Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective as of July 1, 2016, Halliburton's Board of Directors appointed Mark A. McCollum to the role of Executive Vice President and Chief Financial Officer, a role he held prior to being appointed Chief Integration Officer during the pendency of the proposed acquisition of Baker Hughes Incorporated. Also effective July 1, 2016, Christian A. Garcia, Senior Vice President of Finance, and Acting Chief Financial Officer will step down from the chief financial officer role and become Senior Vice President, Finance.

Mr. McCollum, age 57, has served as Executive Vice President and Chief Integration Officer since January 2015. Prior to that time, he served as Executive Vice President and Chief Financial Officer from January 2008 to December 2014.

There are no family relationships existing between Mr. McCollum and any executive officer of Halliburton. There have been no transactions, and no transactions are currently proposed, in which Halliburton was or is to be a participant and in which Mr. McCollum or any member of his immediate family had or will have any interest, that are required to be disclosed by Item 404(a) of Regulation S-K. The Employment Agreement provides for a minimum annual base salary, participation in the Annual Performance Pay Plan, Performance Unit Program, and Stock and Incentive Plan, as well as other employee benefit plans and programs on the same basis generally as other executive officers.

The Employment Agreement provides that if his employment is terminated for Good Reason as defined therein or for any reason other than death, early or normal retirement, permanent disability, voluntary termination of employment for other than Good Reason, or for Cause, as defined therein, Mr. McCollum will receive the following: (a) at our sole discretion and option, (i) the vesting of all shares of Halliburton common stock previously granted to Mr. McCollum which are unvested as of the date of termination of employment or (ii) the forfeiture of all such unvested shares of Halliburton common stock and a payment to Mr. McCollum in a single lump sum equal to the value of the unvested shares based on the closing price of Halliburton common stock on the New York Stock Exchange on the date of termination of employment; (b) a single lump sum payment equal to two years' of base salary, as in effect at the date of termination of employment, subject to a release of any and all claims; and (c) any individual bonuses or individual incentive compensation under our Annual Performance Pay Plan as if Mr. McCollum had remained employed by us for the entire year. Mr. McCollum would also be eligible to receive other employee benefits under our employee benefit plans and programs on the same basis generally as other executive officers.

The description of Mr. McCollum's Employment Agreement is qualified in its entirety by the provisions of the Employment Agreement, which is incorporated by reference to Exhibits 10.1 to this Form 8-K.
