Yes No

If "Yes" is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): n/a

MECHEL COMPLETES RESTRUCTURING SYNDICATED PRE-EXPORT LOAN

Moscow, Russia – January 22, 2019 – Mechel PAO (MOEX: MTLR; NYSE: MTL), a leading Russian mining and metals company, reports refinancing its one-billion-dollar syndicated pre-export facility with a pool of international lenders.

The restructuring became possible by a credit line in euro granted by VTB Bank with maturity in April 2022. The grace period on the body of the debt is set until April 2020.

Debt buyback from lenders yielded Mechel financial revenue totaling about 13 billion rubles.

“Refinancing the syndicated loan enabled us to reduce the share of the Group’s unstructured debt from 22% to 8%, decrease the number of foreign lenders in our overall debt portfolio, synchronize the loan’s conditions and debt repayment schedule with current conditions of our loans lent by Russian banks, as well as reduce borrowing costs,” Mechel PAO’s Chief Financial Officer Nelli Galeyeva noted.

Mechel is an international mining and steel company. Its products are marketed in Europe, Asia, North and South America, Africa. Mechel unites producers of coal, iron ore concentrate, steel, rolled products, ferroalloys, heat and electric power. All of its enterprises work in a single production chain, from raw materials to high value-added products.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of Mechel, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not intend to update these statements. We refer you to the documents Mechel files from time to time with the U.S. Securities and Exchange Commission, including our Form 20-F. These documents contain and identify important factors, including those contained in the section captioned “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements” in our Form 20-F, that could cause the actual

results to differ materially from those contained in our projections or forward-looking statements, including, among others, the achievement of anticipated levels of profitability, growth, cost and synergy of our recent acquisitions, the impact of competitive pricing, the ability to obtain necessary regulatory approvals and licenses, the impact of developments in the Russian economic, political and legal environment, volatility in stock markets or in the price of our shares or ADRs, financial risk management and the impact of general business and global economic conditions.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereto duly authorized.
