Item 2.02. Results of Operations and Financial Condition

Edgar Filing: FOREST LABORATORIES INC - Form 8-K

On April 25, 2006, the Registrant issued a press release announcing its results of operations for the quarter and year ended March 31, 2006. A copy of the press release is included with this report as Exhibit 99.

The press release included certain non-GAAP earnings measures adjusted to exclude certain costs, expenses and other items as specified therein. Such non-GAAP measures exclude the impact, on a diluted earnings per share basis, of certain license and milestone payments, net of tax and the tax effect associated with the one-time repatriation of funds pursuant to the American Jobs Creation Act of 2004.

We included these non-GAAP measures because they provide useful information to investors. In particular, they assist in meaningful period-to-period comparisons by excluding items which are not directly comparable between periods.

Investors should consider these non-GAAP measures in addition to, and not as a substitute for, measures of financial performance prepared in accordance with GAAP.

Item 9.01. Financial Statements and Exhibits
