, and if at such time the Participant has outstanding any debt, obligation or other liability representing an amount owing to the Company, then the Company may offset such amount owed to it against the Award otherwise distributable, to the extent consistent with Code section 409A. Any determination under this Section 12(d) shall be made by the Committee in its sole discretion.

(e) Withholding Taxes. All Awards under the Plan shall be subject to applicable federal (including FICA), state and local tax withholding requirements. The Company may require that the Participant or his or her personal representative pay to the Company the amount of any federal, state or local taxes that the Company is required to withhold with respect to such Awards, or the Company may deduct from such Awards or other wages paid by the Company the amount of any withholding taxes due with respect to such Awards.

(f) Stockholder Approval. All Awards for the 2018 fiscal year Performance Period will be made contingent upon, and subject to, stockholder approval of the Plan at the 2017 annual stockholders' meeting.

(g) Compliance with Law. It is the intent of the Company that the Plan and Awards that are intended to be "qualified performance-based compensation" under Code section 162(m) comply with the applicable provisions of Code section 162(m).
