Cautionary Note Regarding Forward-Looking Statements

This document and the exhibits filed herewith contain forward-looking statements with respect to the Company, Kingswood and the Transactions, including the benefits expected from the Transactions and the expected timing of their completion. Actual results may differ materially from these expectations. When used in this document, the words “can,” “will,” “intends,” “expects,” “is expected,” similar expressions and any other statements that are not historical facts are intended to identify those assertions as forward-looking statements. Such statements are based on a number of assumptions that could ultimately prove inaccurate, and are subject to a number of risk factors, including uncertainties regarding the timing of the closing of the Transactions, uncertainties as to how many stockholders of the Company may tender their stock in the Offer, the possibility that a governmental entity may prohibit, delay or refuse to grant approval for the consummation of the Transactions, and general economic and business conditions. Factors that could cause actual results of the Transactions to differ materially include the following: the risk of failing to obtain any regulatory approvals or satisfy conditions to the Transactions, the risk that Kingswood is unable to obtain adequate financing, the risk that the Transactions will not close or that closing will be delayed, the risk that the Company’s businesses will suffer due to uncertainty related to the Transactions, the competitive environment in our industry and competitive responses to the Transactions as well as risk factors set forth above. Further information on factors that could affect the Company’s financial results is provided in documents filed by the Company with the SEC, including the Company’s recent filings on Form 10-Q and Form 10-K.

Accordingly, no assurances can be given as to whether the Transactions will be completed or if any of the other events anticipated by the forward-looking statements will occur or what impact they will have. Forward-looking statements speak only as of the date hereof and you are cautioned not to place undue reliance on these forward-looking statements. All forward-looking statements are qualified in their entirety by this cautionary statement and neither the Company nor Kingswood assumes any obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by applicable law.
