Annual Meeting of Stockholders

PROXY STATEMENT

Our Board of Directors is furnishing you this Proxy Statement to solicit proxies on its behalf in connection with the 2009 Annual Meeting of Stockholders (Annual Meeting) of Haverty Furniture Companies, Inc. (we, the Company or Havertys). The meeting will be held on May 8, 2009 at the Marriott SpringHill, 16 South Calvert Street, Baltimore, Maryland, beginning promptly at 10:00 a.m. local time. This Proxy Statement and the accompanying proxy are first being mailed to our stockholders on or about March 31, 2009.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

Who may vote?

Stockholders on March 10, 2009 of Common Stock or Class A Common Stock are entitled to vote. The owners of Common Stock are entitled to one vote for each share held on all stockholder matters. The owners of Class A Common Stock are entitled to ten votes for each share held on all stockholder matters except for the election of directors, in which they are entitled to one vote per share.

What am I voting on?

You will be voting on the election of directors, the ratification our Audit Committee s choice of auditors for 2009, and any other matter that properly comes before the meeting. At the time we printed this proxy statement, we were not aware of any other matters that will be presented at the meeting.

Why are there two groups of Directors?

The owners of Common Stock and Class A Common Stock vote as separate classes in the election of directors. The owners of Common Stock are entitled to elect 25% of the members of the Board, or the nearest higher whole number that is at least 25% of the total number of directors standing for election. The owners of Class A Common Stock are entitled to elect the remaining number of directors standing for election.

How does the Board recommend that I vote?

The Board recommends that you vote:

FOR each of the nominees for director; and

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

FOR the ratification of the Audit Committee's selection of Ernst & Young, LLP as our independent registered public accounting firm for 2009.

Why did I receive a Notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

This year, in connection with new Securities and Exchange Commission (SEC) rules that allow companies to furnish their proxy materials over the Internet, we have sent to most of our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of the proxy materials.

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

Instructions on how to access the proxy materials over the Internet or to request a paper copy are found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. A stockholder's election to receive proxy materials by mail or e-mail will remain in effect until the stockholder terminates it.

Why didn't I receive a Notice in the mail regarding the Internet availability of proxy materials?

We are providing certain stockholders with paper copies of the proxy materials instead of a Notice. If you would like to reduce the costs incurred by us in mailing proxy materials, you can consent to receiving all future proxy statements, proxy cards and annual reports electronically via e-mail or the Internet. To sign up for electronic delivery, please follow the instructions provided with your proxy materials to vote using the Internet and when prompted, indicate that you agree to receive or access stockholder communications electronically in the future.

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name and you are the beneficial owner.

How do I vote before the meeting?

You may vote by any of the following methods:

Vote on the Internet. Follow the instructions on the Notice or proxy card and you can confirm that your vote has been properly recorded. If you vote on the Internet, you can request electronic delivery of future proxy materials. Internet voting for stockholders of record will be available 24 hours a day, 7 days a week and will close at 11:59 pm (EDT) on May 7, 2009;

Vote by telephone. Follow the instructions on the Notice or proxy card. Easy-to-follow voice prompts allow you to vote your shares and confirm that your vote has been properly recorded. Telephone voting for stockholders of record will be available 24 hours a day, 7 days a week and will close at 11:59 pm (EDT) on May 7, 2009;

Vote by mail. Complete, sign, date and return your proxy card in the pre-addressed, postage-paid envelope provided. If the returned proxy card is signed without indicating how you want to vote, then your proxy will be voted as recommended by the Board. If your proxy card is returned unsigned, then your vote cannot be counted. If mailed, your completed and signed proxy card must be received by May 7, 2009.

If you hold your shares in street name, whether you can vote by telephone or over the Internet depends on the bank's or broker's voting processes. Please follow the directions on your Notice or proxy card carefully.

If I vote by mail, telephone or Internet, may I still attend the Annual Meeting?

Yes. The Board recommends that you vote using one of the methods discussed above, as it is not practical for most stockholders to attend and vote at the Annual Meeting. Using another method to vote will not limit your right to vote at or attend the Annual Meeting. If your shares are held in street name you must obtain a proxy, executed in your favor, from your bank, broker or other holder of record to be able to vote at the Annual Meeting.

Can I change my mind after I vote?

You may change your vote at any time before the polls close at the meeting. You may do this by (1) signing another proxy with a later date and returning it to us prior to the meeting, or (2) voting again by telephone or over the Internet prior to 11:59 p.m. (EDT) on May 7, 2009, or (3) voting again at the meeting.

What are the voting requirements that apply to the proposals discussed in this proxy statement?

Proposal	Vote Required	Discretionary
		Voting Allowed?
Election of Directors	Plurality	Yes
Ratification of Auditors	Majority	Yes

A plurality means that the nominees for director receiving the highest number of for votes from our shares entitled to vote, present in person or represented by proxy, will be elected.

A majority means that a matter (other than the election of directors) receives a number of for votes that is a majority of the votes cast by the holders of our shares, present in person or represented by proxy.

Discretionary voting occurs when a bank, broker, or other holder of record does not receive voting instructions from the beneficial owner and votes those shares in its discretion on any matter as to which the rules of the New York Stock Exchange, or NYSE, permit such bank, broker, or other holder of record to vote. When banks, brokers, and other holders of record are not permitted under the NYSE rules to vote the beneficial owner's shares, the affected shares are referred to as broker non-votes, as discussed further below.

How will a quorum be determined?

The holders of a majority of our outstanding shares of the combined classes of common stock as of March 10, 2009, the record date, must be present at the meeting, either in person or by proxy, to constitute a quorum. A quorum is necessary before any business may be conducted at the meeting. As of March 10, 2009, we had 17,338,991 shares of Common Stock and 3,944,101 shares of Class A Common Stock outstanding.

How will the proxies vote on any other business brought up at the meeting?

By submitting your proxy card, you authorize the proxies to use their judgment to determine how to vote on any other matter brought before the Annual Meeting. We do not know of any other business to be considered at the Annual Meeting. The proxies' authority to vote according to their judgment applies only to shares you own as the stockholder of record. As noted above, broker non-votes will not be voted on any such matters.

Are votes confidential? Who will count the votes?

We will continue our long-standing practice of holding the votes of all stockholders in confidence, except (a) as necessary to meet applicable legal requirements and to assert or defend claims for or against the Company, (b) in case of a contested proxy solicitation, (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management, or (d) to allow the independent inspectors of election to certify the results of the vote.

