(SELECTED) NOTES TO FINANCIAL STATEMENTS (Unaudited)

The Adams Express Company (the Company) is registered under the Investment Company Act of 1940 as a diversified investment company. The Company is an internally-managed fund whose investment objectives are preservation of capital, the attainment of reasonable income from investments, and an opportunity for capital appreciation.

Security Valuation-Investments in securities traded on a national security exchange are valued at the last reported sale price on the day of valuation. Over-the-counter and listed securities for which a sale price is not available are valued at the last quoted bid price. Short-term investments (excluding purchased options) are valued at

amortized cost. Purchased and written options are valued $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

For federal income tax purposes, the identified cost of securities at September 30, 2007 was \$1,067,916,794 and net unrealized appreciation aggregated \$477,684,228, of which the related gross unrealized appreciation and depreciation were \$552,972,186 and \$75,287,958, respectively.

8. PORTFOLIO SECURITIES LOANED

The Company makes loans of securities to brokers, secured by cash deposits, U.S. Government securities, or bank letters of credit. The Company accounts for securities lending transactions as secured financing and receives compensation in the form of fees or retains a portion of interest on the investment of any cash received as collateral. The Company also continues to receive interest or dividends on the securities loaned. The loans are secured at all times by collateral of at least 102% of the fair value of the securities loaned plus accrued interest. Gain or loss in the fair value of the securities loaned that may occur during the term of the loan will be for the account of the Company. At September 30, 2007, the Company had securities on loan of \$68,210,267 and held collateral of \$70,070,900, consisting of an investment trust fund which may invest in money market instruments, commercial paper, repurchase agreements, U.S. Treasury Bills, and U.S. agency obligations.

Item 2. CONTROLS AND PROCEDURES.

Conclusions of principal officers concerning controls and procedures:

- As of October 17, 2007, an evaluation was performed under the supervision and with the participation of the officers of The Adams Express Company (the "Company"), including the principal executive officer ("PEO") and principal financial officer ("PFO"), of the effectiveness of the Company's disclosure controls and procedures. Based on that evaluation, the Company's officers, including the PEO and PFO, concluded that, as of October 17, 2007, the Company's disclosure controls and procedures were reasonably designed so as to ensure: (1) that information required to be disclosed by the Company on Form N-Q is recorded, processed, summarized and reported within the time periods specified by the rules and forms of the Securities and Exchange Commission; and (2) that material information relating to the Company is made known to the PEO and PFO as appropriate to allow timely decisions regarding required disclosure.
- (b) There have been no significant changes in the Company's internal control over financial reporting (as defined in Rule 30 a-3(d) under the Investment Company Act of 1940 (17 CFR 270.30a-3(d)) that occurred during the Company's last fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 3. EXHIBITS.

The certifications of the principal executive officer and principal financial officer pursuant to Rule 30a-2 (a) under the Investment Company Act of 1940 are attached hereto as Form N-Q Certifications.
