Item 4. Description of Securities.

The class of securities to be offered is registered under Section 12 of the Exchange Act and accordingly, no information under Item 202 of Regulation S-K is required.

Item 5. Interests of Named Experts and Counsel.

No expert or counsel named in this Registration Statement as having prepared or certified any part of this Registration Statement or having given an opinion upon the validity of the securities being registered or upon other legal matters in

connection with the registration or offering of the common stock was employed on a contingency basis or had, or is to receive, in connection with the offering, a substantial interest, directly or indirectly, in the registrant or any of its parents or subsidiaries.

Item 6. Indemnification of Directors and Officers.

As permitted by Section 78.7502 of the Nevada Revised Statutes (“NRS”), the articles of incorporation of the Company provides that the Company shall indemnify each and every officer and director to the fullest extent permitted by applicable state law. Consequently, the directors and officers of the Company generally will not be personally liable to the Company or the stockholders for monetary damages unless:

The director’s or officer’s act or failure to act constitutes a breach of his or her fiduciary duties as a director or officer, and his or her breach of those duties involves intentional misconduct, fraud or a knowing violation of law; or

The director or officer does not act in good faith and in a manner which he or she reasonably believes to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, the director or officer has reasonable cause to believe his or her conduct was unlawful.

The Company’s bylaws provide that the Company shall indemnify and hold harmless each person who shall serve at any time as a director or officer from and against any and all claims, judgments and liabilities to which such person shall become subject by reason of having been a director or officer of the Company, or by reason of any action alleged to have been taken or omitted to have been taken by him or her as such director or officer. The bylaws further provide that the Company shall reimburse each such person for all legal and other expenses reasonably incurred in connection with any such claim or liability; provided, however that no such person shall be indemnified against, or be reimbursed for, any expense incurred in connection with any claim or liability arising out of his or her own negligence or willful misconduct. The right of any person to be indemnified under the bylaws is subject to the right of the Board of Directors, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the expense of the Company by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

The rights accruing to any person under the provisions of the Company’s bylaws do not exclude any other right to which an officer or director may be entitled, including rights pursuant to the NRS, articles of incorporation, indemnification agreements, a vote of stockholders or disinterested directors, or otherwise.

The Company has entered into, and may in the future enter into, agreements relating to indemnification with certain of directors and officers. Generally, these agreements attempt to provide the maximum protection permitted by law with respect to indemnification. Indemnification agreements may provide that the Company will maintain directors’ and officers’ liability insurance in reasonable amounts from established insurers, subject to certain limitations. Indemnification agreements may also provide for partial indemnification for a portion of expenses incurred by a director or officer even if the director or officer is not entitled to indemnification for the total amount.

In accordance with permissive provisions in the Company’s bylaws, we may maintain insurance on behalf of any person who is a director or officer against any loss arising from any claim asserted against him and incurred by him in any such capacity, subject to certain exclusions.

At present, the Company is not aware of any pending litigation or proceeding involving any person who is or was a director, officer, employee or other agent of the Company or is or was serving at the Company’s request as a director, officer, employee or agent of another entity regarding which indemnification is sought, and the Company not aware of any threatened litigation that may result in claims for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to the Company’s directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, the Company has been advised

that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
