**Item 1.01. Entry into a Material Definitive Agreement**

**Loan Agreement**

On December 7, 2007, Forest Laboratories, Inc. (the "Company"), certain of the Company's foreign subsidiaries (the "Borrowing Subsidiaries"), the lenders party thereto (the "Lenders"), and JPMorgan Chase Bank, N.A. (the "Agent"), as administrative agent, entered into a Credit Agreement (the "Credit Agreement") providing to the Company and the Borrowing Subsidiaries an unsecured, revolving credit facility for up to \$500,000,000, which may be increased by up to an additional \$250,000,000 (as either additional revolving or new term loans) at the election of the Company pursuant to arrangements with Lenders or new parties and subject to certain conditions. The Credit Agreement will terminate in accordance with its terms on December 7, 2012 subject to earlier termination upon fulfillment of certain terms and conditions.

The Credit Agreement contains customary representations, warranties and covenants, including a covenant that the leverage ratio of the Company be at all times less than or equal to 3.00:1.00 on a rolling four fiscal quarter basis. The leverage ratio is the ratio of Consolidated Total Indebtedness to Consolidated EBITDA (as each term is defined in the Agreement). Loans under the Agreement bear interest at a variable rate based on the Company's leverage ratio.

The Company intends to use the proceeds from loans under the Agreement to support the Company's growth strategy through the financing of the Company's working capital needs and general corporate purposes, including but not limited to product and other acquisitions. To date, the Company has not drawn on the new credit facility. J.P. Morgan Securities Inc. was the sole book runner and lead arranger for the Credit Agreement.

This description of the Credit Agreement is qualified in its entirety by reference to the Agreement filed herewith as Exhibit 10.1.

Upon the occurrence of certain events, including, but not limited to, the Company's failure to make required payments under the Credit Agreement or the Company's default in its other obligations under the Credit Agreement, the Agent may take certain remedial actions, including, but not limited to, terminating the Credit Agreement and declaring all unpaid principal, unpaid interest and all other fees and obligations thereunder immediately due.
