ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On and effective September 11, 2008, the Board of Directors of Petroleum & Resources Corporation, referred to herein as the Corporation, amended and restated the Corporation's Bylaws. The following is a summary of certain changes effected by adoption of the amended and restated Bylaws, which is qualified in its entirety by reference to the amended and restated Bylaws filed as Exhibit 3.1 hereto.

The amended and restated Bylaws are referred to herein as the amended Bylaws. The Bylaws as previously in effect are referred to herein as the former Bylaws. In addition to the amendments to Article Two of the former Bylaws described below, the amended Bylaws include changes to (1) clarify language and delete obsolete provisions, (2) comply or be consistent with Maryland law and (3) make various non-substantive changes.

Annual Meetings. The former Bylaws provided for an annual meeting of stockholders during the month of March. The amended Bylaws clarify that an annual meeting of stockholders shall be held on a date and at the time set by the Board of Directors to conform with a recent change in Maryland law, which eliminated the necessity for specifying in the Bylaws either a specific time or a 31-day period during which the annual meeting must be held.

Stockholder-Requested Special Meetings. The amended Bylaws clarify the existing procedures for stockholders to call a special meeting of stockholders.

Advance Notice of Director Nominations and New Business Proposals from Stockholders

The amended Bylaws (1) expand the information required to be provided by the stockholder nominating an individual for election as a director or making a proposal, including additional information about persons controlling, or acting in concert with, such stockholder and additional information about any hedging activities engaged in by the stockholder or such other persons, and (2) clarify procedures for the verification of information provided by the stockholder making the nomination or proposal.

Regarding special meetings of stockholders, the amended Bylaws provide that stockholders shall notify the secretary of the Corporation of director nominations (if the Board has determined that directors will be elected at such special meeting) and stockholder proposals not earlier than the 120<sup>th</sup> day prior to such special meeting and not later than 5:00 p.m., Eastern Time, on the later of the 90<sup>th</sup> day prior to such special meeting or the tenth day following the first public announcement of the date of the special meeting. The former Bylaws generally required advance notice of director nominations (if the Board had determined that directors would be elected at such special meeting) and stockholder proposals 120 to 150 days prior to such special meeting.
