The Company announced that on September 23, 2003 the court entered an order dismissing the class action allegations in a previously reported pending action in the District Court of Canadian County, Oklahoma (Kotwitz et. al. v. Pre-Paid Legal Services, Inc) upon the motion of the plaintiffs. The order provides that the action will proceed only on an individual basis, and that the hearing on plaintiffs' motion for class certification previously set for February 2004 is cancelled. The action was originally filed by one plaintiff in June 2001 and now involves the claims of five individual plaintiffs for injunctive and declaratory relief, with such other damages as the court deems appropriate, based upon various aspects of the Company's commission advance arrangements and associate agreements. Pre-Paid is pleased with this development in this case, and will continue its vigorous defense against the plaintiffs' claims.