Broadridge Financial Solutions, Inc., an independent tabulator, will count the votes.

Who is paying for this solicitation?

We are paying the cost of the proxy solicitation. These costs include charges of brokers, banks, fiduciaries, and custodians for forwarding proxy materials to their principals and obtaining their proxies. Additionally, some of our directors, officers, or employees may solicit proxies by mail, telephone, or personal contact. None of these solicitors will receive any additional or special compensation for doing this.

Where can I find the voting results of the Annual Meeting?

We will announce voting results at the Annual Meeting, and we will publish the final results in our quarterly report for the second quarter of 2009. You may access or obtain a copy of this and other reports free of charge on the Company's website at www.havertys.com, or by contacting our Corporate Secretary.

If I want to submit a stockholder proposal for the 2010 Annual Meeting when is it due?

If you are an eligible stockholder and want to submit a proposal for possible inclusion in next year's proxy statement, your proposal must be delivered in writing and received by us no later than November 30, 2009.

If you miss the above deadline for submission of a stockholder proposal to be included in the 2010 proxy statement, or if you submit a director nomination to the board of directors, such submission can still be considered at the 2010 meeting so long as it complies with Article 1 of our By-Laws. Under the By-Laws, your submission must be in writing and received by us no fewer than 60 days and no more than 90 days prior to the anniversary of the date of the mailing of the notice for this year's annual meeting (or, if the date of the 2010 annual meeting is advanced or delayed by more than 30 days from the anniversary of the date of this year's annual meeting, your submission must be received by us no more than 120 days prior to the date of the annual meeting and not later than the later of the 90th day prior to the 2010 annual meeting or the 10th day following the date on which we publicly announce the date of the 2010 annual meeting).

All stockholder submissions, whether under the first paragraph or the second paragraph above, must comply with the content and other requirements of our bylaws and, with regard to submissions under the first paragraph above, Rule 14a-8 of the SEC. Any stockholder submissions should be sent to us by certified mail, return receipt requested, addressed to: Corporate Secretary, Haverty Furniture Companies, Inc., 780 Johnson Ferry Road, Suite 800, Atlanta, GA 30342.

How can I obtain a copy of the Annual Report?

Stockholders may request a free copy of our Annual Report on Form 10-K by submitting such request to the Corporate Secretary, Haverty Furniture Companies, Inc., 780 Johnson Ferry Road, Suite 800, Atlanta, Georgia 30342. Alternatively, stockholders can access our Annual Report on Form 10-K on Havertys' website at www.havertys.com.

ELECTION OF DIRECTORS

Eleven directors are to be elected at the 2009 Annual Meeting to hold office until the 2010 Annual Meeting and until their successors are elected and qualified. Our charter provides that our Board of Directors be elected by stockholders of each of the two classes of stock, voting separately by class. At this Annual Meeting, three directors will be elected by the holders of Common Stock and eight will be elected by the holders of Class A Common Stock.

The nominees for election at the 2009 Annual Meeting were recommended and approved for nomination by the Nominating and Corporate Governance Committee (the Governance Committee) of the Board. The election of Havertys' directors requires a plurality of votes cast at the meeting by the holders of the respective classes of common stock. We expect that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, it is intended that the proxies will vote for the election of another nominee to be designated by the Governance Committee and the Board of Directors.

Director Compensation

Non-employee directors receive a combination of cash and stock-based compensation designed to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Governance Committee, which is responsible for determining the type and amount of compensation for non-employee directors, considers a number of factors including the significant amount of time that directors spend in fulfilling their duties to the Company and its stockholders.

Retainer and Meeting Fees: The non-employee directors receive the following compensation related to retainers and meeting fees under the Director Compensation Plan approved by stockholders in May 2006. In 2008, the retainer fee paid to non-employee directors was \$45,000 of which \$30,000 was required to be paid in shares of Havertys' Common Stock. Each non-employee director received \$1,250 for each Board and committee meeting attended, plus expenses related to attendance. The 2008 annual fees paid for service to the committee chairmen were: \$10,000 to Mr. Glover as chairman of the Audit Committee, \$7,500 to Ms. Mangum as chairman of the Compensation Committee and \$5,000 to Mr. McGaughey as chairman of the Governance Committee. The Governance Committee annually reviews the fees paid to directors. Employee directors receive no compensation for serving on the Board. Director retainer and meeting fees in 2009 will remain the same as in 2008.

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

Havertys maintains a Directors' Deferred Compensation Plan ("Deferred Plan") that permits all directors to defer to a future date receipt of payment of retainer fees and/or meeting fees which would otherwise be paid in cash or in shares of Common Stock for their services. Under the Deferred Plan, such deferred fees, plus accrued interest (at a rate determined annually in accordance with the Deferred Plan which is not above market), shall be distributed in the future to a director in one lump sum or in no more than ten equal annual installments, or in accordance with the terms of the Deferred Plan. Five directors participated in the Deferred Plan in 2008 and four will participate in 2009.

Directors are reimbursed for transportation and other expenses incurred in attending Board and committee meetings. There were no equity awards made during 2008 to directors under the Company's 2004 Long-Term Incentive Plan. Directors receive the same discounts as employees on Havertys products. The Company does not provide any pension or other benefits to its directors.

The table below sets forth the compensation expensed by the Company for payment to directors for the year ended December 31, 2008.

Compensation of Clarence H. Ridley as Non-Executive Chairman. Mr. Ridley will retire as an employee of the Company effective May 13, 2009. If elected as a director at the Annual Meeting, we anticipate that Mr. Ridley will serve as non-executive chairman of the board. As a non-executive chairman of the board, Mr. Ridley will receive compensation of \$125,000 per year, payable monthly in twelve (12) equal installments, which compensation will be in addition to the \$45,000 annual retainer fee paid to non-employee directors, as discussed above. Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

Ridley will not receive any additional compensation for his attendance at Board or committee meetings. This compensation arrangement, which will be effective as of May 13, 2009 and will expire as of the Annual Meeting of Stockholders to be held in May 2010 was approved by the Compensation Committee in consultation with the Governance Committee.

