Item 8.01 Other Events

Comstock Resources, Inc. ("Comstock" or the "Company") announced today an amendment to its previously announced offer to exchange any and all of its existing senior notes for three new series of secured notes and, in the case of the Company's 10% Senior Secured Notes due 2020, warrants exercisable for the Company's common stock, upon the terms and subject to the conditions set forth in the Registration Statement on Form S-4 filed on August 1, 2016 with the Securities and Exchange Commission, as amended and supplemented (the "Exchange Offer").

The amendment to the Exchange Offer only applies to the unsecured senior notes exchange and reflects an increase in the mandatory conversion price to \$12.32 per share from \$10.47 per share. The Company is also providing certain registration rights to holders of the new second lien convertible notes who would be considered an "affiliate" under securities laws. In addition, the Company is making a clarifying change to the limitation on liens covering the new convertible notes to provide that the Company will not be permitted to create or incur any liens to secure indebtedness other than permitted liens (as defined in the prospectus).

The early tender date and expiration date of the Exchange Offer continues to be on Friday, August 26, 2016 at 11:59 p.m., New York City time. Accordingly, holders who validly tender (and not withdraw) their existing notes prior to the expiration date will be eligible to receive the Early Exchange Consideration shown below.

The following table sets forth each series of outstanding notes subject to the Exchange Offer and the revised consideration offered for such series in the Exchange Offer:

Notes to be Tendered	Aggregate Principal Amount Outstanding (in millions)	Early Exchange Consideration per \$1,000 Principal Amount of Notes Tendered by August 26, 2016
10% Senior Secured Notes due 2020	\$700.0	\$1,000 principal amount of Senior Secured Toggle Notes due 2020 and warrants exercisable for 2.75 shares of common stock
7¾% Senior Notes due 2019	\$288.5	\$1,000 principal amount of 7¾% Second Lien Convertible PIK Notes due 2019
9½% Senior Notes due 2020	\$174.6	\$1,000 principal amount of 9½% Second Lien Convertible PIK Notes due 2020

Accrued and unpaid interest on all tendered notes will be paid in cash upon closing of the Exchange Offer. The closing will occur promptly after the Expiration Date and subject to satisfaction or waiver of the closing conditions, as set forth in the registration statement, as amended and supplemented.

To validly tender their notes, the participating holders will be required to deliver a letter of transmittal and consent to certain amendments to the terms of the existing notes and related indentures that would remove certain of the covenants governing the existing senior notes and approve the release of the collateral with respect to the existing senior secured notes.

The Exchange Offer is conditioned upon among other matters (i) holders of (x) 90% of the outstanding principal amount of the existing senior secured notes and (y) 90% of the outstanding principal amount of the existing 2019 notes and 2020 notes (on a combined basis) having tendered and not validly withdrawn their old notes and (ii) completion of the Exchange Offer by September 15, 2016.
