Item 1.01 Entry into a Material Definitive Agreement.

On May 24, 2018, The Goldfield Corporation (the “Company”), the Company’s wholly owned subsidiaries (Power Corporation of America, a Florida corporation, Southeast Power Corporation, a Florida corporation, C and C Power Line, Inc., a Florida corporation, Precision Foundations Inc., a Florida corporation, Bayswater Development Corporation, a Florida corporation, and Pineapple House of Brevard, Inc., a Florida corporation) (collectively with the Company, the “Debtors”), and Branch Banking and Trust Company (“BB&T”), entered into a Master Loan Agreement (the “Master Loan Agreement”).

The Master Loan Agreement restates substantially the same terms and conditions as those set forth in the previous Master Loan Agreement (the “Previous Master Loan Agreement”) among the Debtors and BB&T originally entered into on June 9, 2017 (as described in the Company’s Form 8-K dated June 9, 2017, and incorporated herein by reference), except for (i) the modification of the \$22.6 million equipment loan between the Company and BB&T (the “\$22.6 Million Equipment Loan”), increasing it to a \$27.49 million equipment loan (as increased, the “\$27.49 Million Equipment Loan”), (ii) a new \$18.0 million working capital loan between the Company and BB&T (the “Working Capital Loan”), which replaces the previous \$18.0 million working capital loan between the Company and BB&T (the “Previous Working Capital Loan”) and (iii) an increase in the permissible outside debt and leases amount from \$500,000 in the Previous Master Loan Agreement to \$2,000,000. The Master Loan Agreement replaces the Previous Master Loan Agreement.

Borrowings of \$16.99 million, outstanding as of May 24, 2018, plus accrued interest under the \$22.6 Million Equipment Loan were continued under the \$27.49 Million Equipment Loan.

The remaining portion of the \$27.49 Million Equipment Loan balance will be drawn by the Company for equipment purchases that are made on or after January 1, 2018.

Under the documentation related to the \$27.49 Million Equipment Loan, principal payments of \$510,000.00 plus accrued interest will commence on June 9, 2018 and continue monthly thereafter until and including the payment due on December 9, 2018. On December 31, 2018, the then outstanding principal balance of the \$27.49 Million Equipment Loan shall be amortized over a forty (40) month period. Equal monthly payments of principal, plus accrued interest, shall thereafter commence on January 9, 2019 and continue monthly on the same day of each month thereafter, with all outstanding principal, accrued interest, and all other amounts then due and owing to be payable on May 1, 2022, its maturity date.

Also on May 24, 2018, the Company entered into the new \$18.0 million Working Capital Loan, which replaces all previous renewals and or modifications on the Previous Working Capital Loan. The Working Capital Loan restates substantially the same terms and conditions as those set forth in the Previous Working Capital Loan, originally entered into on August 26, 2005 (as described in the Company’s Form 8-K dated August 26, 2005, and incorporated herein by reference) and last renewed and modified on November 1, 2016 (as described in the Company’s Form 8-K dated November 1, 2016, and incorporated herein by reference).

Borrowings of \$2.75 million, outstanding as of May 24, 2018, from the Working Capital Loan were used to pay in full the outstanding amount of the Previous Working Capital Loan, plus accrued interest and loan closing costs. The remaining portion of the Working Capital Loan balance will be drawn by the Company as and when needed for working capital purposes.

Under the documentation related to the Working Capital Loan, (i) principal is due in full at maturity on November 28, 2020 and (ii) accrued interest is payable monthly commencing on June 9, 2018 and continuing on the same day of each calendar period thereafter, with one final payment of all remaining interest due on November 28, 2020, its maturity date. Borrowings outstanding under the Working Capital Loan were \$2.75 million as of May 24, 2018.

In addition, both the \$27.49 Million Equipment Loan and the Working Capital Loan will bear interest at a rate per annum equal to One Month LIBOR (as defined in the documentation related to each loan) plus 1.80%, which will be adjusted monthly on the first day of each LIBOR Interest Period. The Master Loan Agreement contains customary representations and warranties and customary events of default.

The Company's obligations under both the \$27.49 Million Equipment Loan and the Working Capital Loan are guaranteed by the other Debtors and secured by a continuing security interest in the currently owned and hereafter acquired personal property of the Debtors identified as: (i) accounts, including all contract rights; (ii) equipment and machinery, including all accessions thereto, and all manufacturers' warranties, parts and tools therefore; (iii) vehicles; (iv) supporting obligations; and (v) to the extent not listed above as original collateral, all proceeds (cash and non-cash) and products of the foregoing.

The Company and its affiliates (including its wholly owned subsidiaries) do not have any material relationship with BB&T, other than with respect to (i) the Master Loan Agreement, the loans thereunder and the documentation related thereto (ii) the previous Master Loan Agreements, the loans thereunder and the documentation related thereto and (iii) other customary banking matters.