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

In addition, on March 16, 2009, the Company and Mr. Ridley entered into a consulting agreement (the Consulting Agreement), pursuant to which Mr. Ridley has agreed to serve as a consultant and advisor to the chief executive officer and the general counsel for an initial 12-month period, beginning on May 13, 2009. Under the Consulting Agreement, Mr. Ridley will be compensated at a rate of \$155,000 a year, payable monthly in (12) twelve equal installments. Mr. Ridley will provide certain consulting and advisory services as requested by the Company's chief executive officer or general counsel, including consulting on strategic planning and business and operational matters relating to the Company. The Consulting Agreement may be terminated by either party at any time during the consulting period, without cause, upon three (3) months written notice to the other party. The Consulting Agreement was approved by the Compensation Committee in consultation with the Governance Committee.

Director Independence. The listing requirements of the NYSE require that a majority of the members of a listed company's board of directors must be independent. The question of independence is to be determined by the board with respect to every director, in line with the rules of the NYSE. Based upon the NYSE rules, our Board has determined a majority of its current members are independent.

The NYSE rules also require that certain of our committees be composed entirely of independent directors. Our Committees covered by this requirement are the Audit Committee, the Governance Committee, and the Compensation Committee and our Board has determined that all current members of these committees are independent under the NYSE rules.

The Board considers the independence issue not merely from the standpoint of a director, but also from that of persons or organizations with which the director has an affiliation. An independent director is free of any relationship with Havertys or its management that may impair the director's ability to make independent judgments. Particular attention is paid to whether a director is independent from management and to any financial relationships that may exist with a director or a related interest.

Generally, borrowing relationships with directors and their affiliates are considered immaterial and will not impair independence so long as the terms of the relationship are similar to other comparable borrowers. In other words, normal, arms-length credit relationships entered into in the ordinary course of business do not negate director independence. A director who is an executive officer of a company that makes payments to or receives payments from Havertys for property or services in an amount which, in any fiscal year, is greater than 2% of such director's company's consolidated gross revenues will not be considered independent.

The following directors have been deemed by the Board to be independent after applying the guidelines set forth above: Mmes. Mangum and Palmer and Messrs. Glover, Humann, McGuirk, McGaughey, Schuermann and Trujillo.

Director Nominations. The Governance Committee has the responsibility of reviewing qualifications of the candidates for Board membership in accordance with procedures established by Havertys' Corporate Governance Principles, applicable law and regulations. The Governance Committee will consider recommendations for directors submitted by stockholders. Stockholders should submit their recommendations in writing to the Governance Committee (See, *Communications with Directors*). The proponent should submit evidence that he or she is a stockholder of Havertys, together with a statement of the proposed nominee's qualifications to be a director. There is no difference in the manner in which the Governance Committee evaluates proposed nominees based upon whether the proposed nominee is recommended by a stockholder.

In its assessment of each potential candidate, the Governance Committee will review the nominee's experience, independence, understanding of Havertys or other related industries and such other factors as

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

the Governance Committee determines are pertinent in light of the current needs of the Board. Diversity of race, ethnicity, gender and age are factors considered in evaluating nominees for Board membership. The Governance Committee will also take into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities.

Nominees may be suggested by directors, members of management, stockholders or, in some cases, by a third-party search firm. In identifying and considering candidates for nomination to the Board, the Governance Committee considers, in addition to the requirements set out in Havertys' Corporate Governance Principles and the Governance Committee's charter, quality of experience, the needs of Havertys and the range of talent and experience represented on the Board.

Corporate Governance Principles. Our Corporate Governance Principles, together with the Board committee charters, provide the framework for the effective corporate governance of Havertys. The Board of Directors adopted these guidelines to address certain governance matters including the role of the Board, qualifications and responsibilities of directors, director compensation, management succession and director education. These governance principles are designed to maximize long-term stockholder value and promote the highest ethical conduct among Havertys' directors and employees. A copy of the Corporate Governance Principles is available on our website at www.havertys.com (About Us, Corporate Governance).

Stock Ownership Guidelines. The Board has implemented stock ownership guidelines for non-employee directors. Each director is required to own at least 10,000 shares of the Company's stock. Currently, all non-employee directors exceed the Company's Stock Ownership Guidelines.

Executive Sessions of Independent Directors. The Board has a policy of scheduling an executive session of the independent directors as part of every regularly scheduled quarterly meeting of the Board. Mr. McGaughey, as chairman of the Governance Committee, has been requested by the independent directors to preside over these sessions and to convey to management any issues of concern.

Code of Business Conduct and Ethics. All of our directors and employees, including our chairman of the board, chief executive officer and other senior executives, are required to comply with our Code of Business Conduct and Ethics (the "Code") to help ensure that our business is conducted in accordance with the highest standards of ethical behavior. Havertys' growth and profitability are linked to our ability to make decisions that are consistent with our traditional business values and ethical principles. The Code is published on our website at www.havertys.com (About Us, Corporate Governance).

Communications with Directors. Stockholders and other interested parties may communicate with any director, committee member or the Board by writing to the following address: Board of Directors, c/o Corporate Secretary, Haverty Furniture Companies, Inc., 780 Johnson Ferry Road, Suite 800, Atlanta, Georgia 30342. Please specify to whom your correspondence should be directed. The Corporate Secretary has been instructed by the Board to review and promptly forward all correspondence (except advertising material and ordinary business matters) to the relevant director, committee member or the full Board, as indicated in the correspondence. A copy of the Director's Communication Policy is available on our website at www.havertys.com (About Us, Corporate Governance).

Board Committee Charters. The charters for each of the standing committees of the Board as well as our Corporate Governance Guidelines, Director's Communication Policy and Code may be accessed through our website at www.havertys.com. Additionally, copies may be requested in writing by submitting the request to Corporate Secretary, Haverty Furniture Companies, Inc., 780 Johnson Ferry Road, Suite 800, Atlanta, Georgia 30342.

Board and Committee Evaluation. During 2008 and 2009, the Board and each of its committees participated in self-evaluation and assessment processes in order to improve their efficiency and effectiveness. The evaluations were supervised by the Governance Committee and discussed by each applicable committee and the Board.

Mandatory Retirement and Resignation from Board. Our independent directors are subject to a mandatory retirement age and cannot stand for re-election in the calendar year following their 72nd birthday. The Board may ask a director to continue service beyond age 72 under certain circumstances upon review by the Governance Committee. A director is also required to submit his or her resignation from the Board to the Governance Committee in the event that a director retires from or otherwise leaves his or her principal occupation or employment. The Governance Committee can choose to accept or reject the resignation.

