Item 1.01 Entry into a Material Definitive Agreement.

Transaction Agreements

In connection with the previously announced separation of the commercial and residential security businesses (the “Business”) of Ingersoll-Rand plc (“Ingersoll Rand”) from the rest of Ingersoll Rand by means of a dividend in specie of the Business, which was effected on December 1, 2013 by the transfer of the Business from Ingersoll Rand to Allegion plc (“Allegion” or the “Company”) and the issuance by Allegion of ordinary shares directly to Ingersoll Rand’s shareholders (the “Distribution”), Allegion entered into several agreements with Ingersoll Rand that govern the relationship of the parties following the Distribution, including the following:

• Separation and Distribution Agreement, dated as of November 29, 2013;

• Tax Matters Agreement, dated as of November 30, 2013; and

• Employee Matters Agreement, dated as of November 30, 2013.

A summary of the material terms of these agreements can be found in the section entitled “Certain Relationships and Related Party Transactions” in the Information Statement, dated November 14, 2013, filed as Exhibit 99.1 to the Company’s Current Report on Form 8-K, filed on November 15, 2013, which is incorporated herein by reference. The summary is qualified in its entirety by reference to the Separation and Distribution Agreement, the Tax Matters Agreement and the Employee Matters Agreement filed as Exhibits 2.1, 10.1 and 10.2, respectively, to this Current Report on Form 8-K, each of which is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 1, 2013, Ingersoll Rand completed the Distribution. Allegion is now an independent public company trading under the symbol “ALLE” on the New York Stock Exchange. In the Distribution, Allegion issued one ordinary share for every three ordinary shares of Ingersoll Rand held as of record as of 5:00 p.m., New York City time on November 22, 2013. Allegion issued a total of approximately 96 million ordinary shares in the Distribution. Allegion did not issue fractional shares in the Distribution. Fractional shares that Ingersoll Rand shareholders would otherwise have been entitled to receive will be aggregated and sold in the public market by the distribution agent. The aggregate net cash proceeds of these sales will be distributed ratably to those shareholders who would otherwise have been entitled to receive fractional shares, in accordance with the Separation and Distribution Agreement between Ingersoll Rand and Allegion. Prior to the Distribution, all of Allegion’s issued shares were held beneficially by an Irish corporate services provider. In connection with the Distribution, Allegion acquired the shares held beneficially by the Irish corporate services provider for no consideration and cancelled these shares. A copy of the press release issued by Allegion on December 2, 2013 announcing completion of the Distribution is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 26, 2013, Allegion US Holding Company Inc. (“Allegion US Holding”) entered into a Credit Agreement (the “Credit Agreement”) by and among Allegion, Allegion US Holding, as the Borrower, the Lenders and Issuing Banks party thereto, and JPMorgan Chase Bank, N.A., as Administrative Agent. The Credit Agreement provides for \$1,300.0 million in senior secured financing, consisting of a term loan A facility (the “Term A Facility”), a term loan B facility (the “Term B Facility” and together with the Term A Facility, the “Term Facilities”) and a revolving credit facility (the “Revolver” and, together with the Term Facilities, the “Senior Secured Credit Facilities”).

Term Facilities

The Term Facilities consist of (i) a Term A Facility in an aggregate principal amount of \$500.0 million and (ii) a Term B Facility in an aggregate principal amount of \$500.0 million. The full amount of the Term Facilities was made in a single drawing on November 26, 2013, and amounts borrowed under the Term Facilities that are repaid or prepaid may not be reborrowed.

The Term A Facility will amortize in quarterly installments at the following rates per annum: 5% in year one; 5% in year two; 10% in year three and 10% in year four, with the balance due on the date that is five years after the closing date. The Term B Facility will amortize in quarterly installments in an amount equal to 1.00% per annum, with the balance due on the date that is seven years after September 27, 2013 (the “Escrow Date”).

Revolver

The Revolver consists of a five-year senior secured revolving credit facility with aggregate commitments in an amount equal to \$500.0 million, of which up to \$100.0 million is available for the issuance of letters of credit, and including a swingline facility in an amount equal to \$50.0 million. The Revolver will mature and the commitments thereunder will terminate on the date that is five years after the Escrow Date. Amounts repaid under the Revolver may be reborrowed.

