ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On June 6, 2006 the Executive Compensation Committee of the Board of Directors of General Motors Corporation ("GM") approved an amendment to the Cash-Based Restricted Stock Unit Plan ("the Plan"). As amended, the Plan includes the following material terms and provisions:

- o Restricted Stock Unit awards may be granted to all of the Corporation's approximately 2,600 executives, including named executive officers.
- o Restricted Stock Unit (RSU) awards under the Plan are long-term incentive awards denominated in units, each representing the value of a share of the common stock of GM, \$1-2/3 par value ("the Common Stock"). RSU awards under the Plan will be paid exclusively in cash.
- o Except for awards vesting pursuant to an involuntary separation following a change-in-control, or vesting in the case of death of the participant, RSUs will vest and be paid in equal installments on each of the first three anniversary dates following the grant date, unless otherwise determined by the Executive Compensation Committee, and will be delivered in cash. Upon vesting, the cash value will be calculated equal to the number of units vested multiplied by the stock price at the time of payment.
- o When dividends are paid on the Common Stock, dividend equivalents will be paid on all unvested RSUs equal to the number of unvested units multiplied by the dividend amount per share.