Directors Attendance at Annual Stockholders Meetings. Havertys does not have a policy regarding director attendance at the Annual Meeting. This meeting is held in Maryland, the state of Havertys incorporation, and typically is a very brief meeting conducted by Havertys Corporate Secretary. No directors were present at the 2008 Annual Meeting and historically, no stockholders have been in attendance.

Certain Relationships and Related Transactions

Related Party Transaction Policy: We recognize that transactions between Havertys and any of its directors or executives can present potential or actual conflicts of interest and create the appearance that Havertys decisions are based on considerations other than the best interest of Havertys and its shareholders. Our Corporate Governance Principles and the Code, which applies to all employees and directors, provides that all conflicts of interest should be avoided; however, Havertys recognizes that there are situations where such transactions may be in, or may not be inconsistent with, the best interest of the Company. Therefore, the Company adopted in 2008, a written Related Party Transaction Policy (Policy) which details the policies and procedures for approving a related party transaction. The term related party transaction is defined as any transaction, arrangement or relationship or any series of similar transactions arrangements or relationships in which (1) the aggregate amount involved will exceed \$120,000 in any calendar year, (2) we are a participant, and (3) the related party has or will have a direct or indirect interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). Under the Company s Policy, any relationship, arrangement or transactions between the Company and (a) a director, executive officer or any immediate family member of either a director or an executive officer, (b) any stockholder owning more than 5% of either class of the Company s common stock or (c) any entity owned or controlled by a director, executive officer or immediate family member of such individuals, or an entity in which any of the individuals named above has a ownership interest or control is also subject to the Policy.

The Board has determined that the Governance Committee is best suited to review and approve related party transactions. The Governance Committee has adopted standing pre-approvals under the policy for limited transactions with related persons. Pre-approved transactions include: (i) employment of executive officers; (ii) director compensation; (iii) certain transactions with other companies in which the related party s only relationship is as an employee, director or beneficial owner of less than 10% of that company s stock; (iv) certain Company charitable contributions; (v) certain transactions where the related person s interest arises solely from the ownership of the Company s common stock and all holders of the Company s common stock receive the same benefits; (vi) certain banking related services in which the terms of such transactions are generally the same as or similar to accounts offered to others in the

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

ordinary course of business; (vii) transactions involving competitive bids and (viii) transactions made on the same or similar terms available to all Company employees.

Related Party Transactions: Mr. Rawson Haverty, Jr. serves as the Company's senior vice president, real estate and is a director and beneficial owner of more than 5% of the Company's Class A Common Stock. During 2008, Mr. Haverty earned a salary of \$232,000 which was approved by our Compensation Committee in accordance with our compensation practices applicable to our Executive Officers.

SunTrust Banks, Inc. (SunTrust) engaged in ordinary course of business banking transactions with us in 2008, and provided investment and trust services on terms comparable to other customers similarly situated. In 2008 we had an unsecured revolving credit facility with a group of five banks, including SunTrust. In late 2008 we paid off the unsecured facility and negotiated a secured revolving credit facility with two banks, including SunTrust. We paid to SunTrust customary arrangement, upfront, agency and collateral management fees totaling approximately \$700,000 in connection with the new facility. Both of the credit facilities were on terms comparable to other customers similarly situated. As of December 31, 2008, Haverty's indebtedness under the revolving credit facility allocable to SunTrust was zero, and the greatest such amount during 2008 under either facility was \$15,000,000. L. Phillip Humann, one of our directors, is currently a consultant to SunTrust. He served as its chairman until April 2008.

As described above, Clarence H. Ridley, our current chairman of the board of directors is retiring as an employee of the Company effective May 13, 2009. In connection with his retirement, we entered into a consulting agreement with Mr. Ridley to provide certain consulting and advisory services to our chief executive officer and general counsel, which Consulting Arrangement was approved by the Compensation Committee in consultation with the Governance Committee. For a discussion of the material terms of the Consulting Agreement, see the disclosures set forth above under Director Compensation.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis addresses the following:

Overview of the Compensation Program;

The Compensation Committee's role in compensation governance;

The philosophy and objectives of our executive compensation program, including what the program is intended to reward;

How we make compensation decisions and determine the amount of each element of compensation;

The elements of our executive compensation program; and

An analysis of the material compensation decisions made by the Compensation Committee during 2008.

Overview of the Compensation Program

The Compensation Committee is responsible for establishing, implementing and monitoring the administration of compensation and benefits programs in accordance with the Company's compensation philosophy and strategy and approving executive compensation and equity plan awards. The Committee seeks to establish a total compensation structure for Havertys' senior officers that is fair, reasonable, and competitive. The compensation structure includes base salary, annual cash incentive compensation, long-term equity-based incentive compensation and benefits. Generally, the types of compensation and benefits paid to the senior officers are similar to those provided to other officers of the Company.

Throughout this proxy statement, the individuals who served as Havertys' chairman, chief executive officer and chief financial officer during 2008, as well as the other individuals included in the Summary Compensation Table on page 20, are referred to as the Named Executive Officers. The individuals who were subject to the SEC Section 16 reporting requirements during 2008 are referred to as the Executive Officers.

Role of the Committee

The Compensation Committee is composed of independent directors and is responsible for the approval and oversight of compensation programs for Executive Officers and benefit programs for all employees of Havertys. The Committee focuses on the attraction and retention of key executives and, when making decisions, considers the Company's compensation philosophy, the achievement of business goals set by Havertys, relevant peer data and recommendations made by the chief executive officer.

The Committee took the following steps to ensure that it effectively carried out its responsibilities:

Conducted an annual review of Havertys compensation philosophy to ensure that it remains appropriate given Havertys strategic objectives.

16

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

Engaged Pearl Meyer & Partners (Pearl Meyer) in late 2007, to provide the Committee with relevant market data and to advise the Committee on alternatives when making compensation decisions in 2008 for the Named Executive Officers and on the recommendations being made by the chief executive officer for Executive Officers other than the Named Executive Officers. In addition to the support provided by outside consultants, employees in the Company's Human Resources department provided support, data, and analysis to the Committee.

Conducted an annual review of the Company's Compensation Peer Group.

Reviewed all compensation components for Havertys' chairman, chief executive officer, chief financial officer, and other named executive officers, incorporating a tally sheet and pay-for-performance sensitivity analysis for each executive as part of that review.