Guarantees and Collateral

The indebtedness, obligations and liabilities under the Senior Secured Credit Facilities are unconditionally guaranteed jointly and severally on a senior secured basis by Allegion and certain of its current and future U.S. subsidiaries, and are secured, subject to permitted liens and other exceptions and exclusions, by a first-priority lien on substantially all tangible and intangible assets of Allegion US Holding and each guarantor (including (i) a perfected pledge of all of the capital stock of Allegion US Holding and each direct, wholly-owned material subsidiary held by Allegion US Holding or any guarantor (subject to certain limitations with respect to foreign subsidiaries) and (ii) perfected security interests in, and mortgages on, equipment, general intangibles, investment property, intellectual property, material fee-owned real property, intercompany notes and proceeds of the foregoing) except for certain excluded assets.

Mandatory Prepayments

The following amounts are required to be applied to prepay the Term Facilities, subject to certain thresholds, exceptions and reinvestment rights:

- 100% of the net cash proceeds from the incurrence of indebtedness by Holdings and its restricted subsidiaries (other than permitted debt);
- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of property by Holdings and its restricted subsidiaries (including casualty insurance and condemnation proceeds, but with exceptions for sales of inventory and other ordinary course dispositions, obsolete or worn-out property, property no longer useful in the business and other exceptions); and
- 50% of excess cash flow with stepdowns to 25% and 0% based on certain leverage targets.

Mandatory prepayments will be allocated ratably between the Term A Facility and the Term B Facility and, within each Term Facility, will be applied as directed by the Borrower.

Voluntary Prepayments

Allegion US Holding may voluntarily prepay outstanding Term Facilities in whole or in part at any time without premium or penalty (other than a 1.00% premium payable during the six months following the earlier of (x) the Funding Date and (y) the 91st day following the Escrow Date, on (i) the amount of loans prepaid or repaid with the proceeds of, or any conversion of such loans into, any new or replacement tranche of senior secured term loans having a lower effective yield or (ii) the amount of loans the terms of which are amended to the same effect), subject to the payment of customary breakage costs in the case of LIBOR rate loans. Optional prepayments of the Term Facilities will be applied to the remaining installments thereof at the direction of the Borrower.

Commitments under the Revolver may be reduced in whole or in part at any time without premium or penalty.

Covenants

The Senior Credit Facilities contain certain covenants that, among other things, limit or restrict the ability of Allegion, Allegion US Holding and certain of its subsidiaries to (subject to certain qualifications and exceptions):

- create liens and encumbrances;
- incur additional indebtedness;
- merge, dissolve, liquidate or consolidate;
- make acquisitions, investments, advances or loans;
- dispose of or transfer assets;
- pay dividends or make other payments in respect of their capital stock;
- amend certain material documents;
- redeem or repurchase certain debt;

- engage in certain transactions with affiliates;
- enter into certain speculative hedging arrangements; and
- enter into certain restrictive agreements.

In addition, Allegion US Holding is required to comply with (a) a maximum ratio of total consolidated indebtedness to consolidated EBITDA (net of unrestricted cash up to a cap) and (b) a minimum ratio of consolidated EBITDA to consolidated interest expense (net of interest income).

Interest Rates and Fees

Outstanding borrowings under the Senior Credit Facilities will accrue interest, at the option of the Borrower, at a per annum rate of (i) a LIBOR rate plus the applicable spread or (ii) a base rate plus the applicable spread. The applicable margin for borrowings under the Term B Facility is 1.25% with respect to base rate borrowings and 2.25% with respect to LIBOR rate borrowings (with a reduction to 1.00% and 2.00%, subject to the achievement of certain financial ratios), with the LIBOR rate for the Term B Facility subject to a floor of 0.75% per annum. The applicable margin for borrowings under the Revolver and the Term A Facility is subject to a ratings-based pricing grid with the LIBOR rate ranging from 1.75% to 2.25%, depending on the credit facility rating.

During an event of default, overdue principal under the Senior Credit Facilities may bear interest at a rate 2.00% in excess of the otherwise applicable rate of interest.

The Borrower will pay certain fees with respect to the Senior Credit Facilities, including an unused commitment fee on the undrawn portion of the Revolver of 0.25% to 0.35%, depending on the credit facility rating, as well as certain other unused fees and ticking fees.

The summary is qualified in its entirety by reference to the Credit Agreement and the Guarantee and Collateral Agreement, dated as of November 26, 2013, among Allegion, Allegion US Holding, the restricted subsidiaries from time to time party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent, filed as Exhibits 10.3 and 10.4, respectively, to this Current Report on Form 8-K, each of which is incorporated herein by reference.
