Item 7.01. Regulation FD Disclosure

On June 28, 2018, InnerWorkings, Inc. (the “Company”) issued a press release announcing that the Company has rescheduled the date for its 2018 annual meeting of stockholders (the “Annual Meeting”). A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The Annual Meeting will be held on Thursday, September 6, 2018. The Company had originally scheduled the meeting to occur on May 31, 2018. As previously disclosed, the Annual Meeting was postponed because the Company is in the process of restating its historical financial statements (the “Restatement”) and requires additional time to complete that process.

Completion of the Restatement and filing of an amendment to the Company’s 2017 Annual Report on Form 10-K are now expected to occur during the month of July 2018, at which time the Company will notify stockholders of the new date and time of its first quarter 2018 earnings release and conference call. Because of the Company’s ongoing review of certain adjustments, the Company requires additional time to complete an analysis of all necessary adjustments and to determine the extent of the corrections that may be required to its historical financial statements. Based on the Company’s current assessment, the Company now estimates the aggregate impact of the corrections on income before income taxes as follows:

- For the year ended December 31, 2017, a decrease in income before taxes of \$4.5 - \$5.5 million;
- For the year ended December 31, 2016, a decrease in income before taxes of \$1.0 - \$1.5 million; and
- For the year ended December 31, 2015, no material impact on income before income taxes.

Item 9.01 Financial Statements and Exhibits.