Initiated an annual evaluation of the execution of the Company's pay-for-performance philosophy, to ensure that the actual award decisions resulted in alignment of relative pay and relative performance compared to the Compensation Peer Group.

Scheduled an executive session, without members of Management, for the purpose of discussing decisions related to the chairman's and chief executive officer's performance, goal-setting, compensation levels and other items deemed important by the Committee.

Conducted an annual review of the Compensation Committee Charter to ensure that it effectively reflects the Committee's responsibilities.

Completed an annual self-evaluation of the Committee's effectiveness; and

Conducted an annual review of the Company's succession plan.

Role of Chief Executive Officer in Compensation Decisions. The chief executive officer annually reviews the performance of each of the other Executive Officers. Based on this review, he makes compensation recommendations to the Committee, including recommendations for salary adjustments, annual cash incentives, and long-term equity-based incentive awards. Although the Committee considers these recommendations along with data provided by its other advisors, it retains full discretion to set all compensation for the Company's Executive Officers.

The Committee's Considerations. The Committee considers a mix of an Executive Officer's base salary, annual cash incentive compensation, long-term equity-based incentive compensation (Compensation Package) and recommendations by the chief executive officer when making decisions. Based on its most recent review of the competitive data, the Committee has determined that the compensation structure for Executive Officers is effective and appropriate. Also based on this review, the Committee determined that the Company's 2008 and 2009 Compensation Package for its Named Executive Officers is reasonable and not excessive.

Executive Compensation Philosophy & Strategy

Havertys' executive compensation philosophy is directed at attracting, retaining and motivating highly qualified executives that are dedicated to the long-term success of Havertys and to align their interests with the long-term interests of Havertys' stockholders by providing appropriate competitive compensation and financial reward. In support of this philosophy, the executive compensation program is

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form DEF 14A

designed to reward performance relevant to Havertys' short-term and long-term success based on corporate and individual performance. We designed the cash incentive compensation to reward company-wide performance through tying awards primarily to earnings per share. Finally, we endeavor to ensure that our compensation program is perceived as fundamentally fair to all stakeholders.

Compensation Methodology and Elements

The elements of the total compensation program we provide to our Executive Officers include: base salary, annual cash incentives, equity compensation and other benefits, including welfare and retirement benefits, severance benefits and change of control benefits. We believe that a majority of executive compensation should be performance-based; however, we do not have a specific formula that dictates the overall weighting of each element as a part of total compensation. Our compensation setting process consists of establishing competitive base salaries for each Executive Officer and then providing additional compensation opportunities using cash incentives and equity awards. The Compensation Committee determines total compensation based on a review of competitive compensation data, consistency with our overall compensation philosophy and their judgment as a committee.

Competitive Compensation Data. Pearl Meyer provided pay data from both public and private databases and surveys. In addition to the survey data, Havertys' executive positions were compared to a peer group. The peer group companies were selected on the basis of size and industry. Six companies (the Compensation Peer Group) were selected after meeting the following criteria: (1) revenue from \$500 million to \$1.6 billion; and (2) retail/wholesale trade focused on the home furnishings sector.

Our policy for allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for our company and our stockholders. Likewise, we provide cash compensation in the form of base salary to meet competitive salary norms and reward good performance against specific short-term goals on an annual basis in the form of cash incentive compensation. We provide equity awards relative to the performance of general management responsibilities and contribution as a member of the executive management team. The components of our compensation package for the Named Executive Officers for 2008 ranged from 61% to 66% in salaried compensation, 20% to 22% in targeted cash incentive compensation, and 12% to 19% in equity awards.

Direct Compensation Element

Each element of total compensation and the primary purpose for using each element is outlined below. Compensation includes both direct and indirect elements. When making decisions on each of these elements, the Compensation Committee takes into consideration a multiple number of factors.

Base Salaries. Base salary provides a fixed level of income to compensate executives for their level of responsibility and must be competitive against our primary peer group in order to attract and retain qualified talent. Base salaries are set at the regularly scheduled meeting of the Compensation Committee held at the beginning of each year.

Annual Cash Incentive Plan Compensation. This award is intended to motivate and reward achievement of specified financial goals. An Executive Officer of Havertys will earn total compensation that is competitive with the market only if Havertys achieves corporate financial performance goals and incentive compensation is paid. If goals are exceeded, incentive compensation can cause total compensation to exceed median market levels.

Stock Awards.

Performance Accelerated Restricted Stock. These equity awards align the interests of executives with our stockholders by emphasizing long-term growth in our stock value. They also provide an element of attraction and retention and may be used to recognize a promotion or other significant achievements.

Stock-Settled Appreciation Rights. These equity awards are designed to motivate and reward executives for the achievement of longer-term strategic Company objectives that serve to enhance our total stockholder return.

Indirect Compensation Element

Retirement and Other Benefits. Retirement programs and other benefits are designed to be competitive in our industry in order to attract and retain qualified employees. These programs are intended to protect against catastrophic expenses (health care, disability and life insurance), provide retirement benefits and to provide an opportunity to save additional amounts for retirement (401(k) Plan).

Perquisites. Perquisites constitute an insignificant part of total executive compensation. However, a limited number of perquisites are provided in order to deliver a competitive package to attract and retain executive officers.

Post-Termination Benefits. Standard post-termination benefit programs provide a source of temporary, transitional income following involuntary termination of employment. Generally, severance pay is based on length of service and as an example, all employees with over 15 years of service are entitled to 6 weeks of regular pay (excludes overtime or bonus amounts).

Following is a discussion of each compensation element and the specific actions taken by the Compensation Committee in 2008 related to each element. In determining each of these elements, the Compensation Committee considered the resources discussed above. Each of these elements is reviewed on an annual basis, and may be reviewed at the time of a promotion, other change in responsibilities, other significant corporate events or a material change in market conditions. The same principles and factors are applied in a consistent manner to all Named Executive Officers. Material differences in the amount of compensation awarded to each of the Named Executive Officers generally reflect the differences in the individual responsibility and experience of each officer and the differences in the amounts of compensation paid to officers in comparable positions in our Compensation Peer Group.

