Forward looking statements Statements in this presentation that are not historical facts are forward-looking statements that reflect Harris Corporation's and L3 Technologies' respective management's current expectations, assumptions and estimates of future performance and economic conditions. Such statements are made in reliance on the safe harbor provisions of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements include but are not limited to: statements about the expected timing and completion of the proposed combination, the anticipated benefits of the

Edgar Filing: L3 TECHNOLOGIES, INC. - Form 425

proposed combination, including estimated synergies, the effects of the proposed combination, including on future financial and operating results, and the integration of the parties' operations, levels and timing of share repurchases; and other statements that are not historical facts. The parties caution investors that any forward-looking statements are subject to risks and uncertainties that may cause actual results and future trends to differ materially from those matters expressed in or implied by such forward-looking statements. Among the risks and uncertainties that could cause actual results to differ from those described in forward-looking statements are the following: the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement; the possibility that stockholders of either party may not approve the proposed combination; the risk that the parties may not be able to obtain (or may be required to make divestitures in order to obtain) the necessary regulatory approvals or to satisfy any of the other conditions to the proposed combination in a timely manner or at all; risks related to disruption of management time from ongoing business operations due to the proposed combination; risks related to the inability to realize benefits or to implement integration plans and other consequences associated with the proposed combination; the risk that any announcements relating to the proposed combination could have adverse effects on the market price of the common stock of either or both parties; and the risk that the proposed combination and its announcement could have an adverse effect on either or both parties' ability to retain customers and retain and hire key personnel and maintain relationships with suppliers and customers, including the U.S. Government and other governments, and on their operating results and businesses generally. The foregoing list of risks and uncertainties that could cause actual results to differ from those described in forward-looking statements is not exhaustive. Further information relating to factors that may impact the parties' results and forward-looking statements are disclosed in their respective filings with the Securities and Exchange Commission. The forward-looking statements in this presentation are made as of the date of this presentation, and the parties disclaim any intention or obligation, other than imposed by law, to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Persons receiving this presentation are cautioned not to place undue reliance on forward-looking statements. Harris Proprietary Information All Hands Meeting | 2