Clarence H. Ridley Retirement

On March 12, 2009, Mr. Ridley, our current chairman of the board of directors, announced his intention to retire from the Company as an employee, effective May 13, 2009. If elected as a director at the Annual Meeting, Mr. Ridley will retain his position as chairman of the board of directors. In addition, Mr. Ridley has agreed to serve as a consultant and advisor to the chief executive officer and the general counsel on certain matters. A discussion of the post-employment benefits to be received by Mr. Ridley, in connection with his retirement, is set forth below under Potential Payments Upon Termination or Change in Control. In addition, a discussion of the compensation and consulting arrangements approved by the Executive Compensation and Employee Benefits Committee in connection with Mr. Ridley's services as non-executive chairman of the board and as a consultant to the Company is set forth above under Director Compensation.

(1) These amounts reflect the dollar amount recognized for financial statement reporting purposes for the year ended December 31, 2008, in accordance with FAS 123(R) of awards pursuant to the 2004 Long-Term Incentive Plan and thus include amounts from awards granted in and prior to 2008. Assumptions used in the calculation of these amounts are included in Note 11 to Havertys' audited financial statements for the year ended December 31, 2008, included in Havertys' Annual Report on Form 10-K filed with the SEC on March 16, 2009.

(2) These amounts are the 2008 Cash Incentives discussed below in Annual Cash Incentive Compensation.

(3) These amounts reflect the following: (1) Havertys' contributions to the account of the named executive officer pursuant to the Havertys' 401(k) Plan as follows: for Mr. Ridley - \$9,060, Mr. Smith - \$9,191, Mr. Fink - \$9,042, Mr. Wilkerson - \$6,996 and Mr. Burdette - \$9,072 and (2) the premium costs for life insurance, short-term and long-term disability coverage paid by Havertys on behalf of the Named Executive Officer.

(4) Mr. Ridley requested a reduction in his salary effective June 1, 2008 from \$425,000 to \$385,000. As described further under Director Compensation and Potential Payments Upon Termination or Change in Control, on March 12, 2009, Mr. Ridley announced his intention to retire from the Company as an employee, effective May 13, 2009.

(5) Mr. Wilkerson retired as of February 15, 2009.

(6) Mr. Burdette became a Named Executive Officer in 2007. He was promoted in May 2008 and at that time his salary was increased from \$250,000 to \$275,000.

Base Salary For Executive Officers

The Compensation Committee reviews the base salaries for each Named Executive Officer on a yearly basis and advises the Board as to the appropriateness and reasonableness of the salaries. Consistent with our compensation philosophy, we reviewed both internal and external factors to determine the appropriate compensation for Mr. Ridley, Mr. Smith and the other NEOs and the Company's other Executive Officers. This review is based on competitive compensation data as well as a subjective evaluation of each executive's contribution to Havertys' performance and the executive's level of experience and responsibilities. Adjustments are made as necessary in light of past performance and the potential for making significant contributions in the future in order to ensure compensation levels are appropriate and competitive.

We believe the base salary range for each executive position reflects a median base salary range for Havertys' comparative peer group. The Compensation Committee, after reviewing a competitive compensation analysis performed in late 2007 by the consulting firm Pearl Meyer, and after receiving input from the chief executive officer determined that the annual base salaries for 2008 would be increased by a range of 1.2% to 6.4% for each of the NEOs with an average increase of 3.2%. For compensation purposes, the Compensation Committee performs a yearly evaluation of Messrs. Ridley's and Smith's performance. The other Named Executive Officers' performance is evaluated by Mr. Smith and discussed with the Compensation Committee.

Annual Cash Incentive Compensation

Each Havertys executive is eligible for an annual cash incentive award. Cash incentive awards are intended to reward key employees based on Havertys' performance, motivate key employees and provide competitive cash compensation opportunities to officers.

We believe that incentive compensation for Executive Officers should be directly linked to the achievement of specified financial and non-financial objectives. This performance-based structure keeps a sizeable portion of the compensation for the senior management group at risk because the value of such compensation depends largely on the degree of success in attaining the Company's performance objectives. Havertys' pay for performance philosophy is intended to encourage achievement of financial and operational objectives which are aligned with those of the stockholders.

2008 Cash Incentives (Non-Equity Incentive Plan Compensation): The Compensation Committee approved a management incentive plan (2008 Incentive Plan) to determine cash incentives for Havertys' Executive Officers in 2008. The 2008 Incentive Plan provided for cash incentives based on the Company achieving a target earnings per share (EPS) of \$0.37 as established by the Compensation Committee. Pursuant to the Plan, the Executive Officers were eligible to receive a target payout of 33% of the amount of their annual base salary if the pre-established target EPS was achieved and one or more individual goals were met. The cash incentive paid would be reduced ratably for actual Company performance from 100% to 50% of the target EPS. Failure to reach at least 50% of the target EPS goal would result in a zero payout under the Plan and there was no opportunity for payment in excess of the target payout under the Plan. The Company did not achieve at least 50% of the target EPS goal and accordingly there were no payouts under the Plan.

2009 Cash Incentives (Non-Equity Incentive Plan Compensation): The Compensation Committee has approved a management incentive plan (the 2009 Incentive Plan) to determine cash incentives for the Company's Executive Officers for 2009. The 2009 Incentive Plan provides for cash incentives based primarily on Havertys achieving a threshold dollar amount of pre-tax earnings on a quarterly and annual

basis. For the chief executive officer and the chief financial officer, a portion of their target cash incentive is based on maintaining a minimum monthly availability under the Company's revolving Credit Agreement. For the other Executive Officers, a portion is based on achieving additional performance criteria or specific projects or initiatives as established by the Compensation Committee and the chief executive officer. Pursuant to the 2009 Incentive Plan, the Executive Officers are eligible to receive a target payout from 35% to 55% of their 2009 annual base salary. The Compensation Committee has complete discretion to modify the target cash incentives, weightings or performance criteria during 2009 or may determine that payment of cash incentives for 2009 will not be made due to economic issues or other factors.

Bonuses: In its discretion, the Compensation Committee may approve cash bonuses based on subjective criteria and performance against individual objectives for the year and other economic factors. There were no cash bonuses for 2008 paid to any Executive Officer.

Long-Term Equity Compensation

We utilize two equity-based, longer-term incentives: stock-settled stock appreciation rights (SARs) and performance accelerated restricted stock awards (PARS), pursuant to the 2004 Long-Term Incentive Plan.

Our practice is to estimate the approximate dollar amount of equity compensation that we want to provide and to then grant equity awards that have a fair market value comparable to that amount on the date of grant. We estimate the fair market value based upon a number of factors including the closing price of our stock on the date of determination and other factors as outlined in Note 11 of our Consolidated Financial Statements. With the exception of significant promotions and new hires, we generally make these awards at the first meeting of the Compensation Committee each year following the availability of the preliminary financial results for the prior year. Grants were made on February 6, 2008. This timing was selected because it enables us to consider prior year performance by Havertys and the potential recipients and our expectations for the current year. The awards also are made as early as practicable in the year in order to maximize the time period for the incentives associated with the awards. The Compensation Committee's schedule is determined in advance, and the proximity of any awards to earnings announcements or other market events is coincidental. The Compensation Committee grants restricted stock to individuals that are not Executive Officers, generally based upon the recommendations of Management, and has delegated stock award granting authority to the chief executive officer for a small, specific number of shares to be made during the ensuing year for promotions, new hires, and other circumstances.

The Compensation Committee in February 2008, after considering the information provided by Pearl Meyer granted PARS and SARs to Havertys' Executive Officers. The SARs will vest over four years from date of grant. The PARS will vest 100% in 2015 and could be subject to accelerated vesting if certain market price per share goals are met by the Company. The market price per share goals for the 2008 PARS are for Havertys' common stock to attain a \$15 closing price for twenty consecutive days.

Over the past several years, we have shifted away from the use of stock options to other types of equity awards. This modification in our equity compensation structure is consistent with competitive market trends. More importantly, the use of restricted stock awards or PARS and SARs make more efficient use of our equity program's share reserves and reduce overall dilution because it takes fewer shares than options to deliver the same amount of incentive compensation opportunity. The SARs granted in 2008 will provide value to the executives only if the price of Havertys' common stock increases above \$9.13. The timing of receipt and value of the PARS is also directly tied to the value of stock.

In establishing award levels, we generally do not consider the equity ownership levels of the recipients or prior awards that are fully vested.

Grants of Plan Based Awards Table

The following table and footnote sets forth certain information with respect to the estimated payouts which were possible under our non-equity incentive plan and the restricted stock awards granted during the year ended December 31, 2008 to each of our Named Executive Officers. The actual payouts are shown in the Summary Compensation Table.

- (1) Award Type: ACIP = Annual Cash Incentive Plan Compensation
 PARS = Performance Accelerated Restricted Stock Award
 SARs = Stock-Settled Appreciation Right Award
- (2) The 2008 Non-Equity Incentive Plan as discussed above provided for a target payout for 100% attainment of the goal and decreased ratably to the threshold payout for 50% attainment of the goal. Failure to reach 50% of the target resulted in a zero payout.
- (3) The base price for the PARS and SARs is the closing price of the Company's stock on the date of grant.
- (4) The fair value for the PARS was determined using the number of shares granted multiplied by the closing stock price on the grant date. The fair value for the SARs was determined using the number of rights granted multiplied by \$2.53 which is the fair value of the SARs determined using the Black-Scholes valuation model.

Pension Benefits and Retirement Plans***Pension Plan***

Until December 31, 2005, Havertys maintained the Haverty Furniture Companies, Inc. Retirement Plan (the Retirement Plan), a traditional defined benefit pension plan. Subsequent to that time no new participants were added to the plan. On November 10, 2006, the plan for existing participants was frozen as of December 31, 2006. For its 401(k) plan, Havertys increased its matching contribution effective January 1, 2007, from 50% of the first 2% of eligible pay and 25% of the next 4% contributed by participants, to 100% of the first 1% of eligible pay and 50% of the next 5% contributed by participants. This represented an increase in the maximum match from 2% to 3.5% of eligible pay. This change allows all participants, including our Executive Officers to defer the maximum allowed under I.R.S. regulations under the safe harbor contribution rules.

Supplemental Retirement Plan

The Company has the Haverty Furniture Companies, Inc. Supplemental Retirement Plan (the SERP) for the benefit of those employees whose retirement benefits would otherwise be reduced by the limitation imposed by federal pension law and I.R.S. regulations on the amount of compensation that may be taken into account in computing benefits under a defined benefit retirement plan. Effective December 1, 2006, the SERP was amended such that any future changes to the Retirement Plan would not affect the calculation of the SERP benefit, and that the benefit accrued as of December 1, 2006 would not be reduced. The maximum annual benefit when combining the SERP benefit, the calculated Retirement Plan Benefit, and Social Security will continue to be \$125,000.

The following table shows the present value of accumulated benefits payable to each of the Named Executive Officers, including the number of years of service credited under each of the Retirement Plan and the Supplemental Retirement Plan determined using interest and mortality rate assumptions consistent with those used in Havertys' financial statements and included in Note 10 to Havertys' audited financial statements for the year ended December 31, 2008.

Non-Qualified Deferred Compensation

The amounts in the following table relate to the Company's mutual fund option plan. On January 15, 1999, the Board of Directors adopted the Havertys Top Hat Mutual Fund Option Plan (the "Top Hat Plan"). The Top Hat Plan covers certain executives and employees as designated by the Compensation Committee and is designed to accumulate retirement funds for selected employees, including the executive officers. The Top Hat Plan allowed participants to defer up to 100% of their cash incentive compensation in exchange for an option to buy selected mutual funds at a discount equal to the bonus he or she would have otherwise received. Deferrals under the Top Hat Plan were suspended in 2005. Participants may withdraw any or all amounts at any time but not later than ten years from leaving the employment of the Company. The Top Hat Plan is administered by Havertys.

Potential Payments Upon Termination or Change in Control***Change in Control Benefits***

Our Executive Officers and other employees have built Havertys into the successful enterprise that it is today, and we believe that it is important to protect them in the event of a change in control. The Compensation Committee has approved agreements (each an "Agreement") between Havertys and each of individuals listed in the Summary Compensation Table and certain other officers. These Agreements provide for cash payments and continuation of benefits upon termination of the person's employment in the event of a change in control, or potential change in control or if termination occurs prior to a change in control but following a potential change in control that would result in a change in control, as defined in the Agreement.

The Agreements, entered into with the Named Executive Officers, provide that unless the termination of the person is for cause, or by the individual without "Good Reason" as defined in the Agreement, the person will be paid: (i) a lump severance payment in cash equal to the higher of the sum of two times the individual's base salary or two times the average annual base salary for the three years immediately prior to the event upon which the notice of termination is based; (ii) the higher of two times the amount paid to individual as bonus and annual incentive compensation or two times the average amount paid in the three years preceding that in which the date of termination occurs; and (iii) an amount of any annual bonus and incentive compensation which has been allocated or awarded and has not yet been paid and a pro rata portion for the fiscal year in which the termination occurs.

Under the terms of the Agreement, if a change in control occurs, Havertys will, at the election of the individual, repurchase all equity awards held for a lump sum amount in cash equal to the product of the spread (using the per share price as defined in the Agreement) times the number of shares covered by each award. Havertys will also arrange to provide life, disability, accident and health insurance benefits similar to those which the individual was receiving immediately prior to the notice of termination for a period of 24 months after the date of termination.

Because of the so-called "parachute" tax imposed by Internal Revenue Code Section 280G, the Agreements include a "cap." Under this provision, all parachute payments would be reduced so that no excise tax would be imposed on any of the payments and benefits and thus the total amount of payments would never exceed three times his or her "base amount" as defined by the Internal Revenue Code.

Based upon the hypothetical termination date of December 31, 2008, and election to repurchase all equity awards (at an assumed purchase price as determined per the Agreement of \$12.27), the change in control benefits for our NEOs, assuming the provision of the Agreements deemed payments should be made, would have been as follows:

	Salary times	Bonus Times	Purchase of	Healthcare and	
Name	Multiple	Multiple	Equity Awards	Other Benefits	Total
Clarence H. Ridley	\$ 821,112	\$ 89,200	\$ 297,267	\$ 19,280	\$ 1,226,859

Payments Upon Termination

On March 12, 2009, Mr. Ridley announced his intention to retire from the Company as an employee, effective May 13, 2009. In connection with his retirement and in recognition of his service to the Company, Mr. Ridley is expected to receive, on behalf of himself and his spouse, health benefit coverage commensurate with the coverage received while he was an employee of the Company from the effective date of his retirement. In addition, Mr. Ridley will retain all equity awards previously granted to him by the Company with the exercise and expiration date on those awards to remain the same as on the grant date.

Perquisites and Other Benefits

Perquisites for our executives are very limited and consist only of payments for annual physical examinations, \$250,000 of additional life insurance coverage and short-term and long-term disability coverage. Havertys' executives participate in the Company's benefit plans on the same terms as other employees. These plans include medical and dental insurance, life insurance and discounts on Havertys products. Havertys' NEOs do not have personal access to aircraft, automobiles, club memberships or any cash allowances for such benefits.

Section 162(m)

In making our decisions about compensation for Named Executive Officers, we consider Section 162(m) of the Internal Revenue Code, which limits to \$1 million per year the compensation expense deduction Havertys may take for compensation paid to a person who is highly compensated for purposes of the Internal Revenue Code, unless the compensation is performance-based. It is generally the policy of Havertys that the components of executive compensation that are inherently performance-based should qualify for exclusion from the deduction limitation under Section 162(m).

We believe that while tax deductibility is an important factor, it is not the sole factor to be considered in setting executive compensation policy, and therefore reserve the right, in appropriate circumstances, to pay amounts in addition to base salary that might not be deductible. The Compensation Committee's purpose in doing so is to ensure that Havertys retains its best executives and remains competitive in the market for executive talent.

If non-performance-based compensation in excess of \$1 million should become payable to a person who is highly compensated for this purpose, we may consider requiring possible deferral of receipt of any potential amounts earned in excess of the cap to a tax year following the year in which the individual might leave the employment of Havertys.

Compensation Committee Report

The Compensation Committee oversees the compensation program of Havertys on behalf of the Board. In fulfilling its oversight responsibilities, the Compensation Committee reviewed and discussed with management of Havertys the Compensation Discussion and Analysis included in this Proxy Statement.

Based upon those reviews and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in Havertys' Definitive Proxy Statement on Schedule 14A for its 2009 Annual Meeting, which is incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, each as filed with the Securities and Exchange Commission.

If a change in control of Havertys occurs then, at the Compensation Committee's discretion, any award may provide for the immediate vesting or lapse of all restrictions.

PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Ernst & Young LLP as the Company's independent auditor for the fiscal year ended December 31, 2009. We are asking our shareholders to ratify the appointment of our independent auditors. Although ratification is not required by our By-Laws or otherwise, the Board is submitting the appointment of Ernst & Young LLP, an independent registered public accounting firm, to our shareholders for ratification because we value our shareholders' views on our independent auditors and as a matter of good corporate practice. In the event that our shareholders fail to ratify the appointment, the Audit Committee will consider it as a direction to consider the appointment of a different firm. Even if the appointment is ratified, the Audit Committee in its discretion may select a different independent auditor at any time during the fiscal year if it determines that such a change would be in the best interests of our Company and our stockholders.

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP, AS OUR INDEPENDENT AUDITORS FOR 2009.

Audit Fees and Related Matters

Ernst & Young LLP (Ernst & Young) served as independent auditors of Haverty's annual financial statements for the year ended December 31, 2008. Historically, the independent auditors are engaged in May at the first meeting of the newly appointed Audit Committee for the ensuing year. No representative of Ernst & Young will be present at the Annual Meeting. Aggregate fees for professional services rendered for Haverty's for the years ended December 31, 2008 and 2007, were:

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Committee must approve the permitted service before the independent auditor is engaged to perform it. Approximately 98% of the fees detailed above were pre-approved by the Committee. The Committee has delegated to the Chairman of the Audit Committee authority to approve permitted services provided that the Chairman reports any decisions to the Committee at its next scheduled meeting.

Audit Committee Report

The Audit Committee has reviewed and discussed with Havertys' management and Ernst & Young, the independent registered public accounting firm, the consolidated financial statements of Haverty Furniture Companies, Inc.

The Committee has reviewed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended regarding their judgments as to the quality, not just acceptability of the accounting principles of Havertys and such other matters as the Committee and the auditors are required to discuss under auditing standards generally accepted in the United States. In addition the Committee has discussed with the independent auditors the auditor's independence from the Company and its management, including the matters in the written disclosures and the letter provided by the independent auditors to the Committee as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has considered the compatibility of non-audit services with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in Havertys' Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

The Audit Committee:

John T. Glover, Chairman

Vicki R. Palmer

Fred L. Schuermann

This report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall this report be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such acts.
